In case of a revision in the Price Band, the Offer Period will be extended by at least three additional Working Days after revision of the Price Band, subject to the Offer Period not exceeding 10 Working Days. Any revision in the Price Band and the revised Offer Period, if applicable, will be widely disseminated by notification to NSE, by issuing a press release and also by indicating the change on the websites of the Managers and at the terminals of the Syndicate Members.

The Offer is being made in compliance with the requirements of Regulation 45 of the Securities Contracts (Regulation) (Stock Exchanges and Clearing Corporations) Regulations, 2012, as amended (“SECC Regulations”).

Furthermore, in terms of Rule 19(2)(b) of the Securities Contracts Regulations Rules, 1957, as amended (“SCRR”) read with Regulation 41 of the ICDR Regulations, and in compliance with Regulation 26(1) of the ICDR Regulations, wherein not more than 50% of the Offer shall be available for allocation on a proportionate basis to Qualified Institutional Buyers (“QIB”). Provided that BSE in consultation with the Managers, may allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis. One-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. 5% of the QIB Portion (excluding the Anchor Investor Portion) shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the QIB Portion shall be available for allocation on a proportionate basis to all QIB Bidders (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not less than 15% of the Offer shall be available for allocation on a proportionate basis to Non-Institutional Investors and not less than 35% of the Offer shall be available for allocation on a proportionate basis to Retail Individual Investors, in accordance with the ICDR Regulations, subject to valid Bids being received at or above the Offer Price. All Bidders, other than Anchor Investors, are required to mandatorily utilise the Application Supported by Blocked Amount (“ASBA”) process providing details of their respective bank accounts which will be blocked by the Self Certified Syndicate Banks (“SCSBs”), to participate in this Offer. Anchor Investors are not permitted to participate in the Anchor Investor Portion through the ASBA process. For details, please see “Offer Procedure” on page 495 of this Draft Red Herring Prospectus.

RISKS IN RELATION TO FIRST ISSUE

This being the first public offer of Equity Shares of BSE, there has been no formal market for the Equity Shares. The face value of the Equity Shares is ₹ 1 each. The Floor Price is [●] times the face value and the Cap Price is [●] times the face value. The Offer Price is [●] times the face value. The Offer Price (as has been determined by BSE in consultation with the Advisory Committee of Shareholders and the Managers, and justified as stated in the section “Basis for Offer Price” on page 92 of this Draft Red Herring Prospectus) should not be taken to be indicative of the market price of the Equity Shares after the Equity Shares are listed. No assurance can be given regarding active and / or sustained trading in the Equity Shares or regarding the price at which the Equity Shares will be traded after listing.

GENERAL RISKS

Investment in equity and equity-related securities involve a degree of risk and Bidders should not invest any funds in the Offer unless they can afford to take the risk of losing their investment. Bidders are advised to read the Risk Factors carefully before taking an investment decision in the Offer. For taking an investment decision, Bidders must rely on their own examination of BSE and the Offer, including the risks involved. The Equity Shares offered in the Offer have not been recommended or approved by the Securities and Exchange Board of India (“SEBI”), nor does SEBI guarantee the accuracy or adequacy of this Draft Red Herring Prospectus. Specific attention of the Bidders is invited to the section “Risk Factors” on page 19 of this Draft Red Herring Prospectus.

BSE AND THE SELLING SHAREHOLDER’S ABSOLUTE RESPONSIBILITY

BSE, having made all reasonable inquiries, accepts responsibility for and confirms that this Draft Red Herring Prospectus contains all information with regard to BSE and the Offer, which is material in the context of the Offer, that the information contained in this Draft Red Herring Prospectus is true and correct in all material aspects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which makes this Draft Red Herring Prospectus as a whole or any of such information or the expression of any such opinions or intentions, misleading in any material respect. Each of the Selling Shareholders severally and not jointly accept responsibility only for the statements made by it in this Draft Red Herring Prospectus and confirm that this Draft Red Herring Prospectus contains all information about itself as a selling shareholder and the Equity Shares offered by each of them in the Offer, and that such statements are true and correct in all material respects and are not misleading in any material respect.

LISTING

The Equity Shares offered through the Red Herring Prospectus are proposed to be listed on the NSE. BSE has received an “in-principle” approval from the NSE for the listing of the Equity Shares pursuant to its letter dated [●]. A copy of the Red Herring Prospectus and the Prospectus shall be delivered to the RoC for registration in accordance with the Companies Act, 2013. For details of the material contracts and documents that will be available for inspection from the date of the Red Herring Prospectus up to the Offer Closing Date, please see “Material Contracts and Documents for Inspection” on page 556 of this Draft Red Herring Prospectus.

Further, the extent to which the industry and market data presented in this Draft Red Herring Prospectus is meaningful depends on the reader’s familiarity with and understanding of the methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which we conduct our business, and methodologies and assumptions may vary widely among different industry sources.

Such data involves risks, uncertainties and numerous assumptions and is subject to change based on various factors, including those disclosed in “*Risk Factors*” on page 19 of this Draft Red Herring Prospectus. Accordingly, investment decisions should not be based solely on such information.

In accordance with the ICDR Regulations, “*Basis for Offer Price*” on page 92 includes information relating to our peer group companies. Such information has been derived from publicly available sources, and neither we, nor the Managers have independently verified such information.

Exchange rates

This Draft Red Herring Prospectus contains conversions of US\$ currency amounts into Indian Rupees that have been presented solely to comply with the requirements of the ICDR Regulations. These conversions should not be construed as a representation that such currency amounts could have been, or can be converted into Indian Rupees, at any particular rate, or at all.

The exchange rates between the Rupee and the respective foreign currencies are provided below:

FORWARD-LOOKING STATEMENTS

This Draft Red Herring Prospectus contains certain “forward-looking statements.” These forward-looking statements include statements with respect to our business strategy, objectives, plans, prospects and goals. Bidders can generally identify forward-looking statements by words or phrases such as “aim”, “anticipate”, “believe”, “expect”, “estimate”, “intend”, “objective”, “plan”, “shall”, “will”, “will continue”, “will pursue” or other words or phrases of similar import. All forward-looking statements (whether made by us or any third party) are predictions and are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement.

Forward looking statements reflect our current views with respect to future events as of the date of this Draft Red Herring Prospectus and are not a guarantee of future performance. These statements are based on our management’s beliefs and assumptions, which in turn are based on currently available information. Although we believe the assumptions upon which these forward-looking statements are based, are reasonable, any of these assumptions could prove to be inaccurate, and the forward-looking statements based on these assumptions could be incorrect.

Further, the actual results may differ materially from those suggested by the forward-looking statements due to risks or uncertainties associated with our expectations with respect to, but not limited to, regulatory changes pertaining to our business and our ability to respond to them, our ability to successfully implement our strategy, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions in India, which have an impact on our business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes, changes in competition in our industry and incidence of any natural calamities and / or acts of violence. Important factors that could cause actual results to differ materially from our expectations include, but are not limited to, the following:

1. Broad market trends and other factors beyond our control significantly reducing demand for our services and harming our business, financial condition and results of operations;
2. Failure in implementing our current and future strategic plans;
3. Contingencies and uncertainties related to our proposed international exchange in GIFT City;
4. Significant and rapid technological change;
5. Damage to our reputation;
6. Any current and future strategic investment, alliance, joint venture or other business combination;
7. Our existing products losing market appeal and we not being able to expand into new product lines or attracting new types of investors;
8. Our risk management methods and insurance policies not be effective or adequate;
9. Fluctuations in trading activities;
10. Changes in interest rates;
11. Changes in government policies;
12. Security risks and cyber-attacks; and
13. Insufficient systems capacity and system failures.

For further discussion on factors that could cause our actual results to differ from expectations, please see “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 19, 126 and 414 of this Draft Red Herring Prospectus, respectively. By their nature, certain market risk related disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual gains or losses could materially differ from those that have been estimated.

We cannot assure Bidders that the expectations reflected in these forward-looking statements will prove to be correct. Given these uncertainties, Bidders are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements as a guarantee of future performance.

The Exchange, the Selling Shareholders, the Directors, the Syndicate and their respective affiliates or associates do not have any obligation to, and do not intend to, update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the SEBI requirements, the Exchange will ensure that Bidders in India are informed of material developments from the date of the Red Herring Prospectus

until such time as the grant of listing and trading permissions by the NSE. The Selling Shareholders will ensure that the Exchange and Managers are informed of material developments in relation to the Equity Shares offered by each of them in the Offer in addition to the statements and undertakings confirmed by each of them until such time as the grant of listing and trading permissions by the NSE.

RISK FACTORS

An investment in the Equity Shares involves a high degree of risk. You should carefully consider all the information in this Draft Red Herring Prospectus, including the risks and uncertainties described below, before making an investment in the Equity Shares. If any one or some combination of the following risks were to occur, our business, results of operations, financial condition, cash flows and prospects could suffer, and the price of the Equity Shares could decline and you may lose all or part of your investment. Unless specified in the relevant risk factor below, we are not in a position to quantify the financial implication of any of the risks mentioned below. In making an investment decision, prospective investors should rely on their own examination of us and the terms of this Offer, including the merits and risks involved. Unless stated otherwise, the financial information used in this section has been derived from our restated consolidated financial statements.

Any potential investor in, and purchaser of, the Equity Shares should pay particular attention to the fact that we are governed in India by a legal and regulatory environment which in some material respects may be different from that which prevails in the United States and other countries. In addition, the risks set out in this Draft Red Herring Prospectus are not exhaustive and additional risks and uncertainties not presently known to us, or which we currently deem to be immaterial, may arise or may become material in the future. This section should be read together with "Industry", "Our Business", "Selected Statistical Information" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" as well as the restated consolidated financial statements, including the notes thereto, and other financial information included elsewhere in the Draft Red Herring Prospectus. This Draft Red Herring Prospectus also contains forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from such forward-looking statements as a result of certain factors including the considerations described below and elsewhere in this Draft Red Herring Prospectus. For more information, please see "Forward-Looking Statements" on page 17 of this Draft Red Herring Prospectus.

Risks Relating to Our Business

1. Broad market trends and other factors beyond our control could significantly reduce demand for our services and harm our business, financial condition and results of operations.

Our business, financial condition and results of operations are highly dependent upon the levels of activity on the exchange, and in particular upon the volume of financial assets traded, the number of listed securities, the number of new listings and subsequent issuances, liquidity and similar factors, as a significant portion of our revenue depends, either directly or indirectly, on trading, listing, clearing and settlement transaction-based fees. Our financial condition and results of operations are also dependent upon the success of our clearing, settlement and other issuer services, which, in turn, are directly dependent on the liquidity and financial strength of our customers, namely financial intermediaries such as brokers, and their respective clients. We also depend upon the relative attractiveness of the financial assets traded on the exchange, and the relative attractiveness of the exchange as a market on which to trade these financial assets. All of these variables are primarily influenced by economic, political and market conditions in India as well as, to a lesser degree, the rest of Asia, the United States, Europe and elsewhere in the world that are beyond our control. According to the World Bank, global market and economic conditions have been weak and volatile in recent years and while volatile markets may generate increased transaction volumes, prolonged weak economic conditions may materially adversely affect listing, trading, clearing and settlement volumes as well as the demand for market data. For example, a decline in share prices and number of shares traded may cause us to experience settlement shortages or settlement defaults by a member. If returns on investments in Indian companies are generally lower than returns on investments in companies based in other countries, we may be unsuccessful in attracting foreign and local investors to our markets.

Other factors that may materially adversely affect our business, financial condition and results of operations and are beyond our control include:

- broad trends in business and finance, including industry-specific circumstances, capital market trends and the mergers and acquisitions environment;
- social and civil unrest, terrorism and war;
- concerns over inflation and the level of institutional or retail confidence;
- changes in government monetary policy and foreign currency exchange rates;
- the availability of short-term and long-term funding and capital;
- the availability of alternative investment opportunities;

- changes and volatility in the prices of securities;
- changes in tax policy (including transaction tax) and tax treaties between India and other countries;
- the level and volatility of interest rates;
- legislative and regulatory changes, including the potential for regulatory arbitrage among regulated and unregulated markets if significant policy differences emerge among markets;
- the perceived attractiveness, or lack of attractiveness, of Indian capital markets; and
- unforeseen market closures or other disruptions in trading.

If levels of activity on the exchange are materially adversely affected by any of the factors described above or other factors beyond its control, our business, financial condition and results of operations could also be materially adversely affected.

2. *There can be no assurance that we will be successful in implementing our current and future strategic plans.*

We have undertaken several initiatives in the past and continue to do so with a view to enhancing retail and institutional investment participation, increase the amount of trading in derivative products and focusing on advancing and updating our technological infrastructure. We have also entered into strategic alliances with other global exchanges such as the BRICS Exchanges Alliance-BRICSMART, and the Dubai Gold and Commodities Exchange to encourage greater trading on the exchange. See "*Business — Strategies*". Factors that may have an effect on our business strategy include, among others:

- the general condition of the Indian, Asian and global economies;
- levels of trading on exchanges with whom we have strategic alliances, including in Brazil, Russia, Europe, China, Dubai, South Korea and South Africa;
- our ability to successfully introduce new services and products; and
- regulatory restrictions.

Many of these factors are beyond our control. As a result, there can be no assurance that we will be successful in implementing our current and future strategic plans, including our GIFT City project, and any failure to do so may have a material adverse effect on our prospects and future financial condition and results of operations.

3. *Our proposed international exchange in GIFT City is subject to numerous contingencies and uncertainties*

We intend to establish an international exchange in GIFT City, a multi-services Special Economic Zone that is currently being developed as India's first international financial services centre. Subject to receipt of the necessary regulatory approvals, the international exchange will provide an electronic trading platform that facilitates (i) Indian companies in raising capital in foreign currency by issuing foreign-currency denominated bonds and providing a trading platform to trade on such securities, (ii) Indian startups to raise equity from foreign investors by getting listed on the international stock exchange and (iii) companies incorporated outside India to raise money in foreign currencies by issuing and listing their equity shares on the international stock exchange. However, there are numerous contingencies and uncertainties that may impact our opening of the GIFT City exchange.

In particular, we have not yet finalized the exact business plan and corporate structure for the operations of the exchange and related clearing corporation and depository. We may seek to partner with third parties, such as other exchange operators, to establish and operate the exchange, and we may similarly seek to partner with third parties to run the related clearing corporation. However, we have not yet identified any particular partners, and finding partners may result in delays to the proposed timeline for the exchange. If we are not able to locate partners, we will have to pay the full costs of establishing and operating the project ourselves. The project will require a significant amount of capital, and there can be no assurance that there are sufficient business opportunities or that we will be able to capture those business opportunities in order to offset our expenses in establishing the project. Additionally, the proposed exchange's interconnectivity with other markets is uncertain.

We propose to begin operating the GIFT City exchange after, among others, the publication by SEBI of final regulations applicable to the exchange. However, even if we are successful in opening the exchange, until such time as an associated depository has been opened, the only products that will be able to be traded on the exchange will be products that do not require depository services. There can be no guarantee that an associated depository will be established, in which case the product offering on the GIFT City exchange may be limited.

Moreover, although SEBI issued guidelines for the establishment of international financial services centres in March 2015, the regulations are not yet finalized and it is unclear as to when the regulations will be finalized and what exactly will be permitted under the final regulations.

Any of the above contingencies and uncertainties may result in our inability to implement the GIFT City project, which may result in a material adverse effect on our prospects and future financial condition and results of operations.

4. *We operate in a business environment that continues to experience significant and rapid technological change.*

Technology is a key component of our operations and business strategy, and we regard it as an important component of our success. However, we operate in a business environment that has undergone, and continues to experience, significant and rapid technological change. In recent years, electronic and high-speed trading has grown significantly. To remain competitive, we must continue to enhance and improve the responsiveness, functionality, capacity, accessibility and features of our trading and clearing platforms, software, systems and technologies. Our success will depend, in part, on our ability to:

- develop and license leading technologies;
- enhance existing trading and clearing platforms and services;
- anticipate the demand for new services and respond to customer demands, technological advances and emerging industry standards and practices on a cost-effective and timely basis;
- continue to attract and retain a workforce highly skilled in technology and to develop and maintain existing technology; and
- respond and adapt to competition from and opportunities of emerging technologies such as Fintech innovation.

"Fintech" refers to the emerging technology used to support and enable banking and financial services, covering not only the back and middle offices but front offices as well. Developments in Fintech have the potential to disrupt the financial industry and change the way stock exchanges do business. In particular, we face significant risks and competition that Fintech innovation will replace back-end functions that we currently offer to our customers, in the medium term particularly in our clearing and settlement functions, through distributed ledger technology, blockchain software which transfers financial assets using cryptographically-secured networks instead of third-party parties like clearing corporations and other related technology relating to the use of the blockchain technologies in connection with a system for the public trading of securities. In this respect, we face competition not only from companies using Fintech technology but also from other financial market participants such as electronic communications networks and other alternative trading systems, multilateral trading facilities, market makers, banks and brokers using such technologies.

Furthermore, the adoption and implementation of new technologies or market practices and the addition of new products or services to our trading platforms may require us to devote significant additional resources to improve and adapt our services. Keeping pace with the ever-changing requirements can be expensive, and we can give no assurance that we will succeed in making improvements to our technology infrastructure in a timely manner or at all. Even after incurring these costs, we ultimately may not realise any, or may realise only small amounts of, revenues for these new products or services. If revenue does not increase in a timely fashion as a result of these expansion initiatives, the up-front costs associated with expansion may exceed revenue and prevent us from making any return on such investments. In addition, we may be unable to develop or implement new technologies in a timely manner or at all due to regulations that are not yet in place, which may materially and adversely affect our operations and our business.

5. *Trading on our equity derivatives segment is less than that on the NSE and there is no guarantee that we can successfully compete in the equity derivatives segment against the NSE.*

In September 2011, we launched a series of liquidity enhancement incentive programs (the "LEIPS") in an attempt to enhance liquidity in our futures and options segment and to compete with the NSE share in the derivatives segment. Under the LEIPS, we lowered our transaction fees and offered volume-based and open-interest-based cash incentives to our members. Our expenses for the LEIPS in FY 2012, FY 2013, FY 2014, FY 2015 and FY 2016 was ₹ 604.9 million, ₹ 955.4 million, ₹ 612.9 million, ₹ 342.5 million and ₹ 172.4 million, respectively. Although equity futures and options turnover on the exchange increased under the LEIPS, we

began reducing the incentives during FY 2013 and removed them entirely as of April 1, 2016. As a result of discontinuing the LEIPS, there was a sharp decline in equity derivatives trading on our exchange from FY 2015 to FY2016 and for the three months ended June 30, 2016, decreasing by 99.9% from its height of 2,080,160 equity derivative contracts traded per day in FY 2015 to 1,446 in the three months ended June 30, 2016. We may not be able to maintain or increase trading in our equity derivatives segment and there is no guarantee that we will be able to compete in this segment with the NSE.

6. *Damage to our reputation could materially adversely affect our business.*

We operate in an industry where reputation and customer confidence (including that of issuers, financial intermediaries and investors) are extremely important. One of our competitive strengths is our strong reputation and brand name as one of the most recognizable stock exchanges in India.

Due to the role that we perform in the Indian capital, derivatives and foreign exchange markets, errors in our transaction systems, interruptions in trading, operational errors, inadvertent leakages of confidential information relating to customers, court cases, press speculation or other unfavourable information could damage our brand and reputation. The actions of other entities in the exchange market, including issuers, financial intermediaries and competing trading platforms, acting contrary to accepted standards of conduct or market practice could undermine general confidence in the Indian markets and in our business. Finally, our members and employees may engage in fraud or other misconduct, and although we take precautions to prevent and detect this activity, such precautions may not be effective in all cases, which could result in sanctions or serious harm to our reputation.

We cannot guarantee that these issues will not occur, thereby resulting in market disruption, regulatory investigations and reputational damage. Damage to our reputation may cause some issuers not to list their securities on the exchange as well as steer investors to what they deem to be more reliable exchanges thereby reducing the trading volume on the exchange. As a result, such reputational damage or any litigation or investigations may affect our business, financial condition and results of operations.

7. *Any current and future strategic investment, alliance, joint venture or other business combination may materially adversely affect our financial condition and results of operations.*

In order to stay competitive, we may seek to enter into future investments, alliances, joint ventures or other business combinations. For instance, we have in the past made strategic investments in exchanges such as the Calcutta Stock Exchange, in which we acquired a 5% ownership in FY 2007, the United Stock Exchange, which amalgamated with the Exchange in FY 2015 and the National Power Exchange, in which we acquired a 16.66% ownership in FY 2011 to broaden the base of securities in which we are involved, as well as in other areas such as clearing and advisory services. However, there can be no assurance that we will be able to adequately assess and identify suitable opportunities for business diversification or other purposes, obtain the financing necessary to complete and support such investments, alliances or ventures on satisfactory terms, or that any such business combination will prove to be profitable or create value for our shareholders. For example, the Calcutta Stock Exchange discontinued trading on its own platform, C-Star, in April 2013 and the National Power Exchange commenced voluntary winding up in April 2014 and we have made the necessary provisions with respect to the Calcutta Stock Exchange and taken a loss in the National Power Exchange in our financial statements. Furthermore, there can be no assurance that any investment, alliance, joint venture or other business combination offer made by us will be accepted. Additionally, potential strategic investments, alliances and joint ventures may result in our exposure to unanticipated liabilities and we can provide no assurance that we would be able to identify any actual or potential liabilities. Any failure to complete any proposed strategic investment, alliance, joint venture or other business combination in accordance with our expectations, or the failure to identify suitable opportunities, may result in a material adverse effect on our results of operations or financial condition.

8. *Our existing products may lose market appeal and we may be unable to expand into new product lines or attract new types of investors.*

Our revenue is comprised of revenue from operations, which consists of (i) revenue from securities services, (ii) revenue from services to corporates and (iii) revenue from data dissemination fees, income from investment and deposits and other income. Our revenue from operations accounted for 63.4%, 64.8%, 57.8% and 50.4% of our total revenue for three month ended June 30, 2016, FY 2016, FY 2015 and FY 2014, respectively. Current products in the secondary market may become outdated or lose market favour before adequate enhancements or

replacements can be developed. If a significant portion of our existing product portfolio becomes outdated or loses market favour and we are unable to offer new products in their place, or if we fail to increase the demand by investors for our products, our business, financial condition, results of operations and prospects could be materially adversely affected. Further, we may not be able to maintain our market share in the newer product segments that we currently offer or maintain our market share for product segments which we currently have a sizeable or large market share. Consequently, our continued success and future growth rely on the development and introduction of new financial products that appeal to the investment community, as well as on the ability to attract new types of investors to our products. However, there can be no assurance that we would be able to obtain approvals required for the introduction of new products or innovations in a timely manner or at all. All product and segment offerings are ultimately determined by SEBI and we are limited in our flexibility to innovate or differentiate vis-a-vis other exchanges. Any delays or failure to obtain such approvals may materially adversely affect our operations and our business. Further, there is no guarantee that the product segments we offer will be commercially successful, which may result in a material adverse effect on our results of operations or financial condition.

9. *Our business may be materially adversely affected by risks associated with clearing activities.*

We are subject to credit risk, liquidity risk, settlement risk and collateral risk in our clearing and settlement business. Our wholly-owned clearing subsidiary, ICCL, acting as a central counterparty, is responsible for our clearing activities for contracts entered into by ICCL's clearing participants. As a result, ICCL assumes the central counterparty risk for each trade cleared and incurs credit exposure to clearing participants. Clearing participants may encounter economic difficulties for a variety of reasons, which could result in default on settlement obligations. Besides settlement risk, we are also subject to liquidity risk when either a clearing member defaults or is delayed in fulfilling its obligations or when a clearing bank defaults or delays in facilitating the pay-out of funds. We are also subject to collateral risk, where we are either unable to access the collateral deposited in a timely manner or face extreme market conditions that result in a reduction in the liquidation value of the collateral compared to the obligation which the collateral secures. Although we attempt to minimize our exposure to such counterparty credit risks through rules and risk management measures, these measures may not be sufficient to detect problems and in certain circumstances, clearing participants might suffer difficulties that would impair their capacity to meet their financial performance obligations to ICCL. If such impairment were to occur, our measures to offset counterparty default risk and our financial resources, including the Core Settlement Guarantee Fund, might not prove sufficient to protect us from any counterparty defaults or from the material adverse effects of such defaults. Our results of operations could therefore be further materially adversely affected by losses sustained as a result of participant defaults on settlement obligations. Our business operations are also affected by timely and efficient transfer of securities to and from the depositories, NSDL and CDSL. Any delay or failure on the part of any of the depositories in the pay-in or pay-out of securities may materially and adversely affect ICCL's business operations.

10. *Our electronic trading platform, networks and those of our third-party service providers may be vulnerable to security risks and cyber-attacks.*

Our electronic trading platforms involve the storage and transmission of our customers' proprietary information. A failure of the platform, including a security breach or a cyber-attack, could result in the loss or misappropriation of customer data and, as a consequence, our activities could be disrupted and we could face litigation and be required to compensate a portion of damages sustained by our customers. The secure transmission of confidential information over public and other networks is also a crucial and element of our operations. Our networks, namely our BSE Network, trading network and internet network and those of our third-party service providers may be vulnerable to unauthorized access, cyber-attacks, computer viruses and other security problems. Persons who circumvent security measures could wrongfully access and use our information or our customers' information, or cause interruptions or malfunctions in our operations. Such breaches or any actual, threatened or perceived attacks in the future could compromise our confidential data, such as clients' trading data and positions, which could lead to lawsuits against us and could result in government agencies commencing investigations of our operations, which could result in negative publicity, harm to our reputation, and subject us to government fines and regulatory sanctions. The market perception of the effectiveness of our security measures could be harmed and could cause members, customers and investors to either reduce or stop their use of our electronic trading platforms, leading to loss of trading share, loss of trading volume and loss of revenues, any of which could materially adversely affect our business, financial condition and results of operations. We may also be required to expend significant resources to protect against the threat of security breaches or to alleviate problems, including reputational harm, caused by any cyber-attacks or security breaches.

11. *Certain of our critical trading infrastructure and software agreements are licensed from third parties.*

Our main trading engine has been obtained by us pursuant to a software licensing arrangement entered into with Eurex Frankfurt AG ("**Eurex**"). Eurex has sublicensed the trading architecture to us on the basis of its license agreement with the license owner Finnovation S.A. The software license agreement is valid for a period of 10 years from May 24, 2013 with a renewal option for a period of seven years and a further right to obtain a perpetual license at the end of such period. The agreement is subject to termination by Eurex in the event of default in compliance by us with our obligations under the agreement. This trading engine forms the core of our trading network and should it fail or become unavailable to us, our operations would be subjected to severe disruptions. In the absence of a renewal of this license on favourable terms or at all, we may incur significant cost in procuring or developing and implementing a new trading engine. Further, technology obsolescence may lead to this trading engine becoming redundant within a time period far shorter than anticipated by us. Accordingly, we may be required to invest additional amounts and incur significant costs in upgrading or purchase of newer technologies.

Any failure of our trading architecture may have a material adverse impact on our business, cash flows, results of operations, reputation, profitability and prospects.

12. *Insufficient systems capacity and systems failures could materially adversely affect our business and reliance on third party service providers.*

Our business depends on the performance, reliability and upgrades of complex computer and communications systems as well as third party systems and links and third party service providers including settlement banks, certain data suppliers, server hardware suppliers, software providers, telecommunications equipment suppliers and telecommunications providers. Heavy use of our platforms and order routing systems during peak trading times or at times of unusual market volatility could cause our systems to operate slowly or even to fail for periods of time. Our or any third party service provider's failure to maintain systems or to ensure sufficient capacity may also affect its operations or result in disruptions of its regulatory and reporting functions, leading to claims, reputational damage and sanctions by regulators. In particular, the timing of calculations of real-time indices as reference prices for certain derivatives is critical. As a result of any errors in, delays or unavailability of information provided by a third party, we may face liabilities from customers who rely on these indices as a reference point for their specific products.

We have experienced systems failures in the past. For example, in April 2014, market participants faced difficulties in executing trades on our markets due to login connectivity issues for about half an hour as we moved to our new trading platform, BOLT+. Two days later, prices on the exchange stopped updating and we halted trade executions for about 15 minutes. In June 2014, we faced issues with calculation and updating of real-time data feeds for almost one hour. In July 2014, our systems were shut down for over three hours in the middle of the trading day due to errors by a service provider. It is possible that we will experience systems failures in the future even with our back-up and risk management systems in place. Systems failures could be caused by, among other things, cyber-attacks, periods of insufficient capacity or network bandwidth, power or telecommunications disruptions or failures, acts of God or war, terrorism, human error, natural disasters, fire, sabotage, hardware or software malfunctions or defects, computer viruses, intentional acts of vandalism and similar events over which we have little or no control.

We also rely on third parties for systems support. Any interruption in these third-party services or deterioration in the performance of these services, regardless of the cause, could also be disruptive to our business and affect trading activity. While we have backup systems in place for certain aspects of our operations, our systems and infrastructures are not fully redundant, disaster recovery planning is not sufficient for all eventualities and our property and business interruption insurance coverage may not be adequate to compensate us fully for any losses that we may suffer.

If we, or third parties upon which we rely, cannot expand system capacity to handle increased demand, or if any of its systems otherwise fail to perform and we, or any third party upon which we rely, experience interruptions, malfunctions, disruptions in service, slower response times or delays in introducing new products and services, then we could incur reputational damage, regulatory sanctions, litigation, loss of trading share, loss of trading volume and loss of revenues, any of which could materially adversely affect our business, financial condition and results of operations.

13. *If market data disseminated by us contains undetected errors, this could have a material adverse effect on our business, financial condition or results of operations.*

Market data distributed by us covers a variety of asset classes traded on the exchange, as well as information covering various third-party indices. The compilation and/or dissemination of such market data or third-party index information could give rise to miscalculations or undetected errors. Market participants who use real time price and orderbook information or other market moving signals to make their buy or sell decisions and recommendations, or require accurate instrument reference data for risk management activities and error-free settlement, may base their decisions on miscalculated or erroneous information. Therefore, we may be exposed to damage claims brought against us based on such miscalculations or undetected errors which could result in harm to our reputation, contractual disputes, negative publicity, delays in or loss of market acceptance of our products or unexpected expenses and diversion of resources to remedy errors. This may have a material adverse effect on our business and cash flows, financial condition and results of operations.

14. *Our industry is highly competitive and we compete globally with a broad range of market participants for listings, clearing, trading and settlement volumes.*

We face significant competition for listings, clearing, trading and settlement of cash equities, ETFs, structured products, futures, options and other derivative products. As a result of increased liberalization and globalization of the world capital markets, industry consolidation and an increasing number of traditional and non-traditional trading venues, we expect such competition to continue. We compete with national market participants in India, primarily the NSE, in a variety of ways, including the cost, quality and speed of trade execution, market liquidity, functionality, ease of use and performance of trading systems, the range of products and services offered to customers and listed companies, and technological innovation and reputation. Some of these competitors are also among our largest customers.

Increased competition from existing, new and potential competitors, such as the NSE and the Metropolitan Stock Exchange of India ("MSEI") for equity-based products and the Multi Commodity Exchange of India ("MCX") and the National Commodity and Derivatives Exchange of India ("NCDEX") for commodities, could cause us to experience a decline in our global market share of listing, clearing, trading and settlement activity. Such a decline would translate into a decrease in associated transaction fees, clearing and settlement fees, our proportionate share of market data fees, net investment income, custody fees and other related revenue, which would materially adversely affect our financial conditions and results of operations. In addition, increased competition particularly in a highly regulated environment may exert a downward pressure on fees in order for us to remain competitive, which could materially adversely affect our business, financial condition and results of operations. We could lose a substantial percentage of our market share of trading or listings if we are unable to effectively compete on price, or our profit margins could decline if we reduce pricing in response to increased competition.

If we fail to compete successfully, our business, financial condition and results of operations may be materially adversely affected. For more information on the competitive environment in which we operate, see "*Business — Competition*".

15. *Our risk management methods and insurance policies may not be effective or adequate.*

We are exposed to investment and market risk with respect to foreign currency exchange rates and interest rates, as well as credit risk, operational risk, counterparty default risk and liquidity risk. While we have risk management policies and procedures designed to prevent the occurrence of, or mitigate, such risks, these policies and procedures may not be fully effective. Managing legal and regulatory risk requires, among other things, IT systems, policies and procedures and personnel to properly monitor, record and verify a large number of transactions and events. We can provide no assurance that our IT systems, policies and procedures and personnel will always be effective or that we will always be successful in monitoring or evaluating the compliance risks to which we are or may be exposed. Non-compliance could lead to reduced levels of issuer and investor activity on our markets and may have a material adverse effect on our business.

We and our Group Companies maintain insurance coverage against some risks to our business such as natural disasters, theft, burglary and other crimes, damage to property, operations with forged securities and payment documents, and other documents, cyber crimes and computer crimes, as well as certain operational activities. Our insurance coverage includes indemnification of loss suffered due to system failure to the extent of ₹ 1,000 million and any claim on our depository of up to ₹ 1,000 million. However, our insurance may not always be

adequate to cover losses we incur and large, uninsured losses or claims may have a material adverse effect on our business, financial condition, results of operations and prospects.

16. *We may not be able to retain and maintain our key personnel that we rely on, which could impair our ability to reach our strategic goals and could have a material adverse effect on our reputation, business, financial condition and results of operations.*

Our success depends to a significant extent upon the continued employment and performance of a number of key personnel, such as our, CDSL and ICCL's managing director and chief executive officers, our chief financial officer, our chief regulatory officer, our chief business officer, our chief of business operations and our chief information officer. The employment contracts for key personnel are fixed term contracts. The loss of any of our key personnel, whether such personnel forms part of the senior management or otherwise, could have a material adverse effect on our operations and performance. Our future success will to a large extent depend on our ability to retain key personnel and also our ability to attract and retain highly skilled technical, managerial and marketing personnel. Competition for such skilled and specialized personnel is intense in our industry. There can be no assurance that we will be successful in retaining or attracting the personnel we require.

In order to effectively manage our operations and reach our strategic objectives, we must employ, retain and motivate highly qualified personnel. Due to the unique nature of our operations, potential employees who possess the requisite skills we require are scarce. Any increase in the turnover of employees in key positions could lead to a temporary reduction in our operational efficiency due to lack of availability of potential employees with the relevant skills and the lengthy training processes required to train new employees in these positions. In addition, we depend upon the services of a small number of key executive officers and directors. There can be no assurance that these individuals will continue to make their services available to us in the future. The loss of or diminution in the services of one or more of our key executive officers or directors, or our inability to attract, retain and maintain new executive officers or directors and highly qualified personnel, could impair our ability to reach our strategic goals and could have a material adverse effect on our reputation and/or our business, financial condition, results of operations and prospect.

Additionally, the employment agreement for our managing director does not provide for any obligation for non-disclosure of know-how, knowledge, information, trade-secrets etc. Furthermore, the non-disclosure obligation provided under the employment contracts with other key personnel does not extend beyond the term of the contract. Hence, we cannot assure protection of the know-how, knowledge, trade secrets, methods, plans etc. once the agreement is terminated. The disclosure of such information about us could have an adverse effect on our business and resulting operations.

17. *Failure to protect our intellectual property rights could materially adversely affect our business.*

We own or license rights to a number of trademarks, service marks, trade names, that we use in our business, including the BSE and SENSEX trademark and logo. To protect our intellectual property rights, we rely on a combination of trademark laws, copyright laws, confidentiality provisions and other contractual arrangements with our affiliates, customers, strategic investors and others. The protective steps taken may be inadequate to deter misappropriation of our intellectual property. We may be unable to detect the unauthorized use of, or take appropriate steps to enforce, our intellectual property rights. Failure to protect our intellectual property and trademarks adequately could harm our reputation and affect our ability to compete effectively. Further, defending our intellectual property rights may require significant financial and managerial resources, the expenditure of which may materially adversely affect its business, financial condition and results of operations. In addition, we have together with S&P Dow Jones Indices LLC licensed the right to use "BSE SENSEX" to our joint venture, Asia Index Pvt. Ltd. There can be no assurance that any such index licensing agreements and trademark licensing agreements can be renewed on favourable terms or at all.

18. *We may experience fluctuations in trading activities and thus our total revenue and profitability from period to period, and the largely fixed nature of our expenses makes it difficult to adjust expenses quickly in response to fluctuations in operating income.*

As our total revenue is dependent in part on equities, a historically volatile product, as well as on a number of external factors, such as trading activity and price levels on our markets, our total revenue and profitability may fluctuate from one period to another. Further, a large proportion of our expenses, such as personnel expenses, equipment and intangible assets maintenance, taxes (other than income tax), amortisation of intangible assets and depreciation of property and equipment, are fixed in the short term. If total revenue falls below expectations

or cannot be increased to match increased expenses, we may not be able to adjust operating expenses quickly enough to compensate for the reduction in profit, and our business, financial condition and results of operations for a given period may be materially adversely affected.

19. *Changes in regulations concerning our ownership in CDSL may have a material adverse effect on us.*

In April 2012, the SEBI board approved regulations limiting any single stock exchange from owning more than 24% of the share capital of a depository and gave stock exchanges three years to come into compliance with the limitation. As of April 2015, we were not in compliance with this limitation and SEBI extended our deadline to come into compliance to March 31, 2017. As of June 30, 2016, we held 54.20% of the share capital in our subsidiary, CDSL, which we must reduce to no more than 24% by March 31, 2017. Given the time frame to come into compliance, there may be pricing pressure which may affect our ability to bargain and as a result, materially adversely affect CDSL's valuation upon divestment. Further, there can be no assurance that the sell-down of CDSL will take place and even if it does, whether we will be able to comply by the stipulated timeline. Failure to meet the stipulated timeline and failure to obtain an extension may subject to compulsory disposal of our shareholding, withdrawal of our recognition to act as a stock exchange, penalties and fines, which may materially and adversely affect our business, financial condition and results of operations. Moreover, there is no assurance that SEBI will not further lower the maximum shareholding of stock exchanges in a depository in the future, which may affect our income from depository activities and thus materially and adversely affect our business, financial condition and results of operations.

We have prepared unaudited pro forma consolidated financial information to reflect, on a pro forma basis, the impact of our sell-down of CDSL. However, the assumptions and expectations that we have used to prepare the pro forma financial information may be materially different from our actual experience and the unaudited pro forma consolidated financial information may not be indicative of what our results of operations and financial condition will be in the future. Further, the sell-down of our material subsidiary may have a material adverse effect on our profitability, business, financial condition and results of operations. For more information, see "— *The Pro Forma Financial Information included in this Draft Red Herring Prospectus is presented for illustrative purposes only and may not be indicative of our financial condition or results of operations*".

20. *The Pro Forma Financial Information included in this Draft Red Herring Prospectus is presented for illustrative purposes only and may not be indicative of our financial condition or results of operations.*

In preparing the unaudited pro forma consolidated financial information included in this Draft Red Herring Prospectus, we have made adjustments to our historical financial information based upon currently available information and upon assumptions that our management believes are reasonable in order to reflect, on a pro forma basis, the impact of our proposed sell-down of CDSL and as further adjusted for this offering and the contemplated use of the estimated net proceeds from this offering. We have not factored in any consideration from such divestment, given that the exact nature of the transaction is still uncertain and we are not able to calculate the consideration that we will receive.

The estimates and assumptions used in the calculation of the unaudited pro forma consolidated financial information in this Draft Red Herring Prospectus may be materially different from our actual experience. Accordingly, the unaudited pro forma consolidated financial information included in this Draft Red Herring Prospectus does not purport to indicate the results that would have actually been achieved had the divestment been completed on the assumed date or for the periods presented, or which may be realized in the future, nor does it give effect to any events other than those described in our unaudited pro forma consolidated financial statements and notes thereto.

21. *In the event of a default in relation to a debt investment, we will bear a risk of loss of principal and accrued interest and the geographic concentration of our investment portfolio makes us vulnerable to a downturn in the Indian economy.*

We invest primarily in debt securities such as debt instruments of banks and financial institutions, corporate debt and debt mutual funds, and government securities. For the three months ended June 30, 2016 and for FY 2016, FY 2015 and FY2014, our investment and deposit income and treasury income on clearing and settlement funds together accounted for 31.5%, 35.1%, 44.1% and 49.5% of our total revenue, respectively. The geographic

concentration of our investment portfolio in India means that we may be subject to significant losses if the Indian economy in general or debt markets in specific were to experience difficulties.

For our investments in debt securities, which form the substantial majority of our investments, performance and yield on our investments may be affected by the default or perceived credit impairment of the companies in which we invest and by general or sector specific credit spread widening. Credit risks associated with the investments include (among others): (i) the possibility that earnings of an issuer may be insufficient to meet its debt service obligations; (ii) an issuer's assets declining in value; and (iii) the declining creditworthiness, default and potential for insolvency of an issuer during periods of rising interest rates and economic downturn. An economic downturn and/or rising interest rates could severely disrupt the market for the investments and materially adversely affect the value of the investments and the ability of an issuer to repay principal and interest. In turn, this may materially adversely affect our business, financial condition, results of operations and/or the market price of the Equity Shares.

In the event of a default in relation to an investment, we will bear a risk of loss of principal and accrued interest on that investment. Any such investment may become defaulted for a variety of reasons, including non-payment of principal or interest, as well as breaches of contractual covenants. A defaulted investment may become subject to workout negotiations or may be restructured by, for example, reducing the interest rate, a write-down of the principal, and/or changes to its terms and conditions. Any such process may be extensive and protracted over time, and therefore may result in substantial uncertainty with respect to the ultimate recovery on the defaulted investment. In addition, significant costs might be imposed on the lender, further affecting the value of the investment. The liquidity in such defaulted investments may also be limited and, where a defaulted investment is sold, it is unlikely that the proceeds from such sale will be equal to the amount of unpaid principal and interest owed on that investment. This may materially adversely affect our business, financial condition, results of operations and/or the market price of the Equity Shares.

In the case of secured loans, restructuring can be an expensive and lengthy process which could have a material negative effect on our anticipated return on the restructured loan. By way of example, it would not be unusual for any costs of enforcement to be paid out in full before the repayment of interest and principal. This would substantially reduce the anticipated return on the restructured loan, which could materially adversely affect our business, financial condition, results of operations and/or the market price of the Equity Shares. In addition, we may also invest in unsecured borrowings. In the event of a default, we may not be able to recover some or all of our investments and our credit ratings may decrease, which may materially and adversely affect our income from investments, business and results of operations.

Our investments in equity ETFs are subject to market risks. General movements in the values of equity markets and changes in the prices of the securities we hold may materially adversely affect our income and as a result, materially adversely affect our business, financial condition, results of operations and/or the market price of the Equity Shares.

22. *Changes in interest rates may materially adversely affect our profitability.*

We are exposed to the effects of fluctuations in the prevailing levels of market interest rates on our financial position and cash flows and thus changes in interest rates may materially adversely affect the value of our investments. Our interest rate risk is affected primarily by the yield on our debt investments. Changes in the general level of interest rates can affect our profitability by affecting the spread between, amongst other things, income we receive on our investments in debt securities, the value of our interest-earning investments, our ability to realise gains from the sale of investments and our interest expense on our interest bearing liabilities. Changes in interest rates may also affect the valuation of our investments by impacting the valuation discount rate. Interest rates are sensitive to many factors, including governmental, monetary and tax policies, domestic and international economic and political considerations, fiscal deficits, trade surpluses or deficits, regulatory requirements and other factors beyond our control.

23. *There is outstanding litigation against the Company, our Group Companies and our Directors which if determined adversely, could affect our business and results of operations.*

We are involved in various criminal, civil, labour and tax-related litigations, which are at different stages of adjudications before various fora. A summary of the litigations involving the Company, Group Companies and our Directors is set out below. The amounts involved in these proceedings have been summarised to the extent ascertainable and quantifiable, and include amounts claimed jointly and severally with other parties. Should any

new developments arise, such as any change in applicable Indian law or any rulings against us by appellate courts or tribunals, we may need to make provisions in our financial statements that could increase expenses and current liabilities. Any adverse decision may have an adverse effect on our business, results of operations and financial condition.

For more information, please see the section titled "Outstanding Litigation and Material Developments" on page 440 of this Draft Red Herring Prospectus.

If any of the case pending is decided against us, it may have a material adverse effect on our businesses, reputation, financial condition, cash flows and results of operations.

24. We require a number of regulatory approvals for operation or growth of our business, and the failure to obtain the same in a timely manner or at all may subject us to sanctions and penalties pursuant to inspection and supervision by regulatory authorities, including the SEBI, or otherwise adversely affect our operations.

We require a number of regulatory approvals, licenses, registrations and permissions to operate our business, including at a corporate level as well as at the level of each of our branches. For example, we have licenses from SEBI in relation to, among others, introducing derivatives contracts on various indices of the exchange, introduction of futures and options contracts on various indices of the exchange, setting up an SME platform and trading in government securities. Some of these approvals are required to be renewed from time to time. Further, our operations are subject to continued review and the governing regulations may change. While we believe that we currently have or have applied for all material approvals required for our business, we may not have, or may not receive, all necessary approvals, or be able to obtain renewals of all our approvals within the time frames anticipated by us or may not obtain the same at all, which could adversely affect our business. Failure to obtain, renew or maintain any required approvals, permits or licenses or to meet any regulatory requirements may result in the interruption of all or some of our operations, constrain our ability to scale-up our business or to introduce new products and services and could materially and adversely affect our business and financial results. Further, we may require regulatory approvals and licenses that we do not currently possess for certain of our proposed projects, such as our GIFT City project. In addition, our business operations also rely

heavily on various intermediaries, and any change in regulations governing the intermediaries may have a material and adverse impact on us. For more information, please see the section titled "*Government and Other Approvals*" on page 452 of this Draft Red Herring Prospectus.

25. *Certain of our Subsidiaries have incurred losses during recent financial years.*

The following Subsidiaries have incurred losses as of the financial years set forth below:

Name of entity	Loss for the year ended March 31 (in ₹ million)		
	March 31, 2016	March 31, 2015	March 31, 2014
BSE Investments	0.1	0.1	N/A
BSE Sammaan	0.4	N/A	N/A
BSE Skills	1	0.9	N/A
CDSL Insurance	4.9	5.6	-
BIL - Ryerson Technology Startup Incubation Foundation	1.4	N/A	N/A

For details on the above Subsidiaries, see the section titled "*Our Group Companies*" on page 187 of this Draft Red Herring Prospectus. We cannot assure you that our Subsidiaries will not incur losses in the future.

26. *Our Registered Office and the registered offices of certain of our Subsidiaries is located on land that is not registered in our name.*

Our Registered Office and the registered offices of certain of our Subsidiaries is located at P. J. Towers in Dalal Street, Mumbai. As of the date of this Draft Red Herring Prospectus, title to P. J. Towers is still under the names of the trustees of our predecessor entity prior to demutualisation, and has not been registered to our and our relevant Subsidiaries' names. While we have applied for amendment of the municipal records, our application is still pending. Additionally, we have in the past been required to demolish certain constructions and additions to our building pursuant to objections raised by municipal authorities. In furtherance of a judgment of the Bombay High Court, we have provided an undertaking that we would not utilise certain floors of the P.J. Towers building, without prior permission, except as service floors. There can be no assurance that any alterations or modifications made by us in future would not be subjected to similar penalties and any deviations from approved building plans may subject us to penalties in the future, including imprisonment of our officers and Directors. In the absence of requisite approvals and clearances, we may not be able to undertake any modifications or upgrades to our offices, rendering all or parts of our offices unfit for use

27. *Our contingent liabilities as stated in our Restated Consolidated Financial Statements could adversely affect our financial condition.*

As at June 30, 2016, we had contingent liabilities that we do not consider remote, totalling ₹ 489.0 million, of which ₹ 40.1 million relate to our Department of Telecommunications ("**DOT**") license matters, ₹ 445.6 million relate to income and service tax matters and ₹ 3.3 million relate to other matters. Our contingent liabilities relating to income tax matters are pending with respect to demands raised for disallowance of expenditures related to exempt income and prior period items. Our contingent liabilities relating to service tax matters are on account of disputes between us and certain tax authorities relating to investment income, specifically with of our subsidiary companies in relation to the characterization and classification of certain items. For further details of certain matters which comprise our contingent liabilities, see "*Financial Statements*". If at any time we are compelled to realize all or a material proportion of these contingent liabilities, it may have a material and adverse effect on our business, financial condition and results of operations.

Risks Relating to Regulation

28. *We operate in a highly regulated industry and may be subject to censures, fines and other legal proceedings if we fail to comply with our legal and regulatory obligations, including our oversight obligations regarding listed companies.*

We operate in a highly regulated industry and are subject to extensive regulation. SEBI regulates us and has broad powers to withhold approvals or consents with respect to proposals made by us (whether with respect to rule amendments, product range or infrastructure or market development initiatives), to issue suspension orders and to require us to produce records and supply information. Where SEBI is satisfied that it is appropriate to do

so in the interest of the investing public or in the public's interest, for the protection of investors or for the proper regulation of us, ICCL, CDSL or any other SEBI-regulated entities, SEBI may suspend any of the functions of any of the aforementioned entities. In the event that SEBI exercises such powers, this would have a material adverse effect on our business, reputation, financial condition and results of operations.

Additionally, we exercise by way of our regulations, rules and bye-laws certain regulatory functions, including monitoring of compliance of certain securities laws by entities listed on our platform. Any increase in the levels of monitoring that we are required to perform, including on account of regulatory changes, may impose or result in increased or excessive regulatory burdens on and compliance costs for us. Further, failure to adequately monitor compliance with applicable securities laws for entities listed on our platform may subject us to penalties, fines, suspension of our licence or third-party lawsuits. For example, in the past there have been lawsuits brought against exchanges in India, including us, alleging that the exchanges have not adequately monitored listed companies, in particular companies that have been suspended for trading for a long period of time. SEBI announced in May 2016 measures seeking to delist companies listed on Indian exchanges that have long been suspended for trading, including approximately 1,200 companies listed on the NSE and BSE that have had their trading suspended for seven years or more. It is possible that any steps we take to force such companies to delist would result in litigation against us by such companies, or that should we not take steps to delist such companies we may be faced with litigation alleging that we have not fulfilled our oversight responsibilities.

We may be exposed to a higher risk of reputational damage or financial loss due to the higher exposure to regulatory requirements and sanctions, penalties or fines resulting from failure to comply with any new, newly applied or existing laws or regulations. We may also expect increased operational costs or sustain losses or financial consequences if any recognition by overseas regulators is required or if our contracts must be renegotiated or if contract terms must be altered as a result of new or newly applied laws, regulations or court decisions whether due to the extraterritorial effect of overseas regulations or otherwise. Our ability to comply with applicable laws and rules will largely depend on our ability to establish and maintain appropriate systems and procedures and as well as our ability to attract and retain qualified personnel and professionals.

In the case of actual or alleged non-compliance with regulatory requirements, we could be subject to investigations and administrative or judicial proceedings that may result in substantial penalties. Any such investigation or proceeding, whether successful or unsuccessful, could result in substantial costs and diversions of resources, which could negatively affect our reputation and have a material adverse effect on our business and cash flows, financial condition and results of operations.

29. *We are not in compliance with the provisions of Regulation 24 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations")*

In terms of Regulations 24(1) of the Listing Regulations, at least one independent director on the board of directors of the Exchange is required to be appointed as a director on the board of directors of an unlisted material subsidiary of the Exchange. In terms of the Listing Regulations, CDSL Limited is a material unlisted subsidiary of the Exchange. However, in terms of the Securities Contract (Regulation) (Stock Exchanges and Clearing Corporation) Regulations, 2012, as amended read with paragraph 6.3.4 of the circular (CIR/MRD/DSA/33/2012) dated December 13, 2012 issued by SEBI, no public interest director of a recognised stock exchange is permitted to be simultaneously appointed on the board of any other recognised stock exchange or their subsidiary. Accordingly, the Exchange is as on the date of the DRHP not in compliance with Regulation 24(1) of the Listing Regulation and would not be in compliance of Regulation 24(1) upon completion of the Offer and such non-compliance could subject us to investigations and regulatory proceedings that may result in substantial penalties.

30. *Changes in regulations concerning the Settlement Guarantee Fund may have material adverse effect on us.*

Under the SEBI regulations, we are required to maintain a Settlement Guarantee Fund and transfer 25% of our annual profits to this fund as maintained by our clearing corporation, ICCL. However, in its board meeting on May 19, 2016, the SEBI Board approved an amendment to remove the provision that required all recognized stock exchanges to transfer 25% of their profits to the Settlement Guarantee Fund. While SEBI is currently working on amending the regulations, the amendments have not yet taken effect and there is no guarantee that they will pass, or if they do, when they will do so. Until such time as amendments to this requirement become

effective, we will still be required to contribute 25% of our annual profits to the Settlement Guarantee Fund in accordance with the current SEBI regulations. We cannot assure you that our required contribution to the Settlement Guarantee Fund will reduce below 25% of our profits. Moreover, should SEBI in the future vary the required contribution amounts to the Settlement Guarantee Fund, we may have to contribute more of our profit to the Settlement Guarantee Fund which could materially and adversely affect our financial ability.

Further, there have been several changes to the form and manner in which recognized stock exchanges must make contributions to a Settlement Guarantee Fund and Core Settlement Guarantee Fund in the last few years. These regulatory changes have resulted in us needing to change our accounting treatment of such contributions in order to respond to new or changing regulations. The audit reports in respect of our consolidated financial statements and standalone financial statements for FY 2013, FY 2014, FY 2015 and FY 2016 contained matters of emphasis from our statutory auditors to draw attention to these changes.

See "Management's Discussion and Analysis of Financial Condition and Results of Operations—Factors Affecting our Results of Operations—Settlement Guarantee Fund and the Core Settlement Guarantee Fund" for specific details.

31. Companies in India (based on notified thresholds), including the Exchange, will be required to prepare financial statements under Ind-AS (which is India's convergence to IFRS). The transition to Ind-AS in India is very recent and there is no clarity on the impact of such transition on the Exchange. All income tax assessments in India will also be required to follow the Income Computation Disclosure Standards.

We currently prepare our annual financial statements under Indian GAAP (which are different to the IFRS in various material respects). Companies in India, including us, will be required to prepare financial statements under 'Indian Accounting Standard' ("Ind-AS") which are converged with International Financial Reporting Standards. On January 2, 2015, the Ministry of Corporate Affairs, Government of India (the "MCA") announced the revised roadmap for the implementation of Ind-AS (on a voluntary as well as mandatory basis) for companies other than banking companies, insurance companies and non-banking finance companies through a press release (the "Press Release"). Further, on February 16, 2015, the MCA has released the Companies (Indian Accounting Standards) Rules, 2015 which has come into effect from April 1, 2015.

Ind-AS will be required to be implemented on a mandatory basis by companies based on their respective net worth as set out below:

Phase I - Mandatory for accounting periods on or after April 1, 2016 (comparatives for the periods ended March 31, 2016 or as appropriate)	Phase II - Mandatory for accounting periods on or after April 1, 2017 (comparatives for the periods ended March 31, 2017 or as appropriate)
Companies whose equity and/or debt securities are listed or are in the process of listing on any stock exchange in India or outside India and having net worth of ₹ 500 crores or more. ("A")	Those whose equity and/or debt securities are listed or are in the process of listing on any stock exchange in India or outside India and having net worth less than ₹ 500 crores. ("A")
Companies, other than those covered in "A", having a net worth of ₹ 500 crores or more. ("B")	Companies, other than those covered in "A", having a net worth of ₹ 250 crores or more but less than ₹ 500 crores. ("B")
Holding, subsidiary, joint venture or associate companies of companies covered under "A" or "B"	Holding, subsidiary, joint venture or associate companies of companies covered under "A" or "B"

For the purpose of calculation of net worth of Companies, the net worth shall be calculated in accordance with the stand-alone financial statements of the company as on March 31, 2014 or the first audited period ending after that date.

In addition, any holding, subsidiary, joint venture or associate companies of the companies specified above (even though if they do not meet above threshold) shall also comply with such requirements from the respective periods specified above.

There is not yet a significant body of established practice on which to draw informing judgments regarding its implementation and application. Additionally, Ind-AS differs in certain respects from IFRS and therefore financial statements prepared under Ind-AS may be substantially different from financial statements prepared under IFRS. There can be no assurance that the Exchange's financial condition, results of operation, cash flow or

changes in shareholders' equity will not be presented differently under Ind-AS than under Indian GAAP or IFRS.

Furthermore, the Government of India has issued a set of Income Computation and Disclosure Standards ("ICDS") that will be applied in computing taxable income and payment of income taxes thereon, effective from April 1, 2015. ICDS apply to all taxpayers following an accrual system of accounting for the purpose of computation of income under the heads of "*Profits and gains of business/profession*" and "*Income from other sources*." This is the first time such specific standards have been issued for income taxes in India, and the impact of the ICDS on our tax incidence is uncertain.

We may encounter difficulties in the ongoing process of implementing and enhancing our management information systems under Ind-AS reporting and the ICDS. There can be no assurance that the adoption of Ind-AS and the ICDS by the Exchange will not materially adversely affect our results of operation and/or financial condition.

32. *Significant differences exist between Indian GAAP and other accounting principles, such as US GAAP, Ind-AS and IFRS, which may be material to investors' assessments of our financial condition.*

Our financial statements, including the financial statements provided in this Draft Red Herring Prospectus, are prepared in accordance with Indian GAAP. We have not attempted to quantify the impact of US GAAP, Ind-AS or IFRS on the financial data included in this Draft Red Herring Prospectus, nor do we provide a reconciliation of our financial statements to those of US GAAP, Ind-AS or IFRS. US GAAP, Ind-AS and IFRS differ in significant respects from Indian GAAP. Accordingly, the degree to which the Indian GAAP financial statements included in this Draft Red Herring Prospectus will provide meaningful information is entirely dependent on the reader's level of familiarity with Indian accounting practices. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this Draft Red Herring Prospectus should accordingly be limited. For further details, please see "*Summary of Significant Differences Between Indian GAAP and Ind AS*" on page 404 of this Draft Red Herring Prospectus.

33. *Changes in government policies could materially adversely affect trading volumes of instruments traded on our exchange.*

The central and state governments have traditionally exercised, and continue to exercise, significant influence over many aspects of the economy. Since 1991, successive governments have pursued policies of economic liberalisation and financial sector reforms. The current government has announced its general intention to continue India's current economic and financial sector liberalisation and deregulation policies. However, there can be no assurance that such policies will be continued and a significant change in the government's policies in the future could affect business and economic conditions in India and could also materially and materially adversely affect our business, financial condition and results of operations.

Trading volumes on our markets could be affected by changes in policies of the Government. Changes in tax law or policy, regulatory changes regarding foreign portfolio investors or changes in other regulations or policies that affect our businesses, including our listed companies, such as changes that make offerings of Indian securities outside India (for example, GDRs) easier, changes affecting the ability of investors to freely trade on our exchanges, or the taxation or repatriation of profits from such trading, or changes to the manner in which securities are traded, cleared and settled on our exchanges and clearing corporation, may have a material adverse effect on our business, financial condition, results of operations and prospects.

For example, in 2013 the Government changed its policy requiring unlisted Indian companies wanting to raise capital abroad to first be listed on an exchange in India for at least two years, to allow such companies to raise capital abroad without first listing in India so long as they comply with certain conditions. Changes in Government policy, such as this, may lead to us facing increased competition from international exchanges, which may materially adversely affect our business, financial condition, results of operations and prospects.

In addition, we may also face changes to regulations concerning the Settlement Guarantee Fund and CDSL, which may have materially adverse affect on our business and results of operations. For more information, see "*Changes in regulations concerning the Settlement Guarantee Fund may have material adverse effect on us*".

34. *Any delay or refusal to approve new rules, amendments to existing rules or fees may force us to halt or modify our operations, which could have a material adverse effect on us.*

We operate the exchange and, as a recognised stock exchange in India, have power to make rules for the purposes of discharging our duties, but no rule or amendment of our rules will have effect unless we have SEBI's approval in writing and publish notifications in the Gazette of India and the Maharashtra State Gazette.

SEBI may approve, disapprove, or recommend changes to rules or amendments to existing rules that we submit to it for approval. Any delay or refusal in approving changes, or the altering of any proposed change, could have a material adverse effect on our business, financial condition and results of operations.

While SEBI fee approval provides a safeguard against potential abuse of our position as an operator of an exchange, there is no assurance that our results of operations may not be materially adversely affected by such regulatory constraints on our fee setting ability.

Moreover, we must compete not only with automated trading systems that are not subject to the same rule amendment or fee approval process but also with other exchanges that may have lower regulation and compliance costs. For example, the Clearing Corporation of India ("CCIL"), which is not under SEBI purview and is not required to abide by the corporate governance and regulatory guidelines of a SEBI-recognized exchange, offers trading on the Negotiated Dealing System-Order Management ("NDS-OM"). While the CCIL competes with us in the secondary market trading of government securities, it may, in the future, expand its product offerings and compete with our products such as secondary market trading of corporate bonds. There is a risk that trading will shift to exchanges or automated trading systems that charge lower fees because, among other reasons, they spend significantly less on regulation. Therefore, there can be no assurance that the revenue derived by us from fees, will be maintained at, or enhanced from, the historic levels for this income source.

35. *Our public duties as a stock exchange may conflict with our Shareholders' interests.*

In discharging our obligations to ensure an orderly and fair market and/or to ensure that risks are managed prudently, we are required to act in the interests of the public, having particular regard to the interests of the investing public, and to ensure that where such interests conflict with any other interests, the former will prevail. There is no assurance, therefore, that our results will not be materially adversely affected through placing public interest ahead of our own interests, including the interests of our shareholders.

36. *We may be required to comply with certain foreign regulations and seek recognition from certain foreign regulators. Failure to comply with such regulations or failure to obtain such recognition may impact the ability of our foreign members to deal with us.*

Under the European Market Infrastructure Regulations, third country central counterparty clearing houses ("CCPs") are required to seek third-country CCP ("TC-CCP") recognition from the European Securities Market Authority to be able to offer clearing services to customers in the European Union. Failure to obtain TC-CCP recognition will result in higher capital requirements for European Union counterparties, which may increase clearing costs with non-recognised CCPs. We, through ICCL, have applied to the European Securities Market Authority for TC-CCP recognition in September 2013 and we are currently waiting for approval. Should ICCL fail to obtain TC-CCP recognition, our business from our European counterparties and in turn, our business and financial operations may be materially and adversely affected. Further, there is no assurance that other jurisdictions will not require similar TC-CCP recognitions in the future and there is no guarantee that ICCL will not be required to comply with other foreign regulations and will not be required to seek recognition from other foreign regulators.

37. *Some of our past records are not traceable.*

Certain of our past records including those in relation to periods prior to our corporatisation and demutualisation and few of our group entities are not traceable. We have placed reliance on other documents, including publicly available sources in compiling and corroborating data in relation to our history in this Draft Red Herring Prospectus. There can be no assurance that any such public records are accurate. Additionally, in the event of any regulatory penalties or actions which we may become subject to in the future, for any such period in the past, we may not be able to adequately defend ourselves in the absence of such records.

- 38. *We have in the past entered into and will continue to in the future enter into related party transactions and there can be no assurance that we could not have achieved more favourable terms had such transactions not been entered into with related parties.***

We have entered into transactions with several related parties, including our Subsidiaries, aggregating aggregating ₹ 810.2 million, ₹ 1,457.5 million and ₹ 2,069 million for FY2014, FY2015 and FY2016. Furthermore, it is likely that we will enter into related party transactions in the future. There can be no assurance that such transactions, individually or in the aggregate, will not have an adverse effect on our financial condition and results of operations. The transactions we have entered into and any future transactions with our related parties have involved or could potentially involve conflicts of interest. For more information regarding our related party transactions, please see “Financial Statements – Restated Standalone Financial Information – Note 32” and “Financial Statements – Restated Consolidated Financial Information – Note 35” on pages 260 and 370 of this Draft Red Herring Prospectus.

Risks Relating to India

- 39. *The continuation or recurrence of systemic events such as the global economic crisis, changes in economic policies, the political situation and the regulatory environment in India or globally may materially adversely affect our performance.***

Conditions outside India, such as slowdowns in the economic growth of other countries may materially adversely impact the growth of the Indian economy. The consequent slowdown in the Indian economy may materially adversely affect our business, including our ability to implement our business strategy and increase our activities in the commodity exchange industry.

The Indian financial markets and the Indian economy are influenced by economic and market conditions in other countries. Financial turmoil in Asia, the United States, Europe and elsewhere in the world in recent years has affected the Indian economy. Although economic conditions are different in each country, investors’ reactions to developments in one country can have materially adverse effects on the securities of companies in other countries, including India. The Indian financial markets experienced the contagion effect of the volatility and turmoil in the global financial markets, which was evident from the sharp decline in the benchmark index of the S&P BSE SENSEX from its peak levels in early 2008 to the first quarter of 2009. Furthermore, as a consequence of the severe tightening of credit associated with that financial turmoil, many economies experienced periods of severe recession accompanied by a significant deterioration of consumer confidence and demand. Any recurrence of such events may have a material adverse effect on our business, financial condition and results of operations as well as the price of our Equity Shares.

Additionally, the possibility of an extended period of market volatility as a result of the outcome of the June 23, 2016 referendum of the UK’s membership in the European Union may also materially adversely affect the price of our Equity Shares and/or the development of an active trading market for our Equity Shares.

The economic policies of the Government of India may change in response to any global economic crisis, such as the economic downturn that began in 2007. In particular, there may be changes to specific laws and policies affecting our industry and other policies affecting foreign investment in our business. Any significant shift or change in India’s economic policies and regulations may disrupt economic conditions in India and this may in turn affect our business, financial condition and results of operations.

Unstable internal and international political environments may also affect the economic performance of the exchange industry, including us, in the short and long term. Our business, and the market price and liquidity of our Equity Shares, may be affected by reactionary changes in interest rates, changes in government policy, taxation and other political, economic or other developments in or affecting India on account of any changes in the global economic changes.

- 40. *Our operations, assets, members and listed companies are geographically concentrated primarily in India and we are particularly exposed to India’s political, economic and business environment.***

The financial condition of the companies listed on our securities market has a direct effect on the prices of their securities, which may also impact the volume and value of trading in their securities. The principal place of our business is India and substantially all of the companies listed on our securities market are companies organised in, or whose operations are primarily based in, India. Consequently, any adverse change in the Indian legal,

political, economic or business environment that impacts the financial condition of Indian companies will materially adversely affect us to the extent such changes cause investors to withdraw their investments and cease trading on the markets we operate. Such changes include, for example, modifications of the Government's economic policy that may result in a decline in GDP or deceleration of GDP growth, high inflation, changes in interest rates, growing budget deficits and foreign debt, as well as changes in the exchange rate of the Indian Rupee against major world currencies or changes in corporation tax, exchange controls or other regulations that impact our listed companies' ability to conduct their business.

In addition, if returns on investments in Indian companies are generally lower than returns on investments in companies based in other countries, we may be unsuccessful in attracting foreign and local investors to our markets. Any of these events may have a material adverse effect on our business, financial condition, results of operations and prospects.

41. *Terrorist attacks, communal disturbances, manmade or natural disaster, civil unrest and other acts of violence or war or force majeure involving India and other countries may materially adversely affect the financial markets and our business.*

Terrorist attacks, other acts of violence or war, manmade or natural disasters and other force majeure events may negatively affect the Indian markets on which our Equity Shares trade and also materially adversely affect the worldwide financial markets. These acts or events may also result in a loss of business confidence, and materially adversely affect our business. Moreover, as we operate a major stock exchange, it is possible that terrorist activities might specifically target our operations with a goal of destabilising India's financial markets. In addition, any deterioration in relations between India and its neighbouring countries might result in investor concern about stability in the region, which may materially adversely affect the price of our Equity Shares.

