

Jizhou Dong

China consumer and property research

董季舟先生

野村中国香港消费和房地产行业分析师

Jizhou joined Nomura in 2021 and has led its coverage of China consumer and property sectors. Before joining Nomura, Jizhou was head of China property research at Huatai International. Jizhou used to be a China property analyst with HSBC and Credit Suisse.

Jizhou is well connected with China consumer and property companies; he has organized a series of corporate access events and NDRs within his coverage. He and his team are also deeply involved in providing third-party channel checks and sector insights into the consumer space.
