

Wayne Huo

CEO

Amber Premium & Co-Founder, Amber Group

Wayne Huo is the CEO of Amber Premium (Nasdaq: AMBR) and a Co-Founder of Amber Group, where he has been instrumental in shaping the firm's global operations, institutional investment strategies, and risk management frameworks since its inception.

As CEO of Amber Premium, Wayne led the company through its successful Nasdaq listing, positioning it as a leading provider of institutional crypto financial services and solutions.

Prior to co-founding Amber Group, Wayne built a strong foundation in financial markets as an FX Options Trader at Morgan Stanley, specializing in derivatives trading and risk analytics. He holds a Master's degree in Mathematical Finance from New York University and a Bachelor's degree in Applied Mathematics, Finance & Economics from the University of Toronto. A recognized industry leader, Wayne was named to Forbes' "30 Under 30" 2019.

About Amber Premium (NASDAQ: AMBR)

Amber Premium (NASDAQ: AMBR), the brand name under which Amber International Holding Limited operates, is a leading provider of institutional crypto financial services and solutions. As a subsidiary of Amber Group, it provides institutional market access, execution infrastructure, and investment solutions to help institutions and high-net-worth individuals optimize their digital asset portfolios. Amber Premium offers a regulated, scalable financial ecosystem powered by proprietary blockchain and financial technologies, AI-driven risk management, and quantitative algorithms across CeFi, DeFi, and OTC markets.