Some states in India have also witnessed civil unrest including communal disturbances in recent years and it is possible that future civil unrest as well as other adverse social, economic and political events in India may have a negative impact on us. Such incidents may also create a greater perception that investment in Indian companies involves a higher degree of risk and may have a material adverse impact on our business and the price of our Equity Shares.

42. *Any downgrading of India's credit rating by an international credit rating agency may harm the ability of Indian companies to raise financing.*

Any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may materially adversely affect the ability of Indian companies to raise additional financing and the interest rates and other commercial terms at which such additional financing is available. This, in turn, could have a material adverse effect on the number of new debt issuances by Indian companies, which would negatively impact our fixed income securities segment, both in the primary market and the secondary market. In addition, any downgrade in India's credit rating may hinder our ability to raise additional financing and the interest rates and other commercial terms at which such additional financing is available which, in turn, may have a material adverse effect on our capital expenditure plans, business and financial performance.

Risks Relating to the Equity Shares

43. *There is a significant risk that we will be a passive foreign investment company for U.S. federal income tax purposes, which generally would result in materially adverse U.S. federal income tax consequences to U.S. Holders of the Equity Shares.*

Based on our income, assets and business activities, the current and anticipated valuation of our assets, and the composition of our income and assets, there is a significant risk that we will be a passive foreign investment company for U.S. federal income tax purposes ("PFIC"). A non-U.S. corporation will be a PFIC for any taxable year if either (i) at least 75% of its gross income for such year is passive income or (ii) at least 50% of the value of its assets (based on an average of the quarterly values of the assets) during such year is attributable to assets that produce passive income. Whether a non-U.S. corporation is treated as a PFIC is determined on an annual basis. Material adverse U.S. federal income tax consequences generally would apply to U.S. Holders (as defined below) of the Equity Shares with respect to any "excess distribution" received from us and any gain from a sale or other disposition of the Equity Shares if we are treated as a PFIC with respect to such U.S. Holder. As used herein, the term "**U.S. Holder**" means a beneficial owner of Equity Shares that is, for U.S. federal income tax purposes: (i) an individual that is a citizen or resident of the United States; (ii) a corporation, or other entity

taxable as a corporation, created or organized in or under the laws of the United States, any state thereof or the District of Columbia; or (iii) an estate or trust the income of which is subject to U.S. federal income taxation regardless of its source.

44. *We are not, and do not intend to be, registered as an investment company under the U.S. Investment Company Act.*

We are not and do not expect or intend to be, registered with the U.S. Securities and Exchange Commission as an "investment company" under the U.S. Investment Company Act, which provides certain protections to shareholders of, and imposes certain restrictions on entities that are registered as, investment companies. Accordingly, unlike registered investment companies, we will not be subject to the provisions of the U.S. Investment Company Act, including provisions that: (i) require the oversight of independent directors; (ii) prohibit or proscribe transactions between us and our affiliates; (iii) impose qualifications as to who may serve as custodian for our assets; and (iv) limit our ability to use leverage in connection with effecting purchases and sales of our investments.

However, should we become subject to the U.S. Investment Company Act due to a change of law or otherwise, the various restrictions imposed by the U.S. Investment Company Act, and the substantial costs and burdens of compliance therewith, could adversely affect our operating results and financial performance. We intend to rely on the exclusion from the registration requirements of the U.S. Investment Company Act provided by Section 3(c)(7) thereof or any other applicable exception or exclusion. In order to help ensure compliance with the exception provided by Section 3(c)(7) of the U.S. Investment Company Act, we have implemented certain restrictions on the ownership and transfer of the Equity Shares by any persons acquiring the Equity Shares in the IPO who are in the United States or who are U.S. persons. Purchasers in the United States or who are U.S. persons will be required to acknowledge, warrant, agree and undertake to certain acknowledgements, warranties, agreements and undertakings, in which, among other things, they certify their eligibility to purchase the Equity Shares in the IPO and their understanding of the resale restrictions applicable to them, and agree to abide by certain restrictions in the resale of the Equity Shares.

45. *Regulation of ownership of Indian securities may hamper our ability to raise capital.*

Investment in stock exchanges and in Indian securities is subject to regulation. According to the SECC Regulations read with the SEBI circular dated January 1, 2016 (CIR/MRD/DSA/01/2016) ("**January 2016 Circular**"), the listing of securities of a stock exchange is permitted on recognised stock exchanges in India, subject to certain conditions, including:

- (a) 51% of the issued and paid-up capital of the exchange is required to be held at all times by public shareholders who are not trading members or their associates, and the shareholding of trading members and their associates cannot exceed 49% at any time;
- (b) depositories have to put in place mechanisms for the monitoring of shareholding of trading members, including monitoring of shareholding of such trading members and their associates on a daily basis;
- (c) all shareholders of a stock exchange are required to be 'fit and proper' persons, in terms of the SECC Regulations, which shall be monitored, on a post listing basis, on the basis of self-certifications by acquirers;
- (d) post-facto approval for acquisition of more than 2% of the issued and paid-up capital of a stock exchange from SEBI, within 15 days of such acquisition; and
- (e) prior approval of SEBI for acquisition of more than 5% of the issued and paid-up capital of a stock exchange.

Under the January 2016 Circular, persons acquiring shares of a recognised stock exchange have self declaration obligations and the depositories have an obligation to monitor, report and ensure compliance with the shareholding restrictions on stock exchanges. However, the infrastructure enacted to ensure compliance with the SECC Regulations and the January 2016 Circular is yet to be tested on a real-time basis as we do not currently have any listed peers. Accordingly, we cannot assure you that such infrastructure will be appropriate or adequate to ensure compliance with shareholding restrictions and monitoring requirements. Further, any failure to comply

with the above restrictions could lead to freezing of corporate benefits on any Equity Shares held, and the requirement to dispose off any shareholding in excess of regulatory limits.

Under Regulation 19 of the SECC Regulations, no person is allowed to hold more than 2% of the issued and paid-up share capital of a stock exchange without seeking approval from SEBI within 15 days of such acquisition. Further, no person is allowed to hold more than 5% of the issued and paid-up share capital of a stock exchange without prior approval from SEBI. In addition to the above, no non-resident investor or entity, including persons acting in concert with such investor or entity, is entitled to hold more than 5% of the equity share capital in a stock exchange. According to the Consolidated FDI Policy issued by the Government of India's Ministry of Commerce and Industry, Department of Industrial Policy and Promotion, the purchase of Equity Shares by foreign portfolio investors are restricted to the secondary market. Accordingly, non-resident shareholders are restrained from acquiring any Equity Shares beyond 5% or participating in any primary issuance by the exchange, and this in turn may constrain our ability to raise capital in the future and may make the exchange an unattractive investment proposition for investors. For further details in relation to the restrictions on shareholding, refer to the section "*Regulation & Policies*" on page 154 of this DRHP.

46. *We will not receive any proceeds from the Offer.*

The Offer comprises of an offer for sale by the Selling Shareholders. Accordingly, the proceeds from this Offer will be remitted to the Selling Shareholders and we will not receive any proceeds from the Offer. For more information, please see the section titled "*Objects of the Offer*" on page 91 of this Draft Red Herring Prospectus.

47. *The price of the Equity Shares may fluctuate and be highly volatile after the IPO.*

The price of the Equity Shares may fluctuate after the IPO as a result of several factors, including, among others: volatility in the Indian and global securities or capital markets; our operations and performance; performance of our competitors and the perception in the market about financial investments; political, economic, financial, regulatory changes and any other negative factors that can affect the Indian capital markets; changes in the estimates of our performance or recommendations by financial analysts; and significant developments in India's economic liberalisation and deregulation policies and fiscal regulations. There can be no assurance that the prices at which the Equity Shares are initially traded will correspond to the prices at which the Equity Shares will trade in the market subsequently. In particular, the possibility of an extended period of market volatility as a result of the outcome of the June 23, 2016 referendum of the UK's membership in the European Union may also materially adversely affect the price of our Equity Shares and/or the development of an active trading market for our Equity Shares.

The Equity Shares have not been listed on a stock exchange and an active trading market for the Equity Shares may not develop or be sustained after this Offer. Further, the price at which the Equity Shares are initially traded may not correspond to the prices at which the Equity Shares will trade in the market subsequent to this Offer.

48. *The Equity Shares may not be a suitable investment for all investors.*

Each potential investor in the Equity Shares must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- have sufficient knowledge and experience to make a meaningful evaluation of the Equity Shares, the merits and risks of investing in the Equity Shares and the information contained in this Draft Red Herring Prospectus or any applicable supplement;
- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Equity Shares and the impact the Equity Shares will have on its overall investment portfolio; and
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the Equity Shares.

49. *Fluctuation in the exchange rate between the Indian Rupee and the United States dollar could have a material adverse effect on the value of Equity Shares, independent of our operating results.*

The Equity Shares will be quoted in Indian Rupees on the NSE. Any dividends in respect of the Equity Shares will be paid in Indian Rupees and subsequently converted into US dollars for repatriation. Any adverse movement in exchange rates during the time it takes to undertake such conversion may reduce the net dividend to investors. In addition, any adverse movement in exchange rates during a delay in repatriating outside India the proceeds from a sale of Equity Shares, for example, because of a delay in regulatory approvals that may be required for the sale of Equity Shares may reduce the net proceeds received by shareholders.

The exchange rate between the Indian Rupee and the U.S. dollar has changed substantially in the last two decades and could fluctuate substantially in the future, which may have a material adverse effect on the value of the Equity Shares and returns from the Equity Shares, independent of our operating results.

50. *You will not be able to immediately sell any of the Equity Shares you purchase in the IPO on the NSE.*

The Equity Shares will be listed on the NSE. Pursuant to Indian regulations, certain actions must be completed before the Equity Shares can be listed and trading may commence. Investors' book entry, or "demat", accounts with depository participants in India are expected to be credited within two working days of the date on which the basis of allotment is approved by the NSE. Upon receipt of final approval from NSE, trading in the Equity Shares is to commence within six working days of the date of closure of the Offer. We cannot assure that the Equity Shares will be credited to investors' demat accounts, or that trading in the Equity Shares will commence, within the time periods prescribed under law.

51. *Conditions in the Indian securities market may affect the price or liquidity of the Equity Shares.*

The Indian securities markets are smaller than securities markets in certain other economies. Indian stock exchanges have in the past experienced substantial fluctuations in the prices of listed securities. These exchanges have also experienced problems that have affected the market price and liquidity of the securities of Indian companies, such as temporary exchange closures, broker defaults, settlement delays and strikes by brokers. In addition, the governing bodies of the Indian stock exchanges have from time to time restricted securities from trading, limited price movements and restricted margin requirements. Further, disputes have occurred on occasion between listed companies and the Indian stock exchanges and other regulatory bodies that, in some cases, have had a negative effect on market sentiment. If similar problems occur in the future, the market price and liquidity of the Equity Shares could be materially adversely affected.

52. *Future issuances or sales of the Equity Shares could significantly affect the trading price of the Equity Shares.*

The future issuances of Equity Shares by us or the disposal of Equity Shares by any of major shareholders or the perception that such issuance or sales may occur may significantly affect the trading price of the Equity Shares. There can be no assurance that we will not issue further Equity Shares or that the shareholders will not dispose of, pledge or otherwise encumber their Equity Shares.

53. *You may be subject to Indian taxes arising out of capital gains on the sale of the Equity Shares.*

Capital gains arising from the sale of equity Equity Shares in an Indian company are generally taxable in India. Any gain realized on the sale of listed equity Equity Shares on a stock exchange held for more than 12 months will not be subject to capital gains tax in India if STT has been paid on the transaction. STT will be levied on and collected by an Indian stock exchange on which the equity Equity Shares are sold. As such, any gain realized on the sale of equity Equity Shares held for more than 12 months by an Indian resident, which are sold other than on a recognized stock exchange and as a result of which no STT has been paid, will be subject to capital gains tax in India. However, regulations regarding capital gains exemptions and bilateral treaties may change from time to time. Further, any gain realized on the sale of equity Equity Shares held for a period of 12 months or less will be subject to capital gains tax in India. Capital gains arising from the sale of equity Equity Shares will be exempt from taxation in India in cases where an exemption is provided under a treaty between India and the country of which the seller is a resident. Generally, Indian tax treaties do not limit India's ability to impose tax on capital gains. As a result, residents of other countries may be liable for tax in India as well as in their own jurisdictions on gains arising from a sale of equity Equity Shares.

54. *Securities law restrictions on the resale of the Equity Shares may limit your ability to resell the Equity Shares in the United States.*

The Equity Shares have not been and will not be registered under the Securities Act, any state securities laws or the securities laws of any other jurisdiction. Unless and until they are registered, the Equity Shares may not be offered, sold or resold except pursuant to an exemption from registration under the Securities Act and applicable state laws or in a transaction not subject to such laws. The Equity Shares are being offered and sold in the US in a transaction not involving a "public offering" subject to an exemption from the registration requirements of Section 5 of the Securities Act only to a person who is a qualified institutional buyer (a "**QIB**") as defined in Rule 144A under the Securities Act who is also a qualified purchaser (a "**QP**") as defined under the Investment Company Act and an institutional "accredited investor" as defined in Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act (an "**IAI**", and a person who is a QIB, a QP and an IAI, an "**Entitled Qualified Purchaser**"). The Equity Shares are also being offered and sold outside the U.S. in reliance on Regulation S under the Securities Act only to (a) non-U.S. persons and (b) U.S. persons who are Entitled Qualified Purchasers. We are not required to register the Equity Shares. Hence, future resales of the Equity Shares may only be made pursuant to an exemption from registration under the Securities Act and applicable state laws or in a transaction not subject to such laws.

55. Foreign investors are subject to foreign investment restrictions under Indian law, which may materially adversely affect the market price of the Equity Shares.

Under the foreign exchange regulations currently in force in India, transfers of Equity Shares between non-residents and residents are freely permitted (subject to certain restrictions) if they comply with the pricing guidelines and reporting requirements specified by the RBI. If the transfer of Equity Shares, which are sought to be transferred, is not in compliance with such pricing guidelines or reporting requirements or falls under any of the exceptions referred to above, then the prior approval of the RBI will be required. Additionally, shareholders who seek to convert the Indian Rupee proceeds from a sale of Equity Shares in India into foreign currency and repatriate that foreign currency from India will require a no objection/tax clearance certificate from the income tax authority. We cannot assure investors that any required approval from the RBI or any other Indian government agency can be obtained on any particular terms, or at all. For further details, see "*Restrictions on Foreign Ownership of Indian Securities*" on page 491 of this Draft Red Herring Prospectus.

SUMMARY OF OUR BUSINESS

Overview

We own and operate the BSE exchange platform (formerly, the Bombay Stock Exchange), the first stock exchange in Asia, which was formed on July 9, 1875. As of June 30, 2016, the BSE was the world's largest exchange by number of listed companies, and India's largest and the world's 11th largest exchange by market capitalization, with US\$ 1.52 trillion in total market capitalization of listed companies.

As the operator of the BSE, we regulate listed issuers and provide a market for listing and trading in various types of securities as may be allowed by SEBI from time to time. We operate in three primary lines of business, namely:

1. **the listing business**, which consists of the primary market, which relates to the issuance of new securities;
2. **the market business**, which consists of (i) the secondary market, which relates to the purchase and sales of previously-issued securities, (ii) BSE StAR MF ("**BSE StAR**"), our online platform for the placement of orders and redemptions of units in mutual funds, (iii) NDS-RST, our platform for the reporting of over-the-counter corporate bond trading, (iv) membership, which includes membership in the Exchange, membership in our clearing corporation ICCL, and depository participants in our depository CDSL, and (v) post-trade services, namely the clearing corporation and depository; and
3. **the data business**, which consists of the sale and licensing of information products.

In addition to our primary lines of business, we also have supporting businesses, including (i) providing IT services and solutions, (ii) licensing index products such as the S&P BSE SENSEX, (iii) providing financial and capital markets training and (iv) operating our corporate and social responsibility portal. Moreover, we have an active treasury function focused on managing our cash, including both our own funds as well as funds that we hold on behalf of third parties (such as margins placed by clearing members).

As at June 30, 2016, the BSE had 1,440 unique members across all segments, and in Fiscal Year 2016 the BSE accepted an average of 284.92 million orders and 1.55 million trades in equity shares per trading day, placing it as the 12th most active exchange in the world in terms of electronic book trades in equity shares. (*Source: World Federation of Exchanges ("WFE") statistics*). During Fiscal Years 2014, 2015 and 2016 and the three months ended June 30, 2016, the BSE reported 24,663 million, 63,385 million, 70,376 million and 17,618 million electronic book orders in equity shares, respectively.

We engage in extensive monitoring of our members, listed companies and of market activities in order to minimize the risk of default, promote market transparency and integrity. By doing so, we along with other Indian stock exchanges contribute to the growth of the Indian capital markets and stimulate innovation and competition across market segments.

We have highly developed electronic systems for entry, trading, clearing and settlement and depository services and we continually seek to improve our core IT capabilities, the reliability and consistency of which help us to maintain our competitive position. Examples of our electronic systems include (i) BOLT+, which is our fully automated, online trading system, (ii) low latency co-location services for algorithmic traders and (iii) a real-time risk management system, which conducts real time calculations of members' margins and limits. Moreover, to continue to improve our product and service offering, we have entered into a number of strategic partnerships and joint ventures. We are a member of the BRICS Exchange Alliance, whereby leading exchange in Brazil, Russia, India, China and South Africa cross-list futures products based on the flagship indices of each of the exchanges, and ICCL entered into an agreement with Clearstream whereby members in our clearing corporation can manage their margin requirements by placing collateral with Clearstream's Global Liquidity Hub.

We were originally established in 1875 as the Native Share and Stock Brokers' Association, an "Association of Persons" that engaged in trading and clearing and settlement functions. On August 31, 1957, we became the first exchange in India to be granted permanent recognition under the Securities Contract Regulation Act, 1956. On August 8, 2005, pursuant to a mandatory demutualization, Bombay Stock Exchange Limited was incorporated for the purpose of assisting, regulating or controlling the business of buying, selling or dealing in securities as a recognized stock exchange and to succeed the Association of Persons. We were renamed BSE Ltd in July 2011. We were created to own the exchange and to undertake all the necessary ancillary funds, and the former

members became shareholders in the BSE. SEBI, by way of its order dated May 20, 2005 approved the Demutualisation Scheme. For further details of the Demutualisation Scheme please refer to "*History & Certain Corporate Matters – Demutualisation Scheme*" on page 161 of this Draft Red Herring Prospectus.

We derive revenue from a number of sources, including securities services, services to corporate, data dissemination fees, investments and deposits, and other sources. For FY 2014, FY 2015 and FY 2016 and the three months ended June 30, 2016, our revenue from operations was ₹ 2,667.9 million, ₹ 3,611.4 million, ₹ 4,265.4 million and ₹ 1,130.2 million, respectively, and our net profit after share of minority and share of loss of associate as restated was ₹ 1,351.9 million, ₹ 1,297.4 million, ₹ 1,225.3 million and ₹ 414.0 million, respectively.

Our Strengths

Strong brand recognition with a track record of innovation

Established in 1875, we are Asia's first stock exchange, and we believe that it is one of the most recognizable brand names in India. We believe that our global brand helps in attracting companies to our listing platforms and attracting retail investors and wholesale participants to our various market and data offerings. As of June 30, 2016, we are the world's largest exchange by number of listed companies and India's largest and the world's 11th largest exchange by market capitalization, with US\$ 1.52 trillion in total market capitalization of listed companies. According to CARE Research, the BSE ranks third globally in terms of currency options and futures contracts traded in 2015, with 430 million currency derivatives traded, a 103% increase from FY 2015. Further, our turnover from the interest rate derivatives market grew from ₹ 26 billion in FY2014 to ₹ 1,141 billion in FY 2016. (Source: CARE Research, Report on Indian Stock Exchange Sector, August 2016 (the "CARE Research Report"))

We have built our brand by historically anticipating and responding to investor's needs through the introduction of new products and services. Examples of our past product innovations include BSE StAR and BSE SME. We introduced BSE StAR, our online platform for the placement of orders and redemptions of units in mutual funds, in December 2009, providing investors with a single platform to invest and redeem in a wide selection of mutual fund schemes. As at June 30, 2016, BSE StAR offers a platform to invest and redeem in 39 asset management companies ("AMCs") with 6,112 different mutual fund schemes. We launched the BSE SME platform, a platform for the listing and trading in shares of small and medium enterprises ("SMEs"), in March 2012, and won the SKOCH Achiever Award for SME enablement in 2016. In addition, we are also developing BSE Hi-Tech, a platform for the listing and trading in shares of young, fast-growing companies, in order to provide them with equity capital to finance their growth. Moreover, we were the first exchange in India to offer free-float indices. In addition to innovative offerings such as these, we also provide a variety of hi-tech product and service offerings such as co-location services for algorithmic trading, intra asset management switches, direct pay-out to clients, multiple payment modes, overnight funds management for liquid mutual funds and XSIP, a platform for investing in systemic investment plans across mutual fund schemes. Our recent product initiatives include agreements with Korea Exchange and Bank of New York Mellon to explore and conduct joint research in areas such as the derivatives markets and support each other in the development of new products and to provide collateral management solutions, respectively. For more information, see "*Alliances and Joint Ventures.*"

Diversified and integrated business model and active relationship with market participants

We operate a diversified and integrated business model including trading, clearing and settlement of products listed and traded on the BSE, as well as the provision of data products, IT services and solutions, index products and training. We offer listing and trading of a wide variety of products including equity cash securities such as shares in companies and ETFs, units in closed-end mutual funds, corporate bonds and government securities, equity derivatives and currency derivatives, as well as services such as securities lending and borrowing, and platforms to facilitate offers to buy securities by listed companies and offers for sale of securities by substantial shareholders of listed companies. By providing such integrated services, we support market participants and members throughout the entire life-cycle of a trade. Such an integrated approach benefits and keeps costs low for our participants and members by providing efficiencies that are associated with having a wide range of services integrated under one entity.

Our diversified and integrated business model provides us with an active relationship with market participants. We continually monitor areas of potential improvement in our operations and consult actively with our members in order to remain as relevant and attractive for our users as possible. For example, we have jointly established a

series of investor education programs with members and broker associations to have open communications with our members and to increase our exposure to investors. Moreover, in order to promote algorithmic traders, we bear the software license costs for algorithmic trading and market access, the infrastructure costs on co-location rack space, costs associated with algorithmic trading services at the co-location and internet connectivity between our co-location and our members' offices. Further, we believe that by allowing traders to buy and sell futures based on the same index on multiple venues, we will increase access for foreign investors to the growing Indian markets and also give Indian investors increased access to growth opportunities in key emerging markets across the world, thereby increasing participation in the Indian market. Our alliance with exchanges in each of the "BRICS" nations (in addition to India, these are Brazil, Russia, China and South Africa) allows us to do so, and we plan to explore opportunities under the BRICS Exchange Alliance to further promote interaction and cooperation between the respective markets. Our efforts to actively engage with market participants have led to an increase in the number of unique members in our exchange, increasing from 1,375 as of the end of FY 2014 to 1,440 as of June 30, 2016.

State-of-the-art infrastructure and technology

We have electronic systems for entry, trading, clearing and settlement and depository services and we continually seek to improve our core IT capabilities, the reliability and consistency of which help us to maintain our competitive position.

Our electronic systems include (i) BOLT+, a fully-automated online trading platform through which all trades on the equity cash, equity derivatives and currency segments of our exchange are executed, and (ii) precision time protocol, a time synchronization standard that we adopted to ensure accurate and reliable time synchronization across our trading infrastructure. We have also implemented functional improvements to our infrastructure and technology, including tick-by-tick order data, multi-legged orders, and "straddle" strategies for currency derivatives and equity derivatives. Furthermore, all of our platforms are interconnected and operated through the same network and workstation, which helps to provide market participants with a seamless experience and efficient operations.

To boost investor confidence and transparency, we have also implemented our real-time risk management system, which conducts real time calculations of members' margins and limits. We also use the standard portfolio analysis of risk ("SPAN") margin system, an industry-standard margin system used by over 30 exchanges and clearing organizations worldwide that is designed to evaluate the overall risk in a portfolio and accurately match margins to risk.

We have an experienced team of internal IT professionals, supported by third party IT service providers, to operate and support our infrastructure and software as well as to create and implement new technologies.

Financial strength and diversified sources of revenue

In order to provide a stable stream of revenue to support our fiscal policy, we have sought to diversify our revenue streams. As an operator of a derivatives and securities exchange and clearing, settlement and depository services, we have multiple contact points with our members and market participants, providing us with the ability to generate revenue at multiple levels of our business. We derive revenue from a variety of sources including revenue from trading activities on the exchange, such as trading fees and trading tariffs, revenue from post-trade services, such as clearing, settlement, depository, custody and nominee service fees, and initial and recurring listing fees from equity, debt and derivative products, and subscription fees from data products.

Our mix of business provides us with diverse sources of revenue that are not all dependent on market volumes. For example, we not only generate market turnover-related revenue, such as transaction charges, auction charges and depository charges, but also non-market turnover-related revenue, such as investment income, training income, software income and rental income. In FY2016, revenue from operations (comprised of revenue from securities services, services to corporate and data dissemination fees), income from investments and deposits and other income comprised of 64.8%, 28.8% and 6.4% of our total revenue, respectively. In the three months ended June 30, 2016, revenue from operations, income from investments and deposits and other income comprised of 63.4%, 26.5% and 10.1% of our total revenue, respectively.

As of June 30, 2016, we are the world's largest exchange by number of listed companies and India's largest and the world's 11th largest exchange by market capitalization, with US\$ 1.52 trillion in total market capitalization of listed companies. According to CARE Research, the BSE ranks third globally in terms of currency options and futures contracts traded in 2015, with 430 million currency derivatives traded, a 103% increase from FY 2015.

Further, our turnover from the interest rate derivatives market grew from ₹ 26 billion in FY2014 to ₹ 1,141 billion in FY 2016. (*Source: CARE Research Report*)

Our EBITDA margin for FY 2014, FY 2015, FY 2016 and the three months ended June 30, 2016 was 54.3%, 48.9%, 45.7% and 47%, respectively. Our profit after tax margin for FY 2014, FY 2015, FY 2016 and the three months ended June 30, 2016 was 25.5%, 20.8%, 18.6% and 23.2%, respectively.

Our Strategies

As India's largest exchange in terms of market capitalization of listed companies (*Source: WFE Statistics*), we must anticipate and react to investors' needs through improvements in efficiency and technology, lower costs, greater cross-border reach and increased access. Our strategies set out a roadmap towards being a competitive exchange across all asset classes.

To meet these needs and maintain and strengthen our market position, our key strategies are to:

Strengthen our position to become the exchange of choice in India and expand our cross-border reach by entering into strategic alliances

We intend to strengthen our position as a preferred exchange in India and expand our cross-border reach by entering into strategic alliances. For example, to expand our position in India, we have entered into a strategic partnership with S&P Dow Jones Indices LLC, USA ("**SPDJ**") to grow our index business by calculating, disseminating and licensing various of our index products, which has culminated in the formation of an India-based joint venture, Asia Index Pvt. Ltd.

Internationally, we have signed an agreement with Deutsche Boerse whereby they sell and market BSE market data and information to international clients. Deutsche Boerse also collaborates with us for product development and innovation, which includes extending its existing infrastructure and creating new market data solutions and infrastructure to support our product offerings.

Further, we are a member of the BRICS Exchanges Alliance, whereby leading exchange in Brazil, Russia, India, China and South Africa cross-list futures products based on the flagship indices of each of the other exchanges. Similarly, options and futures based on the S&P BSE SENSEX are listed and traded on Eurex and the Dubai Gold and Commodities Exchange, and we have entered into an MOU with the Korea Exchange to cooperate in other areas such as research, product development and information technology.

In addition, ICCL and Clearstream have agreed to collaborate on collateral management so that clearing members in ICCL can better manage their ICCL margin requirements resulting from trades executed on the BSE platform. Collateral can be pooled at Clearstream's integrated collateral management engine, the Global Liquidity Hub, from assets held at Clearstream and partner agent banks. This triparty collateral management solution enables foreign investors trading on the BSE platform to deposit and use AAA-rated foreign sovereign bonds as collateral with ICCL towards their margin requirements.

We have also partnered with IFC, a member of the World Bank Group, to develop a corporate governance scorecard, which allows companies to assess their corporate governance performance against national and international benchmarked practices. Moreover, we partnered with the Centre for Monitoring Indian Economy to launch in April 2016 to provide high-frequency data on unemployment and consumer sentiment in India.

We believe that the enhanced ease of trading and access that results from such ventures will strengthen our ability to attract cross-border investors and issuers to our exchange. For more information, please see "*Alliances and Joint Ventures*".

Increase our variety and market share of derivative products

We actively evaluate products and asset classes outside our traditional focus areas in order to diversify our revenue sources. By doing so, we seek to continue to attract market participants and issuers and to capture the significant revenue potential that comes with a broader product line, particularly derivative products. We intend to continue to develop a full equity derivative product suite to meet derivative investors' needs through the introduction of new products, as well as through advancements in current products, such as interest rate and currency derivatives, index futures, index options, single stock futures and single stock options. In particular, we intend to focus on currency derivatives and to further increase our market share in this segment through initiatives such as introducing new products (such as index contracts, inter-currency spread contracts and cross-

currency derivatives, in each case subject to regulatory approvals), increasing foreign portfolio investor ("FPI") participation and extending market timings for currency derivatives (subject to regulatory approval).

We are also looking to add commodity derivatives to our current portfolio of product offerings. We applied to SEBI on June 12, 2015 to seek their approval to commence trading in commodities derivatives products, and are currently awaiting SEBI's approval.

Diversify our product and service offerings and maintain new product innovation and development

We continually strive to diversify our product and service offerings to serve investors' needs by developing new products and bringing new types of financial instruments. For example, we are looking to offer indices and index-based products for national and international investors as part of our product development. Our recent and upcoming product innovation include BSE Hi-Tech, a platform for young, fast-growing companies to list and raise equity capital for their growth, which we are currently developing. In addition, we intend to enhance our current product offerings, such as BSE StAR, our mutual fund investment platform, by adding new purchase and settlement options for investors. The number of mutual fund schemes available on BSE StAR grew from 4,891 in FY 2014 to 5,724 in FY 2015 and 5,989 in FY 2016.

In terms of our service offerings, we were appointed as the receiving office for primary issuances of sovereign gold bonds in June, which are government bonds, denominated in grams of gold, issued by the Reserve Bank of India on behalf of the Government of India. We also commenced "clean price" trading in August 2016, which is a pricing method for corporate bonds and government bonds in which interest accrued on the bond is automatically excluded from the price quoted on the exchange. The move to "clean price" trading on our exchange will align our debt markets with Indian over-the-counter markets and NDS-OM, which is a matching system for dealing in Indian government securities. Other examples of current initiatives that we have at various stages of development include: (i) developing the GIFT City international exchange, (ii) an exchange in precious metals, gems and other related goods with the India Bullion and Jewellers Association, (iii) a consumer sentiment index and (iv) a high-frequency data on unemployment in India.

Maintain and improve best-in-class platform infrastructure

Maintaining and improving our infrastructure is critical to our business, as it lays the foundation for future growth and expansion, provides our customers with a more efficient and accessible marketplace and enhances our competitiveness as an exchange operator on a global scale. We have regularly allocated substantial resources towards upgrading our information technology systems, with the over-arching goals of achieving higher capacity and lower latency, improving market efficiency and transparency, enhancing user access and providing flexibility for future business growth and market needs.

We undertake to develop and to implement initiatives to maintain and improve our platform infrastructure in the future. We are considering consolidating our infrastructures and services by moving our key systems to private, public and hybrid cloud-based platforms, which will allow us to leverage infrastructure sharing, service utilization and host of other cloud-based facilities.

We prioritize the improvement in our cyber-security framework and information security management systems. We were identified as a National Critical Information Infrastructure by National Critical Information Infrastructure Protection Centre.

Establish an international exchange at GIFT City

We intend to establish an international exchange in the Gujarat International Finance Tech City – International Financial Service Centre ("GIFT City"), a multi-services Special Economic Zone that is currently being developed as India's first international financial services centre. Subject to receipt of the necessary regulatory approval, the international exchange will provide an electronic trading platform that facilitates (i) Indian companies to raise capital in foreign currency by issuing foreign currency denominated bonds and providing a trading platform to trade in such securities, (ii) Indian start-ups to raise equity from foreign investors by getting listed on the international exchange and (iii) companies incorporated outside India to raise money in foreign currencies by the issuance and listing of their equity shares on the international exchange.

We believe that establishing this exchange will increase our brand's profile and also provide us with additional sources of revenue. As we intend for the proposed exchange to offer equities in non-Indian issuers for trading, the project will also include establishing a clearing corporation as well as a depository to settle such trades.

Our Board of Directors approved a high-level business plan regarding the GIFT City exchange in May 2016, and we have obtained name approval for BSE International Exchange (IFSC) Limited and BSE International Clearing Corporation (IFSC) Limited from the Registrar of Companies for the international exchange and for the international clearing corporation, respectively. We are currently in the process of preparing a detailed business plan. See "*Risk Factors—Our proposed international exchange in GIFT City is subject to numerous contingencies and uncertainties*" for a description of uncertainties relating to the GIFT City project.

We propose to begin operating the GIFT City exchange after, among others, the publication by SEBI of final regulations applicable to the exchange. We believe that our track record of operating an exchange and entering into partnerships and alliance with partners around the world will facilitate the opening of the GIFT City exchange by us in a timely manner once the final regulations applicable to the exchange have become effective.

Capture growth in the underpenetrated Indian financial markets

We believe that with a growing young population in India, more investors are likely to enter the market in the coming years. In order to capture growth in the Indian market, we undertake routine outreach and advertising programs, such as through educational activities targeted towards youths to teach them about the benefits of investing in securities, and through investor awareness activities designed to facilitate an "equity culture" in India. In addition to investor outreach, we also design platforms and products targeted towards specific demographics in India, such as a mobile phone enabled trading platform, targeted towards the growing number of mobile phone users in India.

We believe that our efforts in this regard align with the efforts of the Indian government, who have offered tax breaks and financial schemes to encourage securities investment. We believe that we are positioned, as a well-known exchange, to increase the number of investors trading on our exchange as first-time investors begin taking advantage of such government schemes. In addition, we plan to focus our education outreach programs, directly through the exchange as well as through our BSE Institute, on this sector of first-time retail investors in order to increase our brand recognition and to encourage such investors to trade in BSE-listed securities. We, through BSE Institute, design and develop course offerings for investors that focus on business process knowledge and practical training, and also conduct certification programs for market professionals in the Asian, African and Middle East regions. We also run custom courses for businesses and colleges. Moreover, the Employee Provident Fund Organization has recently started investing in ETFs, which is an indirect way of investment into the Indian stock market.

SUMMARY OF INDUSTRY

The information in this section has been extracted from various government publications and industry sources, specifically from the World Federation of Exchanges, World Bank (Global Economic Prospects, Divergences and Risks, July 2016), the CIA World Factbook, the Government of India's Ministry of Statistics and Programme Implementation Press Release (Quick Estimates of Index of Industrial Production and Use-Based Index for the Month of March, 2016, 12 May 2016), the Reserve Bank of India (Monetary Policy Report, April 2016 and its website) and CARE Research (Report on the Indian Stock Exchange Sector, August 2016). We specifically commissioned CARE Research to prepare an industry report on the Indian stock exchange sector for reference in this Draft Red Herring Prospectus. General Overview of the Exchange Sector

Globally, there are over 70 major stock exchanges with a market capitalisation of more than US\$5 billion. The total global market capitalisation of WFE member exchanges (the "**WFE Exchanges**") aggregated to US\$66 trillion at the end of June 2016 (Source: World Federation of Exchanges). 16 of these stock exchanges had a market capitalisation of above US\$1 trillion each. Market capitalisation of the aforementioned 70 major stock exchanges taken together accounted for 86% of the total global market capitalisation. (Source: CARE Research, Report on Indian Stock Exchange Sector, August 2016 ("**CARE Research Report**").

The Intercontinental Exchange: NYSE ("**ICE: NYSE**") dominates with a market capitalisation of about US\$18.7 trillion at the end of June 2016. In terms of turnover (defined as the value of shares traded), the Shanghai Stock Exchange topped the list with a turnover of about US\$21.3 trillion in 2015. The BSE Limited was the largest exchange in the world in terms of number of listed companies at the end of December 2015, with 5,836 companies. (Source: CARE Research Report)

Revenue Sources of Global Exchanges

Global exchanges derive their revenue from several sources such as transaction fees, listing, clearing and depository services. The following chart shows various revenue streams of global exchanges:

(Source: CARE Research Report)

For both Indian exchanges, BSE and NSE, revenue mainly comes from securities services. Services to corporates, which primarily consists of listing income, also makes a significant contribution to revenues. Information services contribute little to the revenue for Indian exchanges, at about 4% to 5%. For exchanges in developed economies, information and data services generally account for 10% to 25% of total revenue. (Source: CARE Research Report)

The Exchange Sector in India

Key Growth Drivers

According to CARE Research, the key growth drivers for the stock exchange sector in India are:

Demographic Dividend: India's favourable demographics dividend is a major strength of the economy, not only in terms of a fast-growing population but also its favourable composition. According to the United Nations report "World Population Prospects: 2015 Revision", India's population is estimated to surpass China's population within a decade, even though the population growth rate has decelerated in both of these countries. Further, India's working age population (population in between 15 to 60 years) constitutes more than 60% of the overall population. A rising working age population results in a boost to consumer spending in the economy.

Participation by retail investors: Historically, one of the characteristics of the average Indian household towards savings and investments was its preference for physical assets such as gold and real estate.

One of the reasons for Indian investors' low preference for equity over other asset classes is the low level of financial awareness. In recent years, equity investments by Indian investors is slowly increasing due to specific tax breaks for equity investors and financial awareness programmes conducted by mutual fund houses and stock exchanges. Further, the rise in Indian equity indices during the past two

years has encouraged retail investors' confidence and, as a result, participation in the Indian equity markets, including mutual funds and other segments of the Indian capital markets. CARE expects India's working age population to rise in the coming years, which will be a growth driver for household savings. A portion of these increased savings are expected to be channelled towards Indian capital markets.

Initiatives by the Government of India: Last year, the Government of India allowed the Employee Provident Fund Organisation ("**EPFO**") to begin investing in equity markets to boost equity investments in India. EPFO investment in the stock market is expected to help the equity market as it gives greater stability and adds liquidity to the stock market. It also reduces dependency on FIIs. Along with LIC and domestic mutual fund companies, the EPFO can counterbalance FII investments.

Other measures, like the recent passage of the goods and services tax, which would simplify the tax structure in India, are expected to boost overall GDP growth in the medium to long term and are further positive steps for the overall growth of the Indian economy in the long term. The goods and services tax is expected to be implemented from 1 April 2017.

Another area where regulatory change would aid the growth of Indian exchanges is interoperability between different clearing corporations. There is currently no interoperability between the different clearing corporations in India. Interoperability would allow trading participants to clear trades through a clearing house convenient to them as against the current system, which requires investors to use the clearing house owned by the exchange on which they trade. This would result in efficient use of capital for trading members who take positions on multiple stock exchanges.

In addition, in its recent announcement, the union cabinet gave its approval to raise the foreign shareholding limit in Indian stock exchanges from 5% to 15% for a stock exchange, depository, banking company, an insurance company and a commodity derivative exchange. This will help to enhance competitiveness of Indian stock exchanges by facilitating the adoption of the latest technologies and global best practices; leading to the overall growth and development of the Indian capital markets.

Global inflow of funds: Given the rise in the Indian capital markets, 269 new Foreign Portfolio Investors ("**FPIs**") registered with SEBI in April 2016. The new registration is facilitated by a change in regulations, which granted FPIs permanent registration unless suspended or cancelled by SEBI or surrendered by the FPI. Going forward, CARE expects foreign investors to consider India as one of the preferred global investment destinations given its macro-economic stability, long-term growth prospects and ongoing economic and social reforms. With India's GDP growing at a rate of 7% to 8% in the current financial year, India is one of the fastest growing economies in the world. Compared to the relatively muted growth of other major global economies, CARE expects the growth of the Indian economy to attract foreign investments in coming years. Global events such as Brexit are also expected to attract new investors to India given slower growth in the European continent.

Introduction of new products and initiatives: Even though stock exchanges in India have seen business growth in the past, there are product gaps which exist in certain segments. There is room to introduce innovative derivative products like weather derivatives, energy derivatives and credit derivatives, which are currently traded in major exchanges worldwide. The availability of such new products would bring additional business volumes on the exchanges. Also as per SEBI norms, foreign institutional investors are not permitted to trade in currency futures. Going forward, gradual easing of this restriction by the regulatory bodies could add further volumes to the currency market.

In October 2011, exchanges from Brazil, Russia, India, China (represented by Hong Kong) and South Africa formed an alliance to cross-list their respective equity-based products. It is expected that that such international tie-ups will offer a strong growth opportunity for Indian stock exchanges.

In the case of commodity markets, future growth could be achieved through the introduction of more agricultural commodities and also other global commodities for trading. Further, participation by mutual funds and banks in commodity markets in future would facilitate long term growth of these exchanges.

Revival in the rural economy: After two to three years of insufficient rains, India has registered above-average rainfall in the current monsoon season so far. This would have a positive impact on agricultural output,

which in turn is expected to drive down the consumer price inflation in India. Lower inflation would translate into a benign interest rate regime, which would be positive for stock market growth. A revival in rural economy will further facilitate India's economic growth.

The two major stock exchanges in India are the BSE and the NSE. The market capitalisation of both stock exchanges has gradually increased in line with a rise in trading activities and increasing share prices for listed companies. *(Source: CARE Research Report)*

From FY2012 to FY2016, the number of shares traded on both exchanges combined grew by 30%. The steady growth of the Indian economy, growing awareness regarding the stock market, increased participation by foreign institutional players as well as domestic retail investors and increased penetration of share market trading services across India are some of the key factors which contributed to this growth. *(Source: CARE Research Report)*

For BSE and NSE, revenue is primarily derived from securities services and services to corporates, which primarily consists of listing income. Information services contribute little to the revenue of Indian exchanges, contributing to approximately 4% to 5%. On the other hand, information services generally account for 10% to 25% of the total revenue for exchanges in developed economies. *(Source: CARE Research Report)*

Products Traded on Major Indian Exchanges

The BSE and NSE offer trading primarily in equity, debt instruments, exchange traded funds and derivative products of equities, interest rate and currencies. Commodity trading activity in India is dominated by Multi Commodity Exchange and National Commodity Exchange. *(Source: CARE Research Report)*

Trend of Different Asset Classes and Segments

Equity Cash

The turnover in the equity cash segment on the BSE and NSE increased during FY2012 to FY2016. The growth in turnover was a result of the growth in number of trades. During FY2012 to FY2016, the number of trades on the BSE rose from 323.5 million trades to 407.5 million trades while the number of trades on the NSE increased from 1,437.7 million trades to 1,851.8 million trades. *(Source: CARE Research Report)*

Equity Derivatives

The equity derivatives market, which accounts for more than 85% of the total traded turnover on Indian exchanges, has seen greater participation by investors since FY2012. *(Source: CARE Research Report)*

Currency Derivatives

The currency derivatives market in India is still in its nascent stage. The currency derivatives segment in India commenced in August 2008 with USD-INR Futures. Subsequently, SEBI approved trading in currency futures contracts on EUR-INR, GBP-INR and JPY-INR pairs and currency options contracts on USD-INR in 2010. Investors are increasingly allowed to participate in this market. *(Source: CARE Research Report)*

BSE did not have a currency derivatives segment until November 2013. While NSE has continued to be the market leader in this segment, BSE has moved into second position surpassing MSEI and has significantly closed the gap against NSE. *(Source: CARE Research Report)* BSE has increased its market share from 33% during September 2015 to 39% during August 2016.

Interest Rate Derivatives

Another key global financial market which has witnessed increased market participation in India, is that of interest rate derivatives market. Interest rate derivatives are part of the currency derivatives segment and has been a smaller sub-segment of the currency derivative segment. However, in FY2014 to FY2016, the turnover in this segment increased significantly from ₹302 billion to ₹5,264 billion on the NSE and ₹26 billion to ₹1,141 billion for the BSE. *(Source: CARE Research Report)*

Corporate Debt

Compared to the equity cash and equity derivative markets, the corporate debt market in India is relatively new. With large corporates increasingly preferring to raise funds through the debt market over bank loans and increased investor interest in high quality corporate securities (bonds, debentures, commercial paper), the number of contracts traded in the corporate debt market in the BSE and NSE has grown steadily during FY2012 to FY2016. This segment witnessed strong growth in FY2015 due to increased investor interest in Indian corporate debt markets, issuance of bonds by better-rated Indian corporates and an improved regulatory framework. (Source: CARE Research Report)

Primary Market

The number of listed companies in the BSE and the NSE has grown over the period of FY2012 to FY2016, resulting in the rise of market capitalisation of both exchanges. From 5,133 companies listed on BSE in FY2012, this number has increased to 5,911 in FY2016. On NSE, the number of listed entities increased from 1,646 in FY 2012 to 1,808 in FY2016. (Source: CARE Research Report)

Commodities

Another relatively new asset class traded on Indian exchanges is commodities. Although commodity trading has existed for a long time, it is still at an early stage in India. India has a predominantly agrarian economy and has a long history of commodity trading. However, it has gradually declined due to various factors such as droughts, periods of scarcity and certain Government policies. The Multi Commodity Exchange and the National Commodity Exchange are the dominant exchanges for commodity products. (Source: CARE Research Report)

Clearing Corporations

Regulatory change allowing interoperability between different clearing corporations would aid the growth of Indian exchanges. There is currently no interoperability between the different clearing corporations in India. Interoperability would allow trading participants to clear trades through a clearing house convenient to them as against the current system, which requires investors to use the clearing house owned by the exchange on which they trade. This would result in efficient use of capital for trading members who take positions on multiple stock exchanges.

Depositories

There are two depositories in India, Central Depository Services (India) Ltd. ("**CDSL**") and National Securities Depository Ltd. ("**NSDL**"). As on 31 August 2016, CDSL and NSDL had 11,345,320 and 14,929,313 active accounts, respectively and held Rs. 15,268 billion and Rs. 132,592 billion in total value of dematerialised securities, respectively. The following table presents EBITDA for the periods indicated

	Three months ended June 30,	Year ended March 31,				
	2016	2016	2015	2014	2013	2012
		(₹ in million)				
EBITDA						
<i>EBITDA⁽¹⁾</i>	837.9	3,005.1	3,053.1	2,874.5	3,108.7	3,598.4

- (1) We define EBITDA as restated net profit after share of minority and share of loss of associate plus (i) share of loss of associate, (ii) share of minority, (iii) extraordinary items, (iv) tax expense, (v) total exceptional items, (vi) finance costs and (vi) depreciation and amortisation. The table below reconciles our restated profit for the year under Indian GAAP to our definition of EBITDA:

	Three months ended June 30,	Year ended March 31,				
	2016	2016	2015	2014	2013	2012
			(₹ in million)			
Net profit after share of minority and share of loss of associate	414.0	1,225.3	1,297.4	1,351.9	1,188.4	1,724.4
Add:						
Share of loss of associate.....	-	2.7	2.8	4.1	3.3	4.1
Share of minority.....	69.4	363.5	213.3	244.1	248.5	268.1
Extraordinary items	-	-	-	(5.7)	4.9	-
Tax expense.....	98.5	324.1	437.8	339.9	376.9	642.6
Total exceptional items	136.1	466.0	507.5	612.9	979.1	604.9
Finance costs	2.0	6.7	6.6	3.8	24.5	13.6
Depreciation and amortisation.....	117.9	616.8	587.7	323.5	283.1	340.7
EBITDA	837.9	3,005.1	3,053.1	2,874.5	3,108.7	3,598.4

EBITDA is not a calculation required by or presented in accordance with Indian GAAP or U.S. GAAP. EBITDA is a supplemental measure of our operating performance and should not be considered as an alternative to net profit as an indicator of our operating performance or an alternative to operating cash flows as a measure of our liquidity. Moreover, you should be aware that EBITDA as we define may not be comparable with similarly-titled measures reported by other companies, due to difference in the components of the calculations. We believe that EBITDA facilitates comparisons on our performance from period to period by eliminating potential differences caused by variations in capital structures (affecting finance costs), tax positions (impacting net tax expenses) and the age and booked depreciation and amortisation of assets (affecting depreciation and amortisation). We present EBITDA because we believe that it is frequently used by securities analysts, investors and other interested parties in evaluating companies, many of whom present such non-GAAP measures when reporting their results.

The following table presents certain financial ratios for the periods indicated:

	Three months ended June 30,	Year ended March 31,				
	2016	2016	2015	2014	2013	2012
Financial ratios						
<i>Return on average equity</i> ⁽¹⁾	6.7%	5.0%	5.4%	5.8%	5.3%	7.9%
<i>Return on capital employed</i> ⁽²⁾	9.7%	8.2%	8.7%	9.7%	10.2%	12.2%
<i>EBITDA margin</i> ⁽³⁾	47.0%	45.7%	48.9%	54.3%	56.2%	62.2%
<i>Profit after tax margin</i> ⁽⁴⁾	23.2%	18.6%	20.8%	25.5%	21.5%	29.8%

(1) Calculated as (i) restated net profit after share of minority and share of loss of associate divided by (ii) the average of shareholders' funds at the end of the period and at the end of the prior period. The figure for the three months ended June 30, 2016, is presented on an annualized basis by multiplying the result of the aforementioned calculation by (i) 365 divided by (ii) 91, being the number of days in the three months ended June 30, 2016.

(2) Calculated as (i) restated profit before exceptional items, extraordinary items and tax, divided by (ii) (a) total assets minus (b) current liabilities. The figure for the three months ended June 30, 2016, is presented on an annualized basis by multiplying the result of the aforementioned calculation by (i) 365 divided by (ii) 91, being the number of days in the three months ended June 30, 2016.

(3) Calculated as EBITDA divided by total revenue.

(4) Calculated as restated profit after share of minority and share of loss of associate divided by total revenue.

As this is an offer of equity shares, the appointment of trustees is not required.

Book building process

Book building, in the context of the Offer, refers to the process of collection of Bids from investors on the basis of the Red Herring Prospectus and the Bid cum Application Forms within the Price Band. The Price Band will be decided by the Exchange in consultation with Advisory Committee and Managers and the minimum Bid Lot will be decided by the Exchange in consultation with the Managers, and advertised in editions of [●], editions of [●] and edition of [●] (which are widely circulated in English, Hindi and Marathi newspapers, respectively, Marathi being the regional language of Maharashtra, where our Registered Office is located) at least five Working Days prior to the Offer Opening Date. The Offer Price shall be determined by the Exchange in consultation with Advisory Committee and Managers, after the Offer Closing Date.

All Bidders, except for Anchor Investors, are mandatorily required to use the ASBA process.

In accordance with the ICDR Regulations, QIBs Bidding in the QIB Portion (other than Anchor Investor Portion) and Non-Institutional Investors bidding in the Non-Institutional Portion are not allowed to withdraw or lower the size of their Bid(s) (in terms of the quantity of the Equity Shares or the Bid Amount) at any stage and Anchor Investors cannot withdraw their Bids after the Anchor Investor Bidding Date. Retail Individual Investors can revise their Bids during the Offer Period and withdraw their Bids until the Offer Closing Date. Allocation to Non-Institutional Investors shall be on a proportionate basis and allotment to each Retail Individual Investor shall not be less than the minimum Bid Lot subject to availability of Equity Shares in the Retail Portion and the remaining available Equity Shares if any, shall be allotted on a

proportionate basis. Further, allocation to QIBs in the QIB Portion (other than Anchor Investor Portion) will be on a proportionate basis and allocation to the Anchor Investors will be on a discretionary basis. For all categories, allocation will be subject to restrictions on shareholding as prescribed under the SECC Regulations.

For further details, please see “*Offer Procedure*” and “*Regulations and Policies*” on pages 495 and 154 of this Draft Red Herring Prospectus, respectively.

The Exchange and the Selling Shareholders will comply with the ICDR Regulations and any other ancillary directions issued by the SEBI for the Offer. The Exchange and the Selling Shareholders have appointed the Managers to manage the Offer and procure Bids for the Offer.

The Book Building Process and the Bidding process under the ICDR Regulations are subject to change from time to time. Bidders are advised to make their own judgement through this process prior to submitting a Bid.

Notwithstanding the foregoing, the Offer is also subject to obtaining (i) final approval of the RoC after the Prospectus is filed with the RoC; and (ii) final listing and trading approval from NSE, which the Exchange shall apply for after Allotment.

Each Bidder, by submitting a Bid in the Offer, will be deemed to have acknowledged the above restrictions and the terms of the Offer.

In terms of the SECC Regulations and the SEBI Circular dated January 1, 2016, all shareholders are required to ensure compliance with the provisions the SECC Regulations, including fit and proper. Accordingly, a declaration in the Bid cum Application Form stating that the applicant is fit and proper in terms of Regulation 19 and 20 of the SECC Regulations, will be included.

For further details, please see “*Terms of the Offer*”, “*Offer Structure*” and “*Offer Procedure*” on pages 484, 492 and 495 of this Draft Red Herring Prospectus, respectively.

Offer Programme

For details on the Offer Programme, please see “*Terms of the Offer*” on page 484 of this Draft Red Herring Prospectus.

Further, for details on Illustration of the Book Building Process and Price Discovery Process, please see “*Offer Procedure*” on page 495 of this Draft Red Herring Prospectus. However, please note that all transfers in the Offer shall be subject to the requirements of the SECC Regulations. For details please see “*Regulations and Policies*” and “*Terms of the Offer*” on page 154 and page 484 of this Draft Red Herring Prospectus, respectively.

Underwriting agreement

After the determination of the Offer Price and allocation of the Equity Shares, but prior to filing of the Prospectus with the RoC, the Exchange and the Selling Shareholders intend to enter into the Underwriting Agreement with the Underwriters for the Equity Shares proposed to be offered through the Offer. Pursuant to the terms of the Underwriting Agreement, the obligations of the Underwriters are several and are subject to certain conditions specified therein.

The Underwriting Agreement is dated [●]. The Underwriters have indicated their intention to underwrite the following number of Equity Shares:

(This portion has been intentionally left blank and will be completed before filing of the Prospectus with the RoC.)

Details of the Underwriters	Indicated Number of Equity Shares to be Underwritten	Amount Underwritten (in ₹ million)
-----------------------------	--	------------------------------------

Details of the Underwriters	Indicated Number of Equity Shares to be Underwritten	Amount Underwritten (in ₹ million)
[●]	[●]	[●]
[●]	[●]	[●]
Total	[●]	[●]

The above-mentioned amount is indicative and will be finalised after determination of the Offer Price and finalisation of the 'Basis of Allotment'.

In the opinion of our Board (based on a certificate given by the Underwriters), the resources of the Underwriters are sufficient to enable them to discharge their respective underwriting obligations in full. The above-mentioned Underwriters are registered with SEBI under the SEBI Act or registered as brokers with the Stock Exchanges. The Board IPO Committee, at its meeting held on [●], has accepted and entered into the Underwriting Agreement mentioned above on behalf of the Exchange.

Allocation among the Underwriters may not necessarily be in proportion to their underwriting commitments set forth in the table above.

Notwithstanding the above, the Underwriters shall be severally responsible for ensuring payment with respect to the Equity Shares allocated to Bidders respectively procured by them in accordance with the Underwriting Agreement. In the event of any default in payment, the respective Underwriter, in addition to other obligations defined in the Underwriting Agreement, will also be required to procure purchases for or purchase the Equity Shares to the extent of the defaulted amount in accordance with the Underwriting Agreement.

⁽¹⁾ Of the 109,176,344 Equity Shares forming a part of the issued share capital of the Exchange, allotment of 1,820,000 Equity Shares are held in abeyance. For further details on Equity Shares held in abeyance, please refer to the paragraph on 'Equity Shares held in abeyance' herein below.

Equity Shares held in abeyance

The Exchange was corporatised and demutualised pursuant to a notification issued by SEBI dated May 20, 2005 under the SCRA, wherein the Demutualisation Scheme was approved. As per the provisions of Clause 5 of the Demutualisation Scheme, every member of the Exchange or his nominee (other than the first shareholders, that is, the subscribers to the Memorandum), as the case may be, as on July 15, 2005 ("Record Date"), was entitled to 10,000 fully paid-up Equity Shares for cash at par. Allotment to a member, whose membership had been suspended by the Exchange due to various reasons as on the Record Date ("Suspended Members"), was held in abeyance till such time as the suspension continued.

Since corporatisation and demutualisation of the Exchange, suspension of several Suspended Members has been revoked and such Suspended Members have been allotted Equity Shares as per the provisions of the Demutualisation Scheme. At the time of allotment of their respective Equity Shares, such Suspended Members were granted all corporate benefits such as, amongst other things, dividend and bonus shares, which had accrued on such Equity Shares since the Record Date. As on the date of this Draft Red Herring Prospectus, there are 14 members of the erstwhile The Stock Exchange, Mumbai, whose allotment of Equity Shares, that is a total of 1,820,000 Equity Shares, including bonus shares in the ratio of 12 Equity Shares for every one Equity Share held, continues to be held in abeyance for various reasons including debit balance in the books of the Exchange and death of the member.

For further details of the Demutualisation Scheme, please see 'History and Certain Corporate Matters - Details regarding acquisition of business/undertakings, mergers, amalgamation and revaluation of assets' on page 163 of this Draft Red Herring Prospectus.

(a) Details of changes to the Exchange's authorised share capital since incorporation:

Sr. No.	Effective date	Change in authorised share capital
1.	May 14, 2015*	The initial authorised share capital of ₹ 500,000,000 comprising 500,000,000 Equity Shares was increased to ₹ 3,000,000,000 comprising 3,000,000,000 Equity Shares.

* The authorised share capital of the Exchange stood enhanced by ₹ 2,500,000,000 pursuant to the amalgamation of USE with the Exchange for which the appointed date was April 1, 2014 and the effective date was May 14, 2015. For details, please see 'History and Certain Corporate Matters - Details regarding acquisition of business/undertakings, mergers, amalgamation and revaluation of assets' on page 163 of this Draft Red Herring Prospectus.

- (b) Our Board has by way of a resolution dated May 5, 2016 approved the initial public offering of up to 30% of the post-Offer equity share capital by way of an offer for sale by the Selling Shareholders. The Offer has been unanimously approved by our Shareholders by way of a special resolution passed at the annual general meeting held on June 24, 2016.

Each of the Selling Shareholders have pursuant to their respective Selling Shareholders' Consent Letters agreed to their participation and inclusion of their Equity Shares in the Offer.

The Selling Shareholders have, severally and not jointly, specifically confirmed that the Equity Shares proposed to be offered and sold by each of them in the Offer are eligible for being offered for sale in the Offer in terms of Regulation 26(6) of the ICDR Regulations.

2. Details of Lock-in

(i) Details of Equity Share capital locked-in for one year

Except the Equity Shares subscribed to and Allotted pursuant to the Offer, the entire pre-Offer Equity Share capital of the Exchange will be locked-in for a period of one year from the date of Allotment. As regards, any Equity Shares held in abeyance, the suspension of which is revoked during the aforesaid lock-in period of one year, such Equity Shares shall be locked-in for a period of one year from the date of Allotment.

Further, any Equity Shares held by a Shareholder who is either a venture capital fund or an alternative investment fund of category I or a foreign venture capital investor, as of the date of Allotment, will be exempt from lock-in for a period of one year from the date of Allotment as per Regulation 37(b) of the ICDR Regulations, however, the same should have been subject to lock-in for a period of one year from the date of purchase of Equity Shares by the aforesaid entities.

(ii) Details of Equity Share capital locked in for three years

The Exchange is professionally managed and does not have an identifiable promoter in terms of the ICDR Regulations. Accordingly, in terms of Regulation 34(a) of the ICDR Regulations, there is no requirement of promoter's contribution in this Offer and none of the Equity Shares will be locked in for a period of three years.

(iii) Other requirements in respect of lock-in

The Equity Shares held by the Shareholders prior to the Offer, and which are locked-in for a period of one year from the date of Allotment in the Offer may be transferred to any other person holding the Equity Shares which are locked-in, subject to the continuation of the lock-in in the hands of transferees for the remaining period and compliance with the Takeover Regulations, as applicable.

(iv) Lock-in of Equity Shares Allotted to Anchor Investors

The Equity Shares Allotted to Anchor Investors, in the Anchor Investor Portion, if any, shall be locked in for a period of 30 days from the date of Allotment.

6. As on September 6, 2016, the Exchange had 9,855 Shareholders.
 7. Except as disclosed in “– Notes to Capital Structure – History of Equity Share capital of the Exchange” above, in the last two years preceeding the date of filing of this Draft Red Herring Prospectus, the Exchange has not issued or allotted any Equity Shares.
 8. The Exchange, our Directors and the Managers have not entered into any buy-back and / or standby and / or any other similar arrangements for the purchase of Equity Shares being offered through the Offer.
 9. As on September 6, 2016, other than Spark Capital which held 31,500 Equity Shares, none of the Managers or their respective associates (determined as per the definition of ‘associate’ under Section 2(6) of the Companies Act, 2013) held any Equity Shares in the Exchange.
- In addition to the above, as of September 6, 2016, two subsidiaries of Edelweiss, Edelweiss Securities Limited and Edelweiss Finance & Investments Limited held 11,401 Equity Shares and 298,000 Equity Shares, respectively.
10. The Exchange has not issued any Equity Shares out of revaluation reserves.
 11. The Equity Shares are fully paid-up and there are no partly paid-up Equity Shares as on the date of filing this Draft Red Herring Prospectus.
 12. As on the date of this Draft Red Herring Prospectus, there are no outstanding convertible securities or any other right which would entitle any person with any option to receive Equity Shares. However, 1,820,000 Equity Shares, which form a part of our issued Equity Share capital, are currently held in abeyance. For further details, please refer to sub section “Equity Shares held in abeyance” above.
 13. Except for any allotment of Equity Shares which are currently held in abeyance, there will be no further issuance and allotment of Equity Shares whether by way of issue of bonus shares, preferential allotment, rights issue or in any other manner during the period commencing from filing of the Draft Red Herring Prospectus with SEBI until the Equity Shares have been listed on NSE.
 14. None of our Directors or their immediate relatives have purchased or sold any securities of the Exchange or any of our Subsidiaries, during a period of six months preceding the date of filing this Draft Red Herring Prospectus with SEBI.
 15. During the period of six months immediately preceeding the date of filing of this Draft Red Herring Prospectus, no financing arrangements existed whereby our Directors and their relatives may have financed the purchase of securities of the Exchange by any other person.
 16. In terms of Rule 19(2)(b) of the SCRR read with Regulation 41 of the ICDR Regulations and in compliance with Regulation 26(1) of the ICDR Regulations, wherein not more than 50% of the Offer shall be allocated on a proportionate basis to QIBs. Provided that the Exchange in consultation with the Managers, may allocate up to 60% of the QIB Portion to Anchor Investors on a discretionary basis out of which one third

shall be reserved for domestic Mutual Funds only subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. In the event of under subscription in the Anchor Investor Portion, the remaining Equity Shares shall be added to the QIB Portion. 5% of the QIB Portion (other than Anchor Investor Portion) shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the QIB Portion (other than Anchor Investor Portion) shall be available for allocation on a proportionate basis to all QIBs, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not less than 15% of the Offer shall be available for allocation on a proportionate basis to Non Institutional Investors and not less than 35% of the Offer shall be available for allocation, in accordance with the ICDR Regulations, to Retail Individual Investors, subject to valid Bids being received at or above the Offer Price.

17. The Exchange presently does not intend or propose to alter the capital structure for a period of six months from the Offer Opening Date, by way of split or consolidation of the denomination of Equity Shares or further issue of Equity Shares (including issue of securities convertible into or exchangeable, directly or indirectly for Equity Shares) whether on a preferential basis or issue of bonus or rights or further public issue of specified securities or qualified institutions placement or otherwise except where the same is on account of allotment of Equity Shares kept in abeyance. For details on Equity Shares held in abeyance, please refer to the paragraph on '*Equity Shares held in abeyance*' herein above. However, if the Exchange enters into acquisitions, joint ventures or other arrangements, the Exchange may, subject to necessary approvals, consider raising additional capital to fund such activity or use Equity Shares as currency for acquisitions or participation in such joint ventures.
18. Subject to valid Bids being received at or above the Offer Price, under-subscription, if any, in any category, except the QIB Portion, would be allowed to be met with spill-over from other categories or a combination of categories at the discretion of the Exchange in consultation with the Managers and NSE.
19. There shall be only one denomination of the Equity Shares, unless otherwise permitted by law.
20. No payment, direct or indirect in the nature of discount, commission, and allowance or otherwise shall be made by the Exchange to the persons who are Allotted Equity Shares pursuant to the Offer.
21. The Exchange has not made any public issue or rights issue of any kind or class of securities since its incorporation.
22. No Equity Shares have been issued by the Exchange in the last one year preceding the date of filing of this Draft Red Herring Prospectus.

OBJECTS OF THE OFFER

The objects of the Offer are to achieve the benefits of listing the Equity Shares on NSE and for the sale of Equity Shares by the Selling Shareholders. Further, the Exchange expects that listing of the Equity Shares will enhance its visibility and brand image and provide liquidity to its existing Shareholders. The Exchange will not receive any proceeds of the Offer and all the proceeds of the Offer will go to the Selling Shareholders in the proportion of the Equity Shares offered by them.

Offer related expenses

The total expenses of the Offer are estimated to be approximately ₹ [●] million. The expenses of the Offer include, among others, listing fees, underwriting and management fees, printing and distribution expenses, advertisement expenses and legal fees, as applicable. The estimated Offer expenses are as follows:

Total estimated Offer expenses	[●]	[●]	[●]

* Will be incorporated at the time of filing of the Prospectus.

** Disclosure of commission and processing fees will be incorporated at the time of filing the Red Herring Prospectus.

Upon completion of the Offer, all expenses with respect to the Offer, excluding listing fees payable to NSE where the Equity Shares are proposed to be listed which will be borne by the Exchange, will be shared among the Selling Shareholders, in proportion to the Equity Shares being offered by each of them in the Offer.

Any payments by the Exchange in relation to the Offer shall be on behalf of the Selling Shareholders and such payments will be reimbursed by the Selling Shareholders to the Exchange in proportion to the Equity Shares being offered for sale in the Offer.

Monitoring of utilization of funds

Since the Offer is by way of an offer for sale, there is no requirement to appoint a monitoring agency for the Offer.

Other confirmations

None of our Directors, Key Management Personnel or Group Companies will receive any proceeds from the Offer.

BASIS FOR OFFER PRICE

The Offer Price will be determined by the Exchange in consultation with the Advisory Committee of Shareholders and the Managers, on the basis of an assessment of market demand for the offered Equity Shares by way of the Book Building Process and on the basis of the following qualitative and quantitative factors. For further details, please refer to the sections on “*Risk Factors*”, “*Our Business*”, “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” and “*Financial Statements*” on pages 19, 126, 414 and 203, of this Draft Red Herring Prospectus, respectively. The face value of the Equity Shares of the Exchange is ₹ 1 each and the Offer Price is [●] times of the face value at the lower end of the Price Band and [●] times the face value at the higher end of the Price Band.

Qualitative Factors

Some of the qualitative factors which form the basis for computing the Offer Price are:

- a) Strong brand recognition with a track record of innovation;
- b) Diversified and integrated business model and active relationship with market participants;
- c) State-of-the-art infrastructure and technology; and
- d) Financial strength and diversified sources of revenue.

For a detailed discussion on the qualitative factors, which form the basis for computing the Offer Price, see the sections on “*Our Business – Our Strengths*” on page 127 of this Draft Red Herring Prospectus.

