

## Aurèle Storno

CIO, All Roads Multi Asset Franchise  
Lombard Odier Investment Managers

Aurèle is CIO of LOIM Multi Asset group and the lead portfolio manager of LO Funds–All Roads. He is also the CIO of the Lombard Odier Pension Fund, pioneer of our risk-based philosophy since October 2009.

Aurèle's service with the firm dates back to August 2001, initially with the fund research unit, analysing both traditional long-only funds and hedge funds. He joined the centralised portfolio management unit for private clients in 2004. In 2006, he started managing pension fund mandates on the institutional global balanced desk, which he has been heading up since 2008. Aurèle earned a master's degree in engineering from the Swiss Federal Institute of Technology, Lausanne (EPFL) in 1999 and is a CFA Charterholder.