Quantitative Factors

The information presented below is based on the Restated Consolidated Financial Information and Restated Standalone Financial Information of the Exchange. For details, please refer to the section on “*Financial Statements*” beginning on page 203 of this Draft Red Herring Prospectus.

Some of the quantitative factors which may form the basis for computing the Offer Price are as follows:

1. Basic and Diluted Earnings Per Share after Exceptional Items and Extraordinary Items (“EPS”)⁽¹⁾

Year ended	Restated Standalone Basic EPS (₹)	Restated Standalone Diluted EPS (₹)	Weight
March 31, 2016	12.1	12.1	3
March 31, 2015	6.9	6.9	2
March 31, 2014	7.1	7.1	1
Weighted Average[#]	9.5	9.5	

Year ended	Restated Consolidated Basic EPS (₹)	Restated Consolidated Diluted EPS (₹)	Weight
March 31, 2016	11.2	11.2	3
March 31, 2015	11.9	11.9	2
March 31, 2014	12.8	12.8	1
Weighted Average[#]	11.7	11.7	

For the three month period ended June 30, 2016, the basic EPS and the diluted EPS was ₹ 4.2, on a restated standalone basis, and ₹ 3.8, on a restated consolidated basis (Not Annualized).

Notes:

- (1) The face value of the Equity Shares is ₹1.
- (2) The figures disclosed above are based on the Restated Financial Information of the Exchange.
- (3) Basic EPS and Diluted EPS calculations are in accordance with Accounting Standard 20 (AS-20) ‘Earnings per Share’ issued by ICAI.

2. Price Earning (P/ E) Ratio in relation to the Offer Price of ₹[●] per Equity Share

Sr. No.	Particulars	Restated Standalone	Restated Consolidated
1.	P/E ratio on the Basic and Diluted EPS for the year ended March 31, 2016 at the Floor Price	[●]	[●]
2.	P/E ratio on the Basic and Diluted EPS for the year ended March 31, 2016 at the Cap Price	[●]	[●]

3. Return on networth (RoNW)*

Period ended	Standalone RoNW (%)	Consolidated RoNW (%)	Weight
March 31, 2016	5.9	5.0	3
March 31, 2015	3.4	5.3	2
March 31, 2014	3.6	5.7	1
Weighted Average	4.7	5.2	

For the three month period ended June 30, 2016, the RoNW was 8% on a restated standalone basis and 6.6% on a restated consolidated basis (annualized).

*Note : RoNW is computed as Restated Net Profit after tax for the respective years divided by the net worth as at the end of the said years. Net worth has been computed as sum of share capital and reserves and surplus.

4. Minimum Return on Total Increased Net Worth after Offer needed to maintain Pre-Offer Basic EPS for the year ended March 31, 2016

Period ended	Restated Standalone (%)	Restated Consolidated (%)
At the Floor Price	[●]	[●]
At the Cap Price	[●]	[●]

5. Net Asset Value (“NAV”) per Equity Share of face value of ₹1 each*

NAV	Restated Standalone	Restated Consolidated
As on March 31, 2016	206.4	224.3
After the Offer	[●]	[●]

Offer Price: ₹ [●] per Equity Share

NAV per Equity Share as on June 30, 2016 was ₹ 211 on a restated standalone basis and ₹ 228.1 on a restated consolidated basis.

* Note: Net Assets Value per Equity Share (₹) = Restated Net worth at end of the year divided by Equity shares outstanding at the end of the year.

6. Comparison with other listed companies

There are no comparable listed companies in India engaged in the same line of business as the Exchange, hence comparison with industry peers are not applicable.

7. The Offer price will be [●] times of the face value of the Equity Shares.

The Offer Price will be determined by the Exchange in consultation with the Advisory Committee of Shareholders and the Managers, on the basis of the demand from investors for the Equity Shares through the Book Building Process.

Investors should read the above mentioned information along with “Risk Factors”, “Our Business”, “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and “Financial Statements” on pages 19, 126, 414 and 203 of this Draft Red Herring Prospectus, respectively. The trading price

of the Equity Shares could decline due to the factors mentioned in “Risk Factors” and you may lose all or part of your investments.

STATEMENT OF TAX BENEFITS

STATEMENT OF SPECIAL/GENERAL TAX BENEFITS AVAILABLE TO THE COMPANY AND ITS SHAREHOLDERS

September 9, 2016

To,
The Board of Directors
BSE Limited
25th Floor P J Towers,
Dalal Street,
Fort, Mumbai- 400 001

Dear Sirs,

Sub: Statement of possible Tax Benefits (the ‘Statement’) available to BSE Limited (Formerly “Bombay Stock Exchange Limited”) and its shareholders under Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations 2009 (‘the Regulations’)

We refer to the proposed offer for sale of shares of BSE Limited (“the Company”). We enclose herewith the statement showing the current position of special/general tax benefits available to the Company and to its shareholders as per the provisions of the Income-tax Act 1961 (as amended by Finance Act, 2016) (“the Act”), as applicable to the assessment year 2017-18 relevant to the financial year 2016-17 for inclusion in the Deemed Red Herring Prospectus (“DRHP”) and Prospectus (“Offer Documents”) for the proposed offer for sale. Several of these benefits are dependent on the Company or its shareholders fulfilling the conditions prescribed under the relevant provisions of the Income-tax Act 1961. Hence the ability of the Company or its shareholders to derive these direct tax benefits is dependent upon their fulfilling such conditions.

The benefits discussed in the enclosed statement are neither exhaustive nor conclusive. The contents stated in the Annexure are based on the information and explanations obtained from the Company. This statement is only intended to provide general information to guide the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult their own tax consultant with respect to the specific tax implications arising out of their participation in the issue. We are neither suggesting nor are we advising the investor to invest money or not to invest money based on this statement.

We do not express any opinion or provide any assurance whether:

- The Company or its Shareholders will continue to obtain these benefits in future;
- The conditions prescribed for availing the benefits have been/would be met;
- The revenue authorities/courts will concur with the views expressed herein.

We hereby give our consent to include enclosed statement regarding the tax benefits available to the Company and to its shareholders in the Offer Documents for the proposed public issue of shares which the Company intends to submit to the Securities and Exchange Board of India provided that the below statement of limitation is included in the offer document.

LIMITATIONS

Our views expressed in the statement enclosed are based on the facts and assumptions indicated above. No assurance is given that the revenue authorities/courts will concur with the views expressed herein. Our views are based on the existing provisions of law and its interpretation, which are subject to change from time to time. We do not assume responsibility to update the views consequent to such changes. Reliance on the statement is on the express understanding that we do not assume responsibility towards the investors who may or may not invest in the proposed issue relying on the statement.

This statement has been prepared solely in connection with the offering of Equity shares by the Company under the Securities and Exchange Board of India (“SEBI”) (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended (the Offerings).

STATEMENT OF TAX BENEFITS

The information provided below sets out the possible direct tax benefits available to the shareholders of an Indian company in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the subscription, ownership and disposal of equity shares, under the current tax laws presently in force in India. Several of these benefits are dependent on the shareholders fulfilling the conditions prescribed under the relevant tax laws. Hence the ability of the shareholders to derive the tax benefits is dependent upon fulfilling such conditions, which, based on commercial imperatives a shareholder faces, may or may not choose to fulfill. The following overview is not exhaustive or comprehensive and is not intended to be a substitute for professional advice. Investors are advised to consult their own tax consultant with respect to the tax implications of an investment in the shares particularly in view of the fact that certain recently enacted legislation may not have a direct legal precedent or may have a different interpretation on the benefits, which an investor can avail.

Our views expressed in this statement are based on the facts and assumptions as indicated in the statement. No assurance is given that the revenue authorities/courts will concur with the views expressed herein. Our views are based on the existing provisions of law and its interpretation, which are subject to change from time to time. We do not assume responsibility to update the views consequent to such changes. Reliance on this statement is on the express understanding that we do not assume responsibility towards the investors who may or may not invest in the proposed issue relying on this statement.

STATEMENT OF POSSIBLE DIRECT TAX BENEFITS AVAILABLE TO THE COMPANY AND TO ITS SHAREHOLDERS

I. Special tax benefits available to the Company

There are no special tax benefits available to the Company.

II. General tax benefits available to the Company

1. Deductions

- **Deduction in respect of expenses towards amalgamation / demerger**

Under section 35DD of the Act, for any expenditure incurred wholly and exclusively for the purposes of amalgamation or demerger, the Company is eligible for deduction of an amount equal to one-fifth of the expenditure for each of the five successive years beginning with the year in which the amalgamation or demerger takes place.

- **Deduction in respect of voluntary retirement of employees**

Under section 35DDA of the Act, the Company is eligible for deduction in respect of payments made to its employees in connection with his voluntary retirement, in accordance with any scheme or schemes of voluntary retirement, for an amount equal to one-fifth of such expenses over five successive years beginning with the year in which the expenditure is incurred subject to conditions specified in the section.

2. Dividends

- As per section 10(34) of the Act, any income by way of dividends referred to in section 115-O received on the shares of any Indian company is exempt from tax.

Dividend received by Indian company from specified foreign company (in which Indian company holds shareholding of 26% or more) is taxable at 15% (plus applicable surcharge, education cess and secondary and higher education cess) as per section 115BBD of the Act.

As per section 115-O of the Act, tax on distributed profits of domestic companies is chargeable to tax at 15% (plus applicable surcharge, education cess and secondary and higher education cess). As per sub-section (1A) to section 115-O, the domestic company will be allowed to set-off the dividend received from its subsidiary company during the financial year against the dividend distributed by it, while computing the Dividend Distribution Tax (“DDT”) if:

- a) the dividend is received from its domestic subsidiary and the subsidiary has paid the DDT payable on such dividend;
- b) the dividend is received from a foreign subsidiary, the Company has paid tax payable under section 115BBD.

However, the same amount of dividend shall not be taken into account for reduction more than once.

Further, the net distributed profits shall be increased to such amounts as would, after reduction of the tax on such increased amounts at the specified rate, be equal to the net distributed profits.

- As per section 10(35) of the Act, the following income will be exempt in the hands of the Company:
 - a) Income received in respect of the units of a Mutual Fund specified under section 10(23D); or
 - b) Income received in respect of units from the Administrator of the specified undertaking; or
 - c) Income received in respect of units from the specified company.

However, this exemption does not apply to any income arising from transfer of units of the Administrator of the specified undertaking or of the specified company or of a mutual fund, as the case may be.

3. Capital gains

- Capital assets may be categorized into short term capital assets or long term capital assets based on the period of holding. Capital assets being shares listed in a recognised Stock Exchange in India held for a period of more than 12 months and shares (other than listed) held for more than 24 months are considered as long term capital assets. Consequently, capital gains arising on sale of these assets held for more than 12 months/ 24 months as the case may be are considered as long term capital gains (“LTCG”). Capital gains arising on sale of these assets held for 12 months/ 24 months or less are considered as short term capital gains (“STCG”).
- As per section 10(38) of the Act, capital gains arising to the Company from the transfer of long term capital asset being an equity share in a company where such transaction is chargeable to securities transaction tax (“STT”) will be exempt in the hands of the Company. Such capital gain exemption would be available without such transaction being subject to STT if such transaction is undertaken on a recognized stock exchange located in any International Financial Services Centre and where the consideration is paid or payable in foreign currency. However, income by way of LTCG shall not be reduced in computing the book profits for the purposes of computation of minimum alternate tax (“MAT”) under section 115JB of the Act.
- As per provisions of section 48 of the Act, LTCG arising on transfer of capital assets, other than bonds and debentures (excluding capital indexed bonds issued by the Government and sovereign gold bonds issued by Reserve Bank of India) and depreciable assets, is computed by deducting the indexed cost of acquisition and indexed cost of improvement from the full value of consideration
- In accordance with section 112 of the Act, LTCG to the extent not exempt under section 10(38) of the Act would be subject to tax at the rate of 20% (plus applicable surcharge, education cess and secondary

and higher education cess) with indexation benefits. However, as per the proviso to section 112 of the Act, if the tax on LTCG is resulting from transfer of listed securities (other than a unit) or zero coupon bond, then LTCG will be chargeable to tax at the rate lower of the following: -

- a. 20% (plus applicable surcharge, education cess and secondary and higher education cess) of the capital gains as computed after indexation of cost; or
- b. 10% (plus applicable surcharge, education cess and secondary and higher education cess) of the capital gains as computed without indexation

No deduction under Chapter VIA of the Act shall be allowed from such LTCG.

- Under section 54EC of the Act and subject to the conditions and to the extent specified therein, LTCG (in case not covered under section 10(38) of the Act) arising on the transfer of a long-term capital asset would be exempt from tax if such capital gain is invested within 6 months from the date of such transfer in a “long term specified asset”.

A “long-term specified asset” means any bond, redeemable after three years and issued on or after 1st day of April 2007 by the:

- a. National Highways Authority of India constituted under section 3 of The National Highways Authority of India Act, 1988;
- b. Rural Electrification Corporation Limited, a company formed and registered under the Companies Act, 1956.

The total deduction with respect to investment in the long term specified asset is restricted to INR 50 lakhs whether invested during the financial year in which the asset is transferred and in the subsequent year.

Where the “long-term specified asset” are transferred or converted into money within three years from the date of their acquisition, the amount so exempted is taxable as capital gains in the year of transfer / conversion.

- Under section 54EE of the Act and subject to the conditions and to the extent specified therein, LTCG (in case not covered under section 10(38) of the Act) arising on the transfer of a long-term capital asset would be exempt from tax if such capital gain is invested within 6 months from the date of such transfer in a “long-term specified asset”.

A “long-term specified asset” means a unit or units, issued before the 1st day of April, 2019, of such fund as may be notified by the Central Government in this behalf.

The total deduction with respect to investment in the long-term specified assets is restricted to INR 50 lakhs whether invested during the financial year in which the asset is transferred and in the subsequent year.

Where the “long-term specified asset” are transferred within three years from the date of their acquisition, the amount so exempted is taxable as capital gains in the year of transfer.

- As per section 111A of the Act, STCG arising to the Company from the sale of equity share where such transaction is chargeable to STT will be taxable at the rate of 15% (plus applicable surcharge, education cess and secondary and higher education cess). Such concessional rate would be available without such transaction being subject to STT if such transaction is undertaken on a recognized stock exchange located in any International Financial Services Centre and where the consideration is paid or payable in foreign currency. Further, STCG as computed above that are not liable to STT would be subject to tax as calculated under the normal provisions of the Act. No deduction under Chapter VIA of the Act shall be allowed from such STCG.

- As per section 10(34A) of the Act, any income arising to the Company being a shareholder on account of buy back of shares (not being shares listed on a recognized stock exchange in India) by the Company as referred to in section 115QA is exempt from tax.

III. Special tax benefits available to Shareholders

1. Special tax benefits to Foreign Portfolio Investors ('FPIs')

- Section 2(14) of the Act provides that any security held by a FPI who has invested in such securities in accordance with the regulations made under Securities & Exchange Board of India Act, 1992 would be treated as a capital asset only so that any income arising from transfer of such security by a FPI would be treated in the nature of capital gains.
- Under section 115AD(1)(ii) of the Act, income by way of STCG arising to the FPI on transfer of shares shall be chargeable at a rate of 30% where such transactions are not subjected to STT and at the rate of 15% if such transaction of sale is entered on a recognised stock exchange in India and is chargeable to STT. The above rates are to be increased by applicable surcharge, education cess and secondary and higher education cess.
- Under section 115AD(1)(iii) of the Act income by way of LTCG arising from the transfer of shares (in cases not covered under section 10(38) of the Act) held in the company will be taxable at the rate of 10% (plus applicable surcharge, education cess and secondary and higher education cess). The benefits of indexation of cost and of foreign currency fluctuations are not available to FPIs.

2. Special tax benefits available to venture capital companies/ funds

- Under section 10(23FB) of the Act, any income of Venture Capital Company registered with SEBI or Venture Capital Fund registered under the provision of the Registration Act, 1908 (set up to raise funds for investment in venture capital undertaking notified in this behalf), would be exempt from income tax, subject to conditions specified therein. (Not applicable to income of venture capital fund/company being an investment fund specified in clause of the Explanation 1 to section 115UB).

Venture capital companies / funds are defined to include only those companies / funds which have been granted a certificate of registration, before the 21st day of May, 2012 as a Venture Capital Fund or have been granted a certificate of registration as Venture Capital Fund as a sub-category of Category I Alternative Investment Fund.

‘Venture capital undertaking’ means a venture capital undertaking as defined in clause (n) of regulation 2 of the Venture Capital Funds Regulations or as defined in clause (aa) of sub-regulation (1) of regulation 2 of the Alternative Investment Funds Regulations.

- As per section 115U(1) of the Act, any income accruing or arising to or received by a person out of investments made in Venture Capital Company/Venture Capital Fund would be taxable in the hands of the person making an investment in the same manner as if it were the income accruing/arising/received by such person had the investments been made directly in the venture capital undertaking.
- As per section 115U(5) of the Act, the income accruing or arising to or received by the venture capital company/funds from investments made in a venture capital undertaking if not paid or credited to a person (who has investments in a Venture Capital Company /Fund) shall be deemed to have been credited to the account of the said person on the last day of the previous year in the same proportion in which such person would have been entitled to receive the income had it been paid in the previous year.

3. Special tax benefits to Non-Resident Indians

- As per section 115C(e) of the Act, the term “non-resident Indian” means an individual, being a citizen of India or a person of Indian origin who is not a “resident”. A person shall be deemed to be of Indian origin if he, or either of his parents or any of his grand-parents, was born in undivided India.

- As per section 115E of the Act, in the case of a shareholder being a non-resident Indian, and subscribing to the shares of the Company in convertible foreign exchange, in accordance with and subject to the prescribed conditions, LTCG on transfer of the shares of the Company (in cases not covered under section 10(38) of the Act) will be subject to tax at the rate of 10% (plus applicable surcharge, education cess and secondary and higher education cess), without any indexation benefit.
- As per section 115F of the Act and subject to the conditions specified therein, in the case of a shareholder being a non-resident Indian, gains arising on transfer of a long term capital asset being shares of the Company, which were acquired, or purchased with or subscribed to in, convertible foreign exchange, will not be chargeable to tax if the entire net consideration received on such transfer is invested within the prescribed period of six months in any specified asset or savings certificates referred to in section 10(4B) of the Act. If part of such net consideration is invested within the prescribed period of six months in any specified asset or savings certificates referred to in section 10(4B) of the Act then this exemption would be allowable on a proportionate basis. Further, if the specified asset or saving certificates in which the investment has been made is transferred within a period of three years from the date of investment, the amount of capital gains tax exempted earlier would become chargeable to tax as long term capital gains in the year in which such specified asset or savings certificates are transferred.
- As per section 115G of the Act, non-resident Indians are not obliged to file a return of income under section 139(1) of the Act, if their only source of income is income from specified investments or long term capital gains earned on transfer of such investments or both, provided tax has been deducted at source from such income as per the provisions of Chapter XVII-B of the Act.
- As per section 115H of the Act, where non-resident Indian becomes assessable as a resident in India, he may furnish a declaration in writing to the Assessing Officer, along with his return of income for that year under section 139 of the Act to the effect that the provisions of Chapter XII-A shall continue to apply to him in relation to investment income derived from the investment in equity shares of the Company as mentioned in section 115C(f)(i) of the Act for that year and subsequent assessment years until assets are converted into money.
- As per section 115I of the Act, a non-resident Indian may elect not to be governed by the provisions of Chapter XII-A for any assessment year by furnishing a declaration along with his return of income for that assessment year under section 139 of the Act, that the provisions of Chapter XII-A shall not apply to him for that assessment year and accordingly his total income for that assessment year will be computed in accordance with the other provisions of the Act.

4. Special tax benefits available to Alternative Investment Fund (Category I and II)

- Under section 10(23FBA), any income of an investment fund other than the income chargeable under the head "Profits and gains of business or profession" is exempt from income tax.
- As per section 115UB(1) of the Act, any income accruing or arising to or received by a person out of his investments in investment Fund would be taxable in the hands of the person making an investment in the same manner as if it were the income accruing/arising/received by such person had the investments by the investment fund been made directly by him.
- As per section 115UB(6) of the Act, the income accruing or arising to or received by the investment fund if not paid or credited to the person (who has investments in the investment fund) shall be deemed to have been credited to the account of the said person on the last day of the previous year in the same proportion in which such person would have been entitled to receive the income had it been paid in the previous year.

5. Special tax benefits available to Mutual Funds

Key trends

Asia is now a major contributor to global economic growth. It boasts some of the world's fastest-growing economies like China and India. Further, it also includes Japan, the increasingly affluent South Korea and the fast-growing Association of South East Asian Nations ("ASEAN"). Asia's share in world GDP, in real US\$ purchasing power parity terms, ("PPP") has grown to reach 39% in 2015, much larger than the shares of the United States and the European Union. (Source: CARE Research Report)

Over the years, Asia has emerged as an outsourcing hub for the Western world. Initially, it was Japan and then other countries like South Korea, Singapore, Taiwan and finally now China and India. In the past decade, Asian countries have become more integrated with the global value chain, thereby increasing trade, investments and development. China has overtaken the United States as the world's largest automobile market. In addition, Asia is now a key part of the growth strategies for a variety of multinational corporations, ranging from banks to technology companies. With a rising affluent population and a rising middle class, Asia's role in global demand has increased. (Source: CARE Research Report)

Asian demand for commodities has made an even bigger impact. A few decades ago, demand from the United States was the key driver of oil prices. Even though the supply of US shale oil has played a key role in the global oil markets in the recent past, demand for oil from emerging economies, especially China, has also been key to the state of the global oil market. The Asia-Oceania region is now the world's leading consumer of petroleum and other liquid fuels. Economic growth of commodity-producing nations is increasingly dependent on Asian economies. Moreover, rising demand from Asia has contributed to growth in non-oil commodity-producing nations, especially those rich in iron ore, copper, and coal. The economies of commodity producers such as Brazil, Chile, and Indonesia are increasingly dependent on demand from emerging Asian countries rather than the West alone. (Source: CARE Research Report)

While certain affluent nations in South East Asia have always been of interest to global investors, investors have now started to focus on other fast-growing emerging economies in Asia. As a result, major global equity, bond, and currency markets have been increasingly interlinked with Asia. In addition, movements in Asian markets have started to have more of an impact on major markets in the West. For example, the bull run in Chinese stocks ran out of steam in 2015, the impact of which was felt across the equity markets worldwide. With the US Federal Reserve delaying the increase in interest rates, investors are focusing, yet again, on emerging Asian markets. Within Asia, financial markets have become more interconnected due to growing trade and investment links within the region. All these factors together have led to an increase in participation of global and local investors in Asian equity markets. As a result, exchanges in Asia have contributed to growth in global turnover, the number of trades and market capitalisation. (Source: CARE Research Report)

Turnover

The total turnover of all exchanges worldwide grew from US\$78 trillion in 2011 to US\$114 trillion in 2015. Exchanges in Asia Pacific had the highest turnover in 2015 with US\$54 trillion. Turnover of exchanges in Asia Pacific increased substantially from US\$17 trillion in 2011 to US\$54 trillion in 2015, at a compounded annual growth rate ("CAGR") of 34%. Turnover for exchanges in the Americas, including North America and South America, the region with the second highest turnover, remained in the range of US\$46 to US\$48 trillion from 2011 to 2015. (Source: CARE Research Report)

In 2015, the total value of shares traded globally increased by 41% on a year-on-year basis. The rise is driven predominantly by trading activity in Asia Pacific, particularly in China. In 2015, the value of shares traded in Asia Pacific rose by 127% compared to that in 2014. The value of shares traded in China increased by 218% from US\$13.5 trillion in 2014 to US\$43 trillion in 2015. (Source: CARE Research Report)

Number of trades

Over the period 2011 to 2015, the global number of trades grew from 14.1 billion in 2011 to 27.4 billion in 2015. On a year-on-year basis, the total number of trades increased by 56% from 17.5 billion in 2014 to 27.4 billion in 2015. Asia Pacific accounted for most of this growth, as the region witnessed a 117% rise in the number of trades from 7.9 billion trades in 2014 to 16.9 billion trades in 2015.

The following chart compares the number of trades in different regions over the period 2011 to 2015.

Market Capitalisation

The market capitalisation of domestic companies in Asia Pacific grew at CAGR of 11.5% from 2003 to 2015, as compared to the CAGR of market capitalisation of domestic companies in America (4.9%) and Europe, Middle East & Africa (5.4%). The market capitalisation surge in Asia Pacific was mainly driven by China. Despite the

turmoil in Chinese markets, this trend is expected to continue on account of the growth outlook of India and China. (Source: CARE Research Report)

Market capitalisation of listed companies on exchanges in Asia Pacific grew at a CAGR of 13% from US\$13.4 trillion in 2011 to \$21.9 trillion in 2015. The following chart shows trend of market capitalisation of different regions over the period 2011 to 2015. (Source: CARE Research Report)

The financial crisis in 2007 and 2008 led to decline in domestic market capitalisation in 2008 in most major economies across the world. Market capitalisation to GDP in emerging economies like China and India also declined steeply.

After 2008, developed economies like the US, Japan and Canada registered a recovery in their markets due to measures taken by their respective central banks and governments. Market capitalisation as a percentage to GDP increased from 101% in 2011 to 140% in 2015 for the US while for Japan it rose to about 119% in 2015 from 56% in 2011. However, developing economies like China and India were at the lower level in range of 73% to 75% in 2015. (Source: CARE Research Report)

The major economies in the Asia-Pacific region have a high market capitalisation to GDP ratio. Hong Kong has the highest ratio, at 1,028%, and the ratio of Singapore, Malaysia and Japan all exceed 100%. (Source: CARE Research Report)

India's market capitalisation to GDP ratio is lower than the world average of 98.7% and is also lower than the average of 88.2% for BRICS countries (which comprise Brazil, Russia, India, China and South Africa), which indicates that there is room for domestic market capitalisation to grow. Considering that India is one of the fastest-growing major economies in the world and has a favourable population demographic, CARE expects

India to be one of the world's growth engines, which will be reflected in the performance of its stock markets. (Source: CARE Research Report)

Rankings of Exchanges Across Segments

Along with equities and bonds, various other products are traded on global exchanges such as Exchange Traded Funds ("ETFs"), investment funds, single stock futures and options, index futures and options, currency derivatives, commodity derivatives and interest rate derivatives.

According to WFE, in 2015 the total value of share trading increased by 41% and the number of trades increased by 56% as compared to 2014. The increases were driven predominantly by trading activity in the Asia-Pacific region, particularly mainland China. Despite significant volatility during the year, the market capitalisation in the Asia-Pacific markets still managed to increase by 10%. The Indian exchanges were among the top exchanges in the world in terms of trades in equity shares in 2015, with NSE ranked fourth and BSE ranked thirteenth globally. (Source: CARE Research Report)

Derivative products

The growth in the volume of derivatives traded in 2015 was driven by the growth in the volume of derivatives traded in Asia Pacific across currency, commodity and equity derivatives. In North and South America however, the volume of derivatives traded decreased marginally, mainly due to a decrease in volumes of stock options traded. Asia Pacific accounted for about 36% of total derivative trades in 2015, America accounted for 41% of total derivative trades and Europe, Middle East and Africa accounted for 23%.

Index options were the most traded derivatives product, with 3.9 billion contracts traded in 2015. The single stock options and futures market is fairly concentrated with 47% of the activity occurring on three exchanges, namely BM&FBOVESPA, NASDAQ and ICE: NYSE. Out of the 3,568 million contracts traded for single stock options in 2015, Brazil's stock exchange topped the list, with 662 million contracts traded. Single stock futures volumes increased by 1% in 2015 to 990 million contracts from 989 million contracts in 2014, though they remain the least traded equity derivative product with total volumes at slightly less than 1 billion contracts. Three exchanges (Moscow Exchange, NSE and Korea Exchange) accounted for 74% of total contracts traded in 2015.

With respect to the index options contracts traded in 2015, NSE topped the list with 1,893 million contracts traded out of total 3,887 million contracts traded globally. While the NSE accounted for nearly 50% of total global number of traded contracts, it accounted for only 6% of global value traded. Stock index futures volumes globally increased by 17% in 2015, reaching 2,792 million contracts traded from 2,353 million contracts in 2014. CME Group ranked first in the number of index futures contracts traded in 2015 with 565 million contracts. The top five exchanges in terms of number of contracts traded in 2015 are almost unchanged from 2013 and 2014.

Currency derivatives volumes increased by 32% to 2,533 million contracts in 2015 from 1,920 million contracts in 2014. Volumes increased for both currency options and currency futures in 2015, by 108% and 28% on a year-on-year basis, respectively. The increase in trading volume was driven by large increases at the BSE (103%) and the NSE (45%). In 2015, the BSE was the world's second largest exchange in terms of number of contracts traded in currency options and the world's third largest exchange in terms of number of contracts traded in currency futures. Revenue Sources of Global Exchanges

Global exchanges derive their revenue from several sources such as transaction fees, listing, clearing and depository services. The following chart shows various revenue streams of global exchanges:

(Source: CARE Research Report)

For both Indian exchanges, BSE and NSE, revenue mainly comes from securities services. Services to corporates, which primarily consists of listing income, also makes a significant contribution to revenues. Information services contribute little to the revenue for Indian exchanges, at about 4% to 5%. For exchanges in developed economies, information and data services generally account for 10% to 25% of total revenue. (Source: CARE Research Report)

Consolidation in global stock exchanges

The stock exchange consolidation in the past has been driven by factors like organic and inorganic growth, increased competition, the globalization of capital markets and the benefits of economies of scale in developing technology platforms for trading, clearing and settlement. Particularly, traditional stock exchanges had been losing significant market share in cash equities businesses hence these stock exchanges were looking to diversify and acquire higher margin derivatives and clearing and settlement businesses. Moreover, the emergence of large scale global exchange groups with commensurate financial capacity to invest in technology and research made it increasingly difficult for stand-alone exchanges to maintain competitive platforms. So, many stand-alone exchanges were exploring strategic alternatives. (Source: CARE Research Report)

Usage of Technology in Exchange Industry

One of the most critical factors driving the changes in developed markets is the technology disruption – first by the rise of the low cost, low latency alternative trading platforms ("ATPs") or multilateral trading facilities ("MTFs"), which were able to significantly erode market share of the traditional exchanges and led to consolidation among exchanges and such ATPs / MTFs to reduce their cost as well as consolidate themselves into a larger market share. Another round of technological disruption by various financial technology companies ("fintech"), leveraging new technological advances such as distributed ledger technology and blockchain technology is expected. India has not seen major consolidation among exchanges, clearing corporations or depositories, as ATPs and MTFs have not been permitted to operate in India. However, any disruption in the form of fintech or industry changes, such as interoperability of clearing corporations, may result in some consolidation in the Indian capital market as well. The Global Economy

Since January 2016, weakness in the global economy has persisted and risks have become more pronounced. Among emerging market and developing economies, the divergence in economic conditions between commodity exporters and importers has widened. These developments have been accompanied by heightened political uncertainties, concerns about the effectiveness of monetary policy stimulus in some advanced economies, the pace of monetary policy normalization in the United States, and policy makers' ability or willingness to use expansionary fiscal policy if needed. (Source: The World Bank, *Global Economic Prospects, Divergences and Risks*, June 2016 ("World Bank Report"))

Global growth in 2016 is likely to remain unchanged relative to the disappointing pace of 2015. For 2016, global growth is now forecast at 2.4%, advanced economies growth of are expected to expand by 1.7% and emerging market and developing economies growth is forecast at 3.5%. Emerging market and developing economies account for about half of this downward revision, in large part due to a significant downgrade to the growth forecasts for commodity exporters, amid heightened domestic uncertainties and a more challenging external environment. (Source: World Bank Report)

In contrast to the challenging global economic conditions, India is one of the world's fastest growing economies. (Source: World Bank Report) According to the World Bank, India will continue to grow faster than its large emerging market peers, with growth rates of 7.6% to 7.7% from 2016 to 2017.

The table below sets out a comparison between India's real gross domestic product ("GDP") growth rate in 2013 and 2014, its expected real GDP growth rate in 2015 and its forecast real GDP growth rate in 2016, as compared to certain developed and developing countries, as well as compared to advanced economies, emerging markets and developing economies and the world:

The Indian Economy

India's population is approximately 1.25 billion, second only to China. India had an estimated GDP of approximately US\$ 8.0 trillion in 2015, which makes it the fourth largest national economy in the world after China, the European Union and the United States of America, in purchasing power parity terms (*Source: CIA World Factbook*). India's GDP grew at 7.2% in 2014, is expected and forecasted to grow at 7.6% in 2015 and 2016.

Rural incomes and spending should improve with the return to normal monsoons, as the benefits of direct transfers through the rolling out of the mobile banking initiative (Jan Dhan Aadhaar Mobile) are realized and improvements in agricultural productivity improve. New sectors will continue to attract FDI. As of December 2015 approximately \$46 billion (2.2% of GDP) had been pledged under the "Make in India" campaign. Private domestic investment is expected to benefit from an accommodative monetary policy. In addition, the government's planned investment in infrastructure, and the streamlining of business procedures and of the tax regime, are expected to alleviate some constraints, and crowding private investment. Nonetheless, private investment will still be held back by infrastructure bottlenecks, a challenging regulatory environment, and by tight credit amidst the ongoing resolution of stressed assets in the banking sector. If implemented, as planned, continued fiscal consolidation from 2016 onwards should support investor confidence in India through future bouts of turmoil in global financial markets. (Source: World Bank Report)

It is expected that consumer price inflation will remain around 5.2% to 5.3% during FY2017 (Source: Reserve Bank of India, Monetary Policy Report, April 2016 (the "**RBI Report**"), in line with the RBI target of 5% of March 2017.

Furthermore, the interest rates of the Reserve Bank of India has decreased from 2014. In January 2014, January 2015 and April 2016, the repo rates, or the short-term lending rates, were 8.00%, 7.75% and 6.50%, respectively. (Source: RBI website at <http://dbie.rbi.org.in/DBIE/dbie.rbi?site=home>)

The Exchange Sector in India

History

India has a history of stock trading dating back to around 200 years ago. Initially, the East India Company was the dominant institution and business in its loan securities used to be transacted. Gradually, the trading list broadened as the number of participating brokers increased with time. Subsequently, a formal stock exchange was established in 1875 as "The Native Share & Stock Brokers Association" (which later became the Company, BSE Limited). It is the first stock exchange in India to obtain permanent recognition in 1957 from the Government of India under the Securities Contracts (Regulation) Act, 1956. Over time, BSE has built up a strong reputation and brand name as one of the most recognizable stock exchanges in India. NSE was founded in 1992 and started trading in 1994. BSE and NSE are the two dominant stock exchanges in India. (*Source: CARE Research Report*) The BSE Limited was the largest exchange in India and the world in terms of number of listed companies at the end of June 2016, with 5,963 companies.

Demutualisation

The process of demutualisation involves converting a 'not for profit' organization into a 'for profit' organization and transforms the legal structure of an exchange to a business corporation form. This process results in conversion of a mutually owned association into a company owned by shareholders. After demutualisation, the ownership, management and trading is separated from the owners and is entrusted in the hands of professionals.

Most of the Indian stock exchanges, as well as major exchanges worldwide, were initially non-profit and mutual or co-operative organisations and the brokers who trade on them collectively owned and ran them. However, this structure led to a conflict of interests between the brokers trading on them and, most importantly, generally the interest of brokers was given priority over the interest of wider investing public. To overcome these drawbacks, stock exchanges became corporatized and demutualized.

In 2004, the Government of India amended the Securities and Contract (Regulations) Act to make the corporatization and demutualisation of stock exchanges mandatory. BSE, Asia's oldest stock exchange, was corporatized and demutualized in May 2005. Several other regional stock exchanges that demutualized include the Vadodara Stock Exchange, Jaipur Stock Exchange, Ludhiana Stock Exchange, Saurashtra Kutch Stock Exchange, Delhi Stock Exchange, Cochin Stock Exchange, Bangalore Stock Exchange, Ahmedabad Stock

Exchange, Calcutta Stock Exchange and Madras Stock Exchange. Unlike other stock exchanges in India, NSE adopted the form of a demutualised exchange from the beginning. (Source: CARE Research Report)

Key Growth Drivers

According to CARE Research, the key growth drivers for the stock exchange sector in India are:

Demographic Dividend: India's favourable demographics dividend is a major strength of the economy, not only in terms of a fast-growing population but also its favourable composition. According to the United Nations report "World Population Prospects: 2015 Revision", India's population is estimated to surpass China's population within a decade, even though the population growth rate has decelerated in both of these countries. Further, India's working age population (population in between 15 to 60 years) constitutes more than 60% of the overall population. A rising working age population results in a boost to consumer spending in the economy.

Participation by retail investors: Historically, one of the characteristics of the average Indian household towards savings and investments was its preference for physical assets such as gold and real estate. The graph below shows the ownership of equity investments as a percentage of financial savings for certain selected countries in 2015.

Comparison of equity savings as a percentage of financial savings in India & other countries

Source: CARE Research Report

One of the reasons for Indian investors' low preference for equity over other asset classes is the low level of financial awareness. In recent years, equity investments by Indian investors is slowly increasing due to specific tax breaks for equity investors and financial awareness programmes conducted by mutual fund houses and stock exchanges. Further, the rise in Indian equity indices during the past two years has encouraged retail investors' confidence and, as a result, participation in the Indian equity markets, including mutual funds and other segments of the Indian capital markets. CARE expects India's working age population to rise in the coming years, which will be a growth driver for household savings. A portion of these increased savings are expected to be channelled towards Indian capital markets.

Initiatives by the Government of India: Last year, the Government of India allowed the Employee Provident Fund Organisation ("EPFO") to begin investing in equity markets to boost equity investments in India. EPFO investment in the stock market is expected to help the equity market as it gives greater stability and adds liquidity to the stock market. It also reduces dependency on FIIs. Along with LIC and domestic mutual fund companies, the EPFO can counterbalance FII investments.

Other measures, like the recent passage of the goods and services tax, which would simplify the tax structure in India, are expected to boost overall GDP growth in the medium to long term and are further positive steps for the overall growth of the Indian economy in the long term. The goods and services tax is expected to be implemented from 1 April 2017.

Another area where regulatory change would aid the growth of Indian exchanges is interoperability between different clearing corporations. There is currently no interoperability between the different clearing corporations in India. Interoperability would allow trading participants to clear trades through a

clearing house convenient to them as against the current system, which requires investors to use the clearing house owned by the exchange on which they trade. This would result in efficient use of capital for trading members who take positions on multiple stock exchanges.

In addition, in its recent announcement, the union cabinet has given its approval to raise the foreign shareholding limit in Indian stock exchanges from 5% to 15% for a stock exchange, depository, banking company, an insurance company and a commodity derivative exchange. This will help to enhance competitiveness of Indian stock exchanges by facilitating the adoption of the latest technologies and global best practices; leading to the overall growth and development of the Indian capital markets.

Global inflow of funds: Given the rise in the Indian capital markets, 269 new Foreign Portfolio Investors ("FPIs") registered with SEBI in April 2016. The new registration is facilitated by a change in regulations, which granted FPIs permanent registration unless suspended or cancelled by SEBI or surrendered by the FPI. Previously, FPIs were only granted approvals for one year or five years. Going forward, CARE expects foreign investors to consider India as one of the preferred global investment destinations given its macro-economic stability, long-term growth prospects and ongoing economic and social reforms. With India's GDP growing at a rate of 7% to 8% in the current financial year, India is one of the fastest growing economies in the world. Compared to the relatively muted growth of other major global economies, CARE expects the growth of the Indian economy to attract foreign investments in coming years. Global events such as Brexit are also expected to attract new investors to India given slower growth in the European continent.

Introduction of new products and initiatives: Even though stock exchanges in India have seen business growth in the past, there are product gaps which exist in certain segments. There is room to introduce innovative derivative products like weather derivatives, energy derivatives and credit derivatives, which are currently traded in major exchanges worldwide. The availability of such new products would bring additional business volumes on the exchanges. Also as per SEBI norms, foreign institutional investors are not permitted to trade in currency futures. Going forward, gradual easing of this restriction by the regulatory bodies could add further volumes to the currency market.

In October 2011, exchanges from Brazil, Russia, India, China (represented by Hong Kong) and South Africa — formed an alliance to cross-list their respective equity-based products to help global and local investors participate in the growth-story. It is expected that such international tie-ups will offer a strong growth opportunity for Indian stock exchanges.

In the case of commodity markets, future growth could be achieved through the introduction of more agricultural commodities and also other global commodities for trading. Further, participation by mutual funds and banks in commodity markets in future would facilitate long term growth of these exchanges.

SEBI as a principal governing body of Indian stock exchanges has also played key role of ensuring smooth functioning of various participants and intermediaries in the past years. With rapid changes in technology there has been stiff competition among various exchanges through introduction of new trading products. Algorithmic trading is one of the prominent high end technological products being used in Indian markets since 2009. This trading technique has found wider usage on Indian exchanges over time and is expected to constitute around 30% of total trades. ALGO trading is perceived to give undue advantage to trading members over other players who do not use any such technique for executing their trade, mainly retail investors and has been attracting regulatory attention across jurisdictions.

Revival in the rural economy: After two to three years of insufficient rains, India has registered above-average rainfall in the current monsoon season so far. This would have a positive impact on agricultural output, which in turn is expected to drive down the consumer price inflation in India. Lower inflation would translate into a benign interest rate regime, which would be positive for stock market growth. A revival in rural economy will further facilitate India's economic growth.

CARE expects these factors among others, to have a positive impact on the Indian capital markets and eventually on various assets trading on exchanges. Among the various exchanges, CARE expects equity stock exchanges to be the key beneficiaries of this growth. (*Source: CARE Research Report*)

The two major stock exchanges in India are the BSE and the NSE. The following chart shows the market capitalisation for the BSE and the NSE for the time periods indicated.

Volume of Shares Traded

From FY2012 to FY2016, the number of shares traded on both exchanges combined grew by 30%. The steady growth of the Indian economy, growing awareness regarding the stock market, increased participation by foreign institutional players as well as domestic retail investors and increased penetration of share market trading services across India are some of the key factors which contributed to this growth. (Source: CARE Research Report)

For BSE and NSE, revenue is primarily derived from securities services and services to corporates, which primarily consists of listing income. Information services contribute little to the revenue of Indian exchanges, contributing to approximately 4% to 5%. On the other hand, information services generally account for 10% to 25% of the total revenue for exchanges in developed economies. (Source: CARE Research Report)

Products Traded on Major Indian Exchanges

The BSE and NSE offer trading primarily in equity, debt instruments, exchange traded funds and derivative products of equities, interest rate and currencies. Commodity trading activity in India is dominated by Multi Commodity Exchange and National Commodity Exchange. (Source: CARE Research Report)

Trend of Different Asset Classes and Segments

Equity Cash

The turnover in the equity cash segment on the BSE and NSE increased during FY2012 to FY2016. The growth in turnover was a result of the growth in number of trades. During FY2012 to FY2016, the number of trades on the BSE rose from 323.5 million trades to 407.5 million trades while the number of trades on the NSE increased from 1,437.7 million trades to 1,851.8 million trades. (Source: CARE Research Report)

The chart below shows the turnover in the equity cash segment during the period FY 2012 to FY 2016.

As seen in the table below, BSE and NSE have seen stabilised market share in the equity cash segment in the past twelve months ending August 2016.

Equity Derivatives

The equity derivatives market, which accounts for more than 85% of the total traded turnover on Indian exchanges, has seen greater participation by investors since FY2012. (Source: CARE Research Report)

Currency Derivatives

The currency derivatives market in India is still in its nascent stage. The currency derivatives segment in India commenced in August 2008 with USD-INR Futures. Subsequently, SEBI approved trading in currency futures contracts on EUR-INR, GBP-INR and JPY-INR pairs and currency options contracts on USD-INR in 2010. Investors are increasingly allowed to participate in this market. Foreign Portfolio Investors were allowed to trade in this segment beginning in 2014 and Primary Dealers were allowed to trade in this segment beginning in 2016. It is expected that Non-Resident Investors will be permitted to trade in this segment in the near future. (Source: CARE Research Report)

The charts below show the total number of contracts traded in the currency market and the turnover in the BSE, NSE and MSEI for the time periods indicated.

Turnover in the currency market

BSE did not have a currency derivatives segment until November 2013. When BSE launched its own currency derivatives segment, volumes in the United Stock Exchange ("USE"), in which its strategic shareholding was 14.6%, dropped significantly. USE subsequently closed its trading operations in December 2014 and was

merged into BSE with effect from 1 April 2015. While NSE has continued to be the market leader in this segment, BSE has moved into second position surpassing MSEI and has significantly closed the gap against NSE. (Source: CARE Research Report)

BSE has increased its market share from 33% during September 2015 to 39% during August 2016, as shown in the table below.

Interest Rate Derivatives

Another key global financial market which has witnessed increased market participation in India, is that of interest rate derivatives market. Interest rate derivatives are part of the currency derivatives segment and has been a smaller sub-segment of the currency derivative segment. However, in FY2014 to FY2016, the turnover in this segment increased significantly from ₹302 billion to ₹5,264 billion on the NSE and ₹26 billion to ₹1,141 billion for the BSE. (Source: CARE Research Report)

Corporate Debt

Compared to the equity cash and equity derivative markets, the corporate debt market in India is relatively new. With large corporates increasingly preferring to raise funds through the debt market over bank loans and increased investor interest in high quality corporate securities (bonds, debentures, commercial paper), the number of contracts traded in the corporate debt market in the BSE and NSE has grown steadily during FY2012 to FY2016. This segment witnessed strong growth in FY2015 due to increased investor interest in Indian corporate debt markets, issuance of bonds by better-rated Indian corporates and an improved regulatory framework. Primary Market

The number of listed companies in the BSE and the NSE has grown over the period of FY2012 to FY2016, resulting in the rise of market capitalisation of both exchanges. From 5,133 companies listed on BSE in FY2012, this number has increased to 5,911 in FY2016. On NSE, the number of listed entities increased from 1,646 in FY 2012 to 1,808 in FY2016. (Source: CARE Research Report)

The chart below outlines the funds raised in the primary market in India over the time periods indicated.

Details of funds raised in the primary market in India						
Period	Category – wise				Total	
	Public		Rights			
	No. of comp.	Amount (INR. Million)	No. of comp.	Amount (INR. Million)	No. of comp.	Amount (INR. Million)
FY2011	68	581,050	23	95,030	91	676,090
FY2012	55	460,930	16	23,750	71	484,680
FY2013	53	235,100	16	89,450	69	324,550
FY2014	75	510,750	15	45,760	90	556,520
FY2015	70	124,520	18	67,500	88	192,020
FY2016	95	489,280	13	92,390	108	581,670
Source: SEBI						

Funds raised in the primary market in India decreased from FY2012 to FY2013 due to a subdued share market domestically and slower economic growth. However, the primary market witnessed a rebound in FY2014. While this growth was not sustained in FY2015, it increased in FY 2016 due to the reforms of the new government and continued global liquidity. (Source: CARE Research Report)

Commodities

Another relatively new asset class traded on Indian exchanges is commodities. Although commodity trading has existed for a long time, it is still at an early stage in India. India has a predominantly agrarian economy and has a long history of commodity trading. However, it has gradually declined due to various factors such as droughts, periods of scarcity and certain Government policies. The Multi Commodity Exchange and the National Commodity Exchange are the dominant exchanges for commodity products. (Source: CARE Research Report)

Clearing Corporations

A clearing corporation carries out the clearing, settlement, collateral management and risk management functions for various segments of an exchange. A clearing corporation will act as the central counterparty to all the trades it provides clearing and settlement services for. Clearing corporations settle trades executed on a variety of segments, including the equity cash, equity derivatives, SMEs, Offer for Sale, securities lending and borrowing, debt, interest rate futures, currency derivatives segments and trades reported on the Indian corporate debt segment and the mutual funds segment. The growth of clearing corporations is linked to the growth of the capital markets, as clearing services are dependent on the number of trades executed on the exchanges. (Source: CARE Research Report)

Regulatory change allowing interoperability between different clearing corporations would aid the growth of Indian exchanges. There is currently no interoperability between the different clearing corporations in India. Interoperability would allow trading participants to clear trades through a clearing house convenient to them as against the current system, which requires investors to use the clearing house owned by the exchange on which they trade. This would result in efficient use of capital for trading members who take positions on multiple stock exchanges.

Depositories

A depository facilitates the holding of securities in electronic form and enables securities transactions to be processed by book entry. The depository system reduces the need for paper-based certificates, which are prone to forgery and result in bad deliveries. A "Depository Participant", as an agent of the depository, offers depository services to investors. Financial institutions, banks, custodians and stockbrokers are eligible under SEBI's guidelines to act as Depository Participants. The investor, who is known as a beneficial owner, must open a demat account through any Depository Participant for dematerialisation of his holdings and transferring securities. The balances in the investors' account that are recorded and maintained with the depository can be obtained through the Depository Participant. The Depository Participant is required to provide the investor, at regular intervals, a statement of account which gives the details of the securities holdings and transactions. The depository system has effectively eliminated paper-based certificates, which were more prone to loss, forgery, damage and other problems, resulting in bad deliveries. The growth of depositories is dependent on the growth of the capital markets.

There are two depositories in India, Central Depository Services (India) Ltd. ("**CDSL**") and National Securities Depository Ltd. ("**NSDL**"). As on 31 August 2016, CDSL and NSDL had 11,345,320 and 14,929,313 active accounts, respectively and held Rs. 15,268 billion and Rs. 132,592 billion in total value of dematerialised securities, respectively. OUR BUSINESS

Overview

We own and operate the BSE exchange platform (formerly, the Bombay Stock Exchange), the first stock exchange in Asia, which was formed on July 9, 1875. As of June 30, 2016, the BSE was the world's largest exchange by number of listed companies, and India's largest and the world's 11th largest exchange by market capitalization, with US\$ 1.52 trillion in total market capitalization of listed companies.

As the operator of the BSE, we regulate listed issuers and provide a market for listing and trading in various types of securities as may be allowed by SEBI from time to time. We operate in three primary lines of business, namely:

1. **the listing business**, which consists of the primary market, which relates to the issuance of new securities;
2. **the market business**, which consists of (i) the secondary market, which relates to the purchase and sales of previously-issued securities, (ii) BSE StAR MF ("**BSE StAR**"), our online platform for the placement of orders and redemptions of units in mutual funds, (iii) NDS-RST, our platform for the reporting of over-the-counter corporate bond trading, (iv) membership, which includes membership in the Exchange, membership in our clearing corporation ICCL, and depository participants in our depository CDSL, and (v) post-trade services, namely the clearing corporation and depository; and
3. **the data business**, which consists of the sale and licensing of information products.

In addition to our primary lines of business, we also have supporting businesses, including (i) providing IT services and solutions, (ii) licensing index products such as the S&P BSE SENSEX, (iii) providing financial and capital markets training and (iv) operating our corporate and social responsibility portal. Moreover, we have an active treasury function focused on managing our cash, including both our own funds as well as funds that we hold on behalf of third parties (such as margins placed by clearing members).

As at June 30, 2016, the BSE had 1,440 unique members across all segments, and in Fiscal Year 2016 the BSE accepted an average of 284.92 million orders and 1.55 million trades in equity shares per trading day, placing it as the 12th most active exchange in the world in terms of electronic book trades in equity shares. (*Source: World Federation of Exchanges ("WFE") statistics*). During Fiscal Years 2014, 2015 and 2016 and the three months ended June 30, 2016, the BSE reported 24,663 million, 63,385 million, 70,376 million and 17,618 million electronic book orders in equity shares, respectively.

We engage in extensive monitoring of our members, listed companies and of market activities in order to minimize the risk of default, promote market transparency and integrity. By doing so, we along with other Indian stock exchanges contribute to the growth of the Indian capital markets and stimulate innovation and competition across market segments.

We have highly developed electronic systems for entry, trading, clearing and settlement and depository services and we continually seek to improve our core IT capabilities, the reliability and consistency of which help us to maintain our competitive position. Examples of our electronic systems include (i) BOLT+, which is our fully automated, online trading system, (ii) low latency co-location services for algorithmic traders and (iii) a real-time risk management system, which conducts real time calculations of members' margins and limits. Moreover, to continue to improve our product and service offering, we have entered into a number of strategic partnerships and joint ventures. We are a member of the BRICS Exchange Alliance, whereby leading exchange in Brazil, Russia, India, China and South Africa cross-list futures products based on the flagship indices of each of the exchanges, and ICCL entered into an agreement with Clearstream whereby members in our clearing corporation can manage their margin requirements by placing collateral with Clearstream's Global Liquidity Hub.

We were originally established in 1875 as the Native Share and Stock Brokers' Association, an "Association of Persons" that engaged in trading and clearing and settlement functions. On August 31, 1957, we became the first exchange in India to be granted permanent recognition under the Securities Contract Regulation Act, 1956. On August 8, 2005, pursuant to a mandatory demutualization, Bombay Stock Exchange Limited was incorporated for the purpose of assisting, regulating or controlling the business of buying, selling or dealing in securities as a recognized stock exchange and to succeed the Association of Persons. We were renamed BSE Ltd in July 2011. We were created to own the exchange and to undertake all the necessary ancillary funds, and the former

members became shareholders in the BSE. SEBI, by way of its order dated May 20, 2005 approved the Demutualisation Scheme. For further details of the Demutualisation Scheme please refer to "*History & Certain Corporate Matters – Demutualisation Scheme*" on page 161 of this Draft Red Herring Prospectus.

We derive revenue from a number of sources, including securities services, services to corporate, data dissemination fees, investments and deposits, and other sources. For FY 2014, FY 2015 and FY 2016 and the three months ended June 30, 2016, our revenue from operations was ₹ 2,667.9 million, ₹ 3,611.4 million, ₹ 4,265.4 million and ₹ 1,130.2 million, respectively, and our net profit after share of minority and share of loss of associate as restated was ₹ 1,351.9 million, ₹ 1,297.4 million, ₹ 1,225.3 million and ₹ 414.0 million, respectively.

Our Strengths

Strong brand recognition with a track record of innovation

Established in 1875, we are Asia's first stock exchange, and we believe that it is one of the most recognizable brand names in India. We believe that our global brand helps in attracting companies to our listing platforms and attracting retail investors and wholesale participants to our various market and data offerings. As of June 30, 2016, we are the world's largest exchange by number of listed companies and India's largest and the world's 11th largest exchange by market capitalization, with US\$ 1.52 trillion in total market capitalization of listed companies. According to CARE Research, the BSE ranks third globally in terms of currency options and futures contracts traded in 2015, with 430 million currency derivatives traded, a 103% increase from FY 2015. Further, our turnover from the interest rate derivatives market grew from ₹ 26 billion in FY2014 to ₹ 1,141 billion in FY 2016. (Source: CARE Research, Report on Indian Stock Exchange Sector, August 2016 (the "CARE Research Report"))

We have built our brand by historically anticipating and responding to investor's needs through the introduction of new products and services. Examples of our past product innovations include BSE StAR and BSE SME. We introduced BSE StAR, our online platform for the placement of orders and redemptions of units in mutual funds, in December 2009, providing investors with a single platform to invest and redeem in a wide selection of mutual fund schemes. As at June 30, 2016, BSE StAR offers a platform to invest and redeem in 39 asset management companies ("AMCs") with 6,112 different mutual fund schemes. We launched the BSE SME platform, a platform for the listing and trading in shares of small and medium enterprises ("SMEs"), in March 2012, and won the SKOCH Achiever Award for SME enablement in 2016. In addition, we are also developing BSE Hi-Tech, a platform for the listing and trading in shares of young, fast-growing companies, in order to provide them with equity capital to finance their growth. Moreover, we were the first exchange in India to offer free-float indices. In addition to innovative offerings such as these, we also provide a variety of hi-tech product and service offerings such as co-location services for algorithmic trading, intra asset management switches, direct pay-out to clients, multiple payment modes, overnight funds management for liquid mutual funds and XSIP, a platform for investing in systemic investment plans across mutual fund schemes. Our recent product initiatives include agreements with Korea Exchange and Bank of New York Mellon to explore and conduct joint research in areas such as the derivatives markets and support each other in the development of new products and to provide collateral management solutions, respectively. For more information, see "*Alliances and Joint Ventures.*"

Diversified and integrated business model and active relationship with market participants

We operate a diversified and integrated business model including trading, clearing and settlement of products listed and traded on the BSE, as well as the provision of data products, IT services and solutions, index products and training. We offer listing and trading of a wide variety of products including equity cash securities such as shares in companies and ETFs, units in closed-end mutual funds, corporate bonds and government securities, equity derivatives and currency derivatives, as well as services such as securities lending and borrowing, and platforms to facilitate offers to buy securities by listed companies and offers for sale of securities by substantial shareholders of listed companies. By providing such integrated services, we support market participants and members throughout the entire life-cycle of a trade. Such an integrated approach benefits and keeps costs low for our participants and members by providing efficiencies that are associated with having a wide range of services integrated under one entity.

Our diversified and integrated business model provides us with an active relationship with market participants. We continually monitor areas of potential improvement in our operations and consult actively with our members in order to remain as relevant and attractive for our users as possible. For example, we have jointly established a

series of investor education programs with members and broker associations to have open communications with our members and to increase our exposure to investors. Moreover, in order to promote algorithmic traders, we bear the software license costs for algorithmic trading and market access, the infrastructure costs on co-location rack space, costs associated with algorithmic trading services at the co-location and internet connectivity between our co-location and our members' offices. Further, we believe that by allowing traders to buy and sell futures based on the same index on multiple venues, we will increase access for foreign investors to the growing Indian markets and also give Indian investors increased access to growth opportunities in key emerging markets across the world, thereby increasing participation in the Indian market. Our alliance with exchanges in each of the "BRICS" nations (in addition to India, these are Brazil, Russia, China and South Africa) allows us to do so, and we plan to explore opportunities under the BRICS Exchange Alliance to further promote interaction and cooperation between the respective markets. Our efforts to actively engage with market participants have led to an increase in the number of unique members in our exchange, increasing from 1,375 as of the end of FY 2014 to 1,440 as of June 30, 2016.

State-of-the-art infrastructure and technology

We have electronic systems for entry, trading, clearing and settlement and depository services and we continually seek to improve our core IT capabilities, the reliability and consistency of which help us to maintain our competitive position.

Our electronic systems include (i) BOLT+, a fully-automated online trading platform through which all trades on the equity cash, equity derivatives and currency segments of our exchange are executed, and (ii) precision time protocol, a time synchronization standard that we adopted to ensure accurate and reliable time synchronization across our trading infrastructure. We have also implemented functional improvements to our infrastructure and technology, including tick-by-tick order data, multi-legged orders, and "straddle" strategies for currency derivatives and equity derivatives. Furthermore, all of our platforms are interconnected and operated through the same network and workstation, which helps to provide market participants with a seamless experience and efficient operations.

To boost investor confidence and transparency, we have also implemented our real-time risk management system, which conducts real time calculations of members' margins and limits. We also use the standard portfolio analysis of risk ("SPAN") margin system, an industry-standard margin system used by over 30 exchanges and clearing organizations worldwide that is designed to evaluate the overall risk in a portfolio and accurately match margins to risk.

We have an experienced team of internal IT professionals, supported by third party IT service providers, to operate and support our infrastructure and software as well as to create and implement new technologies.

Financial strength and diversified sources of revenue

In order to provide a stable stream of revenue to support our fiscal policy, we have sought to diversify our revenue streams. As an operator of a derivatives and securities exchange and clearing, settlement and depository services, we have multiple contact points with our members and market participants, providing us with the ability to generate revenue at multiple levels of our business. We derive revenue from a variety of sources including revenue from trading activities on the exchange, such as trading fees and trading tariffs, revenue from post-trade services, such as clearing, settlement, depository, custody and nominee service fees, and initial and recurring listing fees from equity, debt and derivative products, and subscription fees from data products.

Our mix of business provides us with diverse sources of revenue that are not all dependent on market volumes. For example, we not only generate market turnover-related revenue, such as transaction charges, auction charges and depository charges, but also non-market turnover-related revenue, such as investment income, training income, software income and rental income. In FY2016, revenue from operations (comprised of revenue from securities services, services to corporate and data dissemination fees), income from investments and deposits and other income comprised of 64.8%, 28.8% and 6.4% of our total revenue, respectively. In the three months ended June 30, 2016, revenue from operations, income from investments and deposits and other income comprised of 63.4%, 26.5% and 10.1% of our total revenue, respectively.

As of June 30, 2016, we are the world's largest exchange by number of listed companies and India's largest and the world's 11th largest exchange by market capitalization, with US\$ 1.52 trillion in total market capitalization of listed companies. According to CARE Research, the BSE ranks third globally in terms of currency options and futures contracts traded in 2015, with 430 million currency derivatives traded, a 103% increase from FY 2015.

Further, our turnover from the interest rate derivatives market grew from ₹ 26 billion in FY2014 to ₹ 1,141 billion in FY 2016. (*Source: CARE Research Report*)

Our EBITDA margin for FY 2014, FY 2015, FY 2016 and the three months ended June 30, 2016 was 54.3%, 48.9%, 45.7% and 47%, respectively. Our profit after tax margin for FY 2014, FY 2015, FY 2016 and the three months ended June 30, 2016 was 25.5%, 20.8%, 18.6% and 23.2%, respectively.

Our Strategies

As India's largest exchange in terms of market capitalization of listed companies (*Source: WFE Statistics*), we must anticipate and react to investors' needs through improvements in efficiency and technology, lower costs, greater cross-border reach and increased access. Our strategies set out a roadmap towards being a competitive exchange across all asset classes.

To meet these needs and maintain and strengthen our market position, our key strategies are to:

Strengthen our position to become the exchange of choice in India and expand our cross-border reach by entering into strategic alliances

We intend to strengthen our position as a preferred exchange in India and expand our cross-border reach by entering into strategic alliances. For example, to expand our position in India, we have entered into a strategic partnership with S&P Dow Jones Indices LLC, USA ("**SPDJ**") to grow our index business by calculating, disseminating and licensing various of our index products, which has culminated in the formation of an India-based joint venture, Asia Index Pvt. Ltd.

Internationally, we have signed an agreement with Deutsche Boerse whereby they sell and market BSE market data and information to international clients. Deutsche Boerse also collaborates with us for product development and innovation, which includes extending its existing infrastructure and creating new market data solutions and infrastructure to support our product offerings.

Further, we are a member of the BRICS Exchanges Alliance, whereby leading exchange in Brazil, Russia, India, China and South Africa cross-list futures products based on the flagship indices of each of the other exchanges. Similarly, options and futures based on the S&P BSE SENSEX are listed and traded on Eurex and the Dubai Gold and Commodities Exchange, and we have entered into an MOU with the Korea Exchange to cooperate in other areas such as research, product development and information technology.

In addition, ICCL and Clearstream have agreed to collaborate on collateral management so that clearing members in ICCL can better manage their ICCL margin requirements resulting from trades executed on the BSE platform. Collateral can be pooled at Clearstream's integrated collateral management engine, the Global Liquidity Hub, from assets held at Clearstream and partner agent banks. This triparty collateral management solution enables foreign investors trading on the BSE platform to deposit and use AAA-rated foreign sovereign bonds as collateral with ICCL towards their margin requirements.

We have also partnered with IFC, a member of the World Bank Group, to develop a corporate governance scorecard, which allows companies to assess their corporate governance performance against national and international benchmarked practices. Moreover, we partnered with the Centre for Monitoring Indian Economy to launch in April 2016 to provide high-frequency data on unemployment and consumer sentiment in India.

We believe that the enhanced ease of trading and access that results from such ventures will strengthen our ability to attract cross-border investors and issuers to our exchange. For more information, please see "*Alliances and Joint Ventures*".

Increase our variety and market share of derivative products

We actively evaluate products and asset classes outside our traditional focus areas in order to diversify our revenue sources. By doing so, we seek to continue to attract market participants and issuers and to capture the significant revenue potential that comes with a broader product line, particularly derivative products. We intend to continue to develop a full equity derivative product suite to meet derivative investors' needs through the introduction of new products, as well as through advancements in current products, such as interest rate and currency derivatives, index futures, index options, single stock futures and single stock options. In particular, we intend to focus on currency derivatives and to further increase our market share in this segment through initiatives such as introducing new products (such as index contracts, inter-currency spread contracts and cross-

currency derivatives, in each case subject to regulatory approvals), increasing foreign portfolio investor ("FPI") participation and extending market timings for currency derivatives (subject to regulatory approval).

We are also looking to add commodity derivatives to our current portfolio of product offerings. We applied to SEBI on June 12, 2015 to seek their approval to commence trading in commodities derivatives products, and are currently awaiting SEBI's approval.

Diversify our product and service offerings and maintain new product innovation and development

We continually strive to diversify our product and service offerings to serve investors' needs by developing new products and bringing new types of financial instruments. For example, we are looking to offer indices and index-based products for national and international investors as part of our product development. Our recent and upcoming product innovation include BSE Hi-Tech, a platform for young, fast-growing companies to list and raise equity capital for their growth, which we are currently developing. In addition, we intend to enhance our current product offerings, such as BSE StAR, our mutual fund investment platform, by adding new purchase and settlement options for investors. The number of mutual fund schemes available on BSE StAR grew from 4,891 in FY 2014 to 5,724 in FY 2015 and 5,989 in FY 2016.

In terms of our service offerings, we were appointed as the receiving office for primary issuances of sovereign gold bonds in June, which are government bonds, denominated in grams of gold, issued by the Reserve Bank of India on behalf of the Government of India. We also commenced "clean price" trading in August 2016, which is a pricing method for corporate bonds and government bonds in which interest accrued on the bond is automatically excluded from the price quoted on the exchange. The move to "clean price" trading on our exchange will align our debt markets with Indian over-the-counter markets and NDS-OM, which is a matching system for dealing in Indian government securities. Other examples of current initiatives that we have at various stages of development include: (i) developing the GIFT City international exchange, (ii) an exchange in precious metals, gems and other related goods with the India Bullion and Jewellers Association, (iii) a consumer sentiment index and (iv) a high-frequency data on unemployment in India.

Maintain and improve best-in-class platform infrastructure

Maintaining and improving our infrastructure is critical to our business, as it lays the foundation for future growth and expansion, provides our customers with a more efficient and accessible marketplace and enhances our competitiveness as an exchange operator on a global scale. We have regularly allocated substantial resources towards upgrading our information technology systems, with the over-arching goals of achieving higher capacity and lower latency, improving market efficiency and transparency, enhancing user access and providing flexibility for future business growth and market needs.

We undertake to develop and to implement initiatives to maintain and improve our platform infrastructure in the future. We are considering consolidating our infrastructures and services by moving our key systems to private, public and hybrid cloud-based platforms, which will allow us to leverage infrastructure sharing, service utilization and host of other cloud-based facilities.

We prioritize the improvement in our cyber-security framework and information security management systems. We were identified as a National Critical Information Infrastructure by National Critical Information Infrastructure Protection Centre.

Establish an international exchange at GIFT City

We intend to establish an international exchange in the Gujarat International Finance Tech City – International Financial Service Centre ("GIFT City"), a multi-services Special Economic Zone that is currently being developed as India's first international financial services centre. Subject to receipt of the necessary regulatory approval, the international exchange will provide an electronic trading platform that facilitates (i) Indian companies to raise capital in foreign currency by issuing foreign currency denominated bonds and providing a trading platform to trade in such securities, (ii) Indian start-ups to raise equity from foreign investors by getting listed on the international exchange and (iii) companies incorporated outside India to raise money in foreign currencies by the issuance and listing of their equity shares on the international exchange.

We believe that establishing this exchange will increase our brand's profile and also provide us with additional sources of revenue. As we intend for the proposed exchange to offer equities in non-Indian issuers for trading, the project will also include establishing a clearing corporation as well as a depository to settle such trades.

Our Board of Directors approved a high-level business plan regarding the GIFT City exchange in May 2016, and we have obtained name approval for BSE International Exchange (IFSC) Limited and BSE International Clearing Corporation (IFSC) Limited from the Registrar of Companies for the international exchange and for the international clearing corporation, respectively. We are currently in the process of preparing a detailed business plan. See *"Risk Factors—Our proposed international exchange in GIFT City is subject to numerous contingencies and uncertainties"* for a description of uncertainties relating to the GIFT City project.

We propose to begin operating the GIFT City exchange after, among others, the publication by SEBI of final regulations applicable to the exchange. We believe that our track record of operating an exchange and entering into partnerships and alliance with partners around the world will facilitate the opening of the GIFT City exchange by us in a timely manner once the final regulations applicable to the exchange have become effective.

Capture growth in the underpenetrated Indian financial markets

We believe that with a growing young population in India, more investors are likely to enter the market in the coming years. In order to capture growth in the Indian market, we undertake routine outreach and advertising programs, such as through educational activities targeted towards youths to teach them about the benefits of investing in securities, and through investor awareness activities designed to facilitate an "equity culture" in India. In addition to investor outreach, we also design platforms and products targeted towards specific demographics in India, such as a mobile phone enabled trading platform, targeted towards the growing number of mobile phone users in India.

We believe that our efforts in this regard align with the efforts of the Indian government, who have offered tax breaks and financial schemes to encourage securities investment. We believe that we are positioned, as a well-known exchange, to increase the number of investors trading on our exchange as first-time investors begin taking advantage of such government schemes. In addition, we plan to focus our education outreach programs, directly through the exchange as well as through our BSE Institute, on this sector of first-time retail investors in order to increase our brand recognition and to encourage such investors to trade in BSE-listed securities. We, through BSE Institute, design and develop course offerings for investors that focus on business process knowledge and practical training, and also conduct certification programs for market professionals in the Asian, African and Middle East regions. We also run custom courses for businesses and colleges. Moreover, the Employee Provident Fund Organization has recently started investing in ETFs, which is an indirect way of investment into the Indian stock market.

Our Business

The following chart illustrates our primary lines of business and our supporting businesses:

Listing Business

Our listing business consists of the primary market, which is that part of the market relating to the issuance of new securities. An issuance of new securities can take one of several forms, including (i) an initial public

offering ("**IPO**"), which is the act of offering securities of a company on a public exchange for the first time, (ii) follow-on issuances, which is the act of offering securities by a company that is already listed on an exchange and (iii) a private placement, which is the act of offering a security not through a public offering, but a private offering. Our listings business includes IPOs, follow-on public issuances and private placements of equity securities including on both the main market of the BSE as well as on the BSE SME platform, and also IPOs, follow-on public issuances and private placements of fixed income securities.

Equities

To qualify for listing on the BSE, a company must satisfy certain listing criteria relating to its paid up capital, issue size and market capitalization. The minimum post-issue paid-up capital of the company must be at least ₹100 million for initial public offerings and ₹30 million for follow-on public offerings, the minimum issue size must be at least ₹100 million and the company's minimum market capitalization must be at least ₹250 million.

The BSE also allows direct listing of equity shares of companies listed on regional stock exchanges in India. Such companies must, among other things, have positive net worth, distributable profits for at least one out of two immediately preceding financial years and paid up capital of at least ₹30 million. By allowing relatively smaller regionally-listed companies to list on the BSE, we provide them with enhanced access to the wider capital markets.

Listed companies must adhere to ongoing disclosure and corporate governance requirements, including requirements to file annual reports, to make announcements on their quarterly and annual financial results and to make immediate public announcements of material developments and certain specified matters, such as shareholder meeting dates and places, dividends, changes in directors or officers, and proposed changes to governing documents.

Primary issuances of equity securities can take several forms, including initial public offerings, which are the first public offerings of securities that issuers undertake, and follow-on issuances, which are offerings of securities made by already-public companies. Follow-on issuances can include rights issues, which are issuances of shares to existing shareholders on a pro rata basis, as well as qualified institutional placements, which are issuances of shares to institutional investors.

The following chart sets forth the number of IPOs listed on the BSE and their total amount raised, the number of follow-on public issuances on the BSE and their total amount raised for the periods indicated:

	Three Months Ended	Year ended March 31,

Small and Medium Enterprises

To be listed on the BSE SME platform, companies must be profitable and have net tangible assets, net worth and issued and paid up capital of at least ₹30 million each, with no more than ₹250 million capital post listing. Annual listing fees for SME are ₹25,000 or 0.01% of full market capitalization, whichever is higher.

The following chart sets forth certain details regarding primary issuances of SME equity securities for the periods indicated:

Fixed Income Securities

The debt market is a market for the issuance, trading and settlement in debt instruments of various types. Debt instruments, also called fixed income securities, are issued by a wide range of organizations such the Government of India, Indian state governments, statutory corporations or bodies, banks, financial institutions and corporate bodies.

The following table sets forth certain details regarding primary issuances of fixed income securities for the periods indicated:

	Three Months Ended June 30,	As of and for the year ended March 31,

(1) Refers to the International Securities Identification Number provided by depositories for each script.

Government Securities Market

The government securities market plays a vital role in the Indian economy as it provides a benchmark for determining the level of interest rates in the country through the yields on the government securities, which are referred to as the risk-free rate of return in any economy.

Market Business

Secondary Market

The secondary market is that part of the market that relates to the purchase and sale of previously issued securities. Our secondary market consists of the following segments:

- the equity cash segment ("**Equity Cash**"), which includes (i) trading of shares in companies and ETFs and units in closed-ended mutual fund schemes listed on our main board, as well as shares in SMEs listed on our SME platform, (ii) trading of fixed income securities such as corporate bonds, sovereign gold bonds and government securities, (iii) securities lending and borrowing services, which allow market participants to lend and borrowing securities for use in trading and (iv) platforms to facilitate offers to buy securities by listed companies and offers for sale of securities by substantial shareholders of listed companies;
- the equity derivatives segment, consisting of derivatives on equity indices and individual stocks; and
- the currency derivatives segment, which includes both currency derivatives and interest rate derivatives

All trades on the Equity Cash, equity derivatives and currency derivatives segments are executed on BOLT+, which is our fully-automated trading platform. BOLT+ is software that we make available under license to members of the exchange as well as their clients. As of June 30, 2016, there were 94,707 registered users of BOLT+. Offers to buy and offers for sale are executed through our Internet-based Book Building System ("IBBS") platform.

The following table shows the total number of cities covered by trading terminals, the number of trading terminals either provided by us or through third party vendors, the average number of orders per day and the average number of trades per day for the periods and as of the dates indicated.

Equity Cash

Our Equity Cash segment in the secondary market consists of (i) trading of shares in companies and ETFs and units in closed-ended mutual fund schemes listed on our main board, as well as shares in SMEs listed on our SME platform, (ii) trading of fixed income securities such as corporate bonds, sovereign gold bonds and government securities, (iii) securities lending and borrowing services, which allow market participants to lend and borrow securities for use in trading and (iv) platforms to facilitate offers to buy securities by listed companies and offers for sale of securities by substantial shareholders of listed companies. SEBI guidelines define what products constitute part of the equity cash segment in stock exchanges, pursuant to which we classify fixed income securities as part of our equity cash segment. See "*Regulations and Policies in India*".

Main Board

The main board of the BSE is our primary trading platform, and is used by relatively larger and more established companies in order to gain access to investment capital. In order to list securities on the main board of the BSE, companies must meet certain eligibility criteria including (i) financial criteria such as surpassing thresholds for total paid-up share capital, net worth and net tangible assets, (ii) having a website, (iii) allowing trading in dematerialized securities, (iv) agreeing to comply with ongoing reporting requirements and (v) having their offering document and application approved by SEBI. The exact requirements depend on the type of security being listed.

The following chart sets forth certain data for the main board of the Equity Cash segment on the main board for the periods and as of the dates indicated:

	As of and for the three months ended June 30,	As of and for the year ended March 31,		
	2016	2016	2015	2014
Number of listed companies ⁽¹⁾	5,357	5,332	5,096	5,040

Domestic institutional investor turnover (₹ millions) ⁽⁴⁾	180,725.3	675,752.3	769,911.3	653,687.4
Other turnover (₹ millions) ⁽⁵⁾	2,556,811.1	11,275,055.6	12,732,357.0	8,152,209.6

* Total turnover is equal to one half of the sum of (i) foreign portfolio investor turnover, (ii) domestic institutional investor turnover and (iii) other turnover. This is because total turnover is "one-sided", insofar as it counts each trade, consisting of one sale and a corresponding purchase of a security, only one time when calculating turnover. By contrast, foreign portfolio investor turnover, domestic institutional investor turnover and other turnover are all "two-sided", meaning that each trade is counted in turnover for the buyer as well as for the seller, and hence each trade gets counted twice.

- (1) Comprises main board equity listed and equity and debt listed companies.
- (2) Comprises main board equity listed and equity and debt listed companies.
- (3) Comprises Foreign Portfolio Investors and Foreign Institutional Investors.
- (4) Comprises domestic financial institutions, banks, mutual funds, insurance companies and national pension funds
- (5) Comprises turnover from retail clients and proprietary trading.

The large increase in the number of listed companies from FY 2015 to FY 2016 is primarily due to SEBI's requirement for companies listed on regional stock exchanges to list on the BSE, an increased number of schemes of arrangement and new issuances.

Small and Medium Enterprises

In addition to the main board of the BSE, we also operate the BSE SME, a platform for micro, small and medium enterprises. We created the BSE SME platform with the goal of facilitating the promotion, development and competitiveness of micro, small and medium enterprises, by providing an avenue for them to access the capital markets. SEBI established the framework for SME Platforms through a circular on May 18, 2010 and the BSE SME platform received final approval of SEBI on September 27, 2011. We launched the BSE SME platform in March 2012. In February 2014, we launched our Institutional Trading Platform ("ITP") within our BSE SME segment. The BSE SME ITP is a different type of SME listing with a separate listing criteria and offers more relaxed compliance and more cost-effective listing, as companies can be listed on the BSE SME ITP without an initial public offering.

The BSE SME platform is integrated with the main board of the BSE in that it utilises the existing infrastructure of BSE's trading systems and network. There is also a provision for migration from the SME platform to the main board and vice versa, which companies are able to do once they meet the criteria for listing on the main board. Listed SMEs are part of the existing BSE trading system, meaning that market participants who are able to trade on the main board of the BSE are also able to trade in shares of SMEs listed on the BSE SME platform. As of June 30, 2016, 18 SME companies had migrated from the BSE SME platform to the main board.

We launched the BSE SME IPO Index, which tracks the value of the companies listed on the BSE SME platform, on December 14, 2012. The BSE SME IPO Index was weighted so that on establishment it had a value of 100, and as of June 30, 2016, the value of the BSE SME IPO Index had increased to 883.84. As of June 30, 2016, 18 SME companies had migrated from the BSE SME platform to the main board. The total market capitalization of the 122 companies listed on the BSE SME platform as of June 30, 2016, was ₹ 70,142.0 million.

The following table sets forth certain data for the SME platform of the Equity Cash segment of the exchange for the periods and as of the dates indicated:

Fixed Income Securities

Our main board offers trading in fixed income securities, comprising various types of corporate bonds, Government of India bonds and various Indian state bonds.

The following table sets forth certain data regarding listing and trade of fixed income securities for the periods and as of the dates indicated:

	As of and for the three months ended June 30,	As of and for the year ended March 31,

Sovereign Gold Bonds

Sovereign gold bonds are government securities denominated in grams of gold and are substitutes for holding physical gold. Investors pay the issue price in cash and can redeem them for cash upon maturity. Investors can also buy and sell the bonds at spot prices on the exchange. The bonds are issued by the Reserve Bank of India on behalf of Government of India.

In May 2016, we obtained approval from the Reserve Bank of India to act as a Receiving Office for the Sovereign Gold Bond Scheme. In June 2016, RBI gave us permission to launch trading in the first tranche of Sovereign Gold Bonds in the secondary market and in July 2016, we participated in the fourth tranche of Sovereign Gold Bond.

Exchange Traded Funds

An ETF is a security that, like an index fund or a sectoral fund, tracks an index, a commodity or a sector, but trades like a stock on an exchange. ETF's experience price changes throughout the day as they are bought and sold.

Currently, there are three types of ETFs that can be traded on the BSE, which include equity ETFs, gold ETFs and liquid ETFs.

The following table sets certain data related to ETFs listed on the BSE for the periods and as of the dates indicated:

	As of and for the three months ended June 30,	As of and for the year ended March 31,		
	2016	2016	2015	2014

* Total turnover is equal to one half of the sum of (i) foreign portfolio investor turnover, (ii) domestic institutional investor turnover and (iii) other turnover. This is because total turnover is "one-sided", insofar as it counts each trade, consisting of one sale and a corresponding purchase of a security, only one time when calculating turnover. By contrast, foreign portfolio investor turnover, domestic institutional investor turnover and other turnover are all "two-sided", meaning that each trade is counted in turnover for the buyer as well as for the seller, and hence each trade gets counted twice.

Mutual Funds

Mutual fund schemes are trusts that pool the savings of a number of investors and invest it in capital market instrument such as shares, fixed income securities and other securities. Closed-end mutual fund schemes are mutual fund schemes that have their units listed and traded on a stock exchange, and can thus be bought and sold at market value like shares in a company.

The following table sets certain data related to mutual fund schemes listed on the BSE for the periods and as of the dates indicated:

	As of and for the three months ended June 30,	As of and for the year ended March 31,		
	2016	2016	2015	2014

Other turnover (₹ millions) ⁽⁵⁾	833.5	5,187.5	6,709.5	61.1

* Total turnover is equal to one half of the sum of (i) foreign portfolio investor turnover, (ii) domestic institutional investor turnover and (iii) other turnover. This is because total turnover is "one-sided", insofar as it counts each trade, consisting of one sale and a corresponding purchase of a security, only one time when calculating turnover. By contrast, foreign portfolio investor turnover, domestic institutional investor turnover and other turnover are all "two-sided", meaning that each trade is counted in turnover for the buyer as well as for the seller, and hence each trade gets counted twice.

Securities Lending and Borrowing

The lending and borrowing of securities describes the market practice whereby securities are temporarily transferred by one party (the lender) to another (the borrower) via an approved intermediary. The borrower is obliged to return the borrowed securities either on demand or at the end of an agreed term. The borrower also

has an option to return the borrowed securities before the agreed term. The lender may recall the borrowed securities at any time within the normal market settlement cycle. Securities lending and borrowing helps to improve market liquidity, enhance settlement efficiency, tighten dealer prices and reduce the cost of capital. All securities which are available for derivatives trading can also be offered on the securities lending and borrowing platform. Every security available for trading in the derivatives segment is approved by SEBI.

Our clearing corporation, Indian Clearing Corporation Ltd. ("**ICCL**"), is an approved intermediary for securities lending and borrowing, meaning that SEBI approved ICCL for securities lending and borrowing under the Securities Lending Scheme, 1997. All trading and clearing members of the BSE, as well as banks and custodians, are eligible to participate in securities lending and borrowing, subject to fulfilment of the eligibility criteria specified by ICCL. Securities lending and borrowing members are required to enter into an agreement with ICCL, and their clients are required to enter into back-to-back agreements with them as per a form specified by ICCL.

The following table sets forth certain data relating to our securities lending and borrowing platform for the periods and as of the dates indicated:

	As of and for the three months ended June 30,	As of and for the year ended March 31,		
	2016	2016	2015	2014
Number of companies in which securities lending and borrowing is allowed.....	189	189	166	161
Traded volume (number of shares)....	1,043,471	8,565,434	6,911,378	8,731,327

Offer to Buy

An offer to buy is a mechanism to facilitate the tendering and settlement of shares. While a normal platform is an anonymous platform for the purchase and sale of shares, an Offer to Buy ("OTB") platform enables acquirers such as a company, promoter or acquirers to procure shares from shareholders. We offer such facilities for the acquisition of shares through a stock exchange pursuant to an offer in the form of a separate window. This mechanism is mandatory for companies effective July 1, 2015, and we launched our offer-to-buy module, an online platform, on June 30, 2015. Offers to buy can be used to facilitate transactions such as share buybacks by companies, open offers under the Takeover Regulations, and delisting offers by acquirers and promoters of listed companies.

As of June 30, 2016, 50 companies have completed offers to buy, of which BSE was appointed the designated stock exchange in 44 instances. As of June 30, 2016, out of 44 offer to buy issues, 39 issues were conducted exclusively on the BSE platform. The designated stock exchange in an offer to buy issue is responsible for approving the allotment of shares.

Offer for Sale

SEBI permits stock exchanges in India to provide a separate window, apart from the existing trading system for the normal market segment, to facilitate promoters of listed companies to sell their holdings in listed companies in a transparent manner with wider participation. In addition, promoters of the top 200 companies by market capitalization and any non-promoter shareholder of eligible companies holding at least 10% of the share capital may also offer shares through our Offer for Sale ("**OFS**") mechanism.

We launched our offer for sale module on February 24, 2012. As of June 30, 2016, 164 companies have completed offers for sale, of which BSE was appointed the designated stock exchange in 139 instances. As of June 30, 2016, out of 139 Offer for Sale issues 94 issues were exclusively conducted on the BSE platform. The designated stock exchange in an offer for sale issue is responsible for approving the basis of allotment of shares. As of June 30, 2016, 697 trading members have participated in OFS issues via our OFS module.

Equity Derivatives Segment

The equity derivatives segment is comprised of trading in stock index futures, stock index options, single stock futures and single stock options.

A futures contract is an agreement to purchase or sell a specific quantity of a financial instrument or commodity at a particular price on a stipulated future date. An option contract grants the holder a right, but not the obligation, in exchange for an agreed upon sum, to purchase from or sell to the grantor of the option the underlying asset at a particular price at any time prior to a stipulated date. If the holder does not exercise his or her right under the option contract prior to the stipulated date, the option expires and the agreed upon sum is forfeited. Futures and options are settled in cash.

Index-linked and single stock-linked derivatives products give market participants the ability to hedge their equity portfolios, gain exposure to Indian equity markets without the execution and capital costs of implementing trading strategies in the underlying securities, take advantage of spread opportunities between different sectors of the market, enhance yields on an underlying portfolio and diversify a portfolio.

We launched futures on the BSE 30 SENSEX in June 2000 and options on the BSE 30 SENSEX in June 2001. We then commenced the trading of individual stock options and stock futures in July 2001 and November 2001, respectively.

We launched a series of liquidity enhancement incentive programs ("**LEIPS**") in September 2011 to enhance liquidity in our equity futures and options segment. Under the LEIPS, we lowered our transaction fees and offered volume-based and open-interest-based cash incentives to our members, thereby encouraging them to increase their trading in equity futures and options. Under the LEIPS, we experienced significantly increased trading in equity futures and options. Starting in FY2016, we began to phase out the LEIPS, discontinuing the program with effect from April 1, 2016. Our phasing out of the LEIPS results in significantly decreased trading volume in equity futures and options. See "*Risk Factors—Trading on our equity derivatives segment is less than that on the NSE and there is no guarantee that we can successfully compete in the equity derivatives segment against the NSE*" and "*Management's Discussion and Analysis of Financial Condition and Results of Operations—Principal Components of our Income Statement—Exceptional Items—Liquidity enhancement incentive programme scheme*" for further details on the financial impact of the LEIPS.

The following table provides certain data regarding trading in our equity derivatives segment for the periods indicated:

* Total turnover is equal to one half of the sum of (i) foreign portfolio investor turnover, (ii) domestic institutional investor turnover and (iii) other turnover. This is because total turnover is "one-sided", insofar as it counts each trade, consisting of one sale and a corresponding purchase of a security, only one time when calculating turnover. By contrast, foreign portfolio investor turnover, domestic institutional investor turnover and other turnover are all "two-sided", meaning that each trade is counted in turnover for the buyer as well as for the seller, and hence each trade gets counted twice.

Currency Derivatives Segment (including interest rate derivatives)

We launched currency derivatives and interest rate derivatives trading in November 2013. Our currency derivative products include futures and options contracts, in which investors can buy or sell a specific quantity of a particular currency pair at a future date. We currently offer currency futures trading for US Dollar/Indian Rupee, Euro/Indian Rupee, British Pound/Indian Rupee and Japanese Yen/Indian Rupee contracts, and currency options trading for US Dollar/Indian Rupee contracts. We currently offer interest rate future contracts on 91-day Treasury Bills, Futures and on 6-, 10- and 13-year Government of India securities. We do not currently offer interest rate options contracts.

In December 2015, we also started to offer an order placement facility called "Paired Option and Straddle contract" in the currency derivatives segment. This facility allows traders to take positions across two different option contracts belonging to the same underlying asset by entering a single order.

The following table shows certain data regarding trading in our currency derivative contracts (including interest rate contracts) for the periods indicated:

BSE Star Mutual Funds Platform

Mutual fund schemes pool the savings of a number of investors and then invest that money in the capital markets. Open ended mutual fund schemes are not listed and do not trade on a stock exchange, such as closed-end mutual fund schemes do, but rather investors can subscribe for and redeem units in them at any time during the life of the scheme.

In December 2009, we launched BSE StAR, our web-based, fully-automated mutual fund order placement and settlement system. Through BSE StAR, mutual fund intermediaries are able to take applications for and redemptions of units in open ended mutual fund schemes. The BSE StAR platform offers two facilities for mutual funds subscription and redemption: XSIP and Overnight Investments. XSIP allows mutual fund intermediaries and mutual fund distributors to register systematic investment plans for their clients, whereby their clients can regularly invest small sums of money to slowly and steadily build savings over time. Overnight

investments allows subscription and redemption orders to be created simultaneously, so that investors can invest excess funds in liquid mutual funds for periods as short as overnight.

As of June 30, 2016, there were 6,112 open-end mutual fund schemes that were available for subscription or redemption through BSE StAR, with total funds invested of ₹ 851,750.7 million.

Over-the-counter Corporate Bond Reporting Platform

In addition to offering listing and trading of fixed income securities on the exchange, we also offer NDS-RST, which is our platform for the reporting of over-the-counter corporate bond trading. Over-the-counter trading is trading that takes places directly between two parties, without the trade being executed on an exchange. Bond trading that takes place over-the-counter is nevertheless settled through a recognized clearing corporation.

Membership

Applications for membership in the exchange and clearing corporation can be made by individuals, partnership firms, banks, LLPs and corporations, as long as they are Indian nationals and meet certain eligibility requirements. We separately offer membership in the Equity Cash segment, equity derivatives segment and currency derivatives segments of the exchange, as well as a type of membership for mutual fund intermediaries and mutual fund distributors. While there are 1,440 unique members, many members have membership in more than one segment.

Within each segment, members can be trading members, clearing members or self clearing members, save that for mutual funds members are only trading members. Trading members in the exchange have the right to trade on the exchange, along with the rights to nominate new members, hold offices or posts in the exchange or any of its segments and to vote on any matter in the exchange. Members who wish to clear their trades, or other trading members' trades, must apply for clearing membership in ICCL, the clearing corporation for the BSE. Members who register only to clear their own trades are referred to as self-clearing members, whereas members who register to clear trades, including other trading members' trades, are referred to as clearing members. In the Equity Cash segment, all trading members are allowed to clear and settle their trades.

We require members in the various segments of the exchange to meet minimum net worth requirements and, for clearing members, to maintain minimum new liquid collateral with us. The minimum net worth requirements range from ₹ 2.5 million, for trading members in the equity derivative segment, to ₹ 5,000.0 million for banks who are trading, clearing or self-clearing members in the currency derivative segment. The minimum net liquid collateral levels range from nil for members in the Equity Cash segment up to ₹ 5.0 million for clearing or self-clearing members in either of the equity derivatives or currency derivatives segment.

Members are also required to pay non-refundable admission fees and annual dues, as well as an initial deposit of at least ₹1 million.

The following table sets forth the number of trading members, clearing members and self-clearing members registered for each trading segment as of the dates indicate.

Clearing, Settlement and Risk Management

ICCL is our wholly owned subsidiary that carries out the functions of clearing, settlement, collateral management and risk management for various segments of our exchange. ICCL provides the clearing and settlement functions for trades executed on all segments of the exchange. ICCL clears and settles a wide range of exchange-traded products across the equity cash segment, equity derivatives segment, currency derivatives segment and new debt segment as well as over-the-counter ("OTC") products such as mutual fund platforms and E-settle platform. 20 banks are empanelled with ICCL as clearing banks for trades executed on the BSE. ICCL has been granted "AAA" (Is) rating by two rating agencies, India Ratings Ltd. (the Indian arm of Fitch Ratings) and CARE Ratings Ltd. ICCL maintains insurance coverage on its settlement guarantee fund.

Clearing

The clearing process begins with the matching of trades on BOLT+. For matched trades, ICCL acts as an intermediary in order to reconcile orders between transacting parties. Once a trade is matched, ICCL, through novation, becomes a counterparty to each side of the transaction, thus guaranteeing performance to the brokers on each side of the trade. This means that brokers and their customers look to ICCL for the performance of the contract, and not the other party to the trade. Hence, participants in the market do not need to consider the credit risk nor ascertain the reliability of the other party to the trade. By providing a counterparty guarantee to its clearing members, ICCL is exposed to potential losses should a clearing member default. See "*Risk Factors—Our business may be materially adversely affected by risks associated with clearing activities*". The BSE's margin requirements, monitoring of members, exposure limits, position limits] and other risk management systems are designed to help address this risk. See "*Risk Management*".

ICCL holds each clearing member accountable for every trade that it has cleared, whether such trades are executed by the clearing member or by any other member of the relevant exchange. Members must maintain liquid assets sufficient to cover the clearing member's mark-to-market losses on outstanding settlement obligations, value at risk margins, extreme loss margins and any special margins imposed on a case-by-case basis. The collateral deposited by clearing members is held in the form of cash and cash equivalents and non-cash equivalents. Depending on the nature of the assets, the eligible collateral is subject to certain concentration limits, including limits stipulated by SEBI and others pursuant to internal standards.

Margin accounts and collateral that are submitted by clearing members are maintained by ICCL. As ICCL undertakes settlement risk by guaranteeing both sides of a trade, ICCL is able to collect against the margin accounts and collateral submitted by clearing members in situations in which clearing members fail to honour their obligations in a trade. See "*Default Handling Mechanisms*" for details on the steps that ICCL may take in such situation. ICCL has signed an agreement with Clearstream to collaborate on collateral management so that foreign investors trading on the exchange may deposit and use AAA-rated foreign sovereign bonds as collateral towards their margin requirements at our clearing corporation. This helps to reduce the trading costs for foreign investors and eases the investing process in India. For more information on our collaboration with Clearstream, see "*Alliances and Joint Ventures—Clearstream*".

In accordance with RBI and SEBI guidelines, we have developed and launched a platform called 'E-settle' to facilitate clearing and settlement of over-the-counter secondary market trades in corporate bonds, commercial papers and certificate of deposits on a delivery versus payment basis through ICCL.

As part of its clearing operations, ICCL holds collateral posted by market participants in connection with clearing. Through our treasury division, we invest and manage customer collateral funds, as well as our own funds, in order to manage our risk and liquidity profiles. For a description of our investment policies, see "*Management's Discussion and Analysis of Financial Condition and Results of Operations—Principal Components of our Income Statement—Exceptional Items—Liquidity enhancement incentive programme scheme*".

Settlement

We use a rolling settlement system to settle all transactions in all groups of securities in the Equity Cash and fixed income segments. Under rolling settlements, the trades done on a particular day are settled after a given number of business days. Most trades in the Equity Cash and fixed income segments are settled on a T+2 basis (trade date plus two market days). A T+2 settlement cycle means that the final settlement of transactions done on day T, i.e., trade day, are settled two market days later by the exchange of monies and securities between the buyers and sellers, respectively. In rolling settlement systems, pay-in of funds and pay-out of securities are completed on the same day.

Members are required to make payment for securities sold and/or deliver securities purchased to their clients within one working day after the BSE pays-out the funds and securities for the concerned settlement.

Members can effect pay-in of dematerialised securities – those securities that are not in physical form – to ICCL through either the National Securities Depository Ltd. ("**NSDL**") or CDSL. Members are required to give instructions specifying details such as settlement number, effective pay-in date and quantity. Members may also effect pay-in directly from the clients' beneficiary accounts through CDSL. For physical securities, members must deliver the securities to ICCL in special closed pouches along with relevant details. ICCL matches the submitted details against its master file data and, if there are no discrepancies, accepts the securities for subsequent delivery. If a member fails to deliver the securities, the value of shares delivered short is recovered from him at the closing price of the securities on the trading day.

If a clearing member fails to honour its securities obligation, ICCL will conduct an auction to buy those securities in the open market, on T+2 day, which would be settled on T+3 day. During FY 2015, FY 2016 and the three months ended June 30, 2016, ICCL did not suffer any losses due to member defaults.

For the pay-in of funds to ICCL, the bank accounts of members are maintained with one of the registered clearing banks. Clearing banks are designated by the member to receive the member's settlement, conduct funds transfer activities and maintain the member's clearing account. Bank accounts are directly debited through computerized posting for their funds settlement obligations. Financial and, potentially, trading penalties are imposed upon members whose pay-in obligations are not cleared at the scheduled time.

For the payout of uncertificated securities by ICCL, such securities are credited by ICCL to the account of the relevant member. Members are required to collect physical securities on the pay-out day from ICCL. The bank accounts of the members receiving pay-out of funds are credited by ICCL on the pay-out day itself.

For the derivatives segment, settlement takes place on an E+1 basis (expiry of the contract plus one market day). Derivatives contracts are marked-to-market daily through the imposition of a margin equal to the change in the value of a member's positions. In the case of equity index-linked options and futures, a member's position is settled in cash with the closing value of the underlying index on the last trading day as the final settlement price. All equity derivatives contracts are settled in cash and all options contracts are exercisable only on expiry of the contract, and not during the tenure of the contract.

For more information, see "*—Post-Trade—Settlement Guarantee Fund*".

Risk Management

Clearing members clear and settle all trades on the BSE, due to their membership in the ICCL. All trades taken for settlement are guaranteed by ICCL. ICCL's primary objective is to manage risk. ICCL encounters, among others, liquidity risk and collateral risk on a daily basis. Liquidity risk is the risk that a counterparty will have insufficient funds to meet its financial obligations when due, but may be able to do so at some time in the future. Collateral risk arises due to the clearing counter party being unable to access the collateral deposited in a timely manner and extreme but plausible market conditions resulting in a reduction in the liquidation value of the collateral as compared to the obligation that the collateral secures.

ICCL's risk management measures primarily include clearing member admission requirements, monitoring of members, stringent margin requirements, limits based on collateral deposited with ICCL and a default management process.

We have instituted a multi-tiered risk management system. The central component in the risk management system is an online position monitoring and margining system and a corresponding liquid assets deposit requirement by members. We require members to maintain total cash, cash equivalents and liquid assets based

on their outstanding positions in the market. ICCL's real-time risk management system determines the permissible exposure for a clearing member based on the collateral deposited by the clearing member with ICCL. The RTRMS accepts the trades from the trading engine on a real-time basis. RTRMS calculates the margin at a client level, on a near real-time basis and blocks the collateral against the collateral reflected in the collateral system ("CLASS"). The RTRMS system is made available free of charge to the clearing members, through which they can monitor their risk profile as well as the risk profile of their trading members and the clients. On the other hand, CLASS keeps track of the collateral deposited by the clearing members with ICCL on a real-time basis. CLASS maintains the collateral for all clearing members and conducts a valuation on a daily basis after applying the applicable haircut. The collateral system is also made available to the clearing members at no cost.

Members must maintain liquid assets sufficient to cover the member's mark-to-market losses on outstanding settlement obligations, value at risk margins, extreme loss margins and any special margins imposed on a case-by-case basis. Members also must maintain base capital (that is not available for trading) for all risks other than market risks of ₹1.0 million in the case of members of the Equity Cash and fixed income segments and ₹5.0 million for members of the derivatives segment. At least 50% of the deposit must be maintained in cash or cash equivalents, with the remaining in the form of securities. ICCL accepts high quality collateral, with low credit risk and high liquidity. The collateral is legally enforceable, liquid and easily realisable in a timely manner. The requirements of acceptable collateral are based on the guidelines issued from time to time by SEBI. The collateral deposited towards securities is evaluated on a daily basis based on the market rates and haircuts applicable. ICCL applies adequate haircuts to reflect the potential for collateral's value to decline over the interval between their last revaluation and the time by which they can be liquidated, taking into account the liquidity risk that may follow the default of a market participant and the concentration risk on certain assets. The eligible collateral is subject to concentration limits which ensures sufficient diversification to allow its liquidation within a defined holding period without a significant market impact. ICCL aims to mitigate specific wrong-way risk by limiting the acceptance of collateral that would likely lose value in the event that the clearing member providing the collateral defaults.

ICCL conducts daily liquidity stress tests on a hypothetical stress scenario basis to ensure that it maintains sufficient liquid resources to manage liquidity risk from its clearing members. ICCL carries out the stress tests on the liquidity position by assuming the default of the two clearing participants to which it has the largest exposures in equity derivatives and currency derivatives segment.

In addition, ICCL has lines of credit with various commercial banks in excess of its entire average daily funds pay-out, to build redundancy in case of one or more banks being unable to provide the liquidity support. The investments made in liquid resources are based on ICCL's investment policy, which is periodically reviewed by its investment committee and duly approved by its audit committee and the board of directors. The investment policy specifies the quality as well as exposure limits for each type of the qualified liquid resources.

For the Equity Cash and fixed income segments, we use value-at-risk methodology to set an initial margin requirement intended to cover the largest loss that can be expected to be encountered on 99% of trading days. We fix margin requirements separately for each security based primarily on the liquidity of the security and the potential for loss. For liquid stocks, the margin covers one-day losses and for illiquid stocks and all fixed income securities, the margin covers three-day losses.

For the derivatives segment, margining and position monitoring is done on-line, on an intra-day basis using the Standard Portfolio Analysis of Risk ("SPAN"), which is the industry standard margin system for derivatives exchanges and clearing organizations. SPAN, which we use under license, is a risk-based portfolio margining model designed to take an integrated view of the risk involved in the portfolio of each individual client comprising of his positions in all the derivatives contract traded on the Derivatives Segment and to accurately match margins to risk. The system is programmed to simulate the reaction of a portfolio to a range of possible market changes and then cover the largest reasonable overnight loss. In addition to the initial margin requirement, we also set an extreme loss margin to cover the expected loss in situations that lie outside the coverage of the value at risk margins, and a calendar spread margin where one future position is hedged by an offsetting position at a different maturity date. Margins are collected up front on a real time basis by adjusting against clearing members' available collateral deposits.

To determine margin requirements for particular derivative contracts, we conduct volatility studies based on historical price movements.

We determine margin requirements for clearing members separately for proprietary positions and clients' positions.] Margins on all open positions of individual clients are on a net and not on a gross basis, i.e. offsetting long and short positions result in netting of risk and lower margin requirements in respect of such client's positions. However, on the clearing member level, offsetting long and short positions of different clients of a clearing member do not result in netting of risk and lower margin requirements. Proprietary trading within a clearing member is margined on a net basis. Separate margins are imposed for each non-proprietary trade at the clearing member level, proprietary trades of each clearing member and each client.

Settlement Guarantee Fund

In line with Indian regulations, ICCL maintains a settlement guarantee fund for each of its segments (equity cash, equity derivatives, currency derivatives and debt), the purpose of which is to help ensure that ICCL has enough assets to fulfil its obligations as the central counterparty to all trades cleared through ICCL. In the event that a clearing member fails to settle his or her obligations, funds in a Core Settlement Guarantee Fund will be used to complete the settlement. ICCL and the BSE contribute 75% and 25%, respectively, to the Core Settlement Guarantee Fund. For details of the settlement guarantee fund, see "*Management's Discussion and Analysis of Financial Conditions and Results of Operations—Factors Affecting our Results of Operations—Regulatory Changes—Settlement Guarantee Fund and the Core Settlement Guarantee Fund*".

Default Handling Mechanisms

In the event of a member default, ICCL has a variety of sources of funds to be applied, which it applies in the following order: (i) monies of the defaulting member (including the defaulting member's contribution to the Core SGFs and excess monies of the defaulter in other segments), (ii) insurance, (iii) ICCL's resources equivalent to 5% of the segment's minimum required corpus, (iv) the applicable segment's Core Settlement Guarantee Fund, (v) the proportion of remaining ICCL resources equivalent to the ratio of the segment's minimum required corpus to the sum of minimum required corpus of all segments and (vi) ICCL/BSE's contribution to the Core Settlement Guarantee Fund of other segments and the remaining ICCL resources, to the extent available. This amount is capped by additional contributions by non-defaulting members of the segment and any remaining loss is to be covered by pro-rata haircut to pay-outs.

ICCL's margin requirements range from 6% for index options to 12.5% for the equity cash, stock futures and stock options segments. Margins for the currency derivatives segment vary depending on the currency and whether it is an initial margin or an extreme loss margin.

Depository and Record Keeping

A depository facilitates the holding of securities in electronic form and enables securities transactions to be processed by book entry. The depository system reduces the need for paper-based certificates, which are prone to forgery and result in bad deliveries. A "Depository Participant", as an agent of the depository, offers depository services to investors. Financial institutions, banks, custodians and stockbrokers are eligible under SEBI's guidelines to act as Depository Participants. The investor, who is known as a beneficial owner, must open a demat account through any Depository Participant for dematerialisation of his holdings and transferring securities. The balances in the investors' account that are recorded and maintained with the depository can be obtained through the Depository Participant. The Depository Participant is required to provide the investor, at regular intervals, a statement of account which gives the details of the securities holdings and transactions. The depository system has effectively eliminated paper-based certificates, which were more prone to loss, forgery, damage and other problems, resulting in bad deliveries.

CDSL, a 54.2% Subsidiary of the exchange, primarily provides depository services for securities listed on the BSE. We established CDSL in February 1999 with the objective of providing convenient, dependable and secure depository services at affordable cost to market participants.

Pursuant to SEBI regulations, we are required to bring down our stake in CDSL to 24% by March 31, 2017. We offered to divest 4.15% stake in CDSL to LIC in August 2016. We propose to dilute our remaining stake in CDSL to the required level through CDSL IPO through Offer for Sale to allow us to reduce our ownership interest in CDSL as per the timeline mandated by SEBI. However, we expect that, after reducing our stake in CDSL, we will no longer exercise control over CDSL. There is no guarantee that we will be able to successfully reduce our stake in CDSL in line with SEBI's timeline, or on terms that we consider satisfactory. For a description of the risks associated with a potential reduction in our ownership interest in CDSL, see "*Risk Factors—Changes in Regulations Concerning CDSL may have a material adverse effect on us*". For a

description of the impact that a potential reduction in our ownership in CDSL would have on our financial positions and financial results, see "*Risk Factors—The Pro Forma Financial Information included in this Draft Red Herring Prospectus is presented for illustrative purposes only and may not be indicative of our financial condition or results of operations*" and "*Management's Discussion and Analysis of Financial Conditions and Results of Operations—Factors Affecting our Results of Operations—Joint Ventures, Amalgamations and Divestments, including the Potential Disinvestment in CDSL—Reduction of our stake in CDSL*".

Data Products Business

We provide data products to market participants as well as third parties, such as data vendors and media companies. We categorize our data products as market data, corporate data (including corporate actions through SWIFT) and historical and end of day data.

Our market data products include data based on equities, equity derivatives, indices, fixed income securities, currency derivatives and interest rate futures. The data is available as real time feeds or in delayed time intervals. The data that we provide includes information such as high and low bids and the open, high, low and latest trade value for products traded on our exchange.

Our corporate data products include corporate announcements, results, shareholding patterns and corporate actions. These are made available to subscribers in real-time as and when the information is made available to us. Corporate data also includes corporate actions through the SWIFT network, whereby listed companies subject corporate action details to us and when then make available information regarding those actions to market participants and data vendors, such as custodians and clearing banks.

We entered into an agreement with Deutsche Boerse in October 2013 under which Deutsche Boerse act as the licensor of BSE market data and information to all international clients. Under the terms of the agreement, Deutsche Boerse is responsible for the sales and marketing of all BSE market data products to customers outside India, while we are directly responsible for the sale and market of BSE market data products within India. For more information, see "Business — Alliances and Joint Ventures — Deutsche Boerse".

Trading Technology

We entered into a strategic technology alliance with Eurex in March 2013, which enabled us to deploy the Eurex new generation trading system, the T7, for trading in various segments. We launched trading in the currency derivatives segment on this new trading platform, BOLT+, in November 2013. The currency derivatives launch was followed by the launch of futures in our interest rate derivatives segment on the new trading platform in January 2014. We migrated our equity derivatives segment to BOLT+ in February 2014, and the Equity Cash segment in April 2014. With the successful migration of our equities, currency derivatives and interest rate derivatives segments to the new trading platform, we now offer market updates to members in real-time based on every order submitted to the exchange. We also offer co-location services and high-speed Ethernet connections for market participants, allowing them low latency trading.

We believe that this technology has allowed us to achieve global standards for speed, reliability and order-handling capacity and, by aligning BSE and the Eurex Exchange markets on a common trading infrastructure, resulted in reduced costs.

Supporting Businesses

Technology

Our supporting technology businesses are Marketplace Technologies Private Limited and Marketplace Tech Infra Services Private Limited. Marketplace Technologies Private Limited is a 100% subsidiary of the exchange and Marketplace Tech Infra Services Private Limited is a 100% subsidiary of Marketplace Technologies Private Limited. Both entities provide brokers and other market participants with IT products focused on the securities, commodities and financial sectors. Our goal in providing these IT products to our customers is to leverage on our strengths by facilitating trading on the BSE.

To this end, we, through the products of Marketplace Technologies Private Limited, provide a number of specific technologies that are designed to facilitate trading in a number of ways. We provide an order management system available in two formats (i) a cloud-hosted platform through BOLT+ on Web and (ii) a member-hosted platform through FasTrade. BOLT+ on Web and FasTrade are real-time trading tools, which allow a user to watch market prices and execute orders in multiple exchanges and markets instantaneously

through real time price streaming. BOLT+ on Web is an empanelled vendor for BSE, NSE, Metropolitan Stock Exchange of India ("**MCX**") and National Commodity Derivatives Exchange ("**NCDEX**"), which means that brokers who use BOLT+ on Web can trade on all of the BSE, MCX and NCDEX. It is also accessible through a wide variety of internet and other connectivity mediums, is available in three formats (software application as installed on a PC, web browser and mobile) and has a built in administrative, dealer and client risk management module. FasTrade is an empanelled vendor for BSE, NSE, MCX and NCDEX across all exchange segments (equity, derivative, commodity and currency), and is integrated with leading banks, depository participants and beneficial owners.

Index Products

Trading in equity indices on the BSE covers 30 indices across various themes. Our flagship equity index is the S&P BSE SENSEX. Launched in 1986, the S&P BSE SENSEX is an index based on 30 BSE-listed large, well established and financially sound companies across key sectors of the Indian economy and serves as one of the barometers for India's financial market condition. In co-operation with the BRICS Exchanges Alliance, the S&P BSE SENSEX has been listed for trading of derivatives on stock and futures exchanges in Brazil, Russia, Hong Kong and South Africa. Similarly, the benchmark indices of those countries' stock exchanges have been listed on the BSE, thereby enhancing the international dimension of the BSE and simultaneously giving local investors greater access and exposure to key international markets. Additionally, options and futures based on the S&P BSE SENSEX are also listed and traded on Eurex and Dubai Gold and Commodities Exchange. In addition to the S&P BSE SENSEX, we track five other broad-market indices which cover small enterprises, medium enterprises and roughly the largest 100, 200 and 500 BSE-listed companies. We also track sector-specific indices covering 13 industries including metals, oil and gas, capital goods, health care, power, technology, finance and others, 1-month, 2-month and 3-month volatility indices, thematic indices for Shariah-, carbon- and environmentally-conscious investors and investment-strategy indices that offer investors both dollar-linked versions of certain of our broad-market indices, including S&P BSE SENSEX, as well as IPO-linked indices to track the current primary market conditions in the Indian capital markets.

In February, 2013, we and S&P Dow Jones Indices announced a joint venture to co-brand, calculate, disseminate, and license BSE indices. The partnership, which aims at catering to the South Asian region as a major operational hub to support clients globally, has culminated in the formation of a new India-based joint venture, Asia Index Pvt. Ltd, in which we have a 50% interest. Asia Index Pvt. Ltd licenses its indices as the basis for a wide range of financial instruments. Licensing an index allows an organization to track the performance of publicly-available securities or develop benchmarks for an actively-managed portfolio. S&P BSE indices are currently licensed for use by entities that track annuities and insurance products, indexed funds, structured products and derivatives.

We, through Asia Index Pvt. Ltd, also offer a wide range of index data subscriptions across asset classes that provide current and historical data on individual securities in developed and emerging markets around the world. These data packages are designed for clients who require consistent measures of capital market performances and who need underlying data on component securities.

Investors, asset managers and financial institutions use our index data to measure market movements. Data packages are available for global, country, region, sector and style index levels. Index constituent data includes company names, identifiers, market capitalization, weights, prices and style scores.

The BSE indices have also been co-branded as "S&P" including the S&P BSE SENSEX, the S&P BSE 200 and the S&P BSE 100.

Training

The BSE Institute Ltd. ("**BIL**"), our wholly-owned subsidiary, is a vocational training institution specializing in finance and capital markets education. BIL designs and develops course offerings to focus on business process knowledge and practical training, and also conducts certification programs for market professionals in the Asian, African and Middle East regions.

BIL offers courses on topics such as portfolio risk analysis, Islamic finance, mergers and acquisitions, foreign exchange risk management, basic and advanced courses on the stock and derivatives markets and trading using our BOLT+ terminals. BIL also runs custom courses for businesses and colleges.

BIL is also one of the promoter's of the BFSI Sector Skill Council of India, which is formed under the aegis of National Skill Development Corporation ("**NSDC**") and strives to complement the existing vocational education system in meeting the entire value chain's requirements of appropriately trained manpower on a sustained and evolving basis by creating standardized skill requirements and disseminating training to address these specific skill requirements. BIL also entered into a joint venture with Ryerson Futures Inc., Canada in March 2014 to promote start-ups and develop entrepreneurship skills through its joint venture company, Zone Startups India.

CSR Portal

We developed BSE Sammaan, our wholly-owned subsidiary, in partnership with the Indian Institute of Corporate Affairs ("**IICA**"), a body under the Ministry of Corporate Affairs and the Confederation of Indian Industries through Sammaan.

Sammaan provides an online portal for "matching" of corporate social responsibility initiatives, through which corporations can choose from a variety of verified non-profit organizations and NGOs to find suitable corporate social responsibility projects. These NGO programs cater to various sectors, including the education, livelihood, health and agricultural sectors. All listed, as well as unlisted, corporations can access Sammaan's website to view and transact with the non-profit organizations and NGOs.

Alliances and Joint Ventures

Corporate Governance Scorecard

In January 2016, we and the International Finance Corporation, a member of the World Bank Group, agreed to develop a corporate governance scorecard, which will help companies assess their corporate governance performances against national or international-benchmarked practices. By using the scorecard, companies can identify areas of further improvement and track their progress over time. Companies can use it to make board processes more efficient, improve strategy, aid decision making and manage risks.

S&P Dow Jones

In February, 2013, we and S&P Dow Jones Indices announced a joint venture to co-brand, calculate, disseminate, and license BSE indices. The partnership, which aims at catering to the South Asian region as a major operational hub to support clients globally, culminated in the formation of a new India-based joint venture, Asia Index Pvt. Ltd, in which we have a 50% interest. Asia Index Pvt. Ltd licenses its indices as the basis for a wide range of financial instruments. Licensing an index allows an organization to track the performance of publicly-available securities or develop benchmarks for an actively-managed portfolio. Asia Index Pvt. Ltd indices are currently licensed for use by entities that track annuities and insurance products, indexed funds, structured products and derivatives. For more information, see "Supporting Businesses—Index Products".

Deutsche Börse

We entered into an agreement with one of our shareholders, Deutsche Börse, in October 2013 in which Deutsche Boerse acts as the licensor of BSE market data and information to international clients. Under the terms of the agreement, Deutsche Boerse is responsible for sales and marketing of all BSE market data products to customers outside India, while we continue to serve our domestic clients. Deutsche Boerse also shares the responsibility along with us for product development and innovation, which includes extending its existing infrastructure and creation of new, market data solutions and infrastructure to support our product offerings. Deutsche Boerse commenced the marketing of BSE market data products to international customers in April 2014.

BRICS Exchange Alliance

In March 2012, we entered into an alliance with exchanges in each of the "BRICS" nations (in addition to India, these are Brazil, Russia, China and South Africa) (the "**BRICS Exchange Alliance**"). In addition to the BSE, the members of the BRICS Exchange Alliance are BM&FBOVESPA S.A. (the operator of the former Sao Paulo Stock Exchange and Brazilian Mercantile and Futures Exchange), the MICEX-RTS Group (the Russian stock and derivatives exchange), Hong Kong Exchanges and Clearing Limited (the holding company of the operators of the Hong Kong stock and futures exchanges and their associated clearing corporations), and the Johannesburg Stock Exchange. The BRICS Exchange Alliance provides us with the ability to cross-list futures based on the

flagship indices of each of these exchanges, and allows us to list futures based on Brazil's Bovespa Index, Russia's MICEX Index, Hong Kong's Hang Seng Index and Hang Seng China Enterprises Index and South Africa's FTSE/JSE Top 40 Index. We receive half of the revenue derived from the trading of the other exchanges' indices on the BSE, as well as half of the revenue derived from the trading of the S&P BSE SENSEX on the other exchanges.

Dubai Gold and Commodities Exchange

In October 2011, we entered into an index license agreement with the Dubai Multi Commodities Centre ("DMCC"), which owns the Dubai Gold and Commodities Exchange ("DGCX"). Under the agreement, BSE has granted the DMCC certain rights to list, issue, clear and/or promote financial instruments such as options, futures and options on futures in relation to the SENSEX Index. The agreement also allows DMCC to use the SENSEX mark in its marketing efforts. In return, BSE receives a royalty for the use of such BSE products and BSE trademarks.

The DGCX SENSEX Futures, a futures contract based on the S&P BSE SENSEX, was launched under this agreement and is traded on the DGCX. The DGCX SENSEX targets retail participants, including non-resident Indians across the world, existing DGCX members focused on retail offerings, the non-resident Indian desks of brokers, professional traders trading and arbitraging Indian markets offshore and large foreign institutional investors seeking exposure to Indian equity markets.

Korea Exchange

We and the Korea Exchange ("KRX") signed a memorandum of understanding ("MOU") in April 2016, pursuant to which BSE and KRX will conduct joint research in areas such as the derivatives markets, support each other in the development of new products and cooperate in information technology. The co-operation extends to investor relation activities of cross-listed products and cross-border supervision and enforcement pertaining to market link-up and cross-listed products.

Bank of New York Mellon

We signed a non-binding MOU with the Bank of New York Mellon in January 2015. As per this MOU, the Bank of New York Mellon will work with BSE to provide collateral management solutions to enable investors to provide collateral which is traded outside of India to the BSE. We expect that a collateral management solution involving the Bank of New York Mellon as a tri-party agent would make it easier for foreign investors to invest in Indian markets and to reduce their costs of collateral and trading.

Clearstream

We entered into an agreement with Clearstream, a major international central securities depository, to collaborate on collateral management in July 2015. The agreement links our clearing corporation to Clearstream's integrated collateral management system, the Global Liquidity Hub, to manage margin requirements of members. This enables clearing members in our clearing corporation to manage ICCL margin requirements resulting from trades executed on our exchange with the Global Liquidity Hub. Collateral can be pooled at the Global Liquidity Hub from assets held at Clearstream and partner agent banks to avoid bottlenecks in the sourcing of collateral to meet our clearing corporation's margin requirements. This link to the collateral management system of Clearstream enables foreign investors trading on our exchange to deposit and use AAA-rated foreign sovereign bonds as collateral towards their margin requirements at our clearing corporation. This setup is based on guidelines prescribed by RBI and SEBI, the objective of which aim to strengthen the stability of Indian capital markets through the use of high-quality collateral for risk management purposes and to facilitate access to the Indian capital markets for foreign investors.

Corporate Social Responsibility

We instituted a CSR policy which is aligned to our goal of facilitating educational and financial inclusion and job creation. Our CSR policy focuses on promoting education and employment enhancing vocation skills among various social and demographic groups, including, children, women, elderly, and the differently abled and promoting technology incubators, including those established as non-academic technology business incubators, as permitted under Companies Act, 2013 and various guidelines issued thereunder.

In line with the Companies Act, 2% of our average net profit in the previous three years is allocated towards CSR activities and any surplus arising out of the CSR projects or programs or activities do not form part of our

profits. We and certain of our Group Companies have established a not-for profit entity “BSE CSR Integrated Foundation” to carry out CSR activities on our behalf.

In the past we have carried out CSR activities, including contributions towards technology incubator, donation of income earned on investments to Indian Cancer Society.

Properties

Our Registered Office is located at 25th Floor, P. J. Towers, Dalal Street, Mumbai 400001. In addition to our principal office, we also hold freehold title to the following key properties:

1. P. J. Towers, located at Dalal Street, Mumbai 400001;
2. Rotunda Building, located at Dalal Street, Mumbai 400001;
3. Cama Building, located at Dalal Street, Mumbai 400001;

Employees

As of June 30, 2016, we had 506 employees, all of whom we employ in India. Our employees are represented by the Stock Exchange Employees Union and as of June 30, 2016, we have not experienced any significant labour disputes in recent years.

The following table illustrates the breakdown of the numbers of our employees by function as of the dates indicated.

	As of June 30,	As of December 31,		
	2016	2015	2014	2013
Top Executives.....	6	5	5	5
Senior Management.....	25	21	19	17
Middle Management	154	119	119	125
Junior Management	197	161	162	143
General Staff	124	125	163	164
Total	506	431	468	454

In addition to our own employees, we also involve additional workers who are hired on a contract labour basis through registered contractors for ancillary activities such as security, housekeeping and other backend services.

Training and Development

We provide training on a range of topics including our products and services, market developments in India, ethical and responsible conduct, health and safety in the workplace, technical and language skills, leadership and interpersonal effectiveness and career development. We utilize in-house resources, including through BIL, as well as external sources, including various public seminars and conferences for training purposes.

Employee Benefits

We offer our employees defined-benefit plans in the form of a gratuity scheme, which are paid in a lump-sum amount. Benefits under the defined benefit plans are typically based on years of service and the employee's compensation, which is generally determined immediately before retirement. The gratuity scheme covers substantially all regular employees. Commitments are actuarially determined at year-end. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees.

Intellectual Property

We own or have licensed rights to trade names, trademarks, domain names and service marks that we use in conjunction with our operations and services.

Trademarks and service marks — Our most significant brand names and logos relate to "BSE Limited", "BSE" and the BSE globe logo, all of which have been registered as its trademarks and service marks in India and certain other Asian countries.

Copyright — our copyrights relates principally to publications on our website and all other print media, real-time and historical market information and the commercial use of such information.

Domain names — the domain name "www.bseindia.com", is registered in the name of BSE.

As we are heavily dependent on information technology, we rely on a large amount of licensed software. Among these, the key licenses that are or that will be relied on by us include our trading platform licenses from Deutsche Boerse and Eurex. We further rely on a combination of trademarks, service marks, and contractual restrictions to establish and protect our brand names and logos, and intellectual property works eligible for copyright.

For further details of our intellectual property rights, see "*Governmental and Other Approvals—Intellectual Property*".

Marketing

Our marketing strategy is designed to attract new members to our exchanges as well as new issuers and investors, improve standards of communication between members, issuers and investors, and promote the development of the Indian capital markets and investment culture, corporate governance standards and social responsibility of listed companies.

In support of these aims, we have a marketing team which organises events, as well as radio, internet and television advertising, and otherwise supports the marketing initiatives of each of our business divisions by working with each division to plan marketing campaigns, events and seminars.

We engage in marketing and promotion activities in India and abroad. We aim to effectively communicate with the investor community in India and internationally through one-on-one meetings with investment banks and potential market participants. In particular, our marketing efforts in India with respect to equities aim to increase the number of Indian companies that have a primary and/or secondary listings on our securities market.

Suppliers

Our operations depend on suppliers of IT equipment, licences and data transmission services. We rely primarily on the services of several key suppliers, although we aim to diversify our suppliers to mitigate the associated risk.

Our current key suppliers include data suppliers, telecommunications suppliers and software providers. In particular, Eurex provides us with our new trading architecture, which is critical to the functionality of our trading systems.

Customers

Our customers vary based on our line of business. For our markets business, our customers are primarily the members of the various segments of our exchange, as well as market participants who buy and sell securities and derivative products. For our listing business, our customers are primarily issuers of securities. For our data business, our customers are primarily information aggregators and suppliers, who charge their end users subscription fees for data, as well as trading participants, funds, ETF providers and analysts.

Competition

There are two primary securities exchange in India, namely us and the National Stock Exchange of India Limited ("NSE"). Aside from the NSE, we also face competition from MCX. Primary sources of competition are as follows:

- our securities market division competes primarily with stock exchanges in Asia who seek to attract Indian issuers;
- our derivatives market competes primarily with the NSE market, which is significantly larger than us in terms of derivatives trading; and
- the international exchange that we are developing at GIFT City will compete directly with foreign exchanges for the listing of securities issued by foreign companies.

Insurance

We have insurance policies to cover our assets against losses from fire, burglary, machinery break down, transit and other risks to our properties. We also maintain insurance policies against third party liabilities, including a commercial general liability policy, director and officer liability, professional indemnity, system failure, and a cyber-risk protection policy, each with worldwide coverage. In addition to third party liability policies, we also have a crime policy which covers direct finance loss of BSE Limited. In addition to the above, we also have Group Health Insurance Policy, Group Term Life Insurance Policy and Group Personal Accident Policy covers its employees for the benefit of our employees, employment practices liability insurance, and such other insurance policies as required by applicable law and/or contract. ICCL has taken a counterparty default insurance to protect itself against counterparty defaults. CDSL has also taken insurance to indemnify loss due to claim on its depository services.

Legal Proceedings

For a description of legal proceedings to which we are a party, see "*Outstanding Litigation and Material Developments*".

REGULATIONS AND POLICIES IN INDIA

The following description is a brief summary of certain relevant regulations and policies as prescribed by SEBI, the central and state governments in India that are applicable to the Exchange and its business and certain regulatory proposals which, as and when notified, may be applicable to the Exchange and its business. The information detailed in this section has been obtained from publications available in the public domain. The regulations set out below are not exhaustive, and are only intended to provide general information to the Bidders and are neither designed nor intended to be a substitute for professional legal advice. Taxation statutes such as the Income Tax Act, 1961, the Central Sales Tax Act, 1956, the Customs Act, 1962, the Finance Act, 1994 and the Maharashtra Value Added Tax Act, 2002 and applicable shops and establishments' statutes apply to us in India as they do to any other Indian company. The statements below are based on the current provisions of applicable law, and remain subject to judicial and administrative interpretations thereof, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

1. **Securities and Exchange Board of India, 1992 (“SEBI Act”)**

The SEBI Act, among other things deals with the powers and functions of the SEBI. The broad functions of SEBI include a) to protect the interest of investors investing in securities and b) to regulate and promote the development of the securities market, by such measures as it thinks fit. In relation to stock exchanges, the SEBI Act, entrusts upon SEBI the power to a) regulate the business in stock exchanges and any other securities markets, b) call for information, inspect, conduct inquiries and audit of the stock exchanges and c) by an order, for reasons to be recorded in writing, in the interests of investors or securities market, either pending investigation or inquiry or on completion of such investigation or inquiry, take among others, measures to suspend any office-bearer of any stock exchange or self-regulatory organisation from holding such position.

2. **Securities Contract (Regulation) Act, 1956 (“SCRA”)**

In relation to stock exchanges, the SCRA, among others, deals with regulation, registration, corporatisation and demutualisation, authority of the stock exchanges to make and amend bye-laws, the authority of SEBI to amend and direct certain laws relating to and conditions relating to listing and delisting of securities.

Under the SCRA, any stock exchange seeking recognition may make an application to SEBI. SEBI is empowered to grant recognition to a stock exchange, subject to satisfaction of certain conditions including the rules and bye-laws of the stock exchange being in conformity with prescribed conditions and it is in the interest of trade and in public interest to grant such recognition.

All stock exchanges are required to be corporatised and demutualised in accordance with the provisions of SCRA. Further, the SCRA empowers a recognised stock exchange to make rules and amend the same, subject to the approval of SEBI and publication of the same in the official gazette, for matters such as restriction of voting rights to members only in respect of any matter placed before the stock exchange at any meeting, regulation of voting rights in respect of any matter placed before the stock exchange at any meeting so that each member may be entitled to have one vote only, irrespective of his share of the paid-up equity capital of the stock exchange, restriction on the right of a member to appoint another person as his proxy to attend and vote at a meeting of the stock exchange, and other incidental, consequential and supplementary matters.

The SCRA also empowers a recognised stock exchange, subject to the previous approval of SEBI, to make bye-laws for regulation and control of contracts. Such bye-laws may provide for among others a) the opening and closing of markets and the regulation of the hours of trade; b) a clearing house for the periodical settlement of contracts and differences thereunder, the delivery of and payment for securities, the passing on of delivery orders and the regulation and maintenance of such clearing house; c) the regulation or prohibition of blank transfers; d) the number and classes of contracts in respect of which settlements shall be made or differences paid through the clearing house; e) the regulation, or prohibition of *budlas* or carry-over facilities; f) the fixing, altering or postponing of days for settlements; g) the determination and declaration of market rates, including the opening, closing highest and lowest rates for securities; h) the method and procedure for the settlement of claims or disputes, including settlement by arbitration; i) the levy and recovery of fees, fines and penalties; j) the regulation of dealings by members for their own account; k) the separation of the functions of jobbers and brokers; l) the terms, conditions and incidents of contracts, including the prescription of margin requirements, if any, and conditions relating thereto, and the

forms of contracts in writing; and m) the limitations on the volume of trade done by any individual member in exceptional circumstances.

Under the provisions of the SCRA, SEBI has the authority to withdraw the recognition granted to a stock exchange in the interest of trade or public interest, subject to the condition that the withdrawal of recognition must not affect the validity of any contract entered into or made before the date of the notification of withdrawal. SEBI is also empowered under the SCRA to suspend the business of recognised stock exchanges, if it is of the opinion that an emergency has arisen, accordingly for the purpose of meeting the emergency it can by notification in the official gazette, by stating reasons therein, direct a recognised stock exchange to suspend of its business for such period not exceeding seven days and subject to such conditions as may be specified in the notification, and, if, in the opinion of SEBI, the interest of the trade or the public interest requires that the period should be extended, it may, by similar notification extend the said period from time to time.

Further, SEBI is empowered to inspect or call for information relating to the affairs of a recognised stock exchange, declare contracts in certain areas illegal in certain specific circumstances and prohibit contracts in certain cases. Furthermore, the SCRA empowers SEBI to nominate one or more persons as members of the governing body of every recognised stock exchange. Such member(s) shall enjoy the same status and powers as other members of the governing body of such recognised stock exchange. The provisions of the SCRA, also enables SEBI to make enquiries and issue directions to prevent the affairs of any recognised stock exchange, being conducted in a manner detrimental to the interests of investors or securities market or to secure the proper management of any stock exchange. SEBI is also empowered to direct that rules be made and also make rules applicable on stock exchanges.

Every recognised stock exchange is under an obligation to furnish to SEBI within specified timelines, such periodical returns relating to its affairs as is prescribed under SCRA and annual reports consisting particulars as may be prescribed. The recognised stock exchange and its members are also obligated to maintain and preserve books of accounts and other documents as prescribed for a period not exceeding five years.

The SCRA also provides for various penalty provisions, including penalty on a recognised stock exchange, wherein a penalty of ₹ 0.5 million to ₹ 25 million may be imposed by SEBI if it fails or neglects to furnish periodical returns to SEBI or fails or neglects to make or amend its rules or bye-laws as may be directed by SEBI or fails to comply with directions issued by SEBI.

3. ***Securities Contracts (Regulation) Rules, 1957 (“SCRR”)***

The SCRR prescribes the format, fees and the procedure to be followed in respect of every application for recognition of a stock exchange and applications for withdrawal of such recognition. The recognition granted to a stock exchange must either be on a permanent basis or for a period as may be specified at the time of recognition, which shall be not less than one year. Three months prior to the expiry of the period of recognition, a recognised stock exchange desirous of renewal of such recognition may make an application to the SEBI.

4. ***Securities Contracts (Regulation) (Stock Exchanges and Clearing Corporations) Regulations, 2012 (“SECC Regulations”)***

The SECC Regulations were notified by SEBI on June 20, 2012 to regulate the recognition, ownership and governance in stock exchanges and clearing corporations. Some of the key features of the SECC Regulations, include:

Obligation to seek recognition

The SECC Regulations provides that no person shall conduct, organise or assist in organising any stock exchange unless he has obtained recognition from SEBI in accordance with the SCRA and SCRR.

Net worth of stock exchanges

The SECC Regulations mandates that the minimum net worth for stock exchanges shall at all times be ₹ 1,000 million. The recognised stock exchanges cannot distribute profits to its shareholders in any manner until the mentioned net worth is achieved.

Fit and proper person criteria

The SECC Regulations provides that no person shall, directly or indirectly, acquire or hold equity shares of a recognised stock exchange unless he is a fit and proper person. For the purposes of the SECC Regulations, a person is deemed to be a fit and proper person if:

- 1) such person has a general reputation and record of fairness and integrity, including but not limited to:
 - a. financial integrity;
 - b. good reputation and character; and
 - c. honesty
- 2) such person has not incurred any of the following disqualifications:
 - a. such person, or any of its whole time directors or managing partners, have been convicted by a court for any offence involving moral turpitude or any economic offence or any offence against the securities laws;
 - b. an order for winding up has been passed against such person;
 - c. such person, or any of its whole time directors or managing partners, have been declared insolvent and have not been discharged;
 - d. an order, restraining, prohibiting or debarring such person, or any of its whole time directors or managing partners, from dealing in securities or from accessing the securities market, has been passed by SEBI or any other regulatory authority, and a period of three years from the date of the expiry of the period specified in the order has not elapsed;
 - e. any other order against such person, or any of its whole time directors or managing partners, which has a bearing on the securities market, has been passed by SEBI or any other regulatory authority, and a period of three years from the date of the order has not elapsed;
 - f. such person has been found to be of unsound mind by a court of competent jurisdiction and the finding is in force; and
 - g. such person is financially not sound.

In case if any question arises as to whether a person is a fit or a proper person, the SECC Regulations provides that SEBI's decision on such question shall be final.

Shareholding of stock exchanges

With respect to the shareholding, the SECC Regulations mandates that at least 51% of the paid up equity share capital of a recognised stock exchange should be held by the public, where subject to certain exceptions, public has been defined to include any member or section of the public but does not include any trading member or clearing member or their associates and agents. Further, no person resident in India can at any time, directly or indirectly, either individually or together with person acting in concert, acquire or hold more than 5% of the paid up equity share capital in a recognised stock exchange subject to certain exceptions. In the event, the shareholding of any person who, directly or indirectly, either individually or together with persons acting in concert, acquires equity shares such that his shareholding exceeds 2% of the paid up equity share capital of a recognised stock exchange, the approval of SEBI would be required to be sought within 15 days of such acquisition in such form and format, through the stock exchange, as prescribed in SEBI circular (number *CIR/MRD/DSA/33/2012*) dated December 13, 2012. If SEBI does not grant its approval, then such person will be required to forthwith divest his excess shareholding.

The SECC Regulations permits stock exchanges, depositories, banking companies, insurance companies, and public financial institutions to acquire or hold, up to 15% of the paid up equity share capital of a recognised stock exchange, provided that such entities are domestic entities. However, if the shareholding of such entities exceeds 5% but does not exceed 15% of the paid equity share capital of a recognised stock exchange, then prior approval of SEBI would be required to be made in in such form and format, through the stock exchange, as prescribed in SEBI circular (number *CIR/MRD/DSA/33/2012*) dated December 13,

2012. If SEBI does not grant its approval, then such person will be required to forthwith divest his excess shareholding.

In addition to the above, no person resident outside India, directly or indirectly, either individually or together with persons acting in concert, shall acquire or hold more than 5% percent of the paid up equity share capital in a recognised stock exchange.

The SECC Regulations further states that, subject to the limits as otherwise prescribed by the Central Government from time to time, the combined holding of all persons resident outside India in the paid up equity share capital of a recognised stock exchange cannot exceed, at any time, beyond forty-nine percent of its total paid up equity share capital of the recognised stock exchange. An FPI is restricted to acquire shares in the recognised stock exchange, except otherwise than through the secondary market.

The SECC Regulations restricts clearing corporations from holding any right, stake or interest, of whatsoever nature, in any recognised stock exchange.

Composition of the governing board of a stock exchange

The governing board of every recognised stock exchange should include shareholder directors, public interest directors and a managing director. Subject to the prior approval of SEBI, the chairperson would be elected by the governing board from among the public interest directors. The SECC Regulations read with the SEBI circular (number *CIR/MRD/DSA/33/2012*) dated December 13, 2012 and SEBI circular (number *SEBI/HO/MRD/DSA/CIR/P/2016/30*) dated January 22, 2016 further prescribe various other requirements with respect to the governing board to ensure that there is no conflict of interest, including:

- (a) The number of public interest directors should not be less than the number of shareholder directors in a recognised stock exchange.
- (b) The managing director should be an ex-officio director on the governing board, and should not be included in either the category of public interest directors or shareholder directors.
- (c) Any employee of a recognised stock exchange may be appointed to the governing board in addition to the managing director, and such a director would be deemed to be a shareholder director.
- (d) No trading member (or its associate(s) and agent(s)) irrespective of the stock exchange of which they are members, should be on the governing board of any recognised stock exchange.
- (e) At least one public interest director should be present in the meetings of the governing board to constitute the quorum; and
- (f) No foreign portfolio investor shall have any representation in the governing board of a recognised stock exchange.

Listing of securities

Subject to the provisions of applicable laws in force, a recognised stock exchange may apply for listing of its securities on any recognised stock exchange, other than itself and its associated stock exchange, if,-

- (a) it is compliant with the provisions of the SECC Regulations particularly those relating to ownership and governance;
- (b) it has completed three years of continuous trading operations immediately preceding the date of application of listing; and
- (c) it has obtained approval of SEBI.

5. SEBI circular dated January 1, 2016

The SEBI circular (number *CIR/MRD/DSA/01/2016*) dated January 1, 2016 (“**2016 Circular**”) provides among others, the procedures for ensuring compliance with the SECC Regulations by the listed stock exchanges. In this regard, the 2016 Circular provides for:

(a) ensuring holding of 51% by public at all times by the listed stock exchange:

- i. the listed stock exchange is required to disseminate the details of its shareholding with category wise breakup, on a continuous basis, on its website. Similarly, the stock exchange where the shares are listed, is also required to display the above information;
- ii. the depositories are required to put in place the necessary system to ensure that the shareholding of trading members or their associates and agents does not exceed 49%. For this purpose, the depositories are required to put in place systems for capturing the shareholding data of trading members or their associates and agents and ensure that there is a mechanism for coordination between the depositories towards sharing of information. The depositories are also required to monitor the aggregate shareholding limit of the trading members or their associates and agents based on their demat balance, on a daily basis, at the end of the day. The stock exchange where the shares are listed, is also required to share a list of all trading members or their associates and agents with the depositories to facilitate monitoring of demat balances;
- iii. the trading members or their associates and agents are required to obtain prior approval of the listed stock exchange for further acquisition of shares, once the aggregate shareholding of the trading members or their associates and agents crosses the limit of 45%. The trading members or their associates and agents are required to refer to the shareholding pattern under the category of trading members or their associates and agents, to determine/ascertain the available head room before placing the order;
- iv. in the event of trading members or their associates and agents making purchases without requisite approval as stated above, the depositories are required to initiate consequential action such as freezing of voting rights and all corporate benefits in respect of such shareholding till the time the same is divested; and
- v. the divestment of any excess shareholding beyond the specified limit is required to be done through a special window provided by the stock exchange where the shares of the stock exchange are listed.

(b) ensuring that all shareholders are 'fit and proper'

- i. in the pre-listing scenario, the stock xchange coming out with a public offering is required to include a declaration in the application form stating that the applicant is fit and proper in terms of Regulation 19 and 20 of the SECC Regulations;
- ii. in the post listing scenario, the text of the applicable regulation with regard to fit and proper is required to be made part of the contract note;
- iii. the listed stock exchange is required to undertake all measures to make investors aware of the requirement of fit and proper criteria for being its shareholders as specified the SECC Regulations;
- iv. the listed stock exchange and the stock exchange where the shares are listed are required to notify on their website that the shares of the listed stock exchange shall only be dealt by fit and proper persons as per Regulation 19 and 20 of the SECC Regulations;
- v. in case of acquisition of shares by the person who is found not fit and proper, the voting rights and all corporate benefits with respect to such shareholding is required to be frozen by depositories until the same is divested through the special window;
- vi. the listed exchange is required to submit to SEBI on a quarterly basis an exceptional report regarding the shareholders who are not fit and proper and action taken thereof.

(c) Ensuring that shareholders holding shares above 2% are fit and proper:

in addition to the criteria mentioned at para (b) above, on acquisition of shares above 2%, provisions of the SECC Regulations shall apply i.e. those acquiring more than 2% will have to seek approval of SEBI within 15 days of such acquisition as per the provisions of the SECC Regulations and those intending to acquire beyond 5% as per the provisions of the SECC Regulations will have to seek prior approval of SEBI.

(d) Ensuring shareholding threshold of 5% or 15% as the case may be in terms of SECC Regulations

- i. the depositories are required to put in place a mechanism to ensure that no shareholder of listed stock exchange gets credit of shares beyond 5% or 15%, as applicable. The depositories are required to generate an alert when such holding exceeds 2% and monitor the same under intimation to SEBI;
- ii. the depository is required to inform the listed stock exchange as and when threshold limit is breached and take consequential action such as freezing of voting rights and all corporate actions in respect of such excess holding till the same is divested through the special window.

6. ***SEBI Circular dated August 27, 2014 on Core Settlement Guarantee Fund, Default Waterfall and Stress Test and SEBI circular dated May 4, 2016 on Transfer of Profits***

The SEBI circular *CIR/MRD/DRMNP/25/2014*, dated August 27, 2014 (“**SGF Circular**”) provides for formulating a core settlement guarantee fund (“**Core SGF**”) by clearing corporations for each segment of the stock exchanges. The Core SGF is created with the objective that in the event a clearing member fails to honour settlement commitments, the Core SGF shall be used to fulfil the obligations of that member and complete the settlement without affecting the normal settlement process. The SGF Circular provides that contribution by a stock exchange to Core SGF shall be at least 25% of the minimum required corpus which can be adjusted against transfer of profit by a Stock Exchange as per Regulation 33 of SECC Regulations. Further the SEBI circular *SEBI/HO/MRD/DRMNP/CIR/P/2016/54*, dated May 4, 2016 provides that the unutilized portion of contribution made by the stock exchange towards the Core SGF, for any segment(s), maintained by the clearing corporation, as available with the clearing corporation, shall be refunded to the stock exchange, in case the stock exchange decides to close down its business or decides to avail the clearing and settlement services of another clearing corporation for that segment(s), subject to it meeting all dues of the clearing corporation.

Certain Regulatory Proposals

1. ***SEBI discussion paper on 'Strengthening of the Regulatory framework for Algorithmic Trading & Co-location'***

In order to examine the options to allay the fear and concern of unfair and inequitable access to the trading systems of the exchanges, SEBI has issued a discussion paper on ‘Strengthening of the Regulatory framework for Algorithmic Trading & Co-location’. This discussion paper aims at consulting with the market participants and seeks their views on the efficacy and need to introduce the following mechanisms in the markets:

- Minimum Resting Time for Orders;
- Frequent Batch Auctions;
- Random Speed Bumps or delays in order processing / matching;
- Randomization of orders received during a period (say 1-2 seconds);
- Maximum order message-to-trade ratio requirement;
- Separate queues for colo orders and non-colo orders (2 queues); and
- Review of Tick-by-Tick data feed

2. *Cabinet increases the limit for foreign investment in Stock Exchanges from 5% to 15%*

The Union cabinet, pursuant to the press release dated July 27, 2016 has given its approval for raising foreign shareholding limit from 5% to 15% in Indian stock exchanges for stock exchanges, depositories, banking companies, insurance companies and commodity derivative exchanges. The Union cabinet has also approved the proposal to allow foreign portfolio investors to acquire shares through initial allotment, besides secondary market, in the stock exchanges.

HISTORY AND CERTAIN CORPORATE MATTERS

History of the Exchange

A resolution was passed by certain Bombay brokers on July 9, 1875 to form an association for protecting the character, status and interest of Native share and stock brokers and for providing a hall or building for the use of the members of the association. Subsequently, by an indenture dated December 3, 1887, the Native Share and Stock Brokers Association was formally constituted.

In 1957, the Exchange became the first stock exchange to be recognised by the Indian Government under SCRA.

Demutualisation Scheme

Pursuant to the requirements of SCRA, the Exchange submitted the Demutualisation Scheme to SEBI for approval. SEBI, by way of its order dated May 20, 2005 approved the Demutualisation Scheme, with certain modifications. Pursuant to the Demutualisation Scheme, the Exchange was corporatised and demutualised. The salient features of the Demutualisation Scheme included, incorporation of a company limited by shares under Section 12 of the Companies Act, 1956, segregation of ownership and management of the incorporated company from the trading rights of its members and ensuring that at least 51% of the corporatised and demutualised company was held by the public other than shareholders holding trading rights. Subsequently, the Exchange had requested SEBI for an extension of time to ensure that at least 51% of the corporatised and demutualised entity was held by the public other than shareholders holding trading rights. SEBI acceded to the Exchange's request on May 11, 2006 granting the Exchange an extension of 12 months. In order to ensure compliance with the Demutualisation Scheme, the Exchange entered into a share purchase agreement dated April 13, 2007 with (a) certain shareholders (being trading members), who had participated in an offer process of the Exchange to tender their shares to be sold; and (b) certain purchasers identified by the Exchange who were purchasing shares in accordance with the offer process of the Exchange, to facilitate the sale of 3,443,806 Equity Shares. On May 4, 2007, SEBI provided its approval for the aforesaid sale.

In accordance with the provisions of the Demutualisation Scheme, every member of the Exchange or his nominee (other than the first shareholders, that is, the subscribers to the memorandum), as on the record date, were entitled to 10,000 fully paid-up Equity Shares for cash at par for every membership card held by such members. Further, due to several reasons, including litigation, the membership of certain members was suspended by the Exchange and allotment of Equity Shares to such suspended members were to be held in abeyance till the continuation of such suspension. Subsequently, allotments have been made by the Exchange to certain suspended members, pursuant to revocation of their suspension, from time to time, and as on date, allotment of 18,20,000 Equity Shares to 14 members of the erstwhile The Stock Exchange, Mumbai are still held in abeyance due to continued suspension. For further details on the allotments, please see “*Capital Structure*” on page 80 of this Draft Red Herring Prospectus.

The Exchange was incorporated as a public company under the name “Bombay Stock Exchange Limited” under the provisions of the Companies Act, 1956 on August 8, 2005. Subsequently, in order to leverage brand equity of the BSE brand, the name of the Exchange was changed to “BSE Limited” and received a fresh certificate of incorporation dated July 8, 2011.

The Exchange is a corporatised and demutualised entity, with 9,855 shareholders as on September 6, 2016 which includes two global exchanges as shareholders, Deutsche Boerse and Singapore Exchange.

Details regarding acquisition of business/undertakings, mergers, amalgamation and revaluation of assets

USE Scheme of Amalgamation

As per the scheme of amalgamation of USE with the Exchange and their respective shareholders and creditors, sanctioned by the High Court of Bombay through its order dated April 24, 2015, the entire business and the whole of the undertaking of USE was transferred to the Exchange, as a going concern, with effect from April 1, 2014 and operative from May 14, 2015. The rationale of the scheme was to, amongst others, provide benefits to the shareholders of USE, the shareholders of the Exchange and generally for the interest of the securities market. Pursuant to the scheme, USE’s assets, rights, licenses and powers and all its debts, outstandings, liabilities, duties and obligations were transferred to the Exchange. Pursuant to the scheme, the Exchange issued one Equity Share for every 385 equity shares of USE to every shareholder of USE whose names appeared in register of members of USE and whose names appeared as beneficial owners of equity shares of USE in the records of the depositories as on May 29, 2015. The authorised share capital of the Exchange was increased to ₹ 3,000,000,000 divided into 3,000,000,000 Equity Shares.

This undertaking is effective from September 13, 2013 till the SPDJS Agreement remains effective.

Guarantee dated September 13, 2013 executed by SPDJI in favour of the Exchange

SPDJI has provided a guarantee to the Exchange to ensure the performance of the obligations of SPDJS or any of its affiliates under the SPDJS Agreement from September 13, 2013 till the SPDJS Agreement is effective. In the event of a default by SPDJS in fulfilling its obligations under the SPDJS Agreement, SPDJI is obligated to fulfil or cause to be fulfilled SPDJS' (or its affiliates) obligations within 15 business days of receiving a notice of such default from the Exchange.

New Trading Architecture Software License Agreement dated March 24, 2013 between Eurex Frankfurt AG ("Eurex") and BSE Limited (as amended in November, 2015) ("Eurex Agreement")

The Exchange has entered into the Eurex Agreement for the grant of license in respect of next generation electronic trading system software, documentation and other software ("**Licensed Material**") along with new technology architecture ("**NTA**") for the purpose of operating a trading system for trading on any market place or exchange operated by the Exchange in India ("**BSE Markets**"). The rights granted under the license include the right to i) use the Licensed Material for any of the BSE Markets, ii) to develop, maintain and modify the software and the NTA derivatives for the Indian marketplace, iii) outsourcing the operation and maintenance of the software and NTA derivatives to selected vendors, preapproved by Eurex Frankfurt AG, iv) to use the Licensed Material to offer trading services to the members of the Exchange located outside India in case of change of law.

Pursuant to Eurex Agreement, the Exchange has the right to provide for any name, trademark, logo or other designation to identify the NTA Derivatives as BSE brand in conjunction with an additional designation signifying the use of Licensed Material. Furthermore, BSE grants Eurex a non-exclusive license to use the BSE brand while referring to NTA Derivatives.

Provisions with respect to Intellectual Property Rights

All the rights, titles and interest with respect to the intellectual property in any substantial modifications made to the software or the NTA Derivatives shall exclusively reside with the Exchange. In case any segments of the software are retained in the modifications made by the Exchange, it shall have the non-exclusive right to exploit them without any limitations in the time and territory. Furthermore, the Deutsche Borse group shall have a non-exclusive, perpetual, royalty-free irremovable worldwide license in the NTA Derivatives and modifications made by the Exchange.

Obligation to employ protective measures

The Exchange may provide access to the source code of the software and NTA derivatives only to the selected vendors preapproved by Eurex, subsequent to them entering into a separate security and confidentiality agreement with Eurex.

Indemnification

The Parties have agreed to indemnify and hold harmless each other. Eurex shall indemnify the Exchange from and against any claim or action of infringement of intellectual property of a third party over the Licensed Materials except for the modifications and the alterations made to the Licensed Material by BSE.

The Exchange shall indemnify Eurex against any direct and actual damage caused due to the infringement of Eurex or its affiliate's intellectual property caused due to negligence on the part of the Exchange in implementing protective measures to prevent unauthorized disclosure of Licensed Material or combination, linking or integration of the software or NTA derivatives with open source software that make copyleft terms applicable on the Licensed Material.

Governing law

The Parties have agreed that the agreement shall be governed by the laws of England.

Term

The Parties have agreed that the initial term of the agreement shall be ten years, renewable for seven years at the option of the Exchange upon the expiry of the initial term. Post the expiry of the renewal term, the Exchange shall have the option to acquire a perpetual, irrevocable perpetual license for the Licensed Material subject to compliance with the prescribed terms.

Termination

The Parties have agreed that Eurex shall have the right to terminate the agreement if the Exchange suspends/ postpones/ stops using the software or the NTA Derivatives for a continuous period of one year or declares that it will refrain from using them.

Furthermore, either party may terminate the agreement for any material breach of the terms of the agreement or if the other party is adjudged as insolvent by issuing a notice within two months of occurrence of termination event and failure of the causing party to rectify the infringement.

Other Agreements

In addition to the Eurex Agreement, the Parties have also entered into the following other agreements in relation to the Eurex Agreement:

- i) Index License Agreement between the Exchange and Eurex;
- ii) Non-Disclosure Agreement between the Exchange and Eurex, dated March 25, 2013; and
- iii) New Trading Architecture Software Maintenance Governance and Support Agreement, dated June 5, 2013.

Note: Rebate of Dividend Distribution tax not considered

The amounts paid as dividends in the past are not necessarily indicative of the Exchange's dividend policy or dividend amounts, if any, in the future.

As per the provisions of the Listing Regulations, our Board has through its resolution dated August 9, 2016 approved and adopted the following dividend distribution policy:

“Dividend Policy

The Board has adopted a progressive dividend policy, intending to maintain or grow the dividend each year but, recognising that some earnings fluctuations are to be expected, the annual dividend will reflect the Board's view of the earnings prospects over the entirety of the investment cycle.

In setting the distribution policy and the overall financial strategy, the Board's aim is to continue to strike a balance between the interests of the business, our financial creditors and our shareholders.

Dividend will generally be paid once a year. Dividends for any financial year will generally be paid out of net profit earned during the said year. However, in special circumstances which include maintaining dividend rate, the Board may at its discretion, declare interim dividends and may also declare dividend out of retained earnings.

The dividend, if any, will depend on a number of factors, including but not limited to the Exchange's results of operations, earnings, capital requirements and surplus, general financial conditions, contractual restrictions, applicable Indian legal restrictions, adherence to requirement of SEBI Regulations, Companies Act and Rules made thereunder and amended from time to time and other factors considered relevant by our Board.

Retained earnings will generally be used to strengthen the financial position of the Company and will be used for declaration of dividends in special circumstances including maintenance of dividend rate.

Dividend will continue to be accrued and payable with respect to shares held in abeyance.

The above policy has been reviewed by the Statutory Auditors from the Companies Act, 2013 perspective.”

ANNEXURE - IV

Summary of Significant Accounting Policies and Notes to Accounts

Company Overview

BSE Limited (Formerly known as Bombay Stock Exchange Limited) herein after referred to as the “The Exchange” or “The Company” or “BSE” was established in 1875 and is Asia’s first Stock Exchange and one of India’s leading exchange groups. Over the past 140 years, BSE has provided a capital-raising platform and provided a platform for trading in equity, debt instruments, derivatives and mutual funds. It also has a platform for trading in equities of small-and-medium enterprises (SME). Pursuant to the BSE (Corporatization and Demutualization) Scheme, 2005 (the Scheme) notified by Securities and Exchange Board of India (“SEBI”) on May 20, 2005, the Exchange completed demutualization and Corporatization in May 2007 bringing about the separation of the ownership and management.

Note - 1. Significant Accounting Policies

1.1 Basis of preparation of financial statements:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the Act") / Companies Act, 1956, as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

1.2 Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise. Any change in such estimates is recognised prospectively.

1.3 Revenue Recognition:

Revenue in respect of services rendered is recognised when the service is rendered and there is a reasonable certainty of ultimate realisation. Dividend income on investments is recognised when the unconditional right to receive dividend is established. Discount or premium on debt securities / discounted Money Market Instruments is accrued over the period of remaining maturity. Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

1.4 Fixed Assets:

1.4.1 Tangible Assets:

Fixed Assets are stated at cost, less accumulated depreciation. Cost includes cost of acquisition and other incidental expenses incurred until the asset is ready to put to use for its intended purpose. Capital work-in-progress comprises outstanding advances paid to acquire fixed assets and the cost of fixed assets that are not yet ready for its intended use.

1.4.2 Intangible Assets:

- (i) Cost of development and production of internally developed or purchased software, used for the purpose of operations, is capitalised.
- (ii) Any expense on software for support, maintenance, upgrades etc., and payable periodically is charged to the Statement of Profit and Loss.

1.4.3 Intangible Assets under development:

Intangible Assets under development comprises outstanding advances paid to acquire intangible assets and the cost of intangible assets that are not yet ready for its intended use.

1.5 Depreciation / Amortisation:

1.5.1 Tangible Assets:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the Written Down Value method as per the useful life prescribed in Schedule II to the Companies Act, 2013, the Company has reassessed depreciation rate on tangible fixed assets as per the useful life specified in the Companies Act, 2013.

1.5.2 Intangible Assets:

Computer software is amortised over 6 years on the 'Written Down Value' basis for the number of days the assets have been ready to put to use for their intended purposes. Goodwill on amalgamation is amortised over a period of two years on a 'Straight Line Basis'.

1.6 Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date if there is an indication of impairment based on the internal and external factors.

An asset is treated as impaired when its carrying cost exceeds the recoverable amount. An impairment loss, if any, is charged to the Statement of Profit and Loss in the period in which the asset is identified as impaired. Reversal of impairment loss recognised in prior years is recorded when there is an indication that impairment losses recognised for the assets no longer exist or have decreased.

1.7 Investments:

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually at the lower of cost and fair value.

Premium paid / discount received at the time of acquisition of government / Debt securities is amortised over the residual period of its maturity.

1.8 Employee Benefits:

Employee benefits are accrued in accordance with Accounting Standard-15 (Revised) "Employee Benefits"

1.8.1 Provident Fund – Defined Contribution Plan

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contribution along with interest thereon is paid on cessation of services. Both the employee and the Exchange make monthly contributions to the Bombay Stock Exchange Employees' Provident Fund, a trust set up and administered by the Exchange. The Exchange is liable for any shortfall in the

fund assets based on the minimum rate of return specified by the Government, which is debited to the Statement of Profit and Loss as and when services are rendered by the employees.

1.8.2 Compensated Absences

The leave balance is classified as long-term and short-term, based on the best estimates after considering the past trends. The short-term leave encashment liability has been measured on actual components eligible for leave encashment and expected short-term leave to be availed is valued at total cost to the Exchange. Long-term leave has been valued on actuarial basis as at the year end.

1.8.3 Gratuity – Defined Benefit Plan

The Exchange provides for gratuity, a defined benefit plan, in respect of employees. The cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

1.9 Leases:

Where the Company as a lessor leases assets under finance leases, such amounts are recognised as receivables at an amount equal to the net investment in the lease and the finance income is recognised based on a constant rate of return on the outstanding net investment.

Assets leased by the Company in its capacity as a lessee, where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. Such leases are capitalised at the inception of the lease at the lower of the fair value and the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis.

1.10 Provision for Current and Deferred Tax:

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961. Deferred Tax, resulting from “timing differences” between the book and the taxable profits for the year is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the Balance Sheet date. Deferred tax assets are recognised and carried forward only to the extent that there is reasonable certainty, except for carried forward losses and unabsorbed depreciation which are recognised based on virtual certainty that the difference will reverse in future.

1.11 Provisions and contingencies:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are

reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

1.12 Foreign Currency Transactions:

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Foreign currency monetary items (other than derivative contracts) of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

1.13 Earnings per Share:

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting year.

The number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on conversion of all dilutive potential shares. In computing diluted earnings per share only potential equity shares that are dilutive are included.

1.14 Cash flow statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.15 Cash and cash equivalents (for purposes of Cash Flow Statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1.16 Operating Cycle:

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Securities Premium Account

Share issue expenses were adjusted against the Securities Premium Account as is permissible under Section 52 of the Companies Act, 2013 to the extent any balance is available for utilisation in the Securities Premium Account.

Trade Guarantee Fund (TGF) Cash and derivative

In 1997, BSE had set up the Trade Guarantee Fund to guarantee the settlement of bonafide transactions of members of the Exchange, which form part of the Exchange settlement system so as to ensure timely completion of settlement of trades and thereby protect the interest of investors and the members of the Exchange. The constitution of the TGF and its rules and bye-laws were approved by the Securities and Exchange Board of India (SEBI). BSE had contributed a sum of ₹ 600 million from the accumulated contribution from its members in the year 1997-98. Every member contributes a fixed sum at the time of commencement of business and there after a percentage of the gross turnover as prescribed from time to time. The Fund is represented by earmarked investments and the income earned on these investments is credited to the Statement of Profit and Loss and then appropriated to the Fund (net of applicable taxes). Pursuant to the Scheme of Arrangement approved with effect from 1st April, 2011 by Hon'ble High Court, Bombay, as referred to in Note 29, the balance in Trade Guarantee Fund was transferred to General Reserve.

Trade Guarantee Fund (G-Sec Segment)

In 2003, BSE had set up a distinct Trade Guarantee Fund known as Trade Guarantee Fund- G-Sec for trading in Central Government Securities and the Fund was created with an initial contribution of ₹ 50 million by transferring the said amount from the free reserves of BSE. The Fund is represented by earmarked investments and the income earned on these investments is credited to the Statement of Profit and Loss and then appropriated to the Fund (net of applicable taxes). Pursuant to the Scheme of Arrangement approved with effect from 1st April, 2011 by Hon'ble High Court, Bombay, as referred to in Note 29 the balance in Trade Guarantee Fund was transferred to General Reserve.

Trade Guarantee Fund (CDX)

In 2008, BSE had set up a distinct Trade Guarantee Fund known as Trade Guarantee Fund-CDX for trading in Currency Derivatives and such fund was created with an initial contribution of ₹ 100 million by transferring the said amount from the Capital Reserves of the Exchange. The Fund is represented by earmarked investments and the income earned on these investments is credited to the Statement Profit and Loss and then appropriated to the Fund (net of applicable taxes). Pursuant to the Scheme of Arrangement approved with effect from 1st April, 2011 by Hon'ble High Court, Bombay, as referred to in Note 29, the balance in Trade Guarantee Fund was transferred to General Reserve.

Brokers' Contingency Fund (BCF)

In 1997, BSE had set up the Brokers' Contingency Fund with a view to make temporary refundable advance(s) to the members facing financial mismatch so as to protect the interests of the investors dealing through members of BSE by ensuring timely completion of settlement. The initial contribution of BSE to the corpus of the fund was ₹ 95.1 million. The Fund is represented by earmarked investments. As there has been no utilisation from the BCF in the recent past, the Exchange has decided that the income earned on these investments and initial contribution from members should not be appropriated to the Fund with effect from 1st April, 2008. Pursuant to the Scheme of Arrangement approved with effect from 1st April, 2011 by Hon'ble High Court, Bombay, as referred to in Note 29, the balance in Brokers' Contingency Fund was transferred to General Reserve.

During the year ended March 31, 2015, the Company had reassessed the depreciation rate on tangible fixed assets as per the useful life specified in the Companies Act, 2013. Based on the estimates at that time, depreciation of ₹ 49.5 million on account of assets whose useful life was already exhausted as on April 01, 2014 and deferred tax of ₹ 16.8 million thereon was adjusted against the opening surplus in the Statement of Profit and Loss (refer note 3) as at April 1, 2014. As a result of the change, the charge on account of the depreciation for the year ended March 31, 2015 was higher by ₹ 70.3 million compared to the charge based on useful lives estimated in earlier periods.

28. The following regulation / circulars issued by SEBI from time to time requires the recognition by the Company of a Settlement Guarantee Fund and the transfer of the same to its clearing corporation and the contribution of a Minimum Required Corpus to a Core Settlement Guarantee Fund from time to time:

- As per Regulation 33 of The Securities Contracts (Regulations) (SECC) Regulations, 2012 (the "Regulation") issued on June 20, 2012, every recognized stock exchange is required to transfer twenty five percent of its annual profits every year to a fund of the recognized clearing corporation which clears and settles trades executed on that stock exchange to guarantee the settlement of trades.
- As per Circular CIR/MRD/DRMNP/25/2014 dated August 27, 2014 issued by the Securities & Exchange Board of India ("SEBI") regarding a Core Settlement Guarantee Fund, every stock exchange shall contribute at least 25% of the Minimum Required Corpus (can be adjusted against transfer of profit by

Stock Exchange as per Regulation 33 of SECC Regulations) to a Core Settlement Guarantee Fund established and maintained by its clearing corporation.

3. Further, a clarification was issued as per Circular SEBI/HO/MRD/DRMNP/CIR/P/2016/54 dated May 4, 2016 based on a recommendation given by the Expert Committee constituted by SEBI.

Accordingly, the above Regulations/ Circulars were given effect to in the Financial Statements as under:

- a) The Company had appropriated amounts as mentioned below.

(₹ in million)

As at June 30, 2016	As at March 31, 2016	As at March 31, 2015	As at March 31, 2014	As at March 31, 2013	As at March 31, 2012
-	-	253.6	186.9	73.9	-

- b) The Company contributed below mentioned amount towards the Minimum Required Corpus (MRC) to the Core Settlement Guarantee Fund established and maintained by its clearing corporation (a wholly owned subsidiary) and has been charged to the Statement of Profit and Loss under the head “Administration and Other Expenses”. The contribution to the Core SGF has been adjusted against the transfer of profit by the Company as per the Regulation mentioned above.

(₹ in million)

As at June 30, 2016	As at March 31, 2016	As at March 31, 2015	As at March 31, 2014	As at March 31, 2013	As at March 31, 2012
0.2	174.1	257.9	-	-	-

- c) Further, based on the clarification included in SEBI circular SEBI/HO/MRD/DRMNP/CIR/P/2016/54 dated May 4, 2016 (the “2016 circular”) the provision of 25% of profits has to be made and transferred to the Settlement Guarantee Fund (SGF). Accordingly, the cumulative amount required to be provided and transferred to the said SGF till March 31, 2016 amounts to ₹ 974.2 million being 25% of the profits of the Company after tax, before making such contribution for FY 2012-13 to FY 2015-16. The Exchange had already contributed and charged ₹ 432.0 million to the Statement of Profit and Loss towards 25% of the MRC to the Core Settlement Guarantee Fund as explained in “b” above. After adjusting the investment income accrued on the Company’s contribution to the Core SGF for the period up to March 31, 2016 of ₹ 27.9 million, the balance amount of ₹ 514.3 million (including ₹ 459.8 million for FY 2015-16) is now charged to the Statement of Profit and Loss as an “Exceptional Item”. The amount payable by the Exchange in respect of the SGF as at March 31, 2016 has been disclosed under the head “Current Liabilities” and is payable to the Core Settlement Guarantee Fund within such time as specified by SEBI as on March 31, 2016.
- d) As explained in “c” above, the Company has accounted the provision of 25% of profits to be made and transferred to the Settlement Guarantee Fund (SGF) for the three month ended June 30, 2016 ₹ 136.1 million charged to the Statement of Profit and Loss as an “Exceptional Item”. The amount payable by the Exchange in respect of the SGF as at June 30, 2016 has been disclosed under the head “Current Liabilities” and is payable to the Core Settlement Guarantee Fund within such time as specified by SEBI as on June 30, 2016.

37. Disclosure as required under Accounting Standard –15 on “Employee Benefits” is as under:

Defined Benefit Plan – Gratuity:

The Company offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plans are typically based on years of service and the employee’s compensation (generally immediately before retirement). The gratuity scheme covers substantially all regular employees. Commitments are actuarially determined at year-end. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. On adoption of the Accounting Standard - 15 (AS 15) on “Employee Benefits”, actuarial valuation is done based on “Projected Unit Credit” method. Gains and losses of changed actuarial assumptions are charged to the Statement of Profit and Loss.

The following table sets out the funded status of the Gratuity benefit scheme and the amount recognised in the Financial Statements

Other Details:

The discount rate is based on the prevailing market yields of Indian Government Securities as at the balance sheet date for the estimated term of the obligations.

The estimates of future salary increase considered in the actuarial valuation take into account inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. The above information is certified by the actuary and relied upon by the Auditors.

Expected rate of return on Plan Assets is based on expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations.

The plan assets in respect of gratuity represent funds managed by the BSE employee Gratuity Fund. The Employer's best estimate of the contributions expected to be paid to the plan during the next year is NIL.

Defined Contribution Plan:

These are plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. The Company offers its employees defined contribution plan in the form of provident fund and family pension fund. Provident fund and family pension fund cover substantially all regular employees. While both, the employees and the Company pay predetermined contributions into the provident fund,

contributions into the family pension fund are made by only the Company. The contributions are based on a certain proportion of the employee's salary.

The programme was launched on September 28, 2011 and expenses mentioned below have been incurred towards the same for the years ended:

(₹ in million)

PARTICULARS	June 30, 2016	March 31, 2016	March 31, 2015	March 31, 2014	March 31, 2013	March 31, 2012
LEIPS	-	172.4	342.5	612.9	955.4	604.9

Considering the special nature of this expense and its impact on the profit of the Exchange, the same has been recognised as an exceptional item.

b) During the year ended March 31, 2015, the Company implemented a Voluntary Retirement Scheme 2014 (VRS) for all its eligible employees. Post the closure of the Scheme, an expense of ₹ 127.7 Million was incurred and the same was treated as an exceptional item during the financial year ended March 31, 2015.

c) Consequent to the scheme of amalgamation with USE, the Company has terminated a software development contract and paid ₹ 21.8 Million as full and final settlement which has been recognized as expenses, the same was recognized as an exceptional item during the financial year ended March 31, 2015.

d) Based on a direction received from SEBI during the financial year 2015-16, the Company has charged an amount of ₹ 46.0 million to the Restated Statement of Profit and Loss which is to be reimbursed to The Stock Exchange Investor's Protection Fund (BSE IPF) towards Contribution to the IFRS Foundation pertaining to earlier years. Considering the nature of the expense and its impact on the profit of the Company, the same has been disclosed as an exceptional item during year ended March 31, 2016.

39. As per the agreement entered into between BSE and ICCL and considering that the business activities undertaken by ICCL primarily derived out of transactions executed on the trading platform of BSE and in consideration of the same, ICCL agreed to pay Income from Indian Clearing Corporation Limited. The same will be payable on monthly basis. Accordingly, BSE Limited has received an amount of ₹ 253.9 million for the year ended 2014-15 and accounted as other operating income in profit and loss account.

**THE BOARD OF DIRECTORS OF
BSE LIMITED**

25th Floor, P J Towers, Dalal Street, Fort,
Mumbai – 400001

Dear Sirs,

1. We have examined, as appropriate (refer paragraph 3 below), the attached Restated Consolidated Financial Information of BSE Limited, ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together constitute the "Group"), its jointly controlled entities, and its share of the profit / (loss) of its associate, which comprises of the Restated Consolidated Statement of Assets and Liabilities as at June 30, 2016 and as at March 31, 2016, 2015, 2014, 2013 and 2012, the Restated Consolidated Statement of Profit and Loss and the Restated Consolidated Statement of Cash Flows for the quarter ended June 30, 2016 and for the years ended March 31, 2016, 2015, 2014, 2013 and 2012 (collectively, the "Consolidated Restated Financial Information") as approved by the Board of Directors of the Company at their meeting held on September 7, 2016 for the purpose of inclusion in the offer document prepared by the Company in connection with its proposed Initial Public Offer through Offer for Sale (IPO) prepared in terms of the requirements of:
 - a) Sub-clauses (i) and (iii) of clause (b) of sub-section (1) of section 26 of the Companies Act, 2013 ("the Act") read with Rule 4 of Companies (Prospectus and Allotment of Securities) Rules, 2014 ("the Rules") and
 - b) the Securities And Exchange Board Of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 as amended from time to time in pursuance of provisions of Securities and Exchange Board of India Act, 1992 ("SEBI-ICDR Regulations").
2. We have examined such Restated Consolidated Financial Information taking into consideration:
 - a) The terms of reference and terms of our engagement agreed upon with you in accordance with our engagement letter dated May 3, 2016 in connection with the proposed IPO of the Company; and
 - b) The Guidance Note (Revised) on Reports in Company Prospectuses issued by the Institute of Chartered Accountants of India (ICAI).
3. These Restated Consolidated Financial Statements have been extracted by the Management from the audited Consolidated Financial Statements as at and for the quarter ended June 30, 2016 and as at and for each of the years ended March 31, 2016, 2015, 2014, 2013 and 2012 which have been approved by Board of directors at their meetings held on August 9, 2016, May 5, 2016, May 18, 2015, May 14, 2014, May 22, 2013 and April 27, 2012, respectively.

We did not audit the financial statements of subsidiaries and jointly controlled entities and associate (details provided below). The financial statements for these subsidiaries jointly controlled entities and associate have been audited by other auditors, whose reports have been furnished to us, and our opinion on the consolidated financial statements in so far as it relates to the affairs of such subsidiaries, jointly controlled entities and associate is based solely on the reports of such other auditors. Group's share of total assets, total revenues, and net cash flows pertaining to these entities for the relevant years is tabulated below:

Significant Accounting Policies and Notes to Accounts

Notes annexed to and forming part of the Restated Consolidated Balance Sheet and Restated Consolidated Statement of Profit and Loss

Company Overview

BSE Limited (Formerly known as Bombay Stock Exchange Limited) herein after referred to as the “The Exchange” or “The Company” or “BSE” was established in 1875 and is Asia’s first Stock Exchange and one of India’s leading exchange groups. Over the past 140 years, BSE has provided a capital-raising platform and provided a platform for trading in equity, debt instruments, derivatives and mutual funds. It also has a platform for trading in equities of small-and-medium enterprises (SME). Pursuant to the BSE (Corporatization and Demutualization) Scheme, 2005 (the Scheme) notified by Securities and Exchange Board of India (“SEBI”) on May 20, 2005, the Exchange completed Demutualization and Corporatization in May 2007 bringing about the separation of ownership and management.

Note: - 1. Basis of Consolidation and Significant Accounting Policies

1.1 Basis of preparation:

The Restated Consolidated Financial Statements of BSE Ltd (Formerly known as Bombay Stock Exchange Limited) (“the Exchange/ the Company”), its subsidiaries, jointly controlled entities and associate (together the ‘Group’) have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 (“the Act”) / Companies Act, 1956, as applicable. The restated consolidated financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the restated consolidated financial statements are consistent with those followed in the previous year.

1.2 Principles of Consolidation:

The restated consolidated financial statements relate to the Company, its subsidiary companies, jointly controlled entities and the Group's share of profit / loss in its associates. The restated consolidated financial statements have been prepared on the following basis:

- i. The financial statements of the subsidiary companies, jointly controlled entities and associate used in the consolidation are drawn up to the same reporting date as that of the Company.
- ii. The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and resulting unrealised profits or losses, unless cost cannot be recovered.
- iii. The restated consolidated financial statements include the share of profit / loss of the associate company which has been accounted for using equity method as per Accounting Standard 23 Accounting for Investments in Associates in Consolidated Financial Statements. Accordingly, the share of profit/ loss of each of the associate companies (the loss being restricted to the cost of investment) has been added to / deducted from the cost of investments.
- iv. Share of profit / loss, assets and liabilities in the jointly controlled entities, which are not subsidiaries, have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, incomes and expenses on a proportionate basis to the extent of the Group's equity interest in such entity as per Accounting Standard 27 Financial Reporting of Interests in Joint Ventures. The intra-group balances, intra-group transactions and unrealised profits or losses have been eliminated to the extent of the Group's share in the entity. Jointly controlled entities that are

considered subsidiaries under Accounting Standard 21 Consolidated Financial Statements are consolidated similar to the manner of consolidating subsidiaries (Refer (ii) above) and the share of interest of the other venturers in such entities is included as part of minority interest.

- v. The excess of cost to the Group of its investments in the subsidiary companies / jointly controlled entities over its share of equity of the subsidiary companies / jointly controlled entities, at the dates on which the investments in the subsidiary companies / jointly controlled entities were made, is recognised as 'Goodwill' being an asset in the restated consolidated financial statements and is tested for impairment on annual basis. On the other hand, where the share of equity in the subsidiary companies / jointly controlled entities as on the date of investment is in excess of cost of investments of the Group, it is recognised as 'Capital Reserve' and shown under the head 'Reserves & Surplus', in the restated consolidated financial statements. The 'Goodwill' / 'Capital Reserve' is determined separately for each subsidiary company / jointly controlled entity and such amounts are not set off between different entities.
- vi. Minority Interest in the net assets of the consolidated subsidiaries consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary companies were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit / loss for the year of the subsidiaries attributable to minority interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to shareholders of the Company.
- vii. The difference between the cost of investment in the associate and the share of net assets at the time of acquisition of shares in the associate is identified in the restated consolidated financial statements as Goodwill or Capital reserve as the case may be.
- viii. Goodwill arising on consolidation is not amortised but tested for impairment.
- ix. The restated consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances with certain exceptions as mentioned below and are presented to the extent possible, in the same manner as the Company's separate financial statements.
- x. Particulars of subsidiaries, joint ventures and associate :

1.3 Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialised. Any change in such estimates is recognised prospectively

1.4 Revenue Recognition:

Revenue in respect of services rendered is recognised when the service is rendered and there is a reasonable certainty of ultimate realisation. Dividend income on investments is recognised when the unconditional right to receive dividend is established. Discount or premium on debt securities / discounted Money Market Instruments is accrued over the period of remaining maturity.

1.5 Fixed Assets:

1.5.1 Tangible Assets:

Fixed Assets are stated at cost, less accumulated depreciation. Cost includes cost of acquisition and other incidental expenses incurred until the asset is ready to put to use for its intended purpose. Capital work-in-progress comprises outstanding advances paid to acquire fixed assets and the cost of fixed assets that are not yet ready for its intended use.

1.5.2 Intangible Assets:

- (i) Cost of development and production of internally developed or purchased software, used for the purpose of operations, is capitalised.
- (ii) Any expense on software for support, maintenance, upgrades etc., and payable periodically is charged to the Statement of Profit and Loss.

1.5.3 Intangible Assets under development:

Intangible Assets under development comprises outstanding advances paid to acquire intangible assets and the cost of intangible assets that are not yet ready for its intended use.

1.6 Depreciation / Amortisation:

1.6.1 Tangible Assets:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the Written Down Value method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

1.6.2 Intangible Assets:

Computer software is amortised over 6 years on the 'Written Down Value' basis for the number of days the assets have been put to use for their intended purposes. Goodwill on amalgamation is amortised over a period of two years on a 'Straight Line Basis'.

1.7 Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date if there is an indication of impairment based on the internal and external factors.

An asset is treated as impaired when its carrying cost exceeds the recoverable amount. An impairment loss, if any, is charged to the Statement of Profit and Loss in the period in which the asset is identified as impaired. Reversal of impairment loss recognised in prior years is recorded when there is an indication that impairment losses recognised for the assets no longer exist or have decreased.

1.8 Investments:

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually at the lower of cost and fair value.

Premium paid/discount received at the time of acquisition of government / Debt securities is amortised over the residual period of its maturity.

1.9 Employee Benefits:

Employee benefits are accrued in accordance with Accounting Standard-15 (Revised) "Employee Benefits".

1.9.1 Provident Fund – Defined Contribution Plan

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contribution along with interest thereon is paid on cessation of services. Both the employee and the Group make monthly contributions to the Bombay Stock Exchange Employees' Provident Fund, a trust set up and administered by the Exchange. The Group is liable for any shortfall in the fund assets based on the minimum rate of return specified by the Government, which is debited to the Statement of Profit and Loss as and when services are rendered by the employees.

1.9.2 Compensated Absences

The leave balance is classified as long-term and short-term, based on the best estimates after considering the past trends. The short-term leave encashment liability has been measured on actual components eligible for leave encashment and expected short-term leave to be availed is valued at total cost to the Exchange. Long-term leave has been valued on actuarial basis as at the year end.

1.9.3 Gratuity – Defined Benefit Plan

The Group provides for gratuity, a defined benefit plan, in respect of employees. The cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

1.10 Leases:

Where the Company as a lessor leases assets under finance leases, such amounts are recognised as receivables at an amount equal to the net investment in the lease and the finance income is recognised based on a constant rate of return on the outstanding net investment.

Assets leased by the Company in its capacity as a lessee, where substantially all the risks and rewards of ownership vest in the Company are classified as finance leases. Such leases are capitalised at the inception of the lease at the lower of the fair value and the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis.

1.11 Provision for Current and Deferred Tax:

Provision for Current Tax is made on the basis of the estimated taxable income for the current accounting period in accordance with the provisions of the Income Tax Act, 1961. Deferred Tax, resulting from “timing differences” between the book and the taxable profits for the period is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the Balance Sheet date. Deferred tax assets are recognised and carried forward only to the extent that there is reasonable certainty, except for carried forwards losses and unabsorbed depreciation which are recognised based on virtual certainty that the difference will reverse in future.

1.12 Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in Notes to Accounts, while contingent assets are neither recognised nor disclosed in the financial statements.

1.13 Foreign Currency Transactions:

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Foreign currency monetary items (other than derivative contracts) of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

1.14 Earnings per Share:

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting year.

The number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on conversion of all dilutive potential shares. In computing diluted earnings per share only potential equity shares that are dilutive are included.

1.15 Cash flow statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.16 Cash and cash equivalents (for purposes of Cash Flow Statement):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments

that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1.17 Operating Cycle:

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

1.18 Core Settlement Guarantee Fund (Core SGF):

As per SEBI vide circular no. CIR/MRD/DRMNP/25/2014 dated August 27, 2014 every recognised clearing corporation shall establish and maintain a Fund for each segment, to guarantee the settlement of trades executed in respective segment of a recognised stock exchange. Clearing Corporation (CC) shall have a fund called Core SGF for each segment of each Recognised Stock Exchange (SE) to guarantee the settlement of trades executed in respective segment of the SE. In the event of a clearing member (member) failing to honour settlement commitments, the Core SGF shall be used to fulfill the obligations of that member and complete the settlement without affecting the normal settlement process. Core SGF shall be contributed by Clearing Corporation (ICCL) and Stock exchange (BSE) as prescribed by SEBI. This fund is represented by earmarked Core SGF investments. The income earned on such investments (ICCL) is credited to the respective contributor's funds. Penalties and fines levied by the Company are directly transferred to Core SGF as Other Contributions.

Securities Premium Account

Share issue expenses were adjusted against the Securities Premium Account as is permissible under Section 52 of the Companies Act, 2013 to the extent any balance is available for utilisation in the Securities Premium Account.

Trade Guarantee Fund (TGF) Cash and Derivative

In 1997, BSE had set up the Trade Guarantee Fund to guarantee the settlement of bonafide transactions of members of the Exchange, which form part of the Exchange settlement system so as to ensure timely completion of settlement of trades and thereby protect the interest of investors and the members of the Exchange. The constitution of the TGF and its rules and bye-laws were approved by the Securities and Exchange Board of India (SEBI). BSE had contributed a sum of ₹ 600 million from the accumulated contribution from its members in the year 1997-98. Every member contributes a fixed sum at the time of commencement of business and there after a percentage of the gross turnover as prescribed from time to time. The Fund is represented by earmarked investments and the income earned on these investments is credited to the Statement of Profit and Loss and then appropriated to the Fund (net of applicable taxes). Pursuant to the Scheme of Arrangement approved with effect from 1st April, 2011 by Hon'ble High Court, Bombay, the balance in Trade Guarantee Fund was transferred to General Reserve.

Trade Guarantee Fund (G-Sec Segment)

In 2003, BSE had set up a distinct Trade Guarantee Fund known as Trade Guarantee Fund- G-Sec for trading in Central Government Securities and the Fund was created with an initial contribution of ₹ 50 million by transferring the said amount from the free reserves of BSE. The Fund is represented by earmarked investments and the income earned on these investments is credited to the Statement of Profit and Loss and then appropriated to the Fund (net of applicable taxes). Pursuant to the Scheme of Arrangement approved with effect from 1st April, 2011 by Hon'ble High Court, Bombay, the balance in Trade Guarantee Fund was transferred to General Reserve.

Trade Guarantee Fund (CDX)

In 2008, BSE had set up a distinct Trade Guarantee Fund known as Trade Guarantee Fund-CDX for trading in Currency Derivatives and such fund was created with an initial contribution of ₹ 100 million by transferring the said amount from the Capital Reserves of the Exchange. The Fund is represented by earmarked investments and the income earned on these investments is credited to the Statement Profit and Loss and then appropriated to the Fund (net of applicable taxes). Pursuant

to the Scheme of Arrangement approved with effect from 1st April, 2011 by Hon'ble High Court, Bombay, the balance in Trade Guarantee Fund was transferred to General Reserve.

Brokers' Contingency Fund (BCF)

In 1997, BSE had set up the Brokers' Contingency Fund with a view to make temporary refundable advance(s) to the members facing financial mismatch so as to protect the interests of the investors dealing through members of BSE by ensuring timely completion of settlement. The initial contribution of BSE to the corpus of the fund was ₹ 95.1 million. The Fund is represented by earmarked investments. As there has been no utilisation from the BCF in the recent past, the Exchange has decided that the income earned on these investments and initial contribution from members should not be appropriated to the Fund with effect from 1st April, 2008. Pursuant to the Scheme of Arrangement approved with effect from 1st April, 2011 by Hon'ble High Court, Bombay, the balance in Brokers' Contingency Fund was transferred to General Reserve.

30. SEBI had issued Depositories and Participants (Amendment) Regulations, 2012 on September 11, 2012 (the “2012 Regulations”). According to the 2012 Regulations, depositories are required to establish and maintain an Investor Protection Fund (the “IPF”) for the protection of interest of beneficial owners and every depository is required to credit 25% of its profits every year to the Investor Protection Fund. Accordingly, the Subsidiary Company had accrued and credited a total sum of ₹ 385.2 million from FY 2012-13 to FY 2014-15 to the IPF as at March 31, 2015.

On January 21, 2016, SEBI has issued the Securities and Exchange Board of India (Depositories and Participants) (Amendment) Regulations, 2016 (the “Amended Regulations”). According to these Amended Regulations, every depository shall credit only 5% or such percentage as may be specified by the Board, of its profits from depository operations every year to the IPF. Further, it is stated that these Amended Regulations shall be deemed to have come into force from September 11, 2012. Pursuant to the aforesaid Amended Regulations, the amount to be accrued and credited to the IPF as at March 31, 2015 is reduced to

₹ 54.2 million. Consequently, the excess amounts of ₹ 331.0 million credited earlier to the IPF has been written back and the same has been disclosed as exceptional item in the Statement of Profit and Loss for the year ended March 31, 2016.

31. SEBI vide its circular no. CIR/MRD/DP/18/2015 dated December 9, 2015 (the “Circular”) has revised the annual custody/issuer charges to be collected by the depositories from the issuers with effect from financial year 2015-16. With an objective of promoting financial inclusion and expanding the reach of depository services through depository participants (DPs) in tier II and tier III towns, the Circular recommends that the Depository Participants (DPs) be incentivised by way of two schemes. In the first scheme, the depositories shall pay the DPs an incentive of ₹ 100/- for every new Basic Services Demat Accounts (BSDA) opened by their participants in specified cities mentioned in the Circular. In the second scheme, the depositories may pay ₹ 2 per folio per ISIN to the respective depository participants (DPs), in respect of the ISIN positions held in BSDA across all BSDA accounts in the depository. In order to manage the aforementioned incentive schemes, the Circular has directed the Depositories to set aside 20% of the incremental revenue received from the issuers.

Pursuant to the Circular, the Subsidiary Company has set aside ₹ 28.2 million being 20% of incremental revenue on issuer income for the year ended March 31, 2016 and ₹ 7.2 million being 20% of incremental revenue on issuer income for the period ended June 30, 2016 for DP incentive scheme.

32. The following regulation / circulars issued by SEBI from time to time requires the recognition by the Exchange of a Settlement Guarantee Fund and the transfer of the same to its clearing corporation and the contribution of a Minimum Required Corpus to a Core Settlement Guarantee Fund from time to time:

1. As per Regulation 33 of The Securities Contracts (Regulations) (SECC) Regulations, 2012 (the “Regulation”) issued on June 20, 2012, every recognized stock exchange is required to transfer twenty five percent of its annual profits every year to a fund of the recognized clearing corporation which clears and settles trades executed on that stock exchange to guarantee the settlement of trades.
2. As per Circular CIR/MRD/DRMNP/25/2014 dated August 27, 2014 issued by the Securities & Exchange Board of India (“SEBI”) regarding a Core Settlement Guarantee Fund, every stock exchange shall contribute at least 25% of the Minimum Required Corpus (can be adjusted against transfer of profit by Stock Exchange as per Regulation 33 of SECC Regulations) to a Core Settlement Guarantee Fund established and maintained by its clearing corporation.
3. Further, a clarification was issued as per Circular SEBI/HO/MRD/DRMNP/CIR/P/2016/54 dated May 4, 2016 based on a recommendation given by the Expert Committee constituted by SEBI. Accordingly, the above Regulations/ Circulars were given effect to in the Financial Statements as under:

- a. The Holding Company had appropriated amounts as mentioned below.

- c. Further, based on the clarification included in SEBI circular SEBI/HO/MRD/DRMNP/CIR/P/2016/54 dated May 4, 2016 (the “2016 circular”) the provision of 25% of profits has to be made and transferred to the Settlement Guarantee Fund (SGF). Accordingly, the cumulative amount required to be provided and transferred to the said SGF till March 31, 2016 amounts to ₹ 974.2 million being 25% of the profits of the Company after tax, before making such contribution for FY 2012-13 to FY 2015-16. The Exchange had already contributed and charged ₹ 432.0 million to the Statement of Profit and Loss towards 25% of the MRC to the Core Settlement Guarantee Fund as explained in b above. After adjusting the investment income accrued on the Company’s contribution to the Core SGF for the period up to March 31, 2016 of ₹ 27.9 million, the balance amount of ₹ 514.3 million (including ₹ 459.8 million for FY 2015-16) is now charged to the Statement of Profit and Loss as an “Exceptional Item”. The amount payable by the Exchange in respect of the SGF as at March 31, 2016 has been disclosed under the head “Current Liabilities” and is payable to the Core Settlement Guarantee Fund within such time as specified by SEBI.
- d. As explained in “c” above, the Company has accounted the provision of 25% of profits to be made and transferred to the Settlement Guarantee Fund (SGF) for the three months ended June 30, 2016 ₹ 136.1 million charged to the Statement of Profit and Loss as an “Exceptional Item”. The amount payable by the Exchange in respect of the SGF as at June 30, 2016 has been disclosed under the head “Current Liabilities” and is payable to the Core Settlement Guarantee Fund within such time as specified by SEBI as on June 30, 2016.

43. Disclosure as required under Accounting Standard –15 on “Employee Benefits” is as under:

Defined Benefit Plan – Gratuity:

The Company offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plans are typically based on years of service and the employee’s compensation (generally immediately before retirement). The gratuity scheme covers substantially all regular employees. Commitments are actuarially determined at year-end. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. On adoption of the Accounting Standard - 15 (AS 15) on “Employee Benefits”, actuarial valuation is done based on “Projected Unit Credit” method. Gains and losses of changed actuarial assumptions are charged to the Statement of Profit and Loss.

The following table sets out the funded status of the Gratuity benefit scheme and the amount recognised in the Financial Statements

Other Details:

The discount rate is based on the prevailing market yields of Indian Government Securities as at the balance sheet date for the estimated term of the obligations.

The estimates of future salary increase considered in the actuarial valuation, take into account inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. The above information is certified by the actuary and relied upon by the Auditors.

Expected rate of return on Plan Assets is based on expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations.

As the contribution expected to be paid to the plan during the annual period beginning after the balance sheet date is based on various internal / external factors, a best estimate of the contribution is not determinable.

Defined Contribution Plan:

These are plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. The Company offers its employees defined contribution plan in the form of provident fund and family pension fund. Provident fund and family pension fund cover substantially all regular employees. While both, the employees and the Company pay predetermined contributions into the provident fund, contributions into the family pension fund are made by only the Company. The contributions are based on a certain proportion of the employee's salary.

The Board of Directors,
BSE Limited,
25th Floor,
P J Towers,
Dalal Street Fort,
Mumbai – 400001

Report on the Compilation of Unaudited Proforma Consolidated Condensed Financial Information

We have completed our assurance engagement to report on the compilation of the Unaudited Proforma Consolidated Condensed Financial Information of BSE Limited (hereinafter referred to as the “Company”) and its subsidiaries (the Company and its subsidiaries constitute “the Group”), and its share of the profit / (loss) of its associate and its jointly controlled entities prepared by the Management of the Company (the “Management”). The Unaudited Proforma Consolidated Condensed Financial Information consists of the unaudited proforma consolidated condensed balance sheet as at March 31, 2016 and as at June 30, 2016, the unaudited proforma consolidated condensed statement of profit and loss for the year ended March 31, 2016 and for the quarter ended June 30, 2016, and the related notes thereto. The applicable criteria on the basis of which the Management has compiled the Unaudited Proforma Consolidated Condensed Financial Information are described in Notes 1 and 2 to the Unaudited Proforma Consolidated Condensed Financial Information.

The Unaudited Proforma Consolidated Condensed Financial Information has been compiled by the Management to illustrate the impact of the transaction as set out in Notes 1 and 2 to the Unaudited Proforma Consolidated Condensed Financial Information of the Group’s:

- i. financial performance for the financial year ended March 31, 2016 and for the quarter ended June 30, 2016 (“Relevant Periods”) as if the transaction had occurred before April 1, 2015; and
- ii. financial positions as at March 31, 2016 and as at June 30, 2016 as if the transaction had occurred before April 1, 2015.

The date on which the transaction described above are assumed to have been undertaken, are hereinafter collectively referred to as the “Relevant Date”.

As part of this process, information about the Company’s consolidated condensed financial position, consolidated condensed financial performance has been extracted by the Management from the Group’s historical financial statements for the year ended March 31, 2016 and for the quarter ended June 30, 2016 audited by us.

The Management’s Responsibility for the Unaudited Proforma Consolidated Condensed Financial Information

The Management is responsible for compiling the Unaudited Proforma Consolidated Condensed Financial Information on the basis of the applicable criteria described in Notes 1 and 2 to the Unaudited Proforma Consolidated Condensed Financial Information. This responsibility includes the responsibility for designing, implementing and maintaining internal control relevant for compiling the Unaudited Proforma Consolidated Condensed Financial Information on the basis of the applicable criteria described in Notes 1 and 2 to the Unaudited Proforma Consolidated Condensed Financial Information that is free from material misstatement, whether due to fraud or error. The Management is also responsible for identifying and ensuring that the Company complies with the laws and regulations applicable to its activities, including compliance with the provisions of the laws and regulations for the compilation of Unaudited Proforma Consolidated Condensed Financial Information.

Auditors’ Responsibilities

Our responsibility is to express an opinion whether the Unaudited Proforma Consolidated Condensed Financial Information has been compiled, in all material respects, by the Management on the basis of the applicable criteria described in the Notes 1 and 2 to the Unaudited Proforma Consolidated Condensed Financial Information.

We conducted our engagement in accordance with Standard on Assurance Engagements (SAE) 3420, “Assurance Engagements to Report on the Compilation of Proforma Consolidated Financial Information Included in a Prospectus”, issued by the Institute of Chartered Accountants of India. This Standard requires that the practitioner comply with ethical requirements and plan and perform procedures to obtain reasonable assurance about whether the Management has compiled, in all material respects, the Unaudited Proforma Consolidated Condensed Financial Information on the basis of the applicable criteria described in the Notes 1 and 2 to the Unaudited Proforma Consolidated Condensed Financial Information.

For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information used in compiling the unaudited proforma consolidated condensed financial information, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the Unaudited Proforma Consolidated Condensed Financial Information.

The purpose of Unaudited Proforma Consolidated Condensed Financial Information is solely to illustrate the impact of a significant transaction on unadjusted financial information of the entity as if the transaction had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the event or transaction at Relevant Dates would have been as presented.

A reasonable assurance engagement to report on whether the Unaudited Proforma Consolidated Condensed Financial Information has been compiled, in all material respects, on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used by the Management in the compilation of the Unaudited Proforma Consolidated Condensed Financial Information provide a reasonable basis for presenting the significant effects directly attributable to the transaction, and to obtain sufficient appropriate evidence about whether:

- The related pro forma adjustments give appropriate effect to those criteria; and
- The Unaudited Proforma Consolidated Condensed Financial Information reflects the proper application of those adjustments to the unadjusted financial information.

The procedures selected depend on the auditors’ judgment, having regard to the auditors’ understanding of the nature of the company, the transaction in respect of which the Unaudited Proforma Consolidated Condensed Financial Information has been compiled, and other relevant engagement circumstances.

The engagement also involves evaluating the overall presentation of the Unaudited Proforma Consolidated Condensed Financial Information.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the Unaudited Proforma Consolidated Condensed Financial Information has been compiled, in all material respects, on the basis of applicable criteria described in Notes 1 and 2 to the Unaudited Proforma Consolidated Condensed Financial Information.

Restriction of Use and Distribution

This report has been prepared for inclusion in the offer document of the Company in connection with the initial public offering of its equity shares to be filed with Securities Exchange Board of India and for no other purposes.

Notes to the Unaudited Proforma Consolidated Condensed Financial Information:

1. The Unaudited Proforma Consolidated Condensed Financial Information for the three months ended June 30, 2016 and year ended March 31, 2016 have been prepared to reflect the proposed disinvestment of 30.20% of equity share capital of Central Depository Services (India) Limited ("CDSL" or "Disinvested Entity") by BSE Limited ("the Company") pursuant to the SEBI Regulations and SEBI Letter No SEBI/HO/MRD/DP/OW/P/2016/19251/1 dated July 7, 2016, whereby the Company is required to bring down its shareholding in CDSL to 24% of the Share Capital of CDSL by March 31, 2017.

Although the Unaudited Proforma Consolidated Condensed Financial Information is not required as per the Issue of Capital and Disclosure Requirements (ICDR) Regulations, 2009, as amended (the "SEBI Regulations"), the Company has prepared and disclosed the Unaudited Proforma Consolidated Condensed Financial Information to comply with international disclosure standards (the financial statements of the entity required to be disinvested are material to the financial statements of the Company) and on the basis that proforma financial information would be required pursuant to Article 11 of Regulation S-X under the U.S. Securities Act of 1933, as amended, as if the Company were filing this Draft Red Herring Prospectus with the United States Securities and Exchange Commission.

The material entities have been identified by the Management if:-

- (i) The total book value of the assets of the disinvested entities are more than 10% of the book value of the assets of BSE Limited on standalone basis; or
- (ii) The total income of the disinvested entities are more than 10% of the total income of BSE Limited on a standalone basis.

(₹ in million)

Name of the Companies	Total Assets as at March 31, 2016	% of BSE Limited	Total Income for the year ended March 31, 2016	% of BSE Limited
(a) BSE Limited	29,176.7		5,158.9	
(b) Proposed disinvestment of shares of Central Depository Services (India) Limited (Consolidated)	5,136.6	17.60%	1,394.2	27.03%

The applicable criteria used by the Management in the compilation of the Unaudited Proforma Consolidated Financial Information provide a reasonable basis for presenting the significant effects directly attributable to the proposed disinvestment by the Company of 30.2% of its investment in CDSL.

2. Basis of Preparation:

- a. The Unaudited Proforma Consolidated Condensed Financial Information for the three months ended June 30, 2016 and year ended March 31, 2016 have been prepared to reflect the disinvestment of Central Depository Services (India) Limited, as of June 30, 2016 and March 31, 2016, respectively, by BSE Limited as if the disinvestment of 30.2% of share capital of CDSL occurred before April 1, 2015.
- b. Earlier, CDSL was accounted for as a subsidiary as per AS-21 'Consolidated Financial Statements' (AS 21) in the Consolidated Financial Statements for the three months ended June 30, 2016 and year ended March 31, 2016 wherein the financial statements of BSE Limited and CDSL along with the other subsidiaries were consolidated on a line by line basis by adding together like items of assets, liabilities, income and expenses. CDSL would have become an associate as per AS-23 'Accounting for Investments in Associates' (AS 23) post the proposed disinvestment mentioned in note 1 and read with note 2a above wherein the continuing investment in CDSL is accounted for under the equity method.
- c. The details of equity shareholding of the disinvested company is as follows:

Name of Subsidiary	As per Consolidated financial statements as at June 30, 2016 and March 31, 2016	Proposed Disinvestment	Balance Investment
	% of Holding		
Central Depository Services (India) Limited (CDSL)	54.20%	30.20% in CDSL	24.00%

- d. At this point in time, any particular transaction structure or the price for the sale of shares in respect of the proposed disinvestment cannot be ascertained, hence we have not accounted for the consideration that would have been received and the resultant gain / loss on the proposed disinvestment thereon.
3. The purpose of the Unaudited Proforma Consolidated Condensed Financial Information is to reflect the impact of disinvestment of 30.20% Investment in CDSL as set out in the basis of preparation paragraph and to solely illustrate the impact of significant events on the historical financial information of BSE Limited, as if the event had occurred at an earlier date selected for the purposes of illustration and based on the judgements and assumptions of the Management of the Company to reflect the hypothetical impact, and, because of its hypothetical nature, does not provide any assurance or indication that any event will take place in the future and may not be indicative of the consolidated financial information of BSE Limited for the year ended March 31, 2017 or any future periods.
4. The Unaudited Proforma Consolidated Condensed Financial Information is based on:
- The restated Consolidated Financial Information of the Group for the three months ended June 30, 2016 and year ended March 31, 2016 (included in the Draft Red Herring Prospectus).
 - The Audited Consolidated Financial Information of the BSE Limited for the three months ended June 30, 2016.
 - The Audited Consolidated Financial Information of the BSE Limited for the year ended March 31, 2016.
 - The Audited Consolidated Financial Statements of CDSL for the three months ended June 30, 2016.
 - The Audited Consolidated Financial Statements of CDSL for the year ended March 31, 2016.
5. The Consolidated Financial Information of BSE Limited for the year ended and period ended March 31, 2016 and June 30, 2016 respectively are prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified Section 133 of the Companies Act, 2013 ("the 2013 Act") and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"), as applicable. The Unaudited Proforma Consolidated Condensed Financial Information has been compiled in a manner consistent with the accounting policies adopted by BSE Limited in the consolidated restated financial information of the BSE Limited for the three month period ended June 30, 2016 and year ended March 31, 2016.
6. The following Proforma adjustments have made in the Unaudited Proforma Consolidated Condensed Financial Information:
- Accumulated profit and loss accounted under AS 21 while consolidated CDSL prior to proposed disinvestment accounted for in Proforma adjustments.
 - the residual investment in CDSL is accounted for as an Associate as per AS 23,
 - the goodwill attributable to the proposed disinvestment has been reduced from the goodwill on consolidation,

- d. the minority interest in respect of the erstwhile investment in CDSL is eliminated due to the transition in the method of consolidation from AS 21 to AS 23, and
 - e. the share of profit pertaining to the remaining investment in CDSL is accounted for as per the treatment specified in AS 23.
7. Eliminations are effected for the intragroup balances and transactions, the nature of which mainly include deposits received, trade payables, deposits payable, trade receivable, income from rent and infrastructure charges, charges recovered income, computer technology related charges and rent expenses. Further the minority interest accounted at consolidated level pertaining to the disinvested entity has been eliminated.
8. Earnings per share is calculated as follows:

Particulars	For the three months ended June 30, 2016	For the year ended March 31, 2016
Profit After Tax before exceptional items (net of minority interest and tax) (₹ in million)	467.7	1,545.1
Profit After Tax (₹ in million)	378.7	1,023.9

SUMMARY OF SIGNIFICANT DIFFERENCES BETWEEN INDIAN GAAP AND IND AS

The audited financial statements of the Company included in this Draft Red Herring Prospectus are presented in accordance with Indian GAAP, which differs from Indian Accounting Standards ("Ind AS") in certain respects. The matters described below cannot necessarily be expected to reveal all material differences between Indian GAAP and Ind AS which are relevant to us. This is not an exhaustive list of differences between Indian GAAP and Ind AS; rather, it indicates only those differences that we believe will be more relevant to our financial position and results of operations, and to the presentation of our financial statements. We have not considered all material matters of Indian GAAP presentation, classification and disclosures, which also differ from Ind AS. Consequently, there can be no assurance that these are the only material differences in the accounting principles that could have a significant impact on the financial information included in this Prospectus. Furthermore, we have made no attempt to identify or quantify the impact of these differences or any future differences between Indian GAAP and Ind AS which may result from prospective changes in accounting standards. In making an investment decision, investors must rely upon their own examination of our business, the terms of the offerings and the financial information included in this Prospectus. Potential investors should consult with their own professional advisors for a more thorough understanding of the differences between Indian GAAP and Ind AS and how those differences might affect the financial information included in this Prospectus.

The Ministry of Corporate Affairs ("MCA") via its notification dated February 16, 2015 states that an "Entity" (which means a 'company' as defined in sub-section (20) of section 2 of the Companies Act, 2013 or as defined in section 3 of the Companies Act, 1956, as the case may be) shall comply with Ind AS for accounting periods beginning on or after April 1, 2016, with comparatives for the periods ending on March 31, 2016. Therefore we will be subject to this notification. We have commenced preparing our financial statements under Ind AS since the June 2016 quarter. However, as this Draft Red Herring Prospectus has been filed during FY 2017, pursuant to the clarification received from SEBI vide its circular no. SEBI/HO/CFD/DIL/CIR/P/2016/47 dated March 31, 2016, for the purposes of this offering, we have prepared our restated five years financial statements along with our June 2016 financial statements under Indian GAAP.

Areas of Difference	Indian GAAP	Ind AS
Primary literature	AS 1 – Disclosure of Accounting Policies / Schedule III to the Companies Act, 2013 AS 5 – Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies	Ind AS 1 – Presentation of Financial Statements
Statement of profit or loss and other comprehensive income (statement of comprehensive income)	Statement of profit and loss is the Indian GAAP equivalent of separate statement of profit or loss under Ind AS. Some items such as revaluation surplus, which are treated as "other comprehensive income" under Ind AS, are recognised directly in equity under Indian GAAP. There is no concept of "other comprehensive income" in Indian GAAP.	The statement of profit or loss and other comprehensive income includes all items of income and expense – (i.e. all "non-owner" changes in equity) including: (a) components of profit or loss; and (b) other comprehensive income. An entity is required to present all items of income and expense including components of other comprehensive income in a period in a single statement of profit and loss.
Statement of changes in equity	A statement of changes in equity is not presented. Movements in share capital, retained earnings and other reserves are presented in the notes to accounts.	The statement of changes in equity includes the following information: <ul style="list-style-type: none"> • total comprehensive income for the period; • the effects on each component of equity of retrospective application

Areas of Difference	Indian GAAP	Ind AS
		<p>or retrospective restatement in accordance with Ind AS 8; and</p> <ul style="list-style-type: none"> for each component of equity, a reconciliation between the opening and closing balances, separately disclosing each change.
Extraordinary items	<p>Extraordinary items are disclosed separately in the statement of profit and loss and are included in the determination of net profit or loss for the period.</p> <p>Items of income or expense to be disclosed as extraordinary should be distinct from the ordinary activities and are determined by the nature of the event or transaction in relation to the business ordinarily carried out by an entity.</p>	Presentation of any items of income or expense as extraordinary is prohibited.
Reclassification	A disclosure is made in financial statements that comparative amounts have been reclassified to conform to the presentation in the current period without additional disclosures for the nature, amount and reason for reclassification.	When comparative amounts are reclassified, the nature, amount and reason for reclassification are disclosed.
Critical judgments	Does not require disclosure of judgments that management has made in the summary of significant accounting policies or other notes.	Requires disclosure of critical judgments made by management in applying accounting policies.
Estimation uncertainty	Does not require an entity to disclose information about the assumptions that it makes about the future and other major sources of estimation uncertainty at the end of the reporting period though other standards may require certain disclosures of the same.	<p>Requires disclosure of key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.</p> <p>The nature of the uncertainty and the carrying amounts of such assets and liabilities at the end of the reporting period are required to be disclosed.</p>

Errors	Prior period items are included in determination of net profit or loss for the period in which the error pertaining to a prior period is discovered and are separately disclosed in the statement of profit and loss in such a manner that the impact on current profit or loss can be perceived.	Material prior period errors are corrected retrospectively by restating the comparative amounts for prior periods presented in which the error occurred or if the error occurred before the earliest period presented, by restating the opening balance sheet.

Dividends	Schedule III requires disclosure of proposed dividend in the notes to accounts. However, as per the requirements of AS 4, which override the provisions of Schedule III, dividends stated to be in respect of the period covered by the financial statements that are proposed or declared after the balance sheet date but before approval of the financial statements are recorded as a provision. Further, as per recent amendments by the Companies (Accounting Standards) Amendment Rules, 2016 in AS 4, dividends declared subsequent to the balance sheet are to be considered as a non-adjusting event, which is similar to the Ind-AS requirement.	Liability for dividends declared to holders of equity instruments are recognised in the period when declared. It is a non-adjusting event.
Primary Literature	AS 22 – Accounting for Taxes on Income	Ind AS 12 – Income Taxes
Deferred income taxes	Deferred taxes are computed for timing differences in respect of recognition of items of profit or loss for the purposes of financial reporting and for income taxes.	Deferred taxes are computed for temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base.
Recognition of deferred tax assets for unused tax losses etc.	Deferred tax asset for unused tax losses and unabsorbed depreciation is recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax asset for all other unused credits/timing differences are recognised only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.	Deferred tax asset is recognised for carry forward unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the deferred tax asset can be utilised. Where an entity has a history of tax losses, the entity recognises a deferred tax asset only to the extent that the entity has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available.

Classification of financial liabilities	Financial instruments are classified based on legal form – redeemable preference shares will be classified as equity.	Financial instruments are classified as a liability or equity according to the substance of the contractual arrangement, (and not its legal form), and the definition of financial liabilities and equity instruments.
Offsetting	There are no offset rules. However, in practice the rules under Ind AS are applied.	A financial asset and financial liability can only be offset if the entity currently has a legally enforceable right to set off the recognised amounts and intends to either settle on a net basis, or to realise the asset and settle the liability simultaneously.

Annual impairment test for goodwill and intangibles	Goodwill and other intangibles are tested for impairment only when there is an indication that they may be impaired.	Goodwill, intangible assets not yet available for use and indefinite life intangible assets are required to be tested for impairment at least on an annual basis or earlier if there is an impairment indication.
Primary literature	AS 29 – Provisions, Contingent Liabilities and Contingent Assets	Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets
Recognition of provisions	Provisions are not recognised based on constructive obligations though some provisions may be needed in respect of obligations arising from normal practice, custom and a desire to maintain good business relations or to act in an equitable manner.	A provision is recognised only when a past event has created a legal or constructive obligation, an outflow of resources is probable, and the amount of the obligation can be estimated reliably.
Discounting	Discounting of liabilities is not permitted and provisions are carried at their full values. However, as per recent amendments in AS 29, discounting of decommissioning, restoration and other similar liabilities to present value will be required.	When the effect of time value of money is material, the amount of provision is the present value of the expenditure expected to be required to settle the obligation.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

You should read the following discussion of our financial condition and results of operations together with our restated consolidated financial statements as of and for the fiscal years ended March 31, 2014, 2015 and 2016 and the three months ended June 30, 2016 and the schedules and notes thereto, which appear elsewhere in this Draft Red Herring Prospectus. These restated consolidated financial statements are based on our audited consolidated financial statements and are restated in accordance with the Companies Act, 2013, and the SEBI ICDR Regulations. Our restated consolidated financial statements included in this Draft Red Herring Prospectus are prepared in accordance with Generally Accepted Accounting Principles in India ("Indian GAAP"). Indian GAAP differs in certain material respects from US GAAP, Ind AS and IFRS.

Accordingly, the degree to which our Restated Financial Information on page 203 of this Draft Red Herring Prospectus will provide meaningful information to a prospective investor in countries other than India is entirely dependent on the reader's level of familiarity with Indian GAAP. Further, with effect from April 1, 2016, we are required to prepare our financial statements in accordance with Ind AS. Given that Ind AS is different in many respects from Indian GAAP under which our financial statements are currently prepared, our financial statements for the period commencing from April 1, 2016 may not be comparable to our historical financial statements. See also "Risk Factors—Companies in India (based on notified thresholds), including our Company, will be required to prepare financial statements under Ind AS (which is India's convergence to IFRS). The transition to Ind-AS in India is very recent and there is no clarity on the impact of such transition on our Company. All income tax assessments in India will also be required to follow the Income Computation Disclosure Standards". The transition to Ind AS in India is very recent and there is no clarity on the impact of such transition on our Company. See "Summary of Significant Differences between Indian GAAP and Ind AS" on page 404 of this Draft Red Herring Prospectus.

Some of the information contained in the following discussion, including information with respect to our plans and strategies, contain forward-looking statements that involve risks and uncertainties. You should read the section "Forward-Looking Statements" for a discussion of the risks and uncertainties related to those statements and also the section "Risk Factors" for a discussion of certain factors that may affect our business, results of operations or financial condition.

For purposes of this section, unless the context requires otherwise, reference to "FY 2016", "FY 2015" and "FY 2014" are to the financial year ended March 31 of the relevant year and references to "year" are to our financial year.

OVERVIEW

We own and operate the BSE exchange platform (formerly, the Bombay Stock Exchange), the first stock exchange in Asia, which was formed on July 9, 1875. As of June 30, 2016, the BSE was the world's largest exchange by number of listed companies, and India's largest and the world's 11th largest exchange by market capitalization, with US\$ 1.52 trillion in total market capitalization of listed companies.

As the operator of the BSE, we regulate listed issuers and provide a market for listing and trading in various types of securities as may be allowed by SEBI from time to time. We operate in three primary lines of business, namely:

1. **the listing business**, which consists of the primary market, which relates to the issuance of new securities;
2. **the market business**, which consists of (i) the secondary market, which relates to the purchase and sales of previously-issued securities, (ii) BSE StAR MF ("**BSE StAR**"), our online platform for the placement of orders and redemptions of units in mutual funds, (iii) NDS-RST, our platform for the reporting of over-the-counter corporate bond trading, (iv) membership, which includes membership in the Exchange, membership in our clearing corporation ICCL, and depository participants in our depository CDSL, and (v) post-trade services, namely the clearing corporation and depository; and
3. **the data business**, which consists of the sale and licensing of information products.

In addition to our primary lines of business, we also have supporting businesses, including (i) providing IT services and solutions, (ii) licensing index products such as the S&P BSE SENSEX, (iii) providing financial and capital markets training and (iv) operating our corporate and social responsibility portal. Moreover, we have an active treasury function focused on managing our cash, including both our own funds as well as funds that we hold on behalf of third parties (such as margins placed by clearing members).

As at June 30, 2016, the BSE had 1,440 unique members across all segments, and in Fiscal Year 2016 the BSE accepted an average of 284.92 million orders and 1.55 million trades in equity shares per trading day, placing it as the 12th most active exchange in the world in terms of electronic book trades in equity shares. (*Source: World Federation of Exchanges ("WFE") statistics*). During Fiscal Years 2014, 2015 and 2016 and the three months ended June 30, 2016, the BSE reported 24,663 million, 63,385 million, 70,376 million and 17,618 million electronic book orders in equity shares, respectively.

We engage in extensive monitoring of our members, listed companies and of market activities in order to minimize the risk of default, promote market transparency and integrity. By doing so, we along with other Indian stock exchanges contribute to the growth of the Indian capital markets and stimulate innovation and competition across market segments.

We have highly developed electronic systems for entry, trading, clearing and settlement and depository services and we continually seek to improve our core IT capabilities, the reliability and consistency of which help us to maintain our competitive position. Examples of our electronic systems include (i) BOLT+, which is our fully automated, online trading system, (ii) low latency co-location services for algorithmic traders and (iii) a real-time risk management system, which conducts real time calculations of members' margins and limits. Moreover, to continue to improve our product and service offering, we have entered into a number of strategic partnerships and joint ventures. We are a member of the BRICS Exchange Alliance, whereby leading exchange in Brazil, Russia, India, China and South Africa cross-list futures products based on the flagship indices of each of the exchanges, and ICCL entered into an agreement with Clearstream whereby members in our clearing corporation can manage their margin requirements by placing collateral with Clearstream's Global Liquidity Hub.

We were originally established in 1875 as the Native Share and Stock Brokers' Association, an "Association of Persons" that engaged in trading and clearing and settlement functions. On August 31, 1957, we became the first exchange in India to be granted permanent recognition under the Securities Contract Regulation Act, 1956. On August 8, 2005, pursuant to a mandatory demutualization, Bombay Stock Exchange Limited was incorporated for the purpose of assisting, regulating or controlling the business of buying, selling or dealing in securities as a recognized stock exchange and to succeed the Association of Persons. We were renamed BSE Ltd in July 2011. We were created to own the exchange and to undertake all the necessary ancillary funds, and the former members became shareholders in the BSE. SEBI, by way of its order dated May 20, 2005 approved the Demutualisation Scheme. For further details of the Demutualisation Scheme please refer to "*History & Certain Corporate Matters – Demutualisation Scheme*" on page 161 of this Draft Red Herring Prospectus.

We derive revenue from a number of sources, including securities services, services to corporate, data dissemination fees, investments and deposits, and other sources. For FY 2014, FY 2015 and FY 2016 and the three months ended June 30, 2016, our revenue from operations was ₹ 2,667.9 million, ₹ 3,611.4 million, ₹ 4,265.4 million and ₹ 1,130.2 million, respectively, and our net profit after share of minority and share of loss of associate as restated was ₹ 1,351.9 million, ₹ 1,297.4 million, ₹ 1,225.3 million and ₹ 414.0 million, respectively.

FACTORS AFFECTING OUR RESULTS OF OPERATIONS

Our financial performance and results of operations are affected by several factors, of which we believe the below are of particular importance.

Market activity

Market conditions, including the volume and value of equities, debt securities and derivative contracts traded on our markets, and, to a lesser extent, the number of new listings, directly impact revenue from our listings business and market business. The level of market activity on our individual markets, which is largely outside our control, is also closely interconnected, as liquidity tends to migrate between markets in response to changing market conditions.

For our listing business, we earn revenue from listing fees based on new listings and annual fees from listed companies on the BSE, including SMEs. Increased market activity tends to correlate with more attractive listing conditions, and hence increase the number of new listings. Moreover, annual listing fees for SMEs are based on the market capitalization of the company in question, and therefore increase during periods of increased market strength. Conversely, annual listing fees for companies listed in the main board of the exchange are based on listed share capital, which is not impacted by levels of market activity, providing a natural hedge against market volatility.

For our markets business, we earn revenue primarily from transaction charges on the exchange, depository services that our depository provides, treasury income on clearing and settlement funds and charges recovered from members for network connectivity. Increased trading volumes directly impact the transaction charges that we earn for trading on the exchange, and also result in increased volumes of depository services that we provide, and therefore the income that we earn from our depository. Moreover, increased trading volumes generally increase the levels of clearing and settlement funds that members post with our clearing corporation as collateral, and hence the levels of cash surplus that our treasury department has available for investments.

In our equity derivatives and currency derivatives segments, the volatility of the underlying assets as well as global and regional economic volatility, among other factors, also impact the level of trading. The majority of our income from this division relates to derivatives trading on our indices, in particular derivatives trading on the S&P BSE SENSEX, which declines as the equity market declines. Active markets are also necessary for the success of our information services.

The level of market activity depends primarily on macro economic conditions in India and globally. See "*India's economic condition*" below. Capital markets in India experienced significantly stronger conditions during FY 2015 than in FY 2014, largely as a result of the general election and investor's perceptions of business and investment friendly policies by the new Government. As a result, turnover in each of our segments was significantly higher in FY 2015 than FY 2014, with the Equity Cash segment experiencing 63.9% higher turnover, the equity derivatives segment experiencing 120.9% higher turnover and the currency derivatives segment experience 681.2% higher turnover. The strong capital market conditions continued into FY2016 and the three months ended June 30, 2016, though total turnover was not quite as high as during FY 2015. These changes in market conditions directly affected our revenue and profitability, and in particular led to increases in our transaction charges, depository services revenue, treasury income from clearing and settlement funds, listing fees and various other processing fees.

The following table sets forth total turnover for our equity cash, equity derivatives and currency derivatives segments for the periods indicated:

	Three Months Ended June 30,	Year Ended March 31,		
	2016	2016	2015	2014
		₹ (in millions)

For a description of the products that we offer in our equity cash segment, equity derivatives segment and currency derivatives segment, see "*Business—Our Business*".

India's economic condition

Substantially all of our assets, listed companies, investments and market participants are located in India. As a result, we are substantially affected by the health of the Indian economy.

Trading volumes on our markets depend generally on macro economic factors and the financial prospects of the companies listed, substantially all of which are linked to the health of the Indian economy and the global economy. While market volatility generally has a positive impact on each of our equity cash segment, equity derivatives segment and currency derivatives segment as a result of heightened trading activity, adverse economic conditions, such as those experienced as a result of the global financial crisis, can negatively impact

our business. Poor economic conditions can negatively impact new listings by reducing the number or size of securities offerings, which in turn would have a negative impact on listing fee income and our ability to generate transaction-based charges and any related clearing and settlement income. Further, because depository fees for shares are calculated based on their market price, economic downturns that lead to any broad declines in the market price of equity securities traded are likely to lead to lower income in this division. Adverse economic conditions may result in a deterioration of the economic success of the companies listed, which may result in reduced liquidity and lower trading prices of the securities of these companies, which in turn would reduce our transaction charges income.

Some of the general macro economic factors that can affect trading on our exchange include the following: (i) general levels of GDP growth and growth in personal income in India, (ii) economic or fiscal crises or instability, (iii) demographic conditions and population dynamics, including growth rate, (iv) economic development and shifting of wealth, (v) political measures or developments, such as tax incentives and general political stability, (vi) fiscal and monetary dynamics, such as rises or falls in interest rates, foreign exchange rates and inflation rates and (vii) and regulatory developments.

India's GDP grew at 7.2% in 2014, is expected and forecast to grow at 7.6% in 2015 and 2016. (*World Bank Report*) It is expected that consumer price inflation will remain around 5.2 – 5.3% during FY2017 (*Source: Reserve Bank of India, Monetary Policy Report, April 2016 (the "RBI Report")*), in line with the RBI target of 5% of March 2017. See "*Industry*".

Transaction Charges

We earn transaction charges that vary based on the type of security, market segment, method of trading and the value of the trades executed. We also charge companies with securities listed on our exchanges an initial listing fee, listing processing fees and annual listing fees. In addition, we earn income from fees we charge for the use of our book-building software, which varies based on the security type, the size of the offer and transaction type.

In addition, we continually monitor the fees that we charge market participants, and any revision in transaction charges may materially impact our results of operations. For example, in FY 2016 we increased our transaction charges for certain groups of companies with illiquid securities from ₹ 275 per ₹ 10 million of turnover to ₹ 10,000 per ₹ 10 million of turnover, which was largely responsible for a significant increase in our revenue from transaction charges as a percentage of our overall revenue from securities services during FY 2016. Similarly, in FY 2016 and FY 2015 we increased the annual listing fees for issuers, which contributed to a significant increase in listing fees for equity securities.

Equity Cash segment

For equity securities, we generally charge an initial listing fee of ₹ 20,000 and an annual listing fee based on the size of listed capital, beginning at ₹ 200,000. For privately placed debt securities, we charge an initial listing fee of ₹ 20,000, listing processing fee of ₹ 4,500 per ISIN and an annual listing fee based on the issue size, beginning at ₹ 2,500. We also charge transaction charges for transactions reported on our over-the-counter market, ICDM, which allows the reporting by members of trades in corporate bonds, commercial paper, certificates of deposit, government securities and treasury bills, and other products. These over-the-counter fees are the lower of ₹ 50 per trade or 0.01% of the value of the trade up to a maximum of ₹ 100,000.

For our mutual funds segment, we charge a listing processing fee of ₹ 10,000 per single scheme information document ("**SID**") and annual listing fees for the tenure of the scheme based on issue size, ranging from ₹ 1,000 per month or part thereof to ₹ 14,800 per month or part thereof.

For our BSE SME platform, we charge a one-time listing fee of ₹ 50,000, an annual listing fee that is based on the issuer's market capitalization and fees for the use of our book building software.

Equity Derivatives and Currency Derivatives

For equity derivatives, transaction charges vary based on whether the derivative is an option or a future. For options, we charge ₹ 50 per ₹ 10 million of premium value on active orders, and for futures, our transaction charges range from ₹ 50 to ₹ 2,500 per ₹ 10 million of either turnover or premium value on active orders.

For currency derivatives (including interest rate derivatives), transaction charges range from ₹ 8 to ₹ 10 per ₹ 10 million of turnover, chargeable to buyer as well as seller.

Depository Services

CDSL charges transaction fees for on-market and off-market transactions, ranging from ₹ 4.25 to ₹ 5.50 per transaction. Additionally, CDSL charges (i) annual maintenance charges to corporate account holders, (ii) monthly maintenance charges to members for pay-in and pay-outs received from the clearing corporation, (iii) annual issuer fees and processing fees related to corporate transactions to issuers, (iv) charges related to hardware and software support and (v) various other fees. In FY 2016, CDSL increased the annual issuer charges that it levies, which resulted in an increase in income from depository services in FY 2016. The maximum charges that CDSL can levy are regulated by SEBI.

Interest rates and funds available for investment

We earn a significant amount of income from investment activity, namely from (i) investment income earnings on the margin, deposits and settlement obligation funds available on clearing and settlement activity, which we account for as part of revenue from securities services, and (ii) revenue that we derive from investing deposits received from market participants (which we receive from members when they are admitted for trading) and our owned funds, which we account for as investment and deposit income. We mostly invest in debt securities, such as debt instruments of banks and financial institutions, corporate debt and debt mutual funds and government securities. For the three months ended June 30, 2016 and for FY 2016, FY 2015 and FY2014, our investment and deposit income and treasury income on clearing and settlement funds together accounted for 31.5%, 35.1%, 44.1% and 49.5% of our total revenue, respectively.

We aim to invest funds within a framework of seeking four objectives: (i) providing adequate levels of safety; (ii) providing adequate liquidity to meet contingencies; (iii) achieving adequate risk versus rewards trade-offs; and (iv) facilitating overall diversification of risks. We pursue these objectives by defining various parameters and control checks that need to be adhered to before we make an investment. We invest in debt securities, such as debt instruments of banks and financial institutions, corporate debt and debt mutual funds and government securities. Currently, we make investments out of our own funds, which is generated through retained earnings and internal accruals, from deposits and collaterals that market participants place with our clearing corporation, and earmarked funds, which are funds that we receive in certain situations and must hold for the account of companies or members, such as (a) amounts in the core settlement guarantee fund and settlement guarantee fund, (b) a 1% company deposit received from companies prior to their initial public offerings, (c) withheld funds, which are amounts payable to members that we withhold due to certain regulatory requirements and (d) certain funds payable to members that have defaulted on their settlement obligations. Income from own funds accrues to us, whereas income from earmarked funds accrues to the respective funds, BSE's investor protection fund or members for whom the funds are earmarked.

The investment and treasury income that we receive depends primarily on two factors, namely (i) the prevailing interest rates in the case of investments we make in interest bearing assets (or on market rates of return in the case of investments that we make in non-interest bearing investments) and (ii) the levels of cash surplus that we have available for investment. These, in turn, depend on external factors such as the prevailing interest rate and macroeconomic environment in India, and levels of market activity.

The following table shows certain data regarding interest rates in India for the periods indicated:

	Three Months Ended June 30,	Year Ended March 31,		
	2016	2016	2015	2014
		<i>Basis points</i>		
RBI Repo Rate	650	675	750	800
RBI Reverse Repo Rate.....	600	575	650	700

The amount of cash that we receive as collateral for a transaction, and therefore have available for investment, depends primarily on the margin policy applicable to the particular trade and the settlement period of the trade.

We invest our own funds, as well as cash that we receive from market participants and earn interest and dividend income on such investments. The deposits and collateral that we receive from market participants is interest free, so any income that we earn on investments made with such funds accrues to our benefit and we recognize income from such investments on our statement of profit and loss.

The average yield that we earn on our investment portfolio also depends on the mix of our investments, which we change over time in response to market conditions and to ensure efficient tax treatment. In particular, the Government's Union Budget in FY 2015 declared that investments held in non-equity schemes, including fixed maturity plans, qualify for long-term capital gains treatment only after a minimum holding period of three years. As we had been allocating a portion of our investments to fixed maturity plans, in response to this change we extended the holding period from one year to three year for a portion of our investments from fixed maturity plans. As a result, and because under Indian GAAP the recognition of income from fixed maturity plan investments is made only when they mature, we will begin recognizing income on these fixed maturity plans starting in FY 2017, which has partially offset other increases in investment income that we experienced in FY 2015 and FY 2016.

Joint Ventures, Amalgamations and Disinvestments, including the Potential Disinvestment in CDSL

Potential Disinvestment in CDSL

We currently own a 54.2% stake in CDSL, our depository. Pursuant to Indian law, effective April 1, 2017 stock exchanges will be prohibited from holding more than a 24.0% stake in depositories, as a result of which we are required to divest 30.2% of our stake in CDSL. The disinvestment of our stake in CDSL will significantly impact our financial condition and our financial results. In particular, upon the disinvestment, we will no longer own a controlling interest in CDSL, as a result of which we will consolidate CDSL as an associate instead of subsidiary in our financial statements. The change in method of consolidation of CDSL will result in a significant decrease in our revenue and expenses, and we will instead reflect our proportionate share in CDSL's profit (or loss) in a single line item entitled "Share of Profit / Loss of Associate". In turn, our profits will be reduced as a result of a sale of a material and profitable part of our business. If we receive cash as consideration for the disinvestment, we will then be able to invest or otherwise use that cash as we see fit, as a result of which we may be able to partially offset our decreased profits, though there is no guarantee that we would be able to do so.

The following table sets forth the impact that our divestment of CDSL would have had on certain of our balance sheet and income statement line items had the disinvestment completed on April 1, 2015 (in the case of the figures presented for the three months ended June 30, 2016) and March 31, 2016 (in the case of the figures presented for FY 2016):

(1) Our pro forma total assets and total equity do not reflect any consideration / net profit / (loss) that we would receive / realise for our disinvestment in CDSL, as we have not yet identified any particular transaction structure for the disinvestment and we do not know the nature and amount of consideration that we will receive.

For more information on how the disinvestment in CDSL would have impacted our financial condition and results of operations in FY 2016 and the three months ended June 30, 2016 had the divestment already happened by the end of these periods, please see "*Financial Statements—Unaudited Pro Forma Consolidated Financial Information*".

There can be no assurance that the sell-down of CDSL will take place by March 31, 2017 or at all, nor as to the form or amount of consideration that we receive for the disinvestment. Please see "*Risk Factors—The Pro*

Forma Financial Information included in this Draft Red Herring Prospectus is presented for illustrative purposes only and may not be indicative of our financial condition or results of operations".

Amalgamation of USE with BSE

In FY 2015, we amalgamated the United Stock Exchange of India Limited ("**USE**") into the BSE. The amalgamation of USE impacted our financial results primarily by increasing our funds available to invest, which in turn increased on income from investments. USE was a currency exchange, and as a result of the acquisition of USE we began our currency derivative business.

Asia Index Private Limited

In February 2013, we entered into a strategic partnership with S&P Dow Jones Indices through our India-based joint venture, Asia Index Private Limited ("**AIPL**"). AIPL licenses its indices as the basis for a wide range of financial instruments. We consolidate our proportionate share of AIPL's revenues and expenses on line by line basis, which has resulted in an increase in certain of our income and expense line items, in particular employee benefits expense.

Settlement Guarantee Fund and the Core Settlement Guarantee Fund

Pursuant to Regulation 33 of the Securities Contracts (Regulations) (Stock Exchanges and Clearing Corporations) Regulations, 2012 ("**Regulation 33**") issued on June 20, 2012, read with SEBI circular SEBI/HO/MRD/DRMNP/CIR/P/2016/54 dated May 4, 2016 (the "**2016 Circular**"), a recognized stock exchange is required to transfer 25% of its annual profits to a fund of a recognized clearing corporation that clears and settles trades executed on that stock exchange to guarantee the settlement of trades. In our case, our wholly owned subsidiary, ICCL, conducts the clearing and settlement of trades for all segments of the BSE and maintains the settlement guarantee fund (the "**SGF**").

Separately, pursuant to SEBI Circular CIR/MRD/DRMNP/25/2014 dated August 27, 2014, recognized clearing corporations must establish and maintain a core settlement guarantee fund (the "**CSGF**") for each segment of a recognized stock exchange to guarantee the settlement of trades executed in respective segment. In the event that a clearing member fails to settle its obligations, funds in a CSGF will be used to complete the settlement.

Under the same circular, a clearing corporation establishes the minimum required corpus to the CSGF for each segment of the recognized stock exchange. A clearing corporation is required to contribute at least 50% of the minimum required corpus, whereas a recognized stock exchange is required to contribute at least 25% of the minimum required corpus. Contributions made by the stock exchanges to a CSGF can be offset against the mandatory transfer of 25% of its profits to a SGF.

The 2016 Circular clarifies that the 25% transfer of profit by the stock exchange to a SGF and the contribution by the stock exchanges towards a CSGF are two different requirements. In its board meeting on May 19, 2016, the SEBI Board approved an amendment to Regulation 33 to remove the provision that required a recognized stock exchange to transfer 25% of its profits to a SGF. SEBI is in the process of amending Regulation 33 to reflect this decision, but no amendments have yet taken effect. See also, see "*Risk Factors—Changes in regulations concerning the Settlement Guarantee Fund may have material adverse effect on us*". Our Exchange will be required to transfer the 25% of its profits to the CSGF for the period from April 1, 2015 until the date of amendment of Regulation 33.

We account for the exchange's minimum required contribution to the CSGF as administrative expenses. Prior to the 2016 Circular, we appropriated the 25% transfer of profit to the SGF under reserves and surplus. As a result of the 2016 Circular, starting in FY 2016 we have accounted for the 25% transfer of profit to the SGF as an exceptional item in our statement of profit and loss, and the balance laying in the SGF under reserves and surplus. We account for the 25% transfer of profit to the SGF as an exceptional item on the basis of the SEBI Board's approval in May 2016 to remove the requirement to transfer 25% of profits to a SGF and because the 25% transfer of profit in FY 2016 was a one-time transfer to make up for prior amounts not transferred to the CSGF.

The change in treatment of the 25% transfer of profit to the SGF arising from the 2016 Circular has had a significant impact on our profit and loss account, resulting in exceptional items in the amount of ₹ 514.3 million during FY 2016 and ₹ 136.1 million during FY 2015.

STATEMENT OF CRITICAL ACCOUNTING POLICIES

The preparation of our restated consolidated financial statements in conformity with Indian GAAP requires our management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the period. Estimates and assumptions are continuously evaluated and are based on our experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Future results could differ due to these estimates, and the differences between the actual results and the estimates are recognized in the periods in which the results are known or materialize. We recognize any change in such estimates prospectively.

The following discussion presents areas where significant judgments, estimates and assumptions are required, as well as accounting policies that are particularly significant to our business. Changes in the assumptions used may materially affect the financial position or financial results reported in future periods. Further information on each of these and how they impact the various accounting policies are described in Note 1 to our restated consolidated financial statements.

Basis of Consolidation

The restated consolidated financial statements relate to BSE Limited, its subsidiary companies, jointly controlled entities and the Group's share of profit / loss in its associates. The restated consolidated financial statements have been prepared on the following basis:

- (a) The financial statements of the subsidiary companies, jointly controlled entities and associate used in the consolidation are drawn up to the same reporting date as that of the Company.
- (b) The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and resulting unrealised profits or losses, unless costs cannot be recovered.
- (c) The restated consolidated financial statements include the share of profit / loss of the associate company which has been accounted for using equity method in accordance with Accounting Standard 23 Accounting for Investments in Associates in Consolidated Financial Statements. Accordingly, the share of profit/ loss of each of the associate companies (the loss being restricted to the cost of investment) has been added to / deducted from the cost of investments.
- (d) Share of profit / loss, assets and liabilities in the jointly controlled entities, which are not subsidiaries, have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, incomes and expenses on a proportionate basis to the extent of the Group's equity interest in such entity in accordance with Accounting Standard 27 Financial Reporting of Interests in Joint Ventures. The intragroup balances, intra-group transactions and unrealised profits or losses have been eliminated to the extent of the Group's share in the entity. Jointly controlled entities that are considered subsidiaries under Accounting Standard 21 Consolidated Financial Statements are consolidated similar to the manner of consolidating subsidiaries and the share of interest of the other ventures in such entities is included as part of minority interest.
- (e) The excess of cost to the Group of its investments in the subsidiary companies / jointly controlled entities over its share of equity of the subsidiary companies / jointly controlled entities, at the dates on which the investments in the subsidiary companies / jointly controlled entities were made, is recognised as "goodwill", being an asset in the restated consolidated financial statements and is tested for impairment on annual basis. On the other hand, where the share of equity in the subsidiary companies / jointly controlled entities as on the date of investment is in excess of cost of investments of the Group, it is recognised as "capital reserve" and shown under the heading "reserves & surplus", in the restated consolidated financial statements. The "goodwill" / "capital reserve" is determined separately for each subsidiary company / jointly controlled entity and such amounts are not set off between different entities.

- (f) Minority interest in the net assets of the consolidated subsidiaries consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary companies were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit / loss for the year of the subsidiaries attributable to minority interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to shareholders of the Company.
- (g) The difference between the cost of investment in the associate and the share of net assets at the time of acquisition of shares in the associate is identified in the restated consolidated financial statements as "goodwill" or "capital reserve" as the case may be.
- (h) Goodwill arising on consolidation is not amortised but tested for impairment.
- (i) The restated consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances with certain exceptions as mentioned below and are presented to the extent possible, in the same manner as our separate financial statements.

Revenue Recognition

Revenue in respect of services rendered is recognised when the service is rendered and there is a reasonable certainty of ultimate realisation. Dividend income on investments is recognised when the unconditional right to receive dividend is established. Discount or premium on debt securities / discounted money market instruments is accrued over the period of remaining maturity.

Employee Benefits

Employee benefits are accrued in accordance with Accounting Standard-15 (Revised) "Employee Benefits":

Provident Fund – Defined Contribution Plan

Eligible employees receive benefits from a provident fund, which is a defined contribution plan. Aggregate contribution along with interest thereon is paid on cessation of services. We and our employees make monthly contributions to the Bombay Stock Exchange Employees' Provident Fund, a trust set up and administered by us. We are liable for any shortfall in the fund assets based on the minimum rate of return specified by the Government, which is debited to the Statement of Profit and Loss as and when services are rendered by the employees.

Compensated Absences

The leave balance is classified as long-term and short-term, based on the best estimates after considering the past trends. The short-term leave encashment liability has been measured on actual components eligible for leave encashment and expected short-term leave to be availed is valued at total cost to the Exchange. Long-term leave has been valued on actuarial basis as at the year end.

Gratuity – Defined Benefit Plan

We provide for gratuity, a defined benefit plan, in respect of employees. The cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the statement of profit and loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Depreciation and Amortization

- (a) Tangible assets: Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible fixed assets has been provided on the "written down value" method as per the useful life prescribed in Schedule II to the Companies Act,

2013. Determining the useful life of an asset requires management to make estimates and judgments, and we will revise the depreciation charge where useful lives are different from those previously estimated, with the unamortized depreciable amount charged over the revised remaining useful life.

- (b) Intangible assets: Computer software is amortised over 6 years on the 'written down value' basis for the number of days the assets have been put to use for their intended purposes. Goodwill on amalgamation is amortised over a period of two years on a 'straight line basis'.

Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degrees of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Provisions, therefore, require management to make estimates and assumptions about the probability and amount of future outflows. Provisions (excluding retirement benefits) are not discounted to their present value, but are determined based on the best estimate required to settle the obligation at the balance sheet date. Management reviews these estimates at each balance sheet date and adjusts them to reflect management's current best estimates. Contingent liabilities are not recognised but are disclosed in the notes to our financial statements, while contingent assets are neither recognised nor disclosed in our financial statements.

Core Settlement Guarantee Fund

Pursuant to SEBI Circular no. C1R/MRD/DRMNP/25/2014 dated August 27, 2014 every recognized clearing corporation must establish and maintain a fund called the Core Settlement Guarantee Fund for each of its business segments to guarantee the settlement of trades. In the event that a clearing member fails to settle his or her obligations, funds in a Core Settlement Guarantee Fund will be used to complete the settlement. ICCL and the BSE contribute 75% and 25%, respectively, to the Core Settlement Guarantee Fund and this fund is represented by earmarked Core Settlement Guarantee Fund investments. The income earned on such investments is credited to the respective contributor's funds. Penalties and fines levied by the BSE are directly transferred to the Core Settlement Guarantee Fund as Other Contributions.

PRINCIPAL COMPONENTS OF OUR INCOME STATEMENT

Revenue

Our revenue comprise of the following sources: (1) revenue from operations, which consists of (i) revenue from securities services; (ii) revenue from services to corporates and (iii) revenue from data dissemination fees; (2) income from investment and deposits and (3) other income.

Our revenue from operations accounted for 63.4%, 64.8%, 57.8% and 50.4% of our total revenue for the three months ended June 30, 2016, FY 2016, FY 2015 and FY 2014, respectively.

The following table sets forth our revenue from operations by each source for the periods indicated.

	Three Months Ended June 30,	Year Ended March 31,		
	2016	2016	2015	2014
		<i>₹ (in millions)</i>		
Revenue from operations				
Securities services	683.9	2,430.1	2,336.5	1,872.4
Services to corporates.....	385.5	1,611.1	1,053.9	591.4
Data dissemination fees.....	60.8	224.2	221.0	204.1
Income from Investment and Deposits	472.4	1,896.5	2,225.7	2,182.7
Other Income.....	180.4	420.8	410.4	447.6
Total revenue	1,783.0	6,582.7	6,247.5	5,298.2

Revenue from securities services

Revenue from securities services includes primarily transaction charges including trading and membership fees that we charge to market participants, revenue from depository services provided by CDSL, treasury income on

investments made from clearing and settlement funds, and charges recovered from members for network connectivity, to a lesser extent, other sources of revenue such as annual subscription and admission fees, auction charges,

Transaction charges vary based on the security type, market segment, method of trading and the value of the trades executed. For more information on our transaction charges, please see "*Transaction Charges*".

We recover the charges incurred for network connectivity from members, which we account for as charges recovered.

Our subsidiary ICCL provides clearing and settlement services to its clearing and trading members, and retains the investment income earnings on the margin, deposits and settlement obligation funds available on clearing and settlement activity, which we account for as part of revenue from securities services. ICCL also charges to members auction commission charges for auction activity carried out in the event of a shortage of pay-in/pay-out of securities. When a member fails to deliver the shares or short delivers against any trade in a settlement, such non delivery or short delivery is settled through a separate auction mechanism, in which ICCL levies auction commission charges of 0.1% and 1% of the settlement value.

Our subsidiary CDSL provides depository services and facilitates the holding of securities in electronic form, enables securities transactions to be processed by book entry by a depository participant. Depository services income is mainly comprised of annual custodial fees received from registered issuers based either on per folio (the number of investors) or on issued capital, transaction charges charged to the depository participant on a per transaction basis and other miscellaneous charges pertaining to, among others, initial public offerings, corporate actions and e-voting.

Revenue from services to corporate

Revenue from services to corporate includes listing fees charged to listed corporates and mutual funds for listing their securities on the BSE platform (including the BSE SME platform) (which includes annual listing fees, further listing fees and listing application processing fees), book building software charges, company reinstatement fees and other fees. Listing fees vary based on, among other factors, the type of security, listed capital, market segment and method of trading..

Revenue from data dissemination fees

We earn income by selling financial market data, including real-time market data, historical information, such as trading data of securities listed or traded on our exchange, and information relating to our indices, including the S&P BSE SENSEX index.

Revenue from investments and deposits

Revenue from investments and deposits includes revenue that we derive from investing deposits received from market participants (which we receive from members when they are admitted for trading) and our owned funds. We invest these funds primarily in bonds, mutual funds and bank deposits, and to a lesser extent in equity ETFs. As a result of these investments, we earn interest income, dividend income and income on the redemption of units in mutual funds. For more information see "*Factors Affecting Our Results of Operations— Interest rates and funds available for investment*".

Other Income

We derive other income from charges for rent and infrastructure access, software services, our training institute, our website, our share of joint venture income from BOI Shareholding Limited, a joint venture that we had with Bank of India and which we divested during FY2016, our share of joint venture income from Asia Index Private Limited, a joint venture that we have with S&P Dow Jones and miscellaneous other sources.

Expenses

Employee benefits expenses

Employee benefits expenses include salaries, allowances and bonus, contribution to provident funds and other funds, staff welfare expenses, provision for compensated absence and employee benefits expense related to our joint ventures.

Finance costs

Finance costs include finance charges on finance lease, interest and bank facility fees on our short term loans including working capital loans, bank guarantees, and our share of joint venture finance costs from Asia Index Private Limited, which develops and markets indices.

Depreciation and amortization expenses

Depreciation and amortization expenses include depreciation of buildings, plant and machinery, electrical installations, computers, furniture, fixtures and office equipment, motor vehicles, amortization of software, amortization of goodwill related to amalgamation and depreciation and amortization expenses related to our share in joint ventures.

Administration and other expenses

Administration and other expenses include: (i) computer technology related expenses, (ii) technology program expenses, (iii) electricity charges (net of recoveries), (iv) contributions to the investors services fund (comprising 20% of our income from listing fees received), (v) contributions to the core settlement guarantee fund, (vi) professional fees, (vii) contributions to SEBI (comprising 10% of our income from listing fees received), (viii) building repairs and maintenance, (ix) advertising and marketing expenses and (x) miscellaneous other items.

Exceptional Items

Under Indian GAAP, we treat our non-recurring and non-permanent expenses as exceptional items.

Liquidity enhancement incentive programme scheme

Pursuant to SEBI Circular CIR/DNPD/5/2011 dated June 2, 2011 permitting stock exchanges to introduce liquidity enhancement schemes for illiquid securities in the equity derivatives segment, we launched a series of liquidity enhancement incentive programs (the "**LEIPS**") to enhance liquidity in our equity futures and options segment from September 2011 to March 31, 2016. We discontinued the LEIPS program with effect from April 1, 2016. Under the LEIPS, we lowered our transaction fees and offered volume-based and open-interest-based cash incentives to our members, incurring expenses as a result. Please see Note 44(a) of our restated consolidated financial statements for further information.

Settlement Guarantee Fund

Under SEBI regulations, we are required to maintain a Settlement Guarantee Fund and transfer 25% of stock exchange's annual profits to this fund as maintained by our clearing corporation, ICCL, which resulted in an expense recognized in FY 2016 and the three months ended June 30, 2016. However, the SEBI Board in its board meeting on May 19, 2016, approved an amendment to remove the provision that required all recognized stock exchanges to transfer 25% of their profits. For more information regarding the regulations concerning the Settlement Guarantee Fund, see "*Risk Factors—Changes in regulations concerning the Settlement Guarantee Fund may have material adverse effect on us*". We treat the expenses as exceptional items based on the proposed amendment of the SEBI regulations. Please see Note 32 of our restated financial statements for further information.

Voluntary retirement scheme

During FY 2015, we and BOI Shareholding Limited ("BOISL"), a 49% joint venture with the Bank of India, implemented a voluntary retirement scheme for all of our eligible employees, in which the scheme was closed in the same year, resulting in an expense. Furthermore, a joint venture of our Group implemented a voluntary retirement scheme in FY 2013, resulting in an expense of our share in the scheme. The voluntary retirement schemes that we implemented in FY 2015 and FY 2013 are no longer in effect. Please see Note 44(b) of our restated consolidated financial statements for further information.

Loss on sale of Strategic Investment

In November 2015, our board approved the disposal of our investments in BOI Shareholding Limited ("BOISL") by means of an offer for sale. Then, BOISL provided clearing and settlement services for certain trading segments of the BSE, including the equity segment, which was taken over by ICCL in February, 2012. Based on the offer for sale, an amount of ₹ 64.3 million, being the difference between the sale price of the investment and its net worth in our consolidated financial statements, was charged in our statement of profit and loss for FY 2016.

Reversal of contribution to depository investor protection fund

Amendments in SEBI regulations in relation to the establishment of an investor protection fund have resulted in a reversal of contributions to the depository investor protection fund recognized in FY 2016. Under Regulation 53C(2) of SEBI (Depository and Participants) (Amendment) Regulations, 2012, every depository was required to contribute 25% of its annual profits to an investor protection fund. SEBI amended the regulation on January 21, 2016 and reduced the 25% requirement to 5%, retrospectively from September 2012. As a result, the amount of CDSL's profits that it had to contribute to the depository investor protection fund since FY 2012 was reduced from 25% to 5% in FY 2015. CDSL recognized income as a result of reversing the prior provision for contributions to the depository investor protection fund, save for the 5% that it is still required to contribute to the fund. Please see Note 30 of our restated consolidated financial statements for further information.

Others

We incurred other expenses related to exceptional items in FY 2015 in relation to the termination of a software development agreement by USE, prior to USE's amalgamation with us. Since the termination of contract was a non-recurring event, USE treated the item as an exceptional item. Upon the amalgamation of USE with BSE in FY 2015, we also disclosed the same as an exceptional item.

Furthermore, based on a direction received from SEBI during FY 2016, we charged an amount of ₹ 46.0 million to our profit and loss statement, which is to be reimbursed to BSE investor's protection fund for contributions that the investor protection fund had made to the IFRS Foundation pertaining to earlier years. Accordingly, we reimbursed the amounts to the investor protection fund in FY 2016, and because such payments were non-recurring in nature, we charged them as exceptional items.

Tax expense

Our tax expense includes current tax, minimum alternate tax credit entitlement and deferred tax. Provisions for current tax are made on the basis of the estimated taxable income for the current accounting period in accordance with the provisions of the Income Tax Act, 1961. Deferred tax results from timing differences between the book and the taxable profits for the period and is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. Deferred tax assets are recognized and carried forward only to the extent that there is reasonable certainty, except for carried forward losses and unabsorbed depreciation, which are recognized based on virtual certainty that the difference will reverse in the future. We consider the Minimum Alternative Tax as an asset, which gives future economic benefits in the form of adjustments to future income tax liability, if there is convincing evidence that we will pay normal income tax. Accordingly, we recognized the Minimum Alternative Tax when it is highly probable that future economic benefits associated with the Minimum Alternative Tax will flow to us.

We strive to structure our operations, including our investment portfolio and treasury operations, in a tax efficient manner. For example, our investments in Indian Government bonds are tax free.

Three Months Ended June 30, 2016

Revenue

Our total revenue was ₹ 1,783.0 million for the three months ended June 30, 2016.

Revenue from operations

Our revenue from operations was ₹ 1,130.2 million for the three months ended June 30, 2016.

(i) Securities services

Our revenue from securities services was ₹ 683.9 million for the three months ended June 30, 2016. This was primarily due to income from depository services of ₹ 315.3 million and income from transaction charges of ₹ 214.4 million. Our income from transaction charges as a percentage of our securities services income increased to 31.3% in the three months ended June 30, FY2017 from 22.6% in FY 2016 primarily as a result of an increase in the rate of transaction charges for certain groups of illiquid securities with effect from January 1, 2016. See “—Transaction Charges”.

(ii) Services to corporates

Our revenue from services to corporates was ₹ 385.5 million for the three months ended June 30, 2016. This was primarily due to listing fees of ₹ 356.4 million and book building software charges of ₹ 18.9 million. Book building software charges decreased on an annualized basis in the three months ended June 30, 2016 as compared to in FY 2016, primarily as a result of a decrease in income from offers to buy.

(iii) Data dissemination fees

Our revenue from data dissemination fees was ₹ 60.8 million for the three months ended June 30, 2016. This was primarily due to income from the sale of financial market data, including real-time market data, historical information (such as trading data of the securities listed or traded on our exchange) and information relating to our indices, including the S&P BSE SENSEX.

Income from investments and deposits

Our income from investments and deposits was ₹ 472.4 million for the three months ended June 30, 2016. This includes interest income from long term investments of ₹ 306.1 million and interest income from fixed deposits and term deposits of ₹ 130.9 million.

Other Income

Our other income generated was ₹ 180.4 million for the three months ended June 30, 2016. This was primarily due to miscellaneous income of ₹ 86.5 million, which was mainly due to interest on income tax refund. Contributing to our other income was income from our training institute of ₹ 30.4 million and rent and infrastructure charges of ₹ 23.2 million.

Expenses

Our total expenses were ₹ 1,065.0 million for the three months ended June 30, 2016.

Employee benefits expense

Our employee benefits expense was ₹ 304.0 million for the three months ended June 30, 2016. This was primarily due to salaries, allowances and bonuses.

Depreciation and amortization expense

Our depreciation and amortization expense was ₹ 117.9 million for the three months ended June 30, 2016. This includes depreciation on tangible fixed assets of ₹ 91.6 million and amortization of intangible assets of ₹ 26.3 million.

Administration and other expenses

Our administration and other expenses were ₹ 641.1 million for the three months ended June 30, 2016. This includes primarily computer technology related expenses, which include expenses for the repairs and maintenance on our computers, our technology programme, electricity charges (net of recoveries), professional fees, contribution to the investors' services fund, contributions to SEBI and other miscellaneous items.

Profit before exceptional items, extraordinary items and tax

As a result of the foregoing, our profit before exceptional items, extraordinary items and tax was ₹ 718.0 million for the three months ended June 30, 2016.

Exceptional items

Our expenses from exceptional items were ₹ 136.1 million for the three months ended June 30, 2016. This was due to our contribution to the settlement guarantee fund.

Tax expense

Our tax expense was ₹ 98.5 million for the three months ended June 30, 2016. This was primarily due to our current taxes, which was offset by the Minimum Alternate Tax credit entitlement.

Extraordinary items

We did not have any expenses from extraordinary items for the three months ended June 30, 2016.

Profit after tax and extraordinary items

As a result of the foregoing, our profit after tax and extraordinary items was ₹ 483.4 million for the three months ended June 30, 2016.

Share of Minority

Our share of minority was ₹ 69.4 million for the three months ended June 30, 2016. This was primarily due to the portion of CDSL's profit attributable to its minority shareholders.

Net Profit after Share of Minority and Share of Loss of Associate as Restated

Primarily as a result of the foregoing, our net profit after share of minority and share of loss of associate as restated was ₹ 414.0 million for the three months ended June 30, 2016.

FY 2016 Compared to FY 2015

Revenue

Our total revenue increased by 5.4% from ₹ 6,247.5 million for FY 2015 to ₹ 6,582.7 million for FY 2016.

Revenue from operations

Our revenue from operations increased by 18.1% from ₹ 3,611.4 million for FY 2015 to ₹ 4,265.4 million for FY 2016.

(i) Securities services

Our revenue from securities services increased by 4.0% from ₹ 2,336.5 million for FY 2015 to ₹ 2,430.1 million for FY 2016. This was primarily due to an increase in income from depository services as a result of a ₹ 126.7 million increase in annual issuer charges by CDSL in FY 2016, partially offset by a decrease in treasury income on clearing and settlement funds, which resulted from lower trading volumes.

(ii) Services to corporates

Our revenue from services to corporates increased by 52.9% from ₹ 1,053.9 million for FY 2015 to ₹ 1,611.1 million for FY 2016. This was primarily due to a 51.0% increase in annual listing fees from ₹ 957.9 million in FY 2015 to ₹ 1,446.0 million in FY 2016 as a result of an increase in certain annual listing fee rates and an increase in the use of our book-building software by issuers, which resulted in a 103.1% increase in book building software charges from ₹ 55.3 million in FY 2015 to ₹ 112.3 million in FY 2016.

(iii) Data dissemination fees

Our revenue from data dissemination fees remained relatively stable from FY 2015 to FY 2016, increasing by 1.4% from ₹ 221.0 million for FY 2015 to ₹ 224.2 million for FY 2016.

Income from investments and deposits

Our income from investments decreased by 14.8% from ₹ 2,225.7 million for FY 2015 to ₹ 1,896.5 million for FY 2016. This decrease was primarily due to (i) a reduction in investible funds due to a contribution to the Core Settlement Guarantee Fund, and (ii) an increase in maturity period in fixed maturity plans, which we carry at historical cost as per Indian GAAP, from one years to three years.

Other Income

Our other income increased by 2.5% from ₹ 410.4 million for FY 2015 to ₹ 420.8 million for FY 2016. This increase was primarily due to an increase in income from our training institute, partially offset by a decrease of miscellaneous other income as a result of a one-time income tax refund that we received in FY 2015.

Expenses

Our total expenses increase by 10.9% from ₹ 3,788.7 million for FY 2015 to ₹ 4,201.1 million for FY 2016.

Employee benefits expense

Our employee benefits expense increased by 11.7% from ₹ 998.7 million for FY 2015 to ₹ 1,115.5 million for FY 2016. This increase was primarily due to an increase in salaries, allowances and bonuses as a result of annual increments, promotions and fresh hiring during FY 2016.

Depreciation and amortization expense

Our depreciation and amortization expense increased by 5.0% from ₹ 587.7 million for FY 2015 to ₹ 616.8 million for FY 2016. This increase was primarily due to capital expenditure incurred for our disaster recovery site at Hyderabad and a new data centre in Mumbai. For more information, please see "*Capital Expenditures and Capital Investments—Historical Capital Expenditures*".

Administration and other expenses

Our administration and other expenses increased by 12.1% from ₹ 2,195.7 million for FY 2015 to ₹ 2,462.1 million for FY 2016. This increase was primarily due to (i) an increase in technology programme expenses incurred in FY 2016 related to technology support provided to members, (ii) an increase in contributions to the investors' services fund, which is largely line with our increase in listing income, (iii) an increase in electricity charges (net of recoveries), which increased primarily due to our disaster recovery site in Hyderabad and (iv) an increase in professional fees, relating, among other factors, to our initiative to develop consumer indices on unemployment in India. These increases were partially offset by a decrease in contributions to the core settlement guarantee fund.

Profit before exceptional items, extraordinary items and tax

As a result of the foregoing, our profit before exceptional items, extraordinary items and tax decreased by 3.1% from ₹ 2,458.8 million for FY 2015 to ₹ 2,381.6 million for FY 2016.

Exceptional items

Exceptional items decreased by 8.2% from ₹ 507.5 million for FY 2015 to ₹ 466.0 million for FY 2016. This decrease was primarily due to (i) the reversal of contributions to the depository investor protection fund of ₹ 331.0 million as recognized in FY 2016, which arose from a retrospective amendment in SEBI regulations pursuant to which the requirement for depositories to credit profits to the investor protection fund were reduced from 25% of profits to 5% of its profits; (ii) the recognition of a one-time expense of ₹ 143.2 million in relation to our implementation of a voluntary retirement scheme for our eligible employees during FY 2015, and (iii) a decrease in expenses related to our liquidity enhancement incentive program from ₹ 342.5 million in FY 2015 to ₹ 172.4 million in FY 2016, which were partially offset by the expenses related to the Settlement Guarantee Fund based on the SEBI circulated dated May 4, 2016.

Tax expense

Our tax expense decreased by 26.0% from ₹ 437.8 million for FY 2015 to ₹ 324.1 million for FY 2016. This decrease was primarily due to tax benefits claimed by ICCL for its contribution to the Core Settlement Guarantee Fund.

Profit after tax and extraordinary items

As a result of the foregoing, our profit after tax and extraordinary items increased by 5.2% from ₹ 1,513.5 million for FY 2015 to ₹ 1,591.5 million for FY 2016.

Share of Minority

Share of minority increased by 70.4% from ₹ 213.3 million for FY 2015 to ₹ 363.5 million for FY 2016. This was primarily due to an increase in profits of CDSL, mainly due to the reversal in contribution to the depository investor protection fund.

Net Profit after Share of Minority and Share of Loss of Associate as Restated

Primarily as a result of the foregoing, our net profit after share of minority and share of loss of associate as restated decreased by 5.6% from ₹ 1,297.4 million for FY 2015 to ₹ 1,225.3 million for FY 2016 due to the reasons described above.

FY 2015 Compared to FY 2014

Revenue

Our total revenue increased by 17.9% from ₹ 5,298.2 million for FY 2014 to ₹ 6,247.5 million for FY 2015.

Revenue from operations

Our revenue from operations increased by 35.4% from ₹ 2,667.9 million for FY 2014 to ₹ 3,611.4 million for FY 2015.

(i) Securities services

Our revenue from securities services increased by 24.8% from ₹ 1,872.4 million for FY 2014 to ₹ 2,336.5 million for FY 2015. This increase was primarily due to: (i) a 71.7% increase in transaction charges from ₹ 294.0 million in FY 2014 to ₹ 504.9 million in FY 2015, which primarily resulted from improved conditions in the Indian capital markets, in particular increased turnover in the Equity Cash segment by 63.9%, (ii) a 20.1% increase in income from depository services from ₹ 870.6 million in FY 2014 to ₹ 1,045.5 million in FY 2015 as a result of increased charges on account of higher transaction volumes, and (iii) a 21.1% increase in treasury income on clearing and settlement funds from ₹ 439.2 million in FY 2014 to ₹ 531.9 million in FY 2015 due to higher funds available for investment as a result of the increased market activity.

(ii) Services to corporates

Our revenue from services to corporates increased by 78.2% from ₹ 591.4 million for FY 2014 to ₹ 1,053.9 million for FY 2015. This was primarily due to a 98.0% increase in listing fees from ₹ 483.8 million in FY 2014 to ₹ 957.9 million in FY 2015, largely from an increase in listing fees for equity securities, which increased by ₹ 328.9 million. Listing fees for equity securities increased due to both having more equity listings in FY 2015 than in FY 2014 to increasing the rates for annual listing fees. Contributing to the increase revenue from services to corporates was an increase in listing processing fees, largely related to increased qualified institutional placements and increased direct listings.

(iii) Data dissemination fees

Our revenue from data dissemination fees increased by 8.3% from ₹ 204.1 million for FY 2014 to ₹ 221.0 million for FY 2015. This was primarily due to an increase in subscriptions by new customers as a result of our alliance with Deutsche Bourse and a revision in pricing policies that took effect in April 2014.

Income from investments and deposits

Our income from investments increased slightly by 2.0% from ₹ 2,182.7 million for FY 2014 to ₹ 2,225.7 million for FY 2015. This increase was primarily due to the amalgamation of USE with the BSE, leaving us with more funds available to invest, which was partially offset by an increase in maturity period in fixed maturity plans, which we carry at historical cost as per Indian GAAP, from one years to three years

Other Income

Our other income decreased by 8.3% from ₹ 447.6 million for FY 2014 to ₹ 410.4 million for FY 2015. This decrease was primarily due to a decrease in rent and infrastructure charges as a result of amalgamation of the

USE with BSE. Prior to the amalgamation, BSE had been providing rent and infrastructure services to USE, and hence earning revenue from rent and infrastructure charges. After the amalgamation, the rent and infrastructure charges are eliminated on consolidation of USE into our financial statements. This decrease was partially offset by an increase in income from our share of income from joint ventures, primarily relating to Asia Index Private Limited, which became fully operational during FY 2015.

Expenses

Our total expenses increased by 37.7% from ₹ 2,751.0 million for FY 2014 to ₹ 3,788.7 million for FY 2015.

Employee benefits expense

Our employee benefits expense increased by 17.0% from ₹ 853.7 million for FY 2014 to ₹ 998.7 million for FY 2015. This increase was primarily due to an increase in salaries, allowances and bonuses as a result of annual increments, promotions and an increase in provisions for compensated absences and our share of joint venture expenses, primarily relating to Asia Index Private Limited.

Depreciation and amortization expense

Our depreciation and amortization expense increased by 81.7% from ₹ 323.5 million for FY 2014 to ₹ 587.7 million for FY 2015. This increase was primarily due to amortisation of goodwill on amalgamation of USE, a revision of the useful life of depreciable assets as per Companies Act 2013 and initialisation of depreciation for a disaster recovery site in Hyderabad during last quarter of FY 2015. In FY 2015, we reassessed the depreciation rate on tangible fixed assets according to the useful life specified in the Companies Act, 2013. As a result of the change, the charge on account of depreciation for FY 2015 is higher than the useful lives estimated in earlier periods by ₹ 70.3 million.

Administration and other expenses

Our administration and other expenses increased by 39.9% from ₹ 1,570.0 million for FY 2014 to ₹ 2,195.7 million for FY 2015. This increase was primarily due to contributions to the Core Settlement Guarantee Fund recognized in FY 2015 on account of the 2014 Circular, as well as increases due to miscellaneous other items.

Profit before exceptional items, extraordinary items and tax

As a result of the foregoing, our profit before exceptional items, extraordinary items and tax decreased by 3.5% from ₹ 2,547.2 million for FY 2014 to ₹ 2,458.8 million for FY 2015.

Exceptional items

Exceptional items decreased by 17.2% from ₹ 612.9 million for FY 2014 to ₹ 507.5 million for FY 2015. This decrease was primarily due to a decrease in expense in relation to our liquidity enhancement incentive program scheme (the "LEIPS") from ₹ 612.9 million in FY 2014 to ₹ 342.5 million in FY 2015 as we began to phase out the scheme, partially offset by recognition of the expense in relation to implementation of our voluntary retirement scheme in FY 2015.

Tax expense

Our tax expense increased by 28.8% from ₹ 339.9 million for FY 2014 to ₹ 437.8 million for FY 2015. This increase was primarily due to (i) lower tax-free income and (ii) higher provisions for income taxes arising from the contribution to the Core Settlement Guarantee Fund, as such contributions are not deductible expenses for FY 2015 for tax purpose.

Extraordinary items

We recognized an extraordinary income of ₹ 5.7 million for FY 2014 relating to an insurance claim received against extraordinary expenses recognized in FY 2013 due to losses on account of a fire.

Profit after tax and extraordinary items

As a result of the foregoing, our profit after tax decreased by 5.4% from ₹ 1,600.1 million for FY 2014 to ₹ 1,513.5 million for FY 2015.

Share of Minority

Share of minority decreased by 12.6% from ₹ 244.1 million for FY 2014 to ₹ 213.3 million for FY 2015. This was primarily due to a decrease in the profits of CDSL, as a result of which the pro rata portion of CDSL's profit attributable to CDSL's minority shareholders decreased.

Net Profit after Share of Minority and Share of Loss of Associate as Restated

As a result of the foregoing, our net profit after share of minority and share of loss of associate as restated decreased by 4.0% from ₹ 1,351.9 million for FY 2014 to ₹ 1,297.4 million for FY 2015 due to the reasons described above.

LIQUIDITY AND CAPITAL RESOURCES

We have in the past met our working capital and other capital requirements primarily from internal cash flows, maturities on our investments and deposits and other funds received from market participants.

Financial Resources

As of June 30, 2016, we had cash and bank balances of ₹ 1,569.7 million. Cash and bank balances primarily consist of cash on hand and balances with scheduled banks. Our primary liquidity requirements have been to finance our working capital requirements. We expect to meet our working capital and liquidity requirements for the next 12 months primarily from cash and bank balances and cash flows from our business operations.

The following table sets forth a selected summary of our statement of cash flows for the periods indicated.

	Three Months Ended June 30,	Year Ended March 31,

Net Cash Flow from Operating Activities

The Three Months ended June 30, 2016

Net cash flow from operating activities for the three months ended June 30, 2016 was ₹ 131.8 million. Our restated profit before extraordinary items and tax was ₹ 581.9 million, which was adjusted for non-cash and other items in a net amount of ₹ 209.9 million, resulting in an operating profit before working capital changes of ₹ 372.0 million.

The following key adjustments were made to operating profit before working capital changes to arrive at cash flow from operating activities:

- an increase in other liabilities of ₹ 627.2 million primarily due to an increase in income received in advance for annual listing fees and an increase in liability for statutory remittances (which are any amounts outstanding and payable to government bodies such as securities transaction tax, tax deducted at sources and indirect taxes payable), both of which were due primarily to payment timing differences, partially offset by a decrease in clearing and settlement funds liabilities;

- an increase in other assets of ₹ 439.9 million primarily due to an increase in receivables from mutual funds; and
- an increase in loans and advances of ₹ 303.6 million primarily due to an increase in prepaid expenses of the investor services fund.

The cash generated from our operations for the three months ended June 30, 2016 was ₹ 50.7 million and we received refunds (net of payments) on direct taxes paid of ₹ 81.1 million.

FY 2016

Net cash flow used in operating activities for FY 2016 was ₹ 491.2 million. Our restated profit before extraordinary items and tax was ₹ 1,915.6 million, which was adjusted for non-cash and other items in a net amount of ₹ 848.9 million, resulting in an operating profit before working capital changes of ₹ 1,066.7 million.

Operating profit before working capital changes was adjusted mainly for a decrease in other liabilities of ₹ 760.5 million, primarily as a result of a decrease in statutory remittance. We typically pay statutory remittances in shortly after the end of our fiscal year. However, our statutory remittances decreased for FY2016 because we paid some of the outstanding amount in advance in March 2016, rather than FY 2017, due to early collection requests, whereas there were no such requests in FY 2015.

The cash generated from our operations for FY 2016 was ₹ 241.9 million and we paid direct taxes of ₹ 733.1 million.

FY 2015

Net cash flow used in operating activities for FY 2015 was ₹ 1,528.2 million. Our restated profit before extraordinary items and tax was ₹ 1,951.3 million, which was adjusted for non-cash and other items in a net amount of ₹ 1,243.5 million, resulting in an operating profit before working capital changes of ₹ 707.8 million.

Operating profit before working capital changes was adjusted mainly for a decrease in other liabilities of ₹ 1,685.4 million, primarily as a result of a decrease in clearing and settlement fund obligations, which depends on settlement obligations, margins received that remain outstanding and day-to-day changes based on market activity.

The cash used in our operations for FY 2015 was ₹ 1,048.1 million and we paid direct taxes of ₹ 480.1 million.

FY 2014

Net cash flow from operating activities for FY 2014 was ₹ 1,728.4 million. Our restated profit before extraordinary items and tax was ₹ 1,934.3 million, which was adjusted for non-cash and other items in a net amount of ₹ 1,760.6 million, resulting in an operating profit before working capital changes of ₹ 173.7 million.

Operating profit before working capital changes was adjusted mainly for an increase in other liabilities of ₹ 1,949.2 million, primarily as a result of an increase in clearing and settlement fund obligations, which depends on settlement obligations, margins received that remains outstanding and day-to-day changes based on market activity.

The cash generated from our operations for FY2014 was ₹ 2,276.3 million and we paid direct taxes of ₹ 547.9 million.

Net Cash Flow from Investing Activities

Our net cash flow used in investing activities for the three months ended June 30, 2016 was ₹ 1,259.8 million, primarily due to a net increase in current investments of ₹ 3,731.4 million due to a reclassification of long-term investments into current investments and a net increase in fixed deposits with banks of ₹ 1,051.6 million due to

investments made in deposit accounts, which were partially offset by a net decrease in long-term investments of ₹ 3,294.5 million due a reclassification of long-term investments into current investments.

Our net cash flow generated from investing activities in FY 2016 was ₹ 1,646.3 million, primarily due to interest and dividend income of ₹ 1,641.9 million and maturities of long-term and current investments of ₹ 625.8 million, which were partially offset by cash used in the procurement of fixed assets of ₹ 623.4 million.

Our net cash flow generated from investing activities in FY 2015 was ₹ 3,687.1 million, primarily due to maturities of long-term and current investments of ₹ 2,314.2 million and interest and dividend income of ₹ 2,095.1 million, which were partially offset by cash used in the procurement of fixed assets of ₹ 725.8 million.

Our net cash flow used in investing activities in FY 2014 was ₹ 747.6 million, primarily due to net cash used for long-term and current investments of ₹ 2,080.2 million and cash used in the procurement of fixed assets of ₹ 445.9 million, which were partially offset by interest and dividend income received of ₹ 1,761.0 million.

Net Cash Flow from Financing Activities

Our net cash flow used in financing activities for the three months ended June 30, 2016 was ₹ 678.6 million, primarily due to dividends and taxes paid thereon of ₹ 525.6 million.

Our net cash flow used in financing activities for FY 2016 was ₹ 1,217 million, primarily due to dividends and taxes paid thereon of ₹ 1,116.9 million.

Our net cash flow used in financing activities for FY 2015 was ₹ 454.7 million, primarily due to dividends and taxes paid thereon of ₹ 494.9 million.

Our net cash flow used in financing activities for FY 2014 was ₹ 2,711.2 million, primarily due to a decrease in trading member and other deposits of ₹ 2,066.6 million due to repayment of deposits to trading members based on a new deposit-based membership scheme and dividends and taxes paid thereon of ₹ 494.9 million. Member deposits decreased in FY2014 due to our new deposit-based membership scheme, which reduced the deposit from a range of ₹ 7.5 to ₹ 10 million to ₹ 1 million. Further, we started giving trading members who have completed their lock-in period refunds of excess deposits. As a result, deposits decreased in FY2014 and resulted in a net cash flow used in financing activities.

Borrowings

Our third party borrowings consist of (i) long-term unsecured loans, with an aggregate amount outstanding of ₹ 13.8 million as of June 30, 2016 and (ii) short-term bank loans comprising fixed-rate secured bank overdraft facilities from the Bank of India, HDFC Bank, Yes Bank, Canara Bank, State Bank of India, Corporation Bank, IDBI Bank Limited, UBI Bank, Axis Bank and ICICI Bank. We generally utilise these facilities to manage short-term working capital requirements, in particular to ensure that our clearing corporation is able to fund settlement activities. As of June 30, 2016, we had no outstanding balances on these short-term bank loans.

CAPITAL EXPENDITURES AND CAPITAL INVESTMENTS

Historical Capital Expenditures

In the three months ended June 30, 2016, we had capital expenditures of ₹ 53.8 million, which were primarily incurred for upgrading our technology.

In FY 2016, we had capital expenditures of ₹ 583.9 million, which were primarily incurred for the development of our new data centre in Mumbai, a disaster recovery site at Hyderabad and upgrading our technology.

In FY 2015, we had capital expenditures of ₹ 1,243.8 million, which were primarily incurred for the development of disaster recovery site at Hyderabad, goodwill on the amalgamation of USE with the BSE and upgrading our technology.

In FY 2014, we had capital expenditures of ₹ 322.0 million, which were primarily incurred for upgrading our technology.

Planned Capital Expenditures

We currently expect to incur capital expenditures of ₹ 125.0 million for the fiscal year ending March 31, 2017 including those amounts which have been contracted but not provided for as disclosed in the preceding section. This amount does not include our planned capital expenditures in relation to our proposed international exchange and clearing corporation in GIFT City, in respect of which we expect to spend ₹ 500.0 million to capitalize a clearing corporation and ₹ 250.0 million to capitalize a stock exchange, in addition to any amounts spend on operating expenditures.

We expect to fund the above planned capital expenditures through our internal cash flows.

Our actual capital expenditures may differ from the amounts set out above due to various factors, including our future cash flows, results of operations and financial condition, changes in the local economy in India, the availability of financing on terms acceptable to us, problems in relation to possible construction/development delays, defects or cost overrun, delays in obtaining or receipt of governmental approval, changes in the legislative and regulatory environment and other factors that are beyond our control.

CONTRACTUAL OBLIGATIONS AND COMMITMENTS

The following table summarizes our contractual obligations as of June 30, 2016.

	Payments Due by Period					Total
	Within One Year	After One Year but within Three Years	After Three Years but within Five Years	More than Five Years	Maturity Unidentified	
			₹ (in millions)			
Finance Lease	7.5	7.5	-	-	-	15.0
Long-term Borrowings	13.8	-	-	-	-	13.8
Deposits	-	-	-	-	1,508.0	1,508.0
Trade Payables	764.8	34.2	-	-	-	799.0
Capital Creditors	48.3	-	-	-	-	48.3
Capital Commitment	149.2	48.4	-	-	-	197.6
Total	983.6	90.1	-	-	1,508.0	2,581.7

Note: Earmarked deposits are not considered above as separate investments / cash balances maintained for same and above information is based on restated consolidated financial statements and due dates are estimated by management.

We plan to fund these contractual obligation and contractual commitments through our internal cash flows and short-term bank borrowings.

OFF-BALANCE SHEET ARRANGEMENTS AND CONTINGENT LIABILITIES

We do not have any material off-balance sheet arrangements.

As at June 30, 2016, we had contingent liabilities that we do not consider remote, totalling ₹ 489.0 million, of which ₹ 40.1 million relate to our Department of Telecommunications ("DOT") license matters, ₹ 445.6 million relate to income and service tax matters and ₹ 3.3 million relate to other matters. Our contingent liabilities relating to income tax matters are pending with respect to demands raised for disallowance of expenditures related to exempt income and prior period items. Our contingent liabilities relating to service tax matters are on account of disputes between us and certain tax authorities relating to investment income, specifically with of our subsidiary companies in relation to the characterization and classification of certain items.

During FY 2013, we received notices from the DOT and the Government of India to pay revised VSAT network license fees, royalties and other similar items aggregating ₹ 63.6 million, of which we paid ₹ 23.5 million in FY 2013. We have filed a replay with the DOT challenging the claim on that basis that the notices are based on incorrect interpretations of existing guidelines and orders.

MARKET RISK

We are exposed to interest rate risk, foreign exchange risk and credit risk, among others. Our risk management approach seeks to minimize the potential material adverse effects from these exposures. We have implemented risk management policies and guidelines that set out our tolerance for risk and our general risk management

philosophy. Accordingly, we have established a framework and process to monitor the exposures to implement appropriate measures in a timely and effective manner. We do not have a fixed hedging policy.

Interest Rate Risk

Interest rate risk is the risk that movements in interest rates will affect our income, the value of our portfolio of financial assets or the amounts payable on our borrowings. We are exposed to the effects of fluctuations in the prevailing levels of market rates on our financial position and cash flows, which primarily arises out of fluctuations on the yield of our debt investments. In the long term, the yield on our debt investments is primarily affected by interest rates set by Indian banks, the interest rates on Indian government securities and the condition of India's financial markets. Given that our investment portfolio constitute a significant portion of our assets, our exposure to long-term fluctuations in the yield on debt instrument is material, and we expect that any changes in such yield may have a material impact on our financial condition and results of operations.

Foreign Exchange Risk

We derive most of our income in Indian Rupees and incur most of our expenses in Indian Rupees. Our investment portfolio is concentrated in Indian securities and is also denominated in Indian Rupees. As such, we are not subject to material foreign exchange risk.

Credit Risk

Credit risk is the risk that one party to a financial asset will fail to discharge an obligation and cause the other party to incur a financial loss.

The Indian Clearing Corporation Ltd., our wholly owned clearing and settlement subsidiary, provides a counterparty guarantee to its clearing members to guarantee performance and completion of the settlement of trades. By acting as guarantor in this manner, ICCL is exposed to potential losses should a clearing member defaults. We protect against the risk of defaults by a clearing member before it has settled its outstanding transactions, we require the clearing member to deposit margins and collateral, at least 50% of which must be in the form of cash and cash equivalents. We are also required to maintain a Core Settlement Guarantee Fund, which is based on specific method prescribed by Securities and Exchange Board of India. We have also taken counterparty default insurance. For further details of our risk management policy relating to credit risk, see "*Business—Post Trade—Clearing, Settlement and Risk Management—Risk Management*".

Inflation Risk

We do not consider our exposure to inflation risk to be material.

RECENT ACCOUNTING PRONOUNCEMENTS

We currently prepare our annual financial statements under Indian GAAP. Certain companies in India, including ours, will be required to prepare financial statements under Ind AS, which are largely converged with International Financial Reporting Standards. We will be required to implement Ind AS in the financial year commencing on April 1, 2016, and to provide comparative figures for the corresponding period in our prior financial year. Given that Ind AS is different in many respects from Indian GAAP, under which we currently prepare our financial statements, the transition to Ind AS may have a significant impact on our financial results and position. For more information, see "*Summary of Significant Differences between Indian GAAP and Ind AS*".

KNOWN TRENDS AND UNCERTAINTIES

Except as described elsewhere in this offering document, there are no known trends or uncertainties which are expected to have a material adverse impact on our revenues or income from continuing operations.

Credit Ratings

Our company has not received any credit ratings. However, our wholly-owned subsidiary ICCL, which operates our clearing corporation, has been rated AAA/Stable by India Ratings and AAA by CARE Ratings.

UNUSUAL OR INFREQUENT EVENTS OR TRANSACTIONS

Other than as described in this section and the sections of this Red Herring Prospectus entitled "*Risk Factors*", "*Our Business*" and "*History and Certain Corporate Matters—Summary of key agreements*" on pages 19, 126 and 164 of this Draft Red Herring Prospectus, respectively, there have been no events or transactions which may be described as "unusual" or "infrequent".

SIGNIFICANT ECONOMIC CHANGES THAT MATERIALLY AFFECTED OR ARE LIKELY TO AFFECT REVENUE FROM OPERATIONS

Other than as described in this section and the sections of this Red Herring Prospectus entitled "*Risk Factors*" "*Industry*" and "*Our Business*" on pages 19, 105 and 126 of this Draft Red Herring Prospectus, respectively, there have been no significant economic changes that materially affected or are likely to affect income from continuing operations.

MATERIAL INCREASES IN NET REVENUES AND SALES

Material increases in our net revenues and sales are primarily due to the reasons described in "*—Results of Operations*" above on page 427 of this Draft Red Herring Prospectus.

TOTAL REVENUES OF EACH MAJOR INDUSTRY SEGMENT IN WHICH OUR COMPANY OPERATES

The following table sets forth the revenues of our reportable business segments, namely, our stock exchange operations and depository services segments:

	Three Months Ended June 30, 2016	Year Ended March 31,		
		2016	2015	2014
		₹ (in millions)		
Stock Exchange Activity	1,257.6	4,810.8	4,643.8	3,695.0
Depository Activity	357.6	1,381.8	1,258.9	1,207.1

All income related to securities services, such as services to corporates, data dissemination fees, listing fees, investment income relating to stock exchange operations, website income, and other similar items are allocated to stock exchange activity. Depository activity income is the income that we earn from CDSL, our depository. In addition to income from stock exchange activity and depository activity, we also derive income that is not allocable to either of these segments, such as income from IT services, the BSE Institute, rental income from the leasing of premises and infrastructure and other items, and hence our income from stock exchange activity and income from depository activity do not by themselves sum to our total revenue from operations.

After we reduce our stake in CDSL, we will only report stock exchange operations in our financial statements. For more information, please see "*—Reduction of our stake in CDSL*".

FUTURE RELATIONSHIPS BETWEEN COSTS AND INCOME

Other than as described in this section and the sections of this Red Herring Prospectus entitled "*Risk Factors*" and "*Our Business*" and on pages 19 and 126 of this Draft Red Herring Prospectus, respectively, there are no known factors which will have a material adverse impact on our operations or finances.

NEW PRODUCT OR BUSINESS SEGMENTS

We are continually evaluating opportunities to expand our product offering and the business segments in which we operate. For details of our past and contemplated product innovations and business segment expansion, see the sections of this Draft Red Herring Prospectus entitled "*Our Business— Our Strengths—Strong brand recognition with a track record of innovation*" and "*Business— Our Strategies*" on pages 127 and 129 of this Draft Red Herring Prospectus, respectively.

COMPETITIVE CONDITIONS

For a description of the competitive conditions in which we operate, see the section of this Red Herring Prospectus entitled "*Our Business—Competition*" on page 152 of this Draft Red Herring Prospectus.

SUPPLIERS OR CUSTOMER CONCENTRATION

We do not have any material dependence on a single or a few suppliers or customers.

SEASONALITY

Our business is not subject to material seasonal fluctuations.

OUTSTANDING LITIGATION AND MATERIAL DEVELOPMENTS

The details of the outstanding litigation or proceedings involving the Exchange, Directors and Group Companies, are described in this section in the manner as detailed below. Please note that as set out in the section, “Our Group Companies” on page 187 of this Draft Red Herring Prospectus, our Group Companies include our Subsidiaries.

Except as stated in this section, there are no (i) outstanding criminal proceedings involving the Exchange, Directors or Group Companies; (ii) actions taken by statutory or regulatory authorities against the Exchange, Directors or Group Companies; (iii) outstanding claims involving the Exchange, Directors or Group Companies for any direct and indirect tax liabilities; (iv) outstanding material civil litigation involving the Exchange, Directors and Group Companies; (v) inquiries, inspections or investigations initiated or conducted under the Companies Act against the Exchange and Subsidiaries in the last five years immediately preceding the year of this Draft Red Herring Prospectus, and if there were prosecutions filed (whether pending or not); (vi) fines imposed on, or compounding of offences by the Exchange or Subsidiaries under the Companies Act in the last five years immediately preceding the year of this Draft Red Herring Prospectus; (vii) material frauds committed against the Exchange in the five years preceding the date of this Draft Red Herring Prospectus; (viii) any other litigation involving the Exchange, Directors and Group Companies, or any other person, whose outcome could have a material adverse impact on the Exchange; (ix) outstanding dues to small scale undertakings and other creditors of the Exchange; (x) pending proceedings initiated against the Exchange for economic offences; and (xi) defaults and non-payment of statutory dues.

I. Litigation involving the Exchange

A. Outstanding criminal litigation involving the Exchange

Criminal proceedings against the Exchange

- a) A miscellaneous application was filed on March 10, 2010 by Sunvision Infotech Private Limited against State of Maharashtra, N.M. Joshi Marg Police Station, Mr. Manish Nathulal Garg, Manager, the concerned officer of Sharekhan Limited (“**Sharekhan**”) and the manager of the Exchange before the Metropolitan Magistrate Court, Dadar, in relation to certain fraudulent purchases of shares of Richa Industries Limited by an employee of Sharekhan. This miscellaneous application has been filed seeking, amongst other things, the release of the pay-out in relation to the sale of shares of Richa Industries Limited, which was withheld by the Exchange pursuant to a direction of the N.M. Joshi Marg Police Station. The matter is currently pending before the Metropolitan Magistrate Court, Dadar.
- b) A special criminal complaint was filed on January 29, 2001 by Mr. Jitendra Vora (“**Complainant**”) against Sunil Shares and Stock Private Limited, the Exchange and others (collectively the “**Accused**”) before the Judicial Magistrate Class I, Indore, under Sections 406, 420, 120-B, and 34 of the IPC alleging, amongst other things, criminal breach of trust, cheating, criminal conspiracy, in relation to misappropriation of shares, which were proposed to be sold by the Complainant, and a security amount aggregating to ₹ 20,000. The matter is currently pending at Judicial Magistrate Class I, Indore.
- c) A criminal application was filed on September 10, 2015 by Ms. Hetal Patel and others (collectively known as “**Applicants**”) against the Exchange and others (collectively known as “**Respondents**”) before the Gujarat High Court in relation to certain transactions undertaken through a member of the Exchange, Ratnakar Securities Private Limited (“**Ratnakar**”), who is also one of the Respondents, in the scrip of Dinesh Allogra Limited (“**Dinesh**”). The Applicants have filed the present application for issuance of appropriate directions to the Exchange, to release an amount of ₹ 14.79 million, accruing to them on account of these transactions, which was withheld by the Exchange pursuant to a direction of the Economic Offences Wing, Bhavnagar. The matter is currently pending before the Gujarat High Court.
- d) A criminal complaint was filed on May 19, 1997 by Mr. Lawrence Fernandes (“**Complainant**”) against Dynachem Pharmaceutical (Exports) Limited (“**Dynachem**”), and nine others, including the Exchange (collectively known as the “**Accused**”) before the Additional Chief Metropolitan Magistrate’s Court at Ballard Pier, Bombay under Section 420 read with Section 120B and/or Section 34 of the IPC, alleging that the Accused had committed certain offences including, cheating, criminal conspiracy and common intention of deceiving the Complainant, in relation to non-transfer of share

certificates, pursuant to a purchase of 500 shares of Dynachem. It was alleged that the Exchange failed to monitor the activities of Dynachem in order to protect public interest, and hence was made a party to the proceeding. The matter is currently pending before the Additional Chief Metropolitan Magistrate's Court at Ballard Pier, Bombay.

- e) A criminal complaint was filed on March 28, 2012 by Mr. Shashikant Lavande ("**Shashikant**") before the M.R.A. Marg Police Station against Mr. Vilas Dange and Mr. Shivaji More (collectively known as "**Accused**"), for an offence committed under Section 3(1)(x) of the Scheduled Castes and Scheduled Tribes Act (Prevention of Atrocities), 1989, claiming that he was allegedly made to sit on a wheel chair by the Accused and paraded and humiliated because of the community he belongs to ("**Criminal Complaint**"). The matter is currently pending before the Sessions Court at Greater Mumbai.

Criminal proceedings by the Exchange

- a) An FIR was filed on December 17, 1998 by the Exchange against Pankaj Hiralal Shah ("**Accused**") with the Economic Offences Wing, Crime Branch, CID, Mumbai under Sections 380, 465, 467, 468, 471 and 420 read with 34 and 120B of the IPC alleging that the Accused had introduced fake, forged and stolen shares of various scrips collectively amounting to ₹ 22.9 million approximately. The matter is pending before the Magistrate Court, Esplanade, Mumbai.
- b) A criminal application was filed on August 17, 2012 by the Exchange, against the State of Maharashtra and Mr. Yogesh Mehta ("**Respondents**") before the Bombay High Court, in relation to an alleged defamatory article in the daily newspaper of 'Mid-Day'. The Additional Chief Metropolitan Magistrate's Court in Ballard Pier had previously passed a judgment acquitting Mr. Yogesh Mehta, of the charge of defamation, in a private complaint filed by the Exchange, which resulted in the Exchange filing the present application. The matter is currently pending before the Bombay High Court.
- c) An FIR was filed on April 16, 1996 by Mr. Jagdish Jayshankar Bhatt, the then director of the Exchange ("**Complaint**") against the promoter of Presto Finance Limited ("**Presto**"), under Sections 120-B, 420 and 471 of the IPC, in relation to the introduction of fake shares in the market and seeking legal action against the promoters of Presto. The matter is currently pending before the Additional Chief Metropolitan Magistrate's Court, Esplanade, Mumbai.
- d) A criminal application was filed on December 10, 2012, by the Exchange against Mr. Shailesh Bajaj and another (collectively known as "**Respondents**") before the Bombay High Court under Section 138 of the Negotiable Instruments Act, in relation to a cheque issued by Mr. Shailesh Bajaj in favour of the Exchange, which was returned unpaid and dishonoured. The Exchange had previously filed a complaint under Section 138 of the Negotiable Instruments Act before the Metropolitan Magistrate Court, Ballard Pier, Mumbai ("**Magistrate**") against Mr. Shailesh Bajaj, wherein the Magistrate had acquitted Mr. Shailesh Bajaj, pursuant to which the Exchange has filed the present application. The matter is currently pending before the Bombay High Court.
- e) A criminal complaint was filed in January, 2011 by the Exchange against Mr. J. Dey, Mr. Biswajit Behera and Mr. Krishnamurty Shetty (collectively known as "**Accused**") in the court of the Additional Chief Metropolitan Magistrate Court at Ballard Pier ("**Additional Magistrate**") under Sections 34, 499 and 500 of the IPC, alleging that the Accused had committed criminal defamation in relation to an article published on December 4, 2010 on the front page of the daily newspaper 'Mid Day', titled "*Was BSE Hacked?..*", which was followed by a detailed report referring to Mr. Ketan Parekh, who had helped manipulate stock prices of some companies. The matter is currently pending before the Additional Magistrate.
- f) A criminal complaint was filed on December 21, 2012 by the Exchange against Mr. Mitul Shah ("**Accused**") in the court of the Metropolitan Magistrate at Ballard Pier Court, Mumbai ("**Magistrate**") under Section 138 of the Negotiable Instruments Act ("**Act**"), in relation to a leave and license agreement entered into between the Accused and the Exchange ("**Leave and License Agreement**"), for use of a portion of the Exchange's premises by the Accused. The Accused had dispatched the amount payable under the Leave and License Agreement, by way of four cheques which were returned unpaid and dishonoured, due to insufficiency of funds in the bank account of the Accused. The Exchange has sought, amongst other things, issuance of process against and imposition of maximum punishment on the Accused. The matter is currently pending before the Magistrate.

- g) A criminal writ petition was filed on July 13, 2012 by Mr. Vilas Dange and Mr. Shivaji More, employees of the Exchange ("**Petitioners**") against the State of Maharashtra, Assistant Commissioner of Police, M.R.A. Marg Division and Mr. Shashikant Lavande (collectively known as "**Respondents**") before the Bombay High Court, challenging a criminal complaint filed on March 28, 2012, by Shashikant with the M.R.A Marg Police Station, claiming that he was allegedly made to sit on a wheel chair by the Petitioners and paraded and humiliated because of the community he belongs to ("**Criminal Complaint**"). The Petitioners have sought, amongst other things, (i) quashing and setting aside of the Criminal Complaint, (ii) direction preventing the Respondents from taking any coercive action against the Petitioners, pending hearing and disposal of this petition, and (iii) interim and ad-interim stay on any coercive actions that might be attempted by Respondents. The matter is currently pending before the Bombay High Court.
- h) A criminal complaint was filed in January 2011 by the Exchange against the Exchange's Employees' Union ("**Union**"), Mr. Pramod Dhaware ("**Pramod**") and Mr. S. L. Crasto (collectively known as "**Accused**") before the court of the Additional Chief Metropolitan Magistrate Court at Ballard Pier, Mumbai ("**Additional Magistrate**") under Sections 500 and 34 of the IPC, alleging that the Accused had committed the offence of criminal defamation in relation to a defamatory article published in a newspaper, which was made public by putting it up prominently on the Union's notice board. This complaint is currently pending before the Additional Magistrate.
- i) A criminal complaint was filed on May 29, 2003 by the Exchange against Mr. Gulshan Gera ("**Accused**"), then head of the debt markets segment of the Exchange, in the M.R.A Marg Police Station ("**Police Station**"), including, under Sections 408, 417 and 420 of the IPC, alleging that the Accused had amongst other things, unauthorizedly and without the knowledge and authority of the Exchange overheard the telephonic conversations of certain senior executives of the Exchange, obtained a duplicate passport on a false declaration and financial mismanagement. The Accused was arrested on May 31, 2003, pursuant to which he filed an application for interim bail ("**Interim Bail**") before the Metropolitan Magistrate Court at Ballard Pier ("**Magistrate**"). However, the Police Station filed a separate criminal complaint on June 3, 2003, before the Magistrate seeking, denial of the Interim Bail and grant of custody of the Accused to conduct an investigation of alleged offences. The matter is currently pending before the Magistrate.
- j) A criminal complaint was filed on August 5, 2013 by Vipul Vyas, on behalf of the Exchange before the M.R.A. Marg Police Station ("**Police Station**") for the theft of a building plan and building completion certificate ("**Documents**") of P. J. Tower ("**Office Premises**"). The Municipal Corporation of Greater Mumbai ("**MCGM**") had issued a notice dated November 15, 2011 to the Exchange alleging that the basement and the service floors of the Office Premises were being misused and had asked the Exchange to furnish Documents for verification of the same. However, the Exchange could not locate the Documents and suspected that the same were either stolen or lost, pursuant to which this criminal complaint was filed. The Exchange has requested, amongst other things, the Police Station to carry out an investigation regarding the same. The matter is currently pending before the Police Station.
- k) The Exchange filed a complaint on April 28, 2016 before the Cyber Crime Police Station, Bandra, alleging infringement of its intellectual property rights due to the alleged use of the domain/ website 'http://bseindia.me' ("**Website**"), which contained webpages, trademarks, logos, etc. which were similar to the Exchange's websites and seeking initiation of suitable legal action against the alleged infringers and blocking of the Website.
- l) The Exchange filed a complaint on July 23, 2015 before the Senior Inspector of Police, M.R.A. Marg Police Station ("**Police Station**") in relation to an anonymous letter received by the Exchange, which was distributed to various Central and State Government authorities, journalists and other organisations. The Exchange alleged that the letter was defamatory, including in relation to its officials and its Managing Director, and demanded an inquiry of the same. The matter is currently pending before the Police Station.
- m) The Exchange filed a complaint on August 6, 2015 before the Cyber Crime Investigation Cell, Mumbai alleging infringement of its intellectual property rights due to the alleged use of domain/ website 'http://bsebull.in' ("**Website**"), which contained webpages, trademarks, logos, etc. which were similar to the Exchange's websites. The alleged website is operated by a person/ entity under tradename

BSEBULL (“**Accused**”) who are providing services in the financial sector and relating to the stock market, which is linked to the Exchange’s services. The Exchange was informed by its investors, that they had received fraudulent messages/ emails from the Accused to trade in scrips of Dhyana Finstock Limited. The Exchange has amongst other things, sought, (i) to restrain the Accused from operating the alleged website, (ii) to cease or block the Website so that the same should not be accessed by public in general, and (iii) to cease/ destroy all materials including but not limited to stationery, printed matters, websites, application, advertisement, publicity and all other articles bearing and/or containing any reference in any manner whatsoever to the Exchange.

B. Outstanding civil litigation involving the Exchange

As regards civil litigation, given the nature and extent of operations of the Exchange, our Board has, pursuant to its resolution dated September 7, 2016 considered outstanding civil litigation involving the Exchange wherein the aggregate amount involved exceeds the lower of 1% of consolidated profit after tax of the Exchange as of FY 2016 or 5% of the net worth of the Exchange as of FY 2016, each taken on a restated and consolidated basis, as being material for the Exchange.

Accordingly, we have only disclosed all outstanding civil litigations involving the Exchange wherein the aggregate amount involved exceeds ₹ 9.7 million individually. In case of pending civil litigation proceedings wherein the monetary amount involved is not quantifiable, such litigation has been considered ‘material’ only in the event that the outcome of such litigation has a bearing on the operations or performance of the Exchange.

Except as stated below, there is no outstanding litigation involving the Exchange wherein the aggregate amount involved exceeds ₹ 9.7 million individually.

Civil proceedings against the Exchange

- a) A suit was filed on March 1, 2007 by Girnar Fibres Limited (“**Plaintiff**”) against Ludhiana Stock Exchange (“**LSE**”), M.P. Stock Exchange Limited, Delhi Stock Exchange Association Limited, Calcutta Stock Exchange Association Limited, the Exchange, Madras Stock Exchange Limited and SEBI (collectively known as “**Defendants**”) before the court of Civil Judge, Senior Division, Ludhiana, for alleged denial of release of deposit by LSE. The Plaintiff claimed that LSE had wrongfully imposed a penalty on it which was subsequently deducted from its security deposit. The Plaintiff has, amongst other things, sought, (i) recovery of an amount of ₹ 4.2 million along with interest at 24% per annum till the realization of the entire suit amount, (ii) a decree of mandatory injunction directing LSE and SEBI to issue a no-objection certificate, and (iii) a no complaint certificate from the remaining stock exchanges, including the Exchange, in favour of the Plaintiff. The matter is currently pending before the court of Civil Judge, Senior Division, Ludhiana.
- b) An original suit was filed on March 15, 2010 by Sharekhan Limited (“**Plaintiff**”) against Mr. Prem Kumar Birendra Chaudhary (“**Prem Kumar**”) and the Exchange and others (collectively known as “**Defendants**”) before the Bombay High Court, in relation to an alleged fraudulent transaction undertaken by Mr. Prem Kumar in the scrip of Richa Industries Limited. The Plaintiff has sought, amongst other things, (i) the annulment of the entire transaction undertaken by Mr. Prem Kumar, (ii) issuance of a direction to the Exchange to keep the funds relating to the alleged fraudulent transaction with a nationalized bank pending investigation, (iii) issuance of further directions to the Exchange to conduct investigations and (iv) to stop brokers who have dealt with the same scrip from making any payments, refund of ₹ 13 million to be paid by the Exchange in the event the transactions are annulled and in case the transactions are not annulled, a recovery of an amount of ₹ 13.2 million with interest at 21% per annum from February 9, 2010 till payment and/ or realization of the suit amount, from Mr. Prem Kumar. The matter is currently pending before the Bombay High Court.
- c) A suit for permanent injunction was filed on July 8, 2002 by Century Consultants Investors Welfare Association (“**Plaintiff**”) against Century Consultants Limited (“**CCL**”), the Exchange and NSE (collectively known as “**Defendants**”) before Court of Civil Judge, Senior Division, Lucknow, in relation to an alleged compromise entered into between the Plaintiff and CCL for the payment of creditor dues, pursuant to purchase of shares by CCL involving an amount of ₹ 300 million. The entire amount arising from the purchase of shares by CCL was submitted to the Exchange and NSE for disbursement, however due to several complaints filed against CCL before the Court of Special Judicial

Magistrate, Central Bureau of Investigation, Lucknow (“**CBI**”), CBI had prohibited the disbursement of the purchase amount. Subsequently, CBI allowed partial payment to a certain client named, Prabodh Artha Sanchay Private Limited. Hence, the Plaintiff by way of the present suit has sought, amongst other things, a permanent injunction, against the Exchange and NSE, restraining them from making any payment in relation to the purchase amount till the case pending before the CBI is decided. The matter is currently pending before the Court of Civil Judge, Senior Division, Lucknow.

- d) A writ petition was filed on September 10, 2007 by Salim Akbarali Nanji (“**Petitioner**”) against Union of India, Ministry of Finance, Union of India Ministry of Corporate Affairs, RBI, SEBI, RoC Mumbai, Development Credit Bank Limited (“**Bank**”), the Exchange and NSE (collectively known as “**Respondents**”) before the Bombay High Court challenging the legality and validity of a special resolution proposed by the Bank to issue and allot the entire portion of the proposed further issue of capital of up to ₹ 3,100 million (“**Issue**”) to corporate companies and foreign institutional investors on a private placement basis, which, was allegedly unreasonable, unequitable and detrimental to the interest of minority shareholders and small investors of the bank and public at large. The matter is currently pending before the Bombay High Court.
- e) A suit was filed on December 7, 1999 by Mr. Yogesh Mehta (“**Plaintiff**”) against the Exchange, Mr. R.C. Mathur, Mr. M.G. Damani (both directors of the Exchange), Mr. J.C. Parekh, Mr. Rajendra Banthia, Mr. Jayesh Sheth, Mr. Padmakant Devidas Shah, Mr. Ashok Khandwala, Mr. J.G. Shah, Mr. L.K. Singhvi, Mr. M.L. Sha and SEBI (collectively known as “**Defendants**”) before the Bombay High Court, in relation to the alleged de-activation of the Plaintiff’s BOLT terminal, declaring Mr. Yogesh Mehta as a defaulter and an illegal demand of an ad-hoc amount of ₹ 5 million. It was further alleged that although he had paid the entire amount due, the Exchange had not re-activated his BOLT terminal and had acted in a biased manner and abused its position and hence the present suit was filed by the Plaintiff for restoration of his membership and damages worth ₹ 1,000 million. The matter is currently pending before the Bombay High Court.
- f) A suit was filed on May 17, 2002 by Tata Finance Limited (“**Plaintiff**”) against Mr. Dilip Pendse and 32 others (collectively known as “**Defendants**”) before the Bombay High Court (“**Court**”) in relation to alleged wrongful acts of omission and commission, fraudulent, unauthorized and illegal investments made by the Defendants, who were a part of the former management of the Plaintiff. The Exchange was subsequently made a party to the suit as some of the alleged fraudulent transactions took place on the floor of the Exchange. The Plaintiff has sought amongst other things (i) payment of ₹ 4,245 million, or any such amount decided by the Court, from certain of the Defendants, together with interest at the rate of 18% per annum from the filing of the suit, until payment and realization, (ii) pending hearing and final disposal of the suit, a direction restraining Mr. Dilip Pendse from disposing of, selling, charging, encumbering any immovable suit property, and (iii) issuance of an order of injunction, restraining certain other Defendants from operating bank accounts maintained with them. The matter is currently pending before the Bombay High Court.
- g) A suit was filed on February 17, 2009 by Networth Stock Broking (“**Networth**”), Geojit Financial Services Limited and Dawmayday AV Securities Private Limited (collectively known as “**Plaintiffs**”) against Mukesh Konde and six others, including the Exchange (collectively known as “**Defendants**”) before the Bombay High Court in relation to unusual market interest and movement in the scrip of RTS Power Corporation (“**RTS**”) between the period of September 2008 to February 2009 (“**Impugned Transactions**”) and fraudulent purchase of securities of RTS. Additionally, the Plaintiffs had previously filed a criminal complaint before the M.R.A. Marg Police Station, pursuant to which the Exchange was directed to withhold pay-outs in relation to the Impugned Transactions. The Plaintiffs sought, amongst other things, (i) a direction ordering certain of Defendants to pay an amount of ₹ 73.4 million, together with interest at 24% per annum till the realisation of payment, (ii) a direction to the Exchange to carry out an inquiry in the entire trade undertaken by the Defendants, in specific period. The matter is currently pending before the Bombay High Court.

The Plaintiffs have sought, amongst other things, (i) an amount of ₹ 10 million from the Exchange, (ii) initiation of

criminal proceedings against the Defendants, (iii) recovery of the amount of the counter claim from the Defendants. The matter is currently pending before the 7th Senior Civil Judge, Surat.

- i) An appeal was filed on June 23, 2016 by the New India Assurance Company Limited (“**Appellant**”) against the Exchange before the Supreme Court of India, challenging an order dated March 2, 2016, passed by the National Consumer Disputes Redressal Commission, New Delhi (“**Consumer Forum**”). A default insurance policy (“**Policy**”) was obtained by the Exchange from the Appellant, whereby the Exchange could utilize funds from its trade guarantee fund only upon declaring the erring member as a defaulter of the Exchange. The Consumer Forum, had held, that the Exchange could withdraw money from its trade guarantee fund, without declaring the erring member, a defaulter. The matter is currently pending before the Supreme Court of India.

Civil proceedings by the Exchange

- a) A suit was filed on August 29, 1998 by the Exchange against Mr. Shailesh Bajaj (“**Defendant**”) before the Bombay High Court, in relation to the alleged failure, neglect and inability on the part of the Defendant to perform his obligations in relation to certain settlements and failure to make payments to the clearing house of the Exchange in relation to the same, pursuant to which he was declared as a defaulter as per the bye-laws of the Exchange. The matter is currently pending before the Bombay High Court.
- b) A civil suit was filed on March 27, 2015 by the Exchange and Stock Exchange Investors’ Protection Fund (collectively known as “**Plaintiffs**”) against Mumbai Mirror, Mr. Divyesh Singh, Mr. Chaitaniya Marpakwar, Mr. Pankaj Upadhyaya and Ms. Meenal Bagel (collectively known as “**Defendants**”) before the City Civil Court, Mumbai in relation to an alleged defamatory and libelous article published by the Defendants in the Mumbai Mirror on March 19, 2014, titled “*BMC fines BSE Rs. 1 crore for ‘illegally blocking’ Dalal Street since 2011*” (“**Article**”). The Article further stated that due to inaction on the part of the Exchange, a fine of ₹ 10 million had been imposed by the Bombay Municipal Corporation on the Exchange. The Exchange has sought, amongst other things, (i) damages for the libelous act of the Defendants, (ii) an injunction restraining the Defendants from publishing any such false and fabricated article in future. The matter is currently pending before the Bombay High Court.

C. Actions by statutory or regulatory authorities against the Exchange

- a) An order was passed by SEBI on September 11, 2014, with respect to the Exchange in the matter of the offer for sale (“**OFS**”) of NMDC Limited (“**NMDC**”). The promoters of NMDC had offered to sell shares of the company through the offer for sale mechanism on the floor of the Exchange and NSE (“**Stock Exchanges**”). On closure of the OFS, SEBI sought bid data from the Stock Exchanges in order to ascertain the final cumulative bids, which was provided by the Stock Exchanges and which was subsequently revised due to a collateral bid received (“**Bid**”). SEBI noticed that there was a discrepancy between the revised and the original data submitted and sought clarification from the Exchange. Pursuant to further examination, SEBI issued a show cause notice dated April 18, 2013 alleging amongst other things, that (i) the Exchange had failed to comply with clause 5(d)(ii) and (iii) of the operational guidelines on OFS issued vide SEBI circular bearing no. CIR/MRD/DP/18/2012 dated July 18, 2012, (ii) although the Bid was made within the cut-off time, the transfer of funds to the clearing corporation was delayed, and (iii) the fund transfer as well as confirmation of the Bid seemed to have occurred after the permitted cut-off time. After perusal of the Exchange’s responses and other details pertaining to the matter, SEBI (i) censured the Exchange for its conduct and directed it to be careful and cautious in dealing with the securities market, (ii) directed the Exchange to engage one or more independent consultants to review the entire sequence of events in the matter, the process followed and the checks in place in relation to the offer for sale bids by the Exchange and suggest remedial measures, within a period of three months, (iii) directed the Exchange to make a detailed report to its board, under intimation to SEBI, within a further period of three months, as to how the recommendations of the independent consultant have been implemented, and (iv) decided to conduct a detailed probe into the confirmation of the Bid. The Exchange has taken the requisite steps to comply with the requirements set out in the order passed by SEBI and informed SEBI of the same, by way of its letters dated March 4, 2015 and June 11, 2015.
- b) An order was passed by a whole time member of SEBI (“**Original Order**”) on June 30, 2010, which held that Mr. Yogesh Mehta was entitled to receive from the Exchange an amount of ₹ 1,271,556

together with interest thereon, which had been released by the Exchange to the clients of Mr. Yogesh Mehta pursuant to directions of SEBI, in relation to an inquiry conducted by SEBI regarding the unusual price movement in the shares of Amit International Limited. The Exchange filed an appeal challenging the Original Order, whereas Mr. Yogesh Mehta filed another appeal against the Original Order, claiming an enhanced amount of ₹ 1,556,100 or a sum of ₹ 1,364,000 along with compound interest at the rate of 24% (collectively, “**Appeals**”). The Securities Appellate Tribunal passed an order on August 29, 2011 dismissing the Appeals without any costs (“**Second Order**”). The Exchange has filed an appeal in the Supreme Court on November 1, 2011 challenging the Second Order. The Supreme Court has by way of an order dated January 13, 2012 admitted the appeal and granted a stay on the Second Order.

- c) The Brihanmumbai Mahanagarpalika by way of their letter dated March 21, 2012, directed the Exchange to pay charges including rental charges, penalty and interest, towards installation of barriers across the road in the vicinity of the Exchange, without intimating the Municipal Corporation of Greater Mumbai (“**MCGM**”). The Additional Commissioner of Police, by way of a letter dated March 13, 2014, requested the Brihanmumbai Mahanagarpalika to reduce the charges as the barriers were installed as per the direction of the Police Department as security and preventive measures, in light of the imminent security threat to the Exchange. However the MCGM refused to reduce the charges and directed the Exchange to pay the outstanding amount along with an interest of 15% from April 1, 2012 up to September 2, 2014.
- d) The Municipal Corporation of Greater Mumbai (“**MCGM**”) had issued a show cause notice under Section 351 of the Mumbai Municipal Corporation Act, on May 20, 2013 against Mr. Ramadorai and Mr. Ashishkumar Chauhan alleging unauthorized change of use of certain service floors of the Registered Office (“**Service Floors**”), by way of additions/ alterations to the Service Floors. The MCGM, passed an order on June 21, 2013 (“**MCGM Order**”) directing the Exchange to restore the original use of Service Floors by removing all additions/ alterations made to it, within seven days, failing which the same will be demolished by the MCGM. An appeal was filed by the Exchange against the MCGM Order, which was dismissed by the Bombay High Court by way of an order dated January 16, 2014. Subsequently, a special leave petition was filed by the Exchange against the order of the Bombay High Court, in the Supreme Court, which was also dismissed by way of an order of the Supreme Court dated February 28, 2014, pursuant to which the directions issued by way of the MCGM Order were implemented and the additions/ alterations made to the Service Floors were demolished by the MCGM.

I. Outstanding litigation against the Exchange or any other persons or companies whose outcome could have an adverse effect on the Exchange

Proceedings against the Exchange

- a) An appeal was filed on April 24, 2015 by Nile Limited (“**Appellant**”) against the Exchange before the SAT, challenging a circular of the Exchange, dated February 27, 2015, by way of which the Exchange had allegedly enhanced the listing fee structure abnormally, with effect from April 1, 2014. The Appellant claimed that the increase was arbitrary and unreasonable and violated the principles of natural justice. The Appellant has sought, amongst other things, (i) issuance of direction to the Exchange in order to appropriately amend the annual listing fee structure, so as to make it just and equitable for all companies as was the practice followed up to financial year 2013-14, (ii) issuance of order or direction declaring circular no. DCS/COMP/13/2014-15 dated February 27, 2015 and circular no. DCS/COMP/15/2013-14 dated February 7, 2014 issued by the Exchange, as arbitrary, unreasonable, unwarranted and violative of the principles of natural justice. The matter is currently pending before the SAT.
- b) A writ petition was filed on December 22, 2015 by Classic Leasing and Finance Limited (“**Classic**”) and Mr. Sanjay Kumar Agarwala (collectively known as “**Petitioners**”) against SEBI and the Exchange in the Calcutta High Court challenging the arbitrary increase in the processing fee for pending applications for direct listing by the Exchange. Classic had, by way on an application dated November 15, 2014 (“**Application**”) applied to the Exchange, for listing of its equity shares under the direct listing provisions of the Exchange. However, the Petitioners alleged that in spite of fulfilling all the requirements pertaining to the Application and duly submitting all the documents for the same, the Exchange allegedly failed to process the Application and revised its processing fees for direct listing for new as well as existing applications which were in the process of consideration. The Petitioners have sought, amongst other things, a direction to quash the wrongful and illegal demand of the Exchange in claiming additional fees for existing applications, which were pending due to delay on part of the Exchange. The matter is currently pending before the Calcutta High Court.

Proceedings by the Exchange

- a) The Exchange filed a writ petition on July 10, 2007 against the Central Information Commission (“**Respondent**”) under Article 226 of the Constitution of India, in relation to the Right to Information Act, 2005 (“**RTI Act**”) challenging an order dated June 7, 2007 passed by the Respondent (“**Impugned Order**”). Certain persons including Mr. Yogesh Mehta, Mr. Raj Kumari Agrawal and Mr. K Lall had initially approached the public information officer of the Jaipur Stock Exchange (“**JSE**”), to seek information under the RTI Act. JSE had refused to give such information pursuant to which an appeal was filed before the Respondent, which ultimately led to the passing of the Impugned Order declaring JSE and NSE as a ‘Public Authority’ under the RTI Act. The Impugned Order also directed the remaining stock exchanges to comply with the provisions of the Impugned Order within three months of its issuance. By way of the present writ petition, the Exchange challenged the Impugned Order. The Exchange has sought, amongst other things quashing and setting aside of the Impugned Order. The matter is currently pending before the Bombay High Court.
- b) Two writ petitions, one of which was filed on January 13, 2003 and one on August 18, 1999 (“**Writ Petitions**”) respectively, by the Exchange against various income tax authorities (“**Tax Officials**”) before the Bombay High Court challenging certain income tax notices issued by the Tax Officials under Section 226(3) of the I.T. Act (“**Notices**”). The Notices were issued by the Tax Officials for the purpose of attaching properties belonging to certain member brokers of the Exchange (“**Members**”) in order to recover tax arrears. The Exchange has sought, amongst other things, (i) issuance of writ of certiorari against the Tax Officials, (ii) quashing and setting aside of the Notices, (iii) writ of mandamus directing the Tax Officials to withdraw their proceedings. Further, three notices of motion were filed on June 24, 2016, with respect to three erstwhile writ petitions in the same subject matter. The matters are currently pending before the Bombay High Court.

OTHER REGULATORY AND STATUTORY DISCLOSURES

Authority for the Offer

1. The Market Regulation Department of SEBI by way of a letter (No. MRD/OW/7537/1/2016), dated March 14, 2016 has granted its in-principle approval for listing of Equity Shares on a recognized stock exchange.
2. Our Board has by way of resolution dated May 5, 2016 approved the initial public offering of up to 30% Equity Shares by way of an offer for sale by the Selling Shareholders. The Offer has been approved by our Shareholders by way of a resolution passed at the annual general meeting held on June 24, 2016.
3. The Selling Shareholders pursuant to the Selling Shareholder's Consent Letters, have given their consent to offer their Equity Shares in the Offer.
4. The Exchange has received in-principle approval from the NSE for listing of the Equity Shares pursuant to the letter dated [●].

Prohibition by SEBI or governmental authorities

The Exchange, our Directors, and the Group Companies, have not been prohibited or debarred from accessing the capital markets for any reason by SEBI or any other regulatory or governmental authority.

The companies, with which our Directors are or were associated as promoter, directors or persons in control are not debarred from accessing the capital markets under any order or direction passed by SEBI or any other regulatory or governmental authority.

Each of the Selling Shareholders specifically confirm that it has not been prohibited or debarred from accessing or operating in the capital markets for any reason by SEBI or any other regulatory or governmental authority.

Except in their capacity as Directors on our Board, and except for our Director, Mr. Sethurathnam Ravi, who is an Independent Director on the board of IDBI Capital Markets and Securities Limited and SBI-SG Global Securities Services Private Limited, none of our Directors are associated with the securities market.

Except as stated below, no action has been initiated by SEBI against any entity in which any of our Directors are involved as promoters or directors.

SEBI passed an order dated November 28, 2014 against the book running lead managers involved in the initial public offer of Credit Analysis and Research Limited, which included IDBI Capital Markets and Securities Limited, in which our Director, Mr. Sethurathnam Ravi, is an independent director. Pursuant to this order, SEBI imposed a fine of ₹ 10 million, jointly and severally, against all the book running lead managers for violation of the provisions of the ICDR Regulations in relation to true and adequate disclosure in an offer document.

The listing of securities of the Exchange has never been refused at any time by any stock exchange in India or abroad.

Prohibition by RBI

Neither the Exchange, nor our Directors or Group Companies have been declared as wilful defaulters by any bank or financial institution or consortium thereof, in accordance with the guidelines on wilful defaulters issued by the RBI.

Each of the Selling Shareholders specifically confirms that it has not been declared as a wilful defaulter by any bank or financial institution or consortium thereof, in accordance with the guidelines on wilful defaulters issued by the RBI.

The transfer of Equity Shares, pursuant to the Offer, from NRIs to non-resident Allottees shall be subject to the prior approval of the RBI in accordance with the provisions of the FEMA Regulations.

Eligibility for the Offer

The Exchange is eligible for the Offer in accordance with the Regulation 26(1) of the ICDR Regulations as explained below:

- The Exchange has had net tangible assets of at least ₹ 30 million in each of the preceding three full years (of 12 months each);
- The Exchange has a minimum average pre-tax operating profit of ₹ 150 million, calculated on a restated and consolidated basis, during the three most profitable years out of the immediately preceding five years;
- The Exchange has a net worth of at least ₹ 10 million in each of the three preceding full years (of 12 months each);
- The aggregate size of the proposed Offer and all previous issues made in the same Fiscal is not expected to exceed five times the pre-Offer net worth as per the audited balance sheet of the Exchange for the preceding Fiscal; and

- The 30th, 90th and 180th calendar day computation includes the listing day. If either of the 30th, 90th or 180th calendar days is a trading holiday, the next trading day is considered for the computation. We have taken the issue price to calculate the % change in closing price as on 30th, 90th and 180th day. We have taken the closing price of the applicable benchmark index as on the listing day to calculate the % change in closing price of the benchmark as on 30th, 90th and 180th day.
- The designated exchange for the issue has been considered for the price, benchmark index and other details.

or trusts under applicable trust law and who are authorised under their respective constitutions to hold and invest in shares, public financial institutions as specified in Section 2(72) of the Companies Act, 2013, multilateral and bilateral development financial institutions, state industrial development corporations, insurance companies registered with the Insurance Regulatory and Development Authority, provident funds (subject to applicable law) with minimum corpus of ₹ 250 million and pension funds with minimum corpus of ₹ 250 million, National Investment Fund, insurance funds set up and managed by army, navy or air force of Union of India, insurance funds set up and managed by the Department of Posts, GoI and permitted Non-Residents including FPIs and Eligible NRIs and other eligible foreign investors, if any, provided that they are eligible under all applicable laws and regulations to purchase the Equity Shares.

Jurisdiction

Exclusive jurisdiction for the purpose of the Offer is with the competent courts/authorities in Mumbai, Maharashtra, India.

Certain United States Disclosures

The Equity Shares have not been and will not be registered under the Securities Act, and may not be offered or sold within the United States except pursuant to an exemption from or in a transaction not subject to the registration requirements of the Securities Act. Accordingly, the Equity Shares are being offered and sold in the United States in reliance on an exemption from the registration requirements of Section of the Securities Act only to persons who are: (i) qualified institutional buyers (“U.S. QIBs”) as defined in Rule 144A under the Securities Act (for the avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investor defined under applicable Indian regulations and referred to in the Draft Red Herring Prospectus as “QIBs”); (ii) qualified purchasers (“QPs”) as defined in Section 2(a)(51) of the Investment Company Act of 1940, as amended (the “Investment Company Act”); and (iii) institutional “accredited investors” (“IAIs”) as defined in Rule 501(a)(1), (2), (3), or (7) of Regulation D under the Securities Act (“Regulation D”) (persons who are each a QIB, QP and also an IAI are referred to as “Entitled Qualified Purchasers”). The Equity Shares are being offered and sold outside the United States to non-U.S. Persons (or to persons who are both U.S. Persons (as defined in Regulation S) and Entitled Qualified Purchasers) in reliance on Regulation S under the Securities Act (“Regulation S”). The Equity Shares are not transferable except in accordance with the restrictions described under “-Important Information for Investors—Eligibility and Transfer Restrictions” beginning on page 475 of this Draft Red Herring Prospectus. Purchasers in the United States or who are U.S. Persons will be required to represent, warrant, agree, undertake and acknowledge to representations, warranties, agreements, undertakings and acknowledgements contained in the section “Important Information for Investors—Eligibility and Transfer Restrictions—Equity Shares Offered and Sold within the United States” beginning on page 475 of this Draft Red Herring Prospectus. Each purchaser is hereby notified that sellers of Equity Shares may be relying on an exemption from the provisions of Section 5 of the Securities Act.

In addition, until 40 days after the date of commencement of the Offer, an offer or sale of the Equity Shares within the United States by a dealer (whether or not participating in the Offer) may violate the registration requirements of the Securities Act.

The Exchange has not been and will not be registered under the Investment Company Act and investors will not be entitled to the benefits of the Investment Company Act. The Exchange is relying on the exemption provided by Section 3(c)(7) of the Investment Company Act, and as a result the Equity Shares are being offered and sold in the United States only to persons who are Entitled Qualified Purchasers.

The Exchange is a “covered fund” for purposes of the “Volcker Rule” contained in the Dodd-Frank Act (Section 619: Prohibitions on Proprietary Trading and Certain Relationships with Hedge Funds and Private Equity Funds). Accordingly, entities that may be “covered banking entities” for the purposes of the Volcker Rule may be restricted from holding the Exchange’s securities and should take specific advice before making an investment in the Exchange.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

This Draft Red Herring Prospectus is not an offer to sell or an invitation to subscribe for any securities. The Draft Red Herring Prospectus when issued will not, however, constitute an offer to sell or an invitation to subscribe for Equity Shares offered hereby in any jurisdiction other than India to any person to whom it is unlawful to make an offer or invitation in such jurisdiction. Any person into whose possession this Draft Red Herring Prospectus comes is required to inform himself or herself about, and to observe, any such restrictions.

No action has been, or will be, taken to permit a public offering in any jurisdiction where action would be required for that purpose, except that this Draft Red Herring Prospectus has been filed with SEBI for its observations. Accordingly, the Equity Shares represented hereby may not be offered or sold, directly or indirectly, and this Draft Red Herring Prospectus may not be distributed in any jurisdiction, except in accordance with the legal requirements applicable in such jurisdiction. Neither the delivery of this Draft Red Herring Prospectus nor any sale hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the Exchange and the Selling Shareholders and their respective affiliates from the date hereof or that the information contained herein is correct as of any time subsequent to this date.

Important Information for Investors – Eligibility And Transfer Restrictions

Because of the following restrictions, purchasers of the Equity Shares in the Offer are advised to consult their legal counsel prior to making any offer, resale, pledge or other transfer of such Equity Shares. Terms used herein that are defined in Rule 144A or Regulation S are used herein as defined therein.

Equity Shares Offered and Sold within the United States or to U.S. Persons

Each acquirer of Equity Shares within the United States and each acquirer of Equity Shares outside the United States who is a U.S. Person, by accepting delivery of this document, will be deemed to have represented, warranted, agreed, undertaken and acknowledged to the Exchange and the Managers that it has received a copy of this document and such other information as it deems necessary to make an investment decision and that:

1. it is an institution that, in the normal course of business, invests in or purchases securities similar to the Equity Shares and it, and any accounts for which it is acting, (a) are a highly sophisticated investor that have sufficient knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of our investments in the Equity Shares, and (b) are able to bear the economic risk, and sustain a complete loss, of such investment in the Equity Shares. It will not look to the Exchange, the Managers, or any of their respective affiliates, for all or part of any loss it may suffer and have no need for liquidity with respect to its investment in the Equity Shares and have no reason to anticipate any change in our circumstances, financial or otherwise, which may cause or require any sale or distribution by it of all or any part of the Equity Shares;
2. it is not a broker-dealer which owns and invests on a discretionary basis less than US\$25 million in securities of unaffiliated issuers;
3. if it is acquiring the Equity Shares as a fiduciary or agent for one or more investor accounts,
 - a. each such account is an Entitled Qualified Purchaser;
 - b. it has sole investment discretion with respect to each account, and
 - c. it has full power and authority to make the representations, warranties, agreements, undertakings and acknowledgements contained in this section on behalf of each such account.
4. it was not formed for the purpose of investing in the Exchange (unless each beneficial owner of our securities is a "qualified purchaser" as defined in Section 2(a)(51) and related rules of the Investment Company Act).
5. It acknowledges and agrees that it is not taking up the Equity Shares as a result of any general solicitation or general advertising (as those terms are defined in Regulation D under the Securities Act) or any directed selling efforts (as that term is defined in Regulation S under the Securities Act).
6. it is (i) an Entitled Qualified Purchaser, (ii) acquiring the Equity Shares for its own account or for the account of one or more Entitled Qualified Purchaser with respect to whom it has the authority to make, and does make, the representations and warranties set forth herein, (iii) acquiring the Equity Shares for investment purposes, and not with a view to further distribution of the Equity Shares, and (iv) aware, and

each beneficial owner of the Equity Shares has been advised, that the sale of the Equity Shares to it is being made in a transaction exempt from the provisions of Section 5 of the Securities Act.

7. the Equity Shares are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act and no representation is made as to the availability of the exemption provided by Rule 144 for re-sales of any Equity Shares;
8. It will make its own independent investigation and appraisal of the business, results, financial condition, prospects, creditworthiness, status and affairs of the Exchange and it will make its own investment decision to acquire the Equity Shares. It understands that the Exchange believes there is a significant risk that, for U.S. federal income tax purposes, the Exchange may be considered a Passive Foreign Investment Company and, if it is, that there may be materially adverse consequences under US and other tax laws resulting from an investment in the Equity Shares, and it will make such investigation and consult such tax and other advisors with respect thereto as it deems appropriate. It will satisfy itself concerning, without limitation, the effects of United States federal, state and local income tax laws and foreign tax laws on its investment in the Equity Shares.
9. It understands that (i) the Equity Shares are being offered and sold in the United States only in a transaction not involving any public offering within the meaning of the Securities Act and that the Equity Shares have not been and will not be registered under the Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States, (ii) the Exchange has not been and will not be registered under the Investment Company Act and related rules and (iii) that the Exchange has elected to impose the transfer and offering restrictions with respect to persons in the United States and U.S. persons described herein so that the Exchange will have no obligation to register as an investment company under the Investment Company Act.

It understands that the Equity Shares may not be offered, sold, pledged, or otherwise transferred except (i) in an offshore transaction executed in, on or through the facilities of the NSE where neither the seller nor any person acting on its behalf knows by pre-arrangement or otherwise that the buyer is in the United States or a U.S. Person, (ii) to any person the seller and any person acting on its behalf knows to be outside the U.S. and a non-U.S. Person, or (iii) to the Exchange or a subsidiary thereof.

It further (i) understands that the Equity Shares may not be deposited into any unrestricted depository receipt facility in respect of the Equity Shares established or maintained by a depository bank, (ii) acknowledges that the Equity Shares (whether in physical certificated form or in uncertificated form) are "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act and that no representation is made as to the availability of the exemption provided by Rule 144 for resales of the Equity Shares, (iii) understands that the Exchange may not recognise any offer, sale, resale, pledge or other transfer of the Equity Shares made other than in compliance with the above-stated restrictions and (iv) understands that the Exchange may require any U.S. Person or any person within the United States who was not a QP at the time it acquired any Equity Shares or any beneficial interest therein to transfer the Equity Shares or any such beneficial interest immediately in a manner consistent with these restrictions and if the obligation to transfer is not met, the Exchange is irrevocably authorised, without any obligation, to transfer the Equity Shares in a manner consistent with these restrictions and, if such Equity Shares are sold, the Exchange shall be obliged to distribute the net proceeds to the entitled party.

10. It understands that the Equity Shares (to the extent they are in certificated form), unless otherwise determined by the Exchange in accordance with applicable law, will bear a legend substantially to the following effect:

THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR WITH ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES, AND THE Exchange HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE INVESTMENT COMPANY ACT OF 1940, AS AMENDED (THE "INVESTMENT COMPANY ACT"). THE SECURITIES REPRESENTED HEREBY MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (1) IN AN OFFSHORE TRANSACTION EXECUTED IN, ON OR THROUGH THE FACILITIES OF THE NSE WHERE NEITHER THE SELLER NOR ANY PERSON ACTING ON ITS BEHALF KNOWS BY PRE-ARRANGEMENT OR OTHERWISE THAT THE BUYER IS IN THE UNITED STATES OR A U.S. PERSON, (2) TO ANY

PERSON THE SELLER AND ANY PERSON ACTING ON ITS BEHALF KNOWS TO BE OUTSIDE THE U.S. AND A NON-U.S. PERSON OR (3) TO THE EXCHANGE OR A SUBSIDIARY THEREOF. THE SECURITIES REPRESENTED HEREBY MAY NOT BE DEPOSITED INTO ANY UNRESTRICTED DEPOSITARY RECEIPT FACILITY IN RESPECT OF THE EXCHANGE'S SECURITIES ESTABLISHED OR MAINTAINED BY A DEPOSITARY BANK. EACH HOLDER, BY ITS ACCEPTANCE OF SECURITIES, REPRESENTS THAT IT UNDERSTANDS AND AGREES TO THE FOREGOING RESTRICTIONS.

THE EXCHANGE AND ITS AGENTS WILL NOT BE REQUIRED TO ACCEPT FOR REGISTRATION OF TRANSFER ANY SECURITIES MADE OTHER THAN IN COMPLIANCE WITH THESE RESTRICTIONS. THE EXCHANGE MAY REQUIRE ANY PERSON THAT HOLDS, DIRECTLY OR INDIRECTLY, ANY EQUITY SHARES (1) WHOSE OWNERSHIP OF EQUITY SHARES MAY CAUSE THE EXCHANGE TO BE REQUIRED TO HAVE THE EXCHANGE COMPLY WITH ANY REGISTRATION OR FILING REQUIREMENTS IN ANY JURISDICTION, WITH WHICH IT WOULD NOT OTHERWISE BE REQUIRED TO COMPLY, (2) WHOSE OWNERSHIP OF EQUITY SHARES MAY CAUSE THE EXCHANGE TO BE REQUIRED TO REGISTER AS AN "INVESTMENT COMPANY" UNDER THE INVESTMENT COMPANY ACT, OR (3) WHO IS A U.S. PERSON (AS DEFINED IN REGULATION S UNDER THE SECURITIES ACT AND INCLUDING NATURAL PERSONS RESIDENT IN BUT TEMPORARILY OUTSIDE OF THE UNITED STATES) BUT WHO IS NOT A QUALIFIED PURCHASER (AS DEFINED IN SECTION 2(A)(51) OF THE INVESTMENT COMPANY ACT), TO TRANSFER ALL OR A SPECIFIED PORTION OF THE SECURITIES OR ANY SUCH BENEFICIAL INTEREST IMMEDIATELY IN A MANNER CONSISTENT WITH THESE RESTRICTIONS, AND IF THE OBLIGATION TO TRANSFER IS NOT MET, THE EXCHANGE AND ITS AGENTS ARE IRREVOCABLY AUTHORIZED, WITHOUT ANY OBLIGATION, TO TRANSFER THE SECURITIES IN A MANNER CONSISTENT WITH THESE RESTRICTIONS AND, IF SUCH SECURITIES ARE SOLD, THE EXCHANGE SHALL BE OBLIGED TO DISTRIBUTE THE NET PROCEEDS TO THE ENTITLED PARTY;

11. It represents that if, in the future, it offers, resells, pledges or otherwise transfers such Equity Shares while the remain "restricted securities" within the meaning of Rule 144, it shall notify such subsequent transferee of the restrictions set out above.
12. The Exchange, the Managers and their affiliates and others will rely on the truth and accuracy of the foregoing acknowledgements, representations and agreements.
13. It acknowledges that its purchase of the Equity Shares is subject to and based upon all the terms, conditions, representations, warranties, undertakings and acknowledgements and other information contained in the Draft Red Herring Prospectus.
14. It irrevocably authorizes the Exchange, its affiliates, the Managers and their respective affiliates and any person acting on their behalf to produce the Bid-Cum Application Form or a copy hereof to any interested party in any administrative or legal proceedings, dispute or official inquiry with respect to the matters covered hereby.

Equity Shares Offered and Sold to Non U.S. Persons outside the United States

Each non-U.S. Person who purchases Equity Shares in the Offer outside the United States, and each subsequent purchaser of those Equity Shares in resales prior to the expiration of the period ending 40 days after the completion of the Offer, by accepting delivery of this document, will be deemed to have represented, warranted, agreed, undertaken and acknowledged to and agreed with the Exchange and the Managers as follows:

1. The purchaser is, or at the time of its acquisition of the Equity Shares will be, the beneficial owner of the Equity Shares purchased by it;
2. The purchaser (a) is not, and is not acquiring the Equity Shares for the account or benefit of, a U.S. person, (b) is located outside the United States (within the meaning of Regulation S), and (c) is not an affiliate of the Exchange or otherwise acting on its or their behalf.
3. Either:

- a. at the time the buy order for the Equity Shares was originated, the buyer was outside the United States or the purchaser of Equity Shares and any person acting on its behalf reasonably believed that the buyer was outside the United States; or
 - b. The transaction in the Equity Shares was executed in, on or through the facilities of a designated offshore securities market as defined in Regulation S (including, for the avoidance of doubt, a bona fide sale on the NSE), and neither the purchaser of the Equity Shares nor any person acting on its behalf was aware that the transaction was with a buyer in the United States or who was a U.S. Person.
4. The purchaser is acquiring Equity Shares in an offshore transaction in accordance with Regulation S under the Securities Act.
 5. it understands and acknowledges that the Exchange has not registered, and does not intend to register, as an "investment company" (as such term is defined in the Investment Company Act of 1940, and related rules and regulations) and that the Exchange has elected to impose the transfer and issue restrictions with respect to persons in the United States and U.S. persons described herein so that the Exchange will have no obligation to register as an investment company under the Investment Company Act;
 6. it understands that the Equity Shares are being offered in a transaction not involving any public issue in the United States within the meaning of the Securities Act, that the Equity Shares have not been and will not be registered under the Securities Act, or under the securities laws of any state or other jurisdiction of the United States and that the Exchange has not been and will not be registered as an investment company under the Investment Company Act, in reliance on sections 7(d) and 3(c)(7) thereof and that it will not be entitled to the benefits of that Invest Company Act.
 7. The purchaser understands that such Equity Shares have not been and will not be registered under the Securities Act, and that, prior to the expiration of the period ending 40 days after the completion of the Offer, the Equity Shares may not be offered, resold, pledged or transferred except (a) outside the United States in an offshore transaction in accordance with Regulation S, and (b) in accordance with all applicable laws of any state or other jurisdiction of the United States.
 8. The proposed purchase of Equity Shares is not part of a plan or scheme to evade the registration requirements of the Investment Company Act.
 9. The Exchange, the Managers and their affiliates and others will rely on the truth and accuracy of the foregoing acknowledgements, representations and agreements.
 10. It acknowledges that its purchase of the Equity Shares is subject to and based upon all the terms, conditions, representations, warranties, agreements, undertakings and acknowledgements and other information contained in the Draft Red Herring Prospectus.
 11. It irrevocably authorizes the Exchange, its affiliates, the Managers and their respective affiliates and any person acting on their behalf to produce the Bid-Cum Application Form or a copy hereof to any interested party in any administrative or legal proceedings, dispute or official inquiry with respect to the matters covered hereby.

Listing

The Equity Shares issued through the Red Herring Prospectus are proposed to be listed on NSE. Initial listing applications will be made to the NSE for permission to deal in, and for an official quotation of the Equity Shares. The NSE will be the designated stock exchange with which the 'Basis of Allotment' will be finalised.

If permission to deal in and for an official quotation of the Equity Shares is not granted by NSE, the Exchange and the Selling Shareholders will forthwith repay, all moneys received from the applicants in pursuance of the Red Herring Prospectus, required by applicable law. If such money is not repaid within the prescribed time, then the Exchange and every officer in default shall be liable to repay the money, with interest as prescribed under applicable laws.

The Exchange shall ensure that all steps for the completion of the necessary formalities for listing and commencement of trading at NSE are taken within six Working Days of the Offer Closing Date and the Selling Shareholders shall provide all required support and cooperation to the Managers and the Exchange in this respect. If the Exchange does not Allot Equity Shares pursuant to the Offer within six Working Days from the Offer Closing Date or within such timeline as prescribed by SEBI, it shall repay without interest all monies received from Bidders, failing which interest shall be due to be paid to the Bidders at the rate of 15% per annum for the delayed period.

Impersonation

Attention of the applicants is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013, which is reproduced below:

“Any person who:

- (a) makes or abets making of an application in a fictitious name to a Exchange for acquiring, or subscribing for, its securities; or*
 - (b) makes or abets making of multiple applications to a Exchange in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or*
 - (c) otherwise induces directly or indirectly a Exchange to allot, or register any transfer of, securities to him, or to any other person in a fictitious name,*
- shall be liable for action under section 447.”*

TERMS OF THE OFFER

The Equity Shares being offered pursuant to the Offer are subject to the provisions of the Companies Act, the ICDR Regulations, SCRA, SCRR, SECC Regulations, our Memorandum and Articles of Association, the terms of the Red Herring Prospectus, the Prospectus, the abridged prospectus, the Bid cum Application Form, the Revision Form, CAN/ the Allotment Advice and other terms and conditions as may be incorporated in the Allotment Advice and other documents/certificates that may be executed in respect of the Offer. The Equity Shares shall also be subject to applicable laws, rules, guidelines, notifications and regulations relating to the offer of capital and listing of securities issued from time to time by SEBI, the GoI, the Stock Exchanges, RBI, RoC, FIPB and/or other authorities, as in force on the date of the Offer and to the extent applicable, or such other conditions as may be prescribed by SEBI, RBI and/or any other regulatory authority while granting its approval for the Offer.

Offer for Sale

Upon completion of the Offer, all expenses with respect to the Offer, excluding listing fees payable to NSE where the Equity Shares are proposed to be listed which will be borne by the Exchange, will be shared among the Selling Shareholders, in proportion to the Equity Shares being offered by each of them in the Offer.

Any payments by the Exchange in relation to the Offer shall be on behalf of the Selling Shareholders and such payments will be reimbursed by the Selling Shareholders to the Exchange in proportion to the Equity Shares being offered for sale in the Offer.

Ranking of Equity Shares

The Equity Shares being transferred pursuant to the Offer shall be subject to the provisions of our Memorandum and Articles of Association and the Companies Act and shall rank *pari passu* with the existing Equity Shares including rights in respect of dividend and voting. The Allottees, upon Allotment of Equity Shares pursuant to the Offer, will be entitled to dividends and / or any other corporate benefits for the entire year, if any, declared by the Exchange after the date of Allotment subject to compliance with the requirements of the SECC Regulations. For further details, please see “*Dividend Policy*” and “*Main Provisions of our Articles of Association*” on pages 202 and 542 of this Draft Red Herring Prospectus, respectively.

Mode of Payment of Dividend

The Exchange shall pay dividend, if declared, to the shareholders of the Exchange as per the dividend policy, the provisions of the Companies Act, our Memorandum and Articles of Association, the SECC Regulations and the Listing Regulations. For further details, please see “*Dividend Policy*” and “*Main Provisions of our Articles of Association*” on pages 202 and 542 of this Draft Red Herring Prospectus, respectively.

Face value and Offer Price

The face value of each Equity Share is ₹ 1 and the Offer Price is ₹ [●] per Equity Share. The Anchor Investor Offer Price is ₹ [●] per Equity Share. At any given point of time, there shall be only one denomination for the Equity Shares of the Exchange, subject to applicable laws.

The Floor Price of the Equity Shares is ₹ [●] per Equity Share and the Cap Price is ₹ [●] per Equity Share. The Price Band will be decided by the Exchange in consultation with the Advisory Committee of Shareholders and the Managers, and the minimum Bid Lot will be decided by the Exchange in consultation with the Managers. These will be published by the Exchange at least five Working Days prior to the Offer Opening Date with the relevant financial ratios calculated at the Floor Price and at the Cap Price, in [●] editions of [●], [●] editions of [●], and [●] editions of [●] (which are widely circulated English, Hindi and Marathi newspapers, respectively, Marathi being the regional language of Maharashtra where our Registered Office is located), each with wide circulation with the relevant financial ratios calculated at the Floor Price and at the Cap Price. Such information shall also be disclosed to NSE for dissemination through, and shall be pre-filled in the Bid cum Application Forms available on, the NSE’s website.

Compliance with ICDR Regulations

The Exchange shall comply with all disclosure and accounting norms as specified by SEBI from time to time.

Fit and Proper Persons

In terms of the SECC Regulations and the SEBI circular dated January 1, 2016, all shareholders are required to ensure compliance with the provisions of the SECC Regulations, including meeting the fit and proper criteria. Accordingly, as prescribed under the SEBI circular dated January 1, 2016, a declaration will be included in the Bid cum Application Form stating that the applicant is fit and proper, in terms of Regulations 19 and 20 of the SECC Regulations. The SEBI circular dated January 1, 2016 also provides that upon commencement of trading in the Equity Shares, declaration of compliance with the fit and proper criteria will be included in the contract notes in relation to trades in the Equity Shares.

Compliance with SECC Regulations

Restrictions on shareholding in a recognised stock exchange

The SECC Regulations permits stock exchanges, depositories, banking companies, insurance companies, and public financial institutions to acquire or hold, up to 15% of the paid up equity share capital of a recognised stock exchange, provided that such entities are domestic entities. However, if the shareholding of such entities exceeds 5% but does not exceed 15% of the paid equity share capital of a recognised stock exchange, then prior approval of SEBI would be required.

In addition to the above, no person resident outside India, directly or indirectly, either individually or together with persons acting in concert, shall acquire or hold more than 5% percent of the paid up equity share capital in a recognised stock exchange.

The SECC Regulations further states that, subject to the limits as otherwise prescribed by the Central Government from time to time, the combined holding of all persons resident outside India in the paid up equity share capital of a recognised stock exchange cannot exceed, at any time, beyond 49% percent of its total paid up equity share capital of the recognised stock exchange. An FPI is restricted from acquiring equity shares in a recognised stock exchange, except for any equity shares that may be acquired through the secondary market.

The SECC Regulations restricts clearing corporations from holding any right, stake or interest, of whatsoever nature, in any recognised stock exchange.

Shareholding of the Public in a recognised stock exchange

With respect to shareholding in a recognised stock exchange, the SECC Regulations mandates that at least 51% of the paid up equity share capital of a recognised stock exchange should be held by the public. The term 'public' has been defined under the SECC Regulations to include any member or section of the public but does not include any trading member or clearing member or their associates and agents. Furthermore, public sector banks, public financial institutions, insurance companies, mutual funds and alternative investment funds in public sector, that have associate(s) as trading members or clearing members are deemed to be public under the SECC Regulations.

Accordingly, trading and clearing members or their associates and agents shall be considered for Allotment on a proportionate basis in a manner such that the total shareholding of trading members, clearing members, their associates and agents in the Exchange does not exceed 49% of the post-Offer paid-up equity share capital on the date of allocation. In this regard, each Bidder would need to certify if it is a trading or clearing member or an associate or agent of a trading or clearing member in the Bid cum Application form, which will be the sole responsibility of the Bidder. Please note that the Exchange, the Managers and the Registrar will rely strictly and solely on such a declaration.

Acquisition of more than 5% of the paid up equity share capital in a recognised stock exchange

No person resident in India can at any time, directly or indirectly, either individually or together with any person acting in concert, acquire or hold more than 5% of the paid up equity share capital in a recognised stock exchange subject to certain exceptions and prior approval of SEBI.

Accordingly, in case of Bids for such number of Equity Shares, as may result in the shareholding of a Bidder (either directly or indirectly, by himself or acting in concert with other persons and including existing

shareholding, if any) exceeding 5% of the post-Offer paid-up equity share capital of the Exchange, such Bidder is required to submit a clear legible copy of the approval obtained from SEBI in this regard with the Registrar **at least one Working Day prior** to finalization of the Basis of Allotment. All Allotments to such Bidders shall be in accordance with and subject to the conditions contained in such SEBI approval.

The Basis of Allotment is expected to be finalised on or around [●]. In case of any failure by such Bidder to submit the requisite approval within the above time period, the Exchange may Allot the maximum number of Equity Shares, as adjusted for the Bid Lot (and in case of over-subscription in the Offer, after making applicable proportionate allocation for the Equity Shares Bid for), that will limit the aggregate shareholding of the Bidder (either directly or indirectly, by itself or acting in concert with other persons and including existing shareholding, if any) to 5% of the post-Offer paid-up equity share capital of the Exchange.

Please note that the Exchange, the Managers and the Registrar will rely strictly and solely on the SEBI approvals received from the Bidders for making any Allotments to any Bidders together with persons acting in concert for more than 5% of the post-Offer paid up equity share capital of the Exchange. The Exchange, the Registrar and the Managers will not exercise any discretion or judgment in identifying the group of any Bidder and will not be responsible, directly or indirectly, for the consequences of any Bidder and persons acting in concert with such Bidder, acquiring any Equity Shares in excess of 5% of the post-Offer paid-up equity share capital of the Exchange, without a valid and subsisting SEBI approval.

Acquisition of more than 2% of the paid up equity share capital in a recognised stock exchange

Further, in the event that the shareholding of any person who, directly or indirectly, either individually or together with persons acting in concert, acquires equity shares such that his shareholding exceeds 2% of the paid up equity share capital of a recognised stock exchange, the approval of SEBI would be required to be sought within 15 days of such acquisition. If SEBI does not grant its approval, such person will be required to forthwith divest his excess shareholding.

For further details in this regard, please see “*Regulations and Policies*” on page 154 of this Draft Red Herring Prospectus.

Rights of the Equity Shareholders

Subject to applicable laws, rules, regulations and guidelines and the provisions of our Articles of Association, the equity shareholders of the Exchange shall have the following rights:

- right to receive dividend, if declared;
- right to attend general meetings and exercise voting powers, unless prohibited by law;
- right to vote on a poll either in person or by proxy, in accordance with the provisions of the Companies Act;
- right to receive offers for rights shares and be allotted bonus shares, if announced;
- right to receive surplus on liquidation subject to any statutory and preferential claims being satisfied;
- right of free transferability, subject to applicable law; and
- such other rights, as may be available to a shareholder of a listed public company under the SECC Regulations, Companies Act, the terms of the Listing Regulations, BSE Rules and BSE Bye-Laws and our Memorandum and Articles of Association.

For further details on the main provisions of our Articles of Association including those dealing with voting rights, dividend, forfeiture and lien, transfer and transmission and/or consolidation/splitting, please see “*Main Provisions of our Articles of Association*” on page 542 of this Draft Red Herring Prospectus. For restrictions in shareholding applicable to the Exchange, please see “*Regulations and Policies*” on page 154 of this Draft Red Herring Prospectus.

Retail Discount

The Retail Discount, if any, will be offered to Retail Individual Bidders at the time of making a Bid. Retail Individual Bidders Bidding at a price within the Price Band can make payment at the Bid Amount, at the time of making a Bid. Retail Individual Bidders Bidding at the Cut-Off Price have to ensure payment at the Cap Price at the time of making a Bid. Retail Individual Bidders must ensure that the Bid Amount does not exceed ₹ 200,000. Retail Individual Bidders must mention the Bid Amount while filling the Bid cum Application Form.

Market lot and trading lot

As per applicable law, the trading of our Equity Shares shall only be in dematerialised form for all investors. Since trading of our Equity Shares will be in dematerialised form, the tradable lot is one Equity Share. Allotment in the Offer will be done only in electronic form in multiples of [●] Equity Share subject to a minimum Allotment of [●] Equity Shares to successful Bidders, subject to restrictions contained under the SECC Regulations.

Nomination facility to the Bidder

In accordance with Section 72 of the Companies Act, 2013, read with Companies (Share Capital and Debentures) Rules, 2014, the sole or first Bidder, with other joint Bidders, may nominate any one person in whom, in the event of the death of sole Bidder or in case of joint Bidders, death of all the Bidders, as the case may be, the Equity Shares Allotted, if any, will vest. A nominee entitled to the Equity Shares by reason of the death of the original holder(s), will, in accordance with Section 72 of the Companies Act, 2013, be entitled to the same benefits to which he or she will be entitled if he or she were the registered holder of the Equity Shares. Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to Equity Share(s) in the event of the holder's death during minority. A nomination shall stand rescinded upon a sale of Equity Share(s) by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered Office or Corporate Office or to the Registrar and Share Transfer Agent of the Exchange.

Further, any person who becomes a nominee by virtue of the provisions of Section 72 of the Companies Act, 2013, shall upon the production of such evidence as may be required by the Board, elect either:

- a. to register himself or herself as the holder of the Equity Shares; or
- b. to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, the Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the Allotment of Equity Shares in the Offer will be made only in dematerialised mode, there is no need to make a separate nomination with the Exchange. Nominations registered with respective depository participant of the applicant would prevail. If the investors require a change in the nomination, they are requested to inform their respective depository participant.

Withdrawal of the Offer

The Exchange in consultation with the Managers, reserves the right not to proceed with the Offer, in whole or any part thereof, after the Offer Opening Date but before the Allotment. In the event that the Exchange in consultation with the Managers, decides not to proceed with the Offer at all, the Exchange shall issue a public notice in the newspapers in which the pre-Offer advertisements were published, within two days of the Offer Closing Date or such other time as may be prescribed by SEBI, providing reasons for such decision. In such event the Managers, through the Registrar to the Offer, shall notify the SCSBs to unblock the bank accounts of ASBA Bidders within one Working Day from the date of receipt of such notification. The Exchange shall also inform the same to NSE.

If the Exchange withdraws the Offer after the Offer Closing Date and, thereafter, determines that it will proceed with an initial public offering of its Equity Shares, the Exchange shall file a fresh draft red herring prospectus

with SEBI. Notwithstanding the foregoing, the Offer is also subject to obtaining (i) the final listing and trading approval of NSE, which the Exchange shall apply for after Allotment, and (ii) the final RoC approval of the Prospectus after it is filed with the RoC.

Offer Programme

OFFER OPENS ON	[●] ⁽¹⁾
OFFER CLOSES ON	[●] ⁽²⁾

⁽¹⁾The Exchange in consultation with the Managers, may consider participation by Anchor Investors. The Anchor Investor Offer Period shall be one Working Day prior to the Offer Opening Date in accordance with the ICDR Regulations, i.e. [●].

⁽²⁾The Exchange in consultation with the Advisory Committee of Shareholders and the Managers may decide to close the Offer Period for QIBs one day prior to the Offer Closing Date i.e. [●].

An indicative timetable in respect of the Offer is set out below:

Event	Indicative Date
Offer Closing Date	[●]
Finalisation of Basis of Allotment with NSE	On or about [●]
Initiation of refunds (if any, for Anchor Investors)/unblocking of funds from ASBA Account	On or about [●]
Credit of Equity Shares to demat accounts of Allottees	On or about [●]
Commencement of trading of the Equity Shares on NSE	On or about [●]

The above timetable, other than the Offer Closing Date, is indicative and does not constitute any obligation on the Exchange or the Selling Shareholders or the Managers. While the Exchange shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on NSE is taken within six Working Days from the Offer Closing Date, the timetable may be extended due to various factors, such as extension of the Offer Period by the Exchange and the Selling Shareholders, revision of the Price Band or any delay in receiving the final listing and trading approval from NSE. The commencement of trading of the Equity Shares will be entirely at the discretion of NSE and in accordance with the applicable laws. The Selling Shareholders confirm that they shall extend reasonable assistance to the Exchange and the Managers for the completion of the necessary formalities for listing and commencement of trading of the Equity Shares (offered by each such Selling Shareholders in the Offer) on NSE within six Working Days from the Offer Closing Date.

Bids (other than Bids from Anchor Investors):

Offer Period (except the Offer Closing Date)	
Submission and Revision in Bids	Only between 10.00 a.m. and 5.00 p.m. IST
Offer Closing Date	
Submission and Revision in Bids	Only between 10.00 a.m. and 3.00 p.m. IST

On the Offer Closing Date, the Bids shall be uploaded until:

- (i) 4.00 p.m. IST in case of Bids by QIBs and Non-Institutional Bidders, and
- (ii) until 5.00 p.m. IST or such extended time as permitted by NSE, in case of Bids by Retail Individual Bidders.

On the Offer Closing Date, extension of time may be granted by NSE only for uploading Bids received by Retail Individual Bidders after taking into account the total number of Bids received and as reported by the Managers to NSE.

It is clarified that Bids not uploaded on the electronic Bidding system or in respect of which the full Bid Amount is not blocked by SCSBs would be rejected.

Due to limitation of the time available for uploading the Bids on the Offer Closing Date, Bidders are advised to submit their Bids one day prior to the Offer Closing Date and, in any case, no later than 1.00 p.m. IST on the Offer Closing Date. Bidders are cautioned that, in the event a large number of Bids are received on the Offer

Closing Date, as is typically experienced in public offerings, some Bids may not get uploaded due to lack of sufficient time. Such Bids that cannot be uploaded will not be considered for allocation under the Offer. Bids will be accepted only on business days i.e. Monday to Friday (excluding any public holiday). The Exchange or any of the Selling Shareholders or the members of Syndicate are not liable for any failure in uploading Bids due to faults in any software/hardware system or otherwise. Any time mentioned in this Draft Red Herring Prospectus is Indian Standard Time.

In case of any discrepancy in the data entered in the electronic book vis-a-vis the data contained in the physical or electronic Bid cum Application Form, for a particular Bidder, the Registrar to the Offer shall ask for rectified data.

The Exchange, in consultation with the Advisory Committee of Shareholders and the Managers, reserves the right to revise the Price Band during the Offer Period, provided that the Cap Price shall be less than or equal to 120% of the Floor Price and the Floor Price shall not be less than the face value of the Equity Shares. The revision in the Price Band shall not exceed 20% on either side, i.e. the Floor Price can increase or decrease to the extent of 20% of the Floor Price, and the Cap Price will be revised accordingly.

In case of revision in the Price Band, the Offer Period shall be extended for at least three additional Working Days after such revision, subject to the Offer Period not exceeding 10 Working Days. Any revision in Price Band, and the revised Offer Period, if applicable, shall be widely disseminated by notification to NSE, by issuing a press release and also by indicating the change on the terminals of the other members of the Syndicate Member.

Minimum subscription

The requirement of minimum subscription is not applicable to the Offer in accordance with the ICDR Regulations. However, if the Exchange does not make the minimum Allotment as specified under Rule 19(2)(b) of the SCRR, including devolvement of Underwriters, if any, within 60 days from the date of Offer Closing Date, the Exchange and the Selling Shareholders shall forthwith refund the entire subscription amount received. If there is a delay beyond the prescribed time, the Exchange and the Selling Shareholders shall pay the requisite interest as prescribed under applicable law.

Further, the Exchange and the Selling Shareholders shall ensure that the number of prospective Allottees to whom the Equity Shares will be Allotted shall not be less than 1,000 in compliance with Regulation 26(4) of the SEBI Regulations and subject to the provisions of the SECC Regulations.

Arrangements for disposal of odd lots

Since our Equity Shares will be traded in dematerialised form only, the market lot for our Equity Shares will be one Equity Share and therefore no arrangements for disposal of odd lots are required.

Restriction on transfer and transmission of shares

Except for the lock-in of the pre-Offer Equity Shares, the lock-in applicable to Equity Shares Allotted to Anchor Investor pursuant to the Offer, as detailed in “*Capital Structure*” on page 80 of this Draft Red Herring Prospectus, and except as provided in “*Main Provisions of our Articles of Association*” on page 542 of this Draft Red Herring Prospectus, there are no restrictions on transfers of Equity Shares.

Further, there are no restrictions on transmission of shares/ debentures and on their consolidation/ splitting except as provided in our Articles of Associations. For details, please see “*Main Provisions of our Articles of Association*” on page 542 of this Draft Red Herring Prospectus.

Option to receive Equity Shares in Dematerialised Form

In terms of Section 29 of the Companies Act, 2013, the Allotment of Equity Shares to successful Bidders will only be in the dematerialised form. Bidders will not have the option of Allotment of the Equity Shares in physical form. The Equity Shares on Allotment will be traded only in the dematerialised segment of NSE. In this context, two agreements have been signed among the Exchange, the respective Depositories and the Registrar to the Offer:

- Agreement dated September 2, 2005 entered into between NSDL, the Exchange and the Registrar to the Offer; and
- Agreement dated August 20, 2005 entered into between CDSL, the Exchange and the Registrar to the Offer.

RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the Industrial Policy, 1991 of the Government of India and FEMA and the circulars and notifications issued thereunder. Unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment.

The consolidated FDI Policy issued by the DIPP by circular D/o IPP F. No. 5(1)/2016-FC-1 of 2016, with effect from June 7, 2016, ("**Consolidated FDI Policy**"), consolidates and supersedes all previous press notes, press releases and clarifications on FDI issued by the DIPP that were in force and effect prior to June 7, 2016. The Government proposes to update the consolidated circular on FDI Policy once every year and therefore, FDI Policy will be valid until the DIPP issues an updated circular.

Further, in accordance with Regulation 17(4) of the SECC Regulations and the FDI Policy, a FII/ FPI is restricted from acquiring shares of the Exchange otherwise than through the secondary market.

The SECC Regulations further state that, subject to the limits as otherwise prescribed by the Central Government from time to time, the combined holding of all persons resident outside India in the paid up equity share capital of a recognised stock exchange cannot exceed, at any time, beyond 49% percent of its total paid up equity share capital of the recognised stock exchange. An FPI is restricted to acquire shares in the recognised stock exchange, except otherwise than through the secondary market.

In terms of the SECC Regulations, no non-resident may individually or together with persons acting in concert hold more than 5% of the paid-up and issued capital of the Exchange.

The transfer of shares between an Indian resident and a non-resident does not require the prior approval of the FIPB or the RBI, provided that (i) the activities of the investee company are under the automatic route under the Consolidated FDI Policy and transfer does not attract the provisions of the Takeovers Regulations; (ii) the non-resident shareholding is within the sectoral limits under the FDI policy; and (iii) the pricing is in accordance with the guidelines prescribed by the SEBI/RBI.

As per existing regulations, OCBs cannot participate in the Offer.

The Equity Shares have not been and will not be registered under the Securities Act, and may not be offered or sold within the United States except pursuant to an exemption from or in a transaction not subject to the registration requirements of the Securities Act. Accordingly, the Equity Shares are being offered and sold in the United States in reliance on an exemption from the registration requirements of Section of the Securities Act only to persons who are: (i) qualified institutional buyers ("U.S. QIBs") as defined in Rule 144A under the Securities Act (for the avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investor defined under applicable Indian regulations and referred to in the Draft Red Herring Prospectus as "QIBs"); (ii) qualified purchasers ("QPs") as defined in Section 2(a)(51) of the Investment Company Act of 1940, as amended (the "Investment Company Act"); and (iii) institutional "accredited investors" ("IAIs") as defined in Rule 501(a)(1), (2), (3), or (7) of Regulation D under the Securities Act ("Regulation D") (persons who are each a QIB, QP and also an IAI are referred to as "Entitled Qualified Purchasers"). The Equity Shares are being offered and sold outside the United States to non-U.S. Persons (or to persons who are both U.S. Persons (as defined in Regulation S) and Entitled Qualified Purchasers) in reliance on Regulation S under the Securities Act ("Regulation S").

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

The above information is given for the benefit of the Bidders. The Exchange, the Selling Shareholders and the Managers are not liable for any amendments, modification, or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that the number of Equity Shares Bid for do not exceed the applicable limits under laws or regulations.

Bid Amount shall be payable by the Anchor Investors at the time of submission of the Anchor Investor Application Forms.*

Additional Equity Shares would be allocated to the remaining Bidders in the category to which the Bidder belonged for further allocation on a proportionate basis. For further details, see “Offer Procedure – Part B – Basis of Allocation” and “Main Provisions of Articles of Association” on pages 531 and 542 of this Draft Red Herring Prospectus, respectively.

Under-subscription, if any, in any category, except in the QIB Portion, would be allowed to be met with spill-over from any other categories or contribution of categories at the discretion of the Exchange in consultation with the Managers and NSE. The Exchange may, in consultation with the Advisory Committee of Shareholders and the Managers, offer a discount to Retail Individual Bidders in accordance with the ICDR Regulations.

Allocation for all categories, will be subject to restrictions on shareholding as prescribed under the SECC Regulations. For further details, please see “Regulations and Policies” on page 154 of this Draft Red Herring Prospectus.

OFFER PROCEDURE

All Bidders should review the General Information Document for Investing in Public Issues prepared and issued in accordance with the circular (CIR/CFD/DIL/12/2013) dated October 23, 2013 and CIR/CFD/POLICYCELL/11/2015 notified by SEBI (the "General Information Document") read with SEBI circular bearing number CIR/CFD/POLICYCELL/11/ 2015 dated November 10, 2015 and SEBI circular bearing number SEBI/HO/CFD/DIL/CIR/P/2016/26 dated January 21, 2016 included below under the section "Part B – General Information Document", which highlights the key rules, processes and procedures applicable to public issues in general and in accordance with the provisions of the Companies Act, the SCRA, the SCRR and the ICDR Regulations. The General Information Document has been updated to reflect amendments to the ICDR Regulations and provisions of the Companies Act, 2013, to the extent applicable to a public issue. The General Information Document is also available on the websites of NSE and the Managers. Please refer to the relevant provisions of the General Information Document which are applicable to the Offer. All Designated Intermediaries in relation to the Offer should ensure compliance with the SEBI circular (SEBI/HO/CFD/DIL/CIR/P/2016/26) dated January 21, 2016 in relation to clarifications on streamlining the process of public issue of equity shares and convertibles.

Pursuant to the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) (Fifth Amendment) Regulations, 2015, there have been certain changes in the issue procedure for initial public offerings including making ASBA process mandatory for all Bidders (except for Anchor Investors), allowing registrar, share transfer agents, collecting depository participants and stock brokers to accept application forms. Further, SEBI, by its circular (CIR/CFD/POLICYCELL/11/2015) dated November 10, 2015, reduced the time taken for listing after the closure of an issue to six working days.

The Exchange, the Selling Shareholders and the Managers do not accept any responsibility for the completeness and accuracy of the information stated in this section and are not liable for any amendment, modification or change in the applicable law which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws and do not exceed the investment limits or maximum number of the Equity Shares that can be held by them under applicable law or as specified in this Draft Red Herring Prospectus.

PART A

Book Building Procedure

The Offer is being made through the Book Building Process, in reliance of Regulation 26(1) of the ICDR Regulations, wherein not more than 50% of the Offer shall be available for allocation on a proportionate basis to Qualified Institutional Buyers ("QIBs") on a proportionate basis. Provided that the Exchange in consultation with the Managers, may allocate up to 60% of the QIB Portion to Anchor Investors at the Anchor Investor Allocation Price, on a discretionary basis, in accordance with the ICDR Regulations, of which one-third shall be reserved for domestic Mutual Funds subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. In the event of under-subscription in the Anchor Investor Portion, the remaining Equity Shares shall be added to the QIB Portion (other than Anchor Investor Portion). 5% of the QIB Portion (excluding the Anchor Investor Portion) will be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the QIB Portion (other than Anchor Investor Portion) will be available for allocation on a proportionate basis to all QIBs, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not less than 15% of the Offer will be available for allocation on a proportionate basis to Non-Institutional Investors and not less than 35% of the Offer will be available for allocation to Retail Individual Investors, in accordance with the ICDR Regulations, subject to valid Bids being received at or above the Offer Price.

Under-subscription, if any, in any category, except in the QIB Portion, would be allowed to be met with spill over from any other category or combination of categories, at the discretion of the Exchange in consultation with the Managers and NSE.

The Equity Shares, on Allotment, shall be traded only in the dematerialised segment of NSE.

Investors should note that the Equity Shares will be Allotted to all successful Bidders only in dematerialised form. The Bid cum Application Forms which do not have the details of the Bidders'

depository account, including DP ID, Client ID and PAN, will be treated as incomplete and will be rejected. Bidders will not have the option of being Allotted Equity Shares in physical form.

Bid cum Application Form

Please note that all the Bidders (other than Anchor Investors) shall mandatorily apply in the issue through ASBA process only.

Copies of the ASBA Forms and the abridged prospectus will be available with the Designated Intermediaries at the Bidding Centres and Registered Office. An electronic copy of the ASBA Form will also be available for download on the websites of NSE (www.nseindia.com) and BSE (www.bseindia.com) at least one day prior to the Offer Opening Date. Copies of the Anchor Investor Forms and abridged prospectus shall be made available at the offices of the Managers.

Bidders must provide bank account details and authorisation to block funds in the relevant space provided in the ASBA Form and the ASBA Forms that do not contain such details will be rejected. Bidders are also required to ensure that the ASBA Account has sufficient credit balance as an amount equivalent to the full Bid Amount can be blocked by the SCSB at the time of submitting the Bid.

Anchor Investors are not permitted to participate in the Offer through the ASBA process.

ASBA Bidders shall ensure that the Bids are made on ASBA Forms bearing the stamp of the concerned Designated Intermediary, submitted at the Bidding centres only (except in case of electronic ASBA Forms) and the ASBA Forms not bearing such specified stamp are liable to be rejected.

The prescribed colour of the Bid cum Application Form for the various categories is as follows:

Category	Colour of Bid cum Application Form ¹
Resident Indians and Eligible NRIs applying on a non-repatriation basis	White
Non resident including Eligible NRIs, FIIs, their sub-accounts (other than sub-accounts which are foreign corporates or foreign individuals under the QIB category), FVCIs or FPIs, registered multilateral and bilateral development financial institutions applying on a repatriation basis	Blue
Anchor Investors ²	White

⁽¹⁾ *Excluding electronic Bid cum Application Form*

⁽²⁾ *Anchor Investor Forms will be made available at the office of the Managers*

Designated Intermediaries, other than in case of Anchor Investors, shall submit/deliver the ASBA Forms to the respective SCSB, where the bidder has a bank account and shall not submit it to any non-SCSB bank or any Escrow Bank.

Who can Bid?

In addition to the category of Bidders set forth under the section “**Part B - General Information Document for Investing in Public Issues – Category of Investors Eligible to Participate in an Issue**” on page 511 of this Draft Red Herring Prospectus, the following persons are also eligible to invest in the Equity Shares under all applicable laws, regulations and guidelines, including:

- Scientific and/ or industrial research organisations authorised in India to invest in the Equity Shares; and
- Any other persons eligible to Bid in the Offer under the laws, rules, regulations, guidelines and policies applicable to them.
- FPIs, other than Category III FPIs, Category III FPIs which are foreign corporates or foreign

individuals only under the Non-Institutional Bidders category.

The Equity Shares have not been and will not be registered under the Securities Act, and may not be offered or sold within the United States except pursuant to an exemption from or in a transaction not subject to the registration requirements of the Securities Act. Accordingly, the Equity Shares are being offered and sold in the United States in reliance on an exemption from the registration requirements of Section of the Securities Act only to persons who are: (i) qualified institutional buyers (“U.S. QIBs”) as defined in Rule 144A under the Securities Act; (ii) qualified purchasers (“QPs”) as defined in Section 2(a)(51) of the Investment Company Act of 1940, as amended (the “Investment Company Act”); and (iii) institutional “accredited investors” (“IAIs”) as defined in Rule 501(a)(1), (2), (3), or (7) of Regulation D under the Securities Act (“Regulation D”) (persons who are each a QIB, QP and also an IAI are referred to as “Entitled Qualified Purchasers”). The Equity Shares are being offered and sold outside the United States to non-U.S. Persons (or to persons who are both U.S. Persons (as defined in Regulation S) and Entitled Qualified Purchasers) in reliance on Regulation S under the Securities Act (“Regulation S”).

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be issued or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

Fit and Proper Persons

In terms of the SECC Regulations and the SEBI circular dated January 1, 2016, all shareholders are required to ensure compliance with the provisions of the SECC Regulations, including meeting the fit and proper criteria. Accordingly, as prescribed under the SEBI circular dated January 1, 2016, a declaration will be included in the Bid cum Application Form stating that the applicant is fit and proper, in terms of Regulations 19 and 20 of the SECC Regulations. The SEBI circular dated January 1, 2016 also provides that upon commencement of trading in the Equity Shares, declaration of compliance with the fit and proper criteria will be included in the contract notes in relation to trades in the Equity Shares.

Compliance with SECC Regulations

Restrictions on shareholding in a recognised stock exchange

The SECC Regulations permits stock exchanges, depositories, banking companies, insurance companies, and public financial institutions to acquire or hold, up to 15% of the paid up equity share capital of a recognised stock exchange, provided that such entities are domestic entities. However, if the shareholding of such entities exceeds 5% but does not exceed 15% of the paid equity share capital of a recognised stock exchange, then prior approval of SEBI would be required.

In addition to the above, no person resident outside India, directly or indirectly, either individually or together with persons acting in concert, shall acquire or hold more than 5% percent of the paid up equity share capital in a recognised stock exchange.

The SECC Regulations further states that, subject to the limits as otherwise prescribed by the Central Government from time to time, the combined holding of all persons resident outside India in the paid up equity share capital of a recognised stock exchange cannot exceed, at any time, beyond 49% percent of its total paid up equity share capital of the recognised stock exchange. An FPI is restricted from acquiring equity shares in a recognised stock exchange, except for any equity shares that may be acquired through the secondary market.

The SECC Regulations restricts clearing corporations from holding any right, stake or interest, of whatsoever nature, in any recognised stock exchange.

Shareholding of the Public in a recognised stock exchange

With respect to shareholding in a recognised stock exchange, the SECC Regulations mandates that at least 51% of the paid up equity share capital of a recognised stock exchange should be held by the public. The term ‘public’ has been defined under the SECC Regulations to include any member or section of the public but does not include any trading member or clearing member or their associates and agents. Furthermore, public sector banks, public financial institutions, insurance companies, mutual funds and alternative investment funds in

public sector, that have associate(s) as trading members or clearing members are deemed to be public under the SECC Regulations.

Accordingly, trading and clearing members or their associates and agents shall be considered for Allotment on a proportionate basis in a manner such that the total shareholding of trading members, clearing members, their associates and agents in the Exchange does not exceed 49% of the post-Offer paid-up equity share capital on the date of allocation. In this regard, each Bidder would need to certify if it is a trading or clearing member or an associate or agent of a trading or clearing member in the Bid cum Application form, which will be the sole responsibility of the Bidder. Please note that the Exchange, the Managers and the Registrar will rely strictly and solely on such a declaration.

Acquisition of more than 5% of the paid up equity share capital in a recognised stock exchange

No person resident in India can at any time, directly or indirectly, either individually or together with any person acting in concert, acquire or hold more than 5% of the paid up equity share capital in a recognised stock exchange subject to certain exceptions and prior approval of SEBI.

Accordingly, in case of Bids for such number of Equity Shares, as may result in the shareholding of a Bidder (either directly or indirectly, by himself or acting in concert with other persons and including existing shareholding, if any) exceeding 5% of the post-Offer paid-up equity share capital of the Exchange, such Bidder is required to submit a clear legible copy of the approval obtained from SEBI in this regard with the Registrar **at least one Working Day prior** to finalization of the Basis of Allotment. All Allotments to such Bidders shall be in accordance with and subject to the conditions contained in such SEBI approval.

The Basis of Allotment is expected to be finalised on or around [●]. In case of any failure by such Bidder to submit the requisite approval within the above time period, the Exchange may Allot the maximum number of Equity Shares, as adjusted for the Bid Lot (and in case of over-subscription in the Offer, after making applicable proportionate allocation for the Equity Shares Bid for), that will limit the aggregate shareholding of the Bidder (either directly or indirectly, by itself or acting in concert with other persons and including existing shareholding, if any) to 5% of the post-Offer paid-up equity share capital of the Exchange.

Please note that the Exchange, the Managers and the Registrar will rely strictly and solely on the SEBI approvals received from the Bidders for making any Allotments to any Bidders together with persons acting in concert for more than 5% of the post-Offer paid up equity share capital of the Exchange. The Exchange, the Registrar and the Managers will not exercise any discretion or judgment in identifying the group of any Bidder and will not be responsible, directly or indirectly, for the consequences of any Bidder and persons acting in concert with such Bidder, acquiring any Equity Shares in excess of 5% of the post-Offer paid-up equity share capital of the Exchange, without a valid and subsisting SEBI approval.

Acquisition of more than 2% of the paid up equity share capital in a recognised stock exchange

Further, in the event that the shareholding of any person who, directly or indirectly, either individually or together with persons acting in concert, acquires equity shares such that his shareholding exceeds 2% of the paid up equity share capital of a recognised stock exchange, the approval of SEBI would be required to be sought within 15 days of such acquisition. If SEBI does not grant its approval, such person will be required to forthwith divest his excess shareholding.

For further details in this regard, please see “Regulations and Policies” on page 154 of this Draft Red Herring Prospectus.

Participation by associates and affiliates of the Managers and the Syndicate Member

The Managers and the Syndicate Members shall not be allowed to purchase Equity Shares in the Offer in any manner, except towards fulfilling their underwriting obligations. However, the associates and affiliates of the Managers and the Syndicate Members may purchase Equity Shares in the Offer, either in the QIB Portion or in the Non-Institutional Portion as may be applicable to such Bidders, where the allocation is on a proportionate basis and such subscription may be on their own account or on behalf of their clients. All categories of Bidders, including associates or affiliates of the Managers and Syndicate Members, will be treated equally for the purpose of allocation to be made on a proportionate basis.

Neither the Managers nor any persons related to the Managers (other than the mutual fund entities related to the Managers) can apply in the Offer under the Anchor Investor Portion.

Bids by Mutual Funds

With respect to Bids by Mutual Funds, a certified copy of their SEBI registration certificate must be lodged with the Bid cum Application Form. Failing this, the Exchange reserves the right to reject any Bid without assigning any reason thereof.

Bids made by asset management companies or custodians of Mutual Funds shall specifically state names of the concerned schemes for which such Bids are made. In case of a Mutual Fund, a separate Bid can be made in respect of each scheme of the Mutual Fund registered with SEBI and such Bids in respect of more than one scheme of the Mutual Fund will not be treated as multiple Bids provided that the Bids clearly indicate the scheme concerned for which the Bid has been made.

No Mutual Fund scheme shall invest more than 10% of its net asset value in equity shares or equity related instruments of any single company provided that the limit of 10% shall not be applicable for investments in case of index funds or sector or industry specific schemes. No Mutual Fund under all its schemes should own more than 10% of the Exchange's paid-up share capital carrying voting rights, subject to the limits prescribed under the SECC Regulations.

Bids by Eligible NRIs

Eligible NRIs may obtain copies of Bid cum Application Form from the Designated Intermediaries. Eligible NRIs applying on a repatriation basis should authorise their SCSBs to block their Non-Resident External ("NRE") accounts, or Foreign Currency Non-Resident ("FCNR") accounts, and eligible NRI Bidders Bidding on a non-repatriation basis should authorise their SCSBs to block their Non-Resident Ordinary ("NRO") accounts the full Bid amount, at the time of submission of the Bid cum Application Form.

Eligible NRIs Bidding on non-repatriation basis are advised to use the Bid cum Application Form for residents (white in colour).

Eligible NRIs Bidding on a repatriation basis are advised to use the Bid cum Application Form meant for Non-Residents (blue in colour).

Bids by FPIs and FIIs

On January 7, 2014, SEBI notified the SEBI FPI Regulations pursuant to which the existing classes of portfolio investors namely 'foreign institutional investors' and 'qualified foreign investors' will be subsumed under a new category namely 'foreign portfolio investors' or 'FPIs'. On March 13, 2014, the RBI amended the FEMA Regulations and laid down conditions and requirements with respect to investment by FPIs in Indian companies.

In terms of the SEBI FPI Regulations, an FII who holds a valid certificate of registration from SEBI shall be deemed to be a registered FPI until the expiry of the block of three years for which fees have been paid as per the SEBI FII Regulations. Accordingly, such FIIs can participate in the Offer in accordance with Schedule 2 of the FEMA Regulations. An FII shall not be eligible to invest as an FII after registering as an FPI under the SEBI FPI Regulations.

As per Regulation 17(3) of SECC Regulations, no person resident outside India can hold more than 5% of the total paid-up Equity Share capital of the Exchange and as per Regulation 17(4) of SECC Regulations, the aggregate holding of all persons resident outside India cannot exceed 49% of equity share capital of the Exchange. In terms of the SEBI FPI Regulations, the issue of Equity Shares to a single FPI or an investor group (which means the same set of ultimate beneficial owner(s) investing through multiple entities) must be below 10% of our post-Offer Equity Share capital, subject to the restrictions set out above. In terms of the FEMA Regulations, the total holdings of all FPIs put together shall not exceed 24% of the paid-up Equity Share capital of the Exchange. The aggregate limit of 24% may be increased up to the sectoral cap by way of a resolution passed by the Board of Directors followed by a special resolution passed by the Shareholders of the Exchange and subject to prior intimation to RBI. In terms of the FEMA Regulations, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs as well as holding of FIIs (being deemed FPIs) shall be included.

FPIs are permitted to participate in the Offer subject to compliance with conditions and restrictions which may be specified by the Government from time to time. Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of Regulation 22 of the SEBI FPI Regulations, an FPI, other than Category III foreign portfolio investors and unregulated broad based funds, which are classified as Category II foreign portfolio investors by virtue of their investment manager being appropriately regulated, may issue or otherwise deal in offshore derivative instruments (as defined under the SEBI FPI Regulations as any instrument, by whatever name called, which is issued overseas by a FPI against securities held by it that are listed or proposed to be listed on any recognised stock exchange in India, as its underlying) directly or indirectly, only in the event (i) such offshore derivative instruments are issued only to persons who are regulated by an appropriate regulatory authority; and (ii) such offshore derivative instruments are issued after compliance with 'know your client' norms. An FPI is also required to ensure that no further issue or transfer of any offshore derivative instrument is made by or on behalf of it to any persons that are not regulated by an appropriate foreign regulatory authority.

Bids by SEBI registered VCFs, AIFs and FVCIs

The FVCI Regulations and the SEBI AIF Regulations *inter-alia* prescribe the investment restrictions on the VCFs, FVCIs and AIFs registered with SEBI. Further, the SEBI AIF Regulations prescribe, among others, the investment restrictions on AIFs.

The holding by any individual VCF registered with SEBI in one venture capital undertaking should not exceed 25% of the corpus of the VCF. Further, VCFs and FVCIs can invest only up to 33.33% of the investible funds by way of subscription to an initial public offer.

The category I and II AIFs cannot invest more than 25% of the corpus in one investee company. A category III AIF cannot invest more than 10% of the corpus in one investee company. A venture capital fund registered as a category I AIF, as defined in the SEBI AIF Regulations, cannot invest more than 1/3rd of its corpus by way of subscription to an initial public offer of a venture capital undertaking. Additionally, the VCFs which have not re-registered as an AIF under the SEBI AIF Regulations shall continue to be regulated by the VCF Regulation until the existing fund or scheme managed by the fund is wound up and such funds shall not launch any new scheme after the notification of the SEBI AIF Regulations.

All non-resident investors should note that refunds (in case of Anchor Investors), dividends and other distributions, if any, will be payable in Indian Rupees only and net of bank charges and commission.

Bids by limited liability partnerships

In case of Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, must be attached to the Bid cum Application Form. Failing this, the Exchange reserves the right to reject any Bid without assigning any reason thereof.

Bids by banking companies

In case of Bids made by banking companies registered with RBI, certified copies of: (i) the certificate of registration issued by RBI, and (ii) the approval of such banking company's investment committee are required to be attached to the Bid cum Application Form, failing which the Exchange reserves the right to reject any Bid without assigning any reason.

The investment limit for banking companies in non-financial services companies as per the Banking Regulation Act, 1949, as amended ("**Banking Regulation Act**"), and the Master Circular dated July 1, 2015 – Para-banking Activities read with Master Directions – Reserve Bank of India (Financial Services provided by Banks), 2016, is 10% of the paid up capital of a company, not being its subsidiary engaged in non-financial services or 10 per cent of the bank's paid up capital and reserve, whichever is lower. Provided investments in excess of 10 per cent but not exceeding 30 per cent of the paid up share capital of such investee company shall be permissible in the following circumstances:

- i. the investee company is engaged in non-financial activities permitted for banks in terms of Section 6(1) of the Banking Regulation Act, 1949; or

- ii. the additional acquisition is through restructuring of debt/ Corporate Debt Restructuring (“**CDR**”)/ Strategic Debt Restructuring (“**SDR**”), or to protect the banks’ interest on loans/ investments made to a company.

Further, the aggregate equity investments made in all subsidiaries and other entities engaged in financial services and non-financial services, including overseas investments shall not exceed 20% of the bank’s paid-up share capital and reserves.

Banking companies participating in the Offer shall comply with all applicable regulations, guidelines and circulars issued by RBI from time to time.

The above investment limits shall be subject to shareholding restrictions contained in the SECC Regulations.

Bids by insurance companies

In case of Bids made by insurance companies registered with the Insurance Regulatory and Development Authority of India (“**IRDAI**”), a certified copy of certificate of registration issued by IRDAI must be attached to the Bid cum Application Form. Failing this, the Exchange and the Selling Shareholders reserve the right to reject any Bid without assigning any reason thereof.

The exposure norms for insurers, prescribed under the Insurance Regulatory and Development Authority (Investment) Regulations, 2000 as amended are broadly set forth below:

- (a) equity shares of a company: the lower of 10% of the outstanding Equity Shares (face value) or 10% of the respective fund in case of life insurer or 10% of investment assets in case of general insurer or reinsurer;
- (b) the entire group of the investee company: not more than 15% of the respective fund in case of a life insurer or 15% of investment assets in case of a general insurer or reinsurer or 15% of the investment assets in all companies belonging to the group, whichever is lower; and
- (c) the industry sector to which the investee company belongs: not more than 15% of the fund of a life insurer or a general insurer or a reinsurer or 15% of the investment asset, whichever is lower.

The maximum exposure limit, in the case of an investment in equity shares, cannot exceed the lower of an amount of 10% of the investment assets of a life insurer or general insurer and the amount calculated under points (a), (b) and (c) above, as the case may be.

Insurance companies participating in the Offer shall comply with all applicable regulations, guidelines and circulars issued by IRDAI from time to time.

The above investment limits shall be subject to shareholding restrictions contained in the SECC Regulations.

Bids by SCSBs

SCSBs participating in the Offer are required to comply with the terms of the SEBI circulars CIR/CFD/DIL/12/2012 and CIR/CFD/DIL/1/2013 dated September 13, 2012 and January 2, 2013 respectively. Such SCSBs are required to ensure that for making applications on their own account, using ASBA, they should have a separate account in their own name with any other SEBI registered SCSBs. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account.

Bids by provident funds/ pension funds

In case of Bids made by provident funds/ pension funds, subject to applicable laws, with minimum corpus of ₹ 250 million, a certified copy of a certificate from a chartered accountant certifying the corpus of the provident fund/ pension fund must be attached to the Bid cum Application Form. Failing this, the Exchange reserves the right to reject any Bid, without assigning any reason thereof.

Bids under Power of Attorney

In case of Bids made pursuant to a power of attorney or by limited companies, corporate bodies, registered societies, eligible FPIs (including FIIs), Mutual Funds, insurance companies, insurance funds set up by the army, navy or air force of the India, insurance funds set up by the Department of Posts, India or the National Investment Fund and provident funds with a minimum corpus of ₹ 250 million (subject to applicable law) and pension funds with a minimum corpus of ₹ 250 million, a certified copy of the power of attorney or the relevant resolution or authority, as the case may be, along with a certified copy of the memorandum of association and articles of association and/ or bye laws must be lodged along with the Bid cum Application Form. Failing this, the Exchange reserves the right to accept or reject any Bid in whole or in part, in either case, without assigning any reason thereof.

The Exchange in consultation with the Managers in their absolute discretion, reserve the right to relax the above condition of simultaneous lodging of the power of attorney along with the Bid cum Application form.

The above general information is given for the benefit of the Bidders. The Exchange, the Selling Shareholders and the Managers are not liable for any amendments or modification or changes to applicable laws or regulations. Bidders are advised to make their independent investigations and ensure that any single Bid from them does not exceed the applicable investment limits or maximum number of the Equity Shares that can be held by them under applicable law or regulation or as specified in the Red Herring Prospectus.

- He/it shall comply with all applicable laws, in India, including the Companies Act, the ICDR Regulations, the FEMA and the applicable circulars, guidelines and regulations issued by SEBI and RBI, each in relation to the Equity Shares offered by him in the Offer.

Utilisation of Offer Proceeds

The Selling Shareholders along with the Exchange declares that all monies received out of the Offer shall be credited/ transferred to a separate bank account being the bank account referred to in sub-section (3) of Section 40 of the Companies Act, 2013.

PART B

SECTION 1: PURPOSE OF THE GENERAL INFORMATION DOCUMENT (GID)

This General Information Document highlights the key rules, processes and procedures applicable to public issues in accordance with the provisions of the Companies Act, the SCRA, the SCRR and the SEBI ICDR Regulations. Please note that the General Information Document does not highlight the key provisions of the SECC Regulations and Bidders/Applicants should not construe the contents of this General Information Document as legal advice and should consult their own legal advisor and other advisors in relation to the legal matters concerning the Offer. For taking on investment decision, the Bidders/Applicants should rely on their own examination of the issuer and the Offer, and should carefully read the Red Herring Prospectus/Prospectus before investing in the Offer.

This document is applicable to public issues undertaken through the Book-Building Process as well as to the Fixed Price Issues. The purpose of the “General Information Document for Investing in Public Issues” is to provide general guidance to potential Bidders/ Applicants in IPOs and FPOs, on the processes and procedures governing IPOs and FPOs, undertaken in accordance with the provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (“**SEBI ICDR Regulations**”).

Bidders/ Applicants should note that investment in equity and equity related securities involves risk and Bidder/ Applicant should not invest any funds in the Issue unless they can afford to take the risk of losing their investment. The specific terms relating to securities and/ or for subscribing to securities in an Issue and the relevant information about the issuer undertaking the Issue are set out in the Red Herring Prospectus (“**RHP**”)/ Prospectus filed by the issuer with the Registrar of Companies (“**RoC**”). Bidders/ Applicants should carefully read the entire RHP/ Prospectus and the Bid cum Application Form/ and the Abridged Prospectus of the issuer in which they are proposing to invest through the Issue. In case of any difference in interpretation or conflict and/ or overlap between the disclosure included in this document and the RHP/ Prospectus, the disclosures in the RHP/ Prospectus shall prevail. The RHP/ Prospectus of the issuer are available on the websites of stock exchanges, on the website(s) of the BRLM(s) to the Issue and on the website of Securities and Exchange Board of India (“**SEBI**”) at www.sebi.gov.in.

For the definitions of capitalized terms and abbreviations used herein Bidders/ Applicants see “*Glossary and Abbreviations*”.

SECTION 2: BRIEF INTRODUCTION TO IPOs/ FPOs

2.1 Initial public issue (IPO)

An IPO means an issue of specified securities by an unlisted issuer to the public for subscription and may include an Issue for Sale of specified securities to the public by any existing holder of such securities in an unlisted issuer.

For undertaking an IPO, an Issuer is, among other things, required to comply with the eligibility requirements of in terms of either Regulation 26(1) or Regulation 26(2) of the SEBI ICDR Regulations. For details of compliance with the eligibility requirements by the Issuer Bidders/ Applicants may refer to the RHP/ Prospectus.

2.2 Further public issue (FPO)

An FPO means an issue of specified securities by a listed Issuer to the public for subscription and may include Issue for Sale of specified securities to the public by any existing holder of such securities in a listed Issuer.

For undertaking an FPO, the Issuer is, among other things, required to comply with the eligibility requirements in terms of Regulation 26/Regulation 27 of the SEBI ICDR Regulations. For details of compliance with the eligibility requirements by the Issuer Bidders/ Applicants may refer to the RHP/ Prospectus.

2.3 Other Eligibility Requirements:

In addition to the eligibility requirements specified in paragraphs 2.1 and 2.2, an Issuer proposing to undertake an IPO or an FPO is required to comply with various other requirements as specified in the SEBI ICDR Regulations, the Companies Act (to the extent applicable), the Securities Contracts (Regulation) Rules, 1957 (the “SCRR”), industry-specific regulations, if any, and other applicable laws for the time being in force.

For details in relation to the above Bidders/ Applicants may refer to the RHP/ Prospectus.

2.4 Types of Public Issues – Fixed Price Issues and Book Built Issues

In accordance with the provisions of the SEBI ICDR Regulations, an Issuer can either determine the Issue Price through the Book Building Process (“**Book Built Issue**”) or undertake a Fixed Price Issue (“**Fixed Price Issue**”). An Issuer may mention Floor Price or Price Band in the RHP (in case of a Book Built Issue) and a Price or Price Band in the Draft Prospectus (in case of a fixed price Issue) and determine the price at a later date before registering the Prospectus with the Registrar of Companies.

The cap on the Price Band should be less than or equal to 120% of the Floor Price. The Issuer shall announce the Price or the Floor Price or the Price Band through advertisement in all newspapers in which the pre-issue advertisement was given at least five Working Days before the Bid/ Issue Opening Date, in case of an IPO and at least one Working Day before the Bid/Issue Opening Date, in case of an FPO.

The Floor Price or the Issue Price cannot be lesser than the face value of the securities.

Bidders/ Applicants should refer to the RHP/ Prospectus or Issue advertisements to check whether the Issue is a Book Built Issue or a Fixed Price Issue.

2.5 ISSUE PERIOD

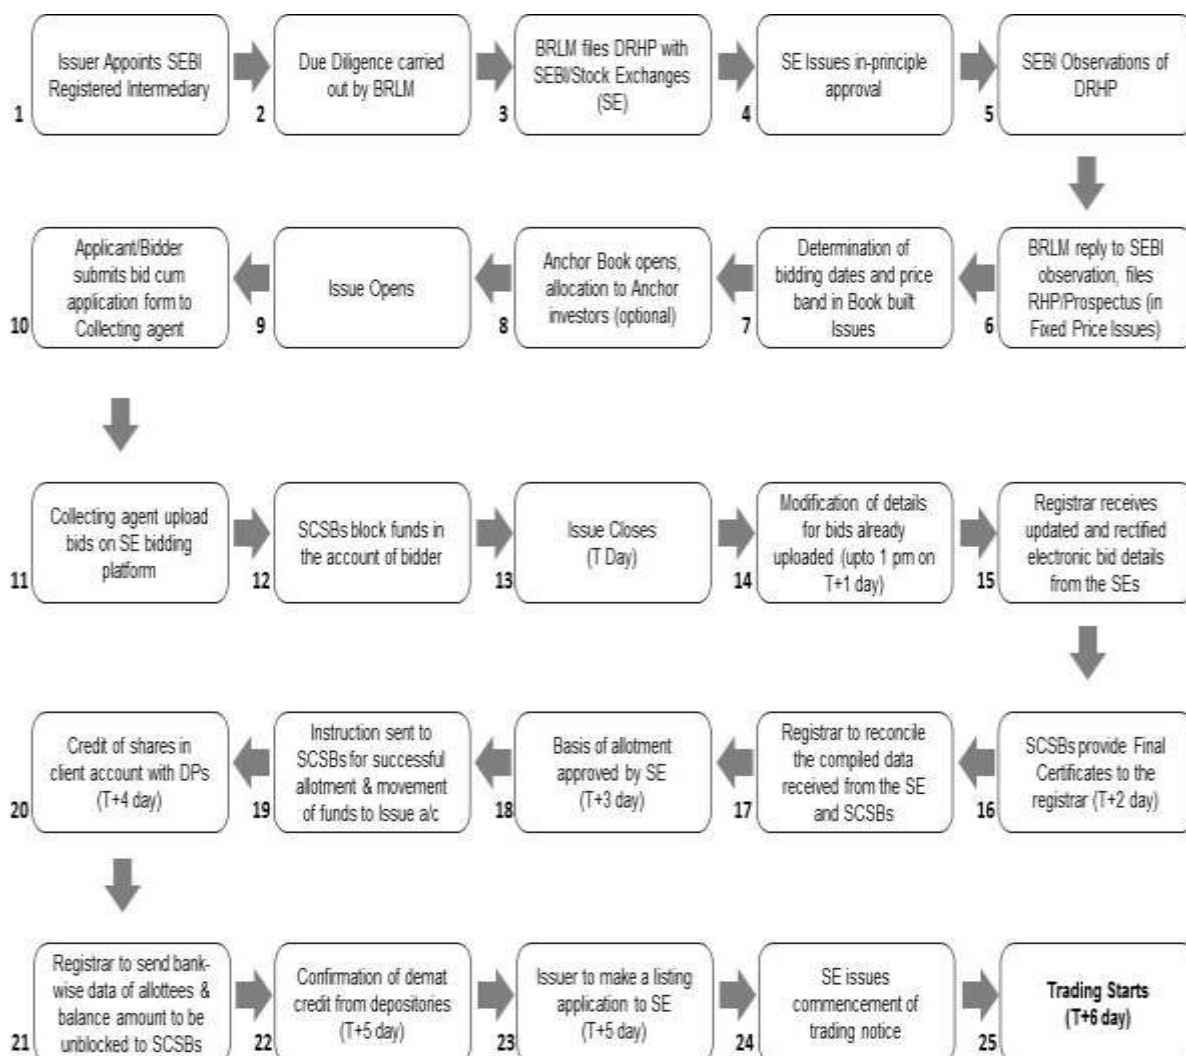

The Issue may be kept open for a minimum of three Working Days (for all category of Bidders/ Applicants) and not more than ten Working Days. Bidders/ Applicants are advised to refer to the Bid cum Application Form and Abridged Prospectus or RHP/ Prospectus for details of the Bid/Issue Period. Details of Bid/Issue Period are also available on the website of the Stock Exchange(s).

In case of a Book Built Issue, the Issuer may close the Bid/Issue Period for QIBs one Working Day prior to the Bid/Issue Closing Date if disclosures to that effect are made in the RHP. In case of revision of the Floor Price or Price Band in Book Built Issues the Bid/Issue Period may be extended by at least three Working Days, subject to the total Issue Period not exceeding 10 Working Days. For details of any revision of the Floor Price or Price Band, Bidders/ Applicants may check the announcements made by the Issuer on the websites of the Stock Exchanges, Managers, and the advertisement in the newspaper(s) issued in this regard.

2.6 FLOWCHART OF TIMELINES

A flow chart of process flow in Fixed Price and Book Built Issues is as follows. Bidders/ Applicants may note that this is not applicable for Fast Track FPOs.:

- In case of Issue other than Book Built Issue (Fixed Price Issue) the process at the following of the below mentioned steps shall be read as:
 - (i) Step 7 : Determination of Issue Date and Price
 - (ii) Step 10: Applicant submits ASBA Form with any of the Designated Intermediaries

4.1.1 FIELD NUMBER 1: NAME AND CONTACT DETAILS OF THE SOLE/ FIRST BIDDER

- (a) Bidders/ Applicants should ensure that the name provided in this field is exactly the same as the name in which the Depository Account is held.
- (b) **Mandatory Fields:** Bidders/ Applicants should note that the name and address fields are compulsory and Email and/ or telephone number/ mobile number fields are optional. Bidders/ Applicants should note that the contact details mentioned in the Bid-cum Application Form/ Application Form may be

used to dispatch communications(including refund intimations and letters notifying the unblocking of the bank accounts of ASBA Bidders) in case the communication sent to the address available with the Depositories are returned undelivered or are not available. The contact details provided in the Bid cum Application Form may be used by the Issuer, Designated Intermediaries and the registrar to the Issue only for correspondence(s) related to an Issue and for no other purposes.

- (c) **Joint Bids/ Applications:** In the case of Joint Bids/ Applications, the Bids/ Applications should be made in the name of the Bidder/ Applicant whose name appears first in the Depository account. The name so entered should be the same as it appears in the Depository records. The signature of only such first Bidder/ Applicant would be required in the Bid cum Application Form/ Application Form and such first Bidder/ Applicant would be deemed to have signed on behalf of the joint holders. All communications may be addressed to such Bidder/ Applicant and may be dispatched to his or her address as per the Demographic Details received from the Depositories.
- (d) **Impersonation:** Attention of the Bidders/ Applicants is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

“Any person who:

- (a) *makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or*
- (b) *makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or*
- (c) *otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name*

shall be liable for action under Section 447.”

The liability prescribed under Section 447 of the Companies Act, 2013 includes imprisonment for a term which shall not be less than six months extending up to 10 years (provided that where the fraud involves public interest, such term shall not be less than three years) and fine of an amount not less than the amount involved in the fraud, extending up to three times of such amount.

- (e) **Nomination Facility to Bidder/ Applicant:** Nomination facility is available in accordance with the provisions of Section 72 of the Companies Act, 2013. In case of Allotment of the Equity Shares in dematerialised form, there is no need to make a separate nomination as the nomination registered with the Depository may prevail. For changing nominations, the Bidders/ Applicants should inform their respective DP.

4.1.2 **FIELD NUMBER 2: PAN OF SOLE/ FIRST BIDDER/ APPLICANT**

- (a) PAN (of the sole/ first Bidder/ Applicant) provided in the Bid cum Application Form/ Application Form should be exactly the same as the PAN of the person(s) in whose name the relevant beneficiary account is held as per the Depositories’ records.
- (b) PAN is the sole identification number for participants transacting in the securities market irrespective of the amount of transaction except for Bids/ Applications on behalf of the Central or State Government, Bids/ Applications by officials appointed by the courts and Bids/ Applications by Bidders/ Applicants residing in Sikkim (“PAN Exempted Bidders/ Applicants”). Consequently, all Bidders/ Applicants, other than the PAN Exempted Bidders/ Applicants, are required to disclose their PAN in the Bid cum Application Form/ Application Form, irrespective of the Bid/ Application Amount. Bids/Applications by the Bidders/ Applicants whose PAN is not available as per the Demographic Details available in their Depository records, are liable to be rejected.
- (c) The exemption for the PAN Exempted Bidders/ Applicants is subject to (a) the Demographic Details received from the respective Depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in “active status”; and (b) in the case of residents of Sikkim, the address as per the Demographic Details evidencing the same.

- (d) Bid cum Application Forms which provide the GIR Number instead of PAN may be rejected.
- (e) Bids by Bidders whose demat accounts have been 'suspended for credit' are liable to be rejected pursuant to the circular issued by SEBI on July 29, 2010, bearing number CIR/ MRD/ DP/ 22/ 2010. Such accounts are classified as "Inactive demat accounts" and Demographic Details are not provided by depositories.

4.1.3 **FIELD NUMBER 3: BIDDERSDEPOSITORY ACCOUNT DETAILS**

- (a) Bidders should ensure that DP ID and the Client ID are correctly filled in the Bid cum Application Form. The DP ID and Client ID provided in the Bid cum Application Form should match with the DP ID and Client ID available in the Depository database, **otherwise, the Bid cum Application Form is liable to be rejected.**
- (b) Bidders should ensure that the beneficiary account provided in the Bid cum Application Form is active.
- (c) Bidders should note that on the basis of the PAN, DP ID and Client ID as provided in the Bid cum Application Form, the Bidder may be deemed to have authorised the Depositories to provide to the Registrar to the Issue, any requested Demographic Details of the Bidder/ Applicant as available on the records of the depositories. These Demographic Details may be used, among other things, for any other correspondence(s) related to an Issue.
- (d) Bidders are, advised to update any changes to their Demographic Details as available in the records of the Depository Participant to ensure accuracy of records. Any delay resulting from failure to update the Demographic Details would be at the Bidders/ Applicants' sole risk.

4.1.4 **FIELD NUMBER 4: BID OPTIONS**

- (a) Price or Floor Price or Price Band, minimum Bid Lot and Discount (if applicable) may be disclosed in the Prospectus/ RHP by the Issuer. The Issuer is required to announce the Floor Price or Price Band, minimum Bid Lot and Discount (if applicable) by way of an advertisement in at least one English, one Hindi and one regional newspaper, with wide circulation, at least five Working Days before Bid/Issue Opening Date in case of an IPO, and at least one Working Day before Issue Opening Date in case of an FPO.
- (b) The Bidders may Bid at or above Floor Price or within the Price Band for IPOs/ FPOs undertaken through the Book Building Process. In the case of Alternate Book Building Process for an FPO, the Bidders may Bid at Floor Price or any price above the Floor Price (For further details Bidders may refer to (Section 5.6 (e))
- (c) **Cut-Off Price:** Retail Individual Bidders or Retail Individual Shareholders can Bid at the Cut-off Price indicating their agreement to Bid for and purchase the Equity Shares at the Issue Price as determined at the end of the Book Building Process. Bidding at the Cut-off Price is prohibited for QIBs and NIBs and such Bids from QIBs and NIBs may be rejected.
- (d) **Minimum Application Value and Bid Lot:** The Issuer in consultation with the Managers may decide the minimum number of Equity Shares for each Bid to ensure that the minimum application value is within the range of ₹10,000 to ₹15,000. The minimum Bid Lot is accordingly determined by an Issuer on basis of such minimum application value.
- (e) **Allotment:** The Allotment of specified securities to each RIB shall not be less than the minimum Bid Lot, subject to availability of shares in the RIB category, and the remaining available shares, if any, shall be Allotted on a proportionate basis. For details of the Bid Lot, Bidders may refer to the RHP/ Prospectus or the advertisement regarding the Price Band published by the Issuer.

4.1.4.1 **Maximum and Minimum Bid Size**

- (a) The Bidder may Bid for the desired number of Equity Shares at a specific price. Bids by Retail Individual Bidders and Retail Individual Shareholders must be for such number of shares, so as to ensure that the Bid Amount less Discount (as applicable), payable by the Bidder does not exceed

₹200,000.

In case the Bid Amount exceeds ₹200,000 due to revision of the Bid or any other reason, the Bid may be considered for allocation under the Non-Institutional Category (with it not being eligible for Discount, if any) then such Bid may be rejected if it is at the Cut-off Price.

For NRIs, a Bid Amount of up to ₹200,000 may be considered under the Retail Category for the purposes of allocation and a Bid Amount exceeding ₹200,000 may be considered under the Non-Institutional Category for the purposes of allocation.

- (b) Bids by QIBs and NIBs must be for such minimum number of shares, such that the Bid Amount exceeds ₹200,000 and in multiples of such number of Equity Shares thereafter, as may be disclosed in the Bid cum Application Form and the RHP/ Prospectus, or as advertised by the Issuer, as the case may be. Non-Institutional Investors and QIBs are not allowed to Bid at 'Cut-off Price'.
- (c) RIB may revise or withdraw their Bids until Bid/Issue Closing Date. . QIBs and NIB's cannot withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after Bidding and are required to pay the Bid Amount upon submission of the Bid.
- (d) In case the Bid Amount reduces to ₹200,000 or less due to a revision of the Price Band, Bids by the Non-Institutional Bidders who are eligible for allocation in the Retail Category would be considered for allocation under the Retail Category.
- (e) For Anchor Investors, if applicable, the Bid Amount shall be at least ₹100 million. One-third of the Anchor Investor Category shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the price at which allocation is being done to other Anchor Investors. Bids by various schemes of a Mutual Fund shall be aggregated to determine the Bid Amount. A Bid cannot be submitted for more than 60% of the QIB Category under the Anchor Investor Portion. Anchor Investors cannot withdraw their Bids or lower the size of their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after the Anchor Investor Bid/Issue Period and are required to pay the Bid Amount at the time of submission of the Bid. In case the Anchor Investor Issue Price is lower than the Issue Price, the balance amount shall be payable as per the pay-in-date mentioned in the revised CAN. In case the Issue Price is lower than the Anchor Investor Issue Price, the amount in excess of the Issue Price paid by the Anchor Investors shall not be refunded to them.
- (f) A Bid cannot be submitted for more than the Issue size.
- (g) The maximum Bid by any Bidder including QIB Bidder should not exceed the investment limits prescribed for them under the applicable laws.
- (h) The price and quantity options submitted by the Bidder in the Bid cum Application Form may be treated as optional bids from the Bidder and may not be cumulated. After determination of the Issue Price, the highest number of Equity Shares Bid for by a Bidder at or above the Issue Price may be considered for Allotment and the rest of the Bid(s), irrespective of the Bid Amount may automatically become invalid. If there is/are one or more bids at prices at or above the Issue Price, the Bid for the highest number of equity Shares shall be considered for Allotment This is not applicable in case of FPOs undertaken through Alternate Book Building Process (For details of Bidders may refer to (Section 5.6 (e))

4.1.4.2 Multiple Bids

- (a) Bidder should submit only one Bid cum Application Form. Bidder shall have the option to make a maximum of Bids at three different price levels in the Bid cum Application Form and such options are not considered as multiple Bids.
- (b) Submission of a second Bid cum Application Form to either the same or to another Designated Intermediary and duplicate copies of Bid cum Application Forms bearing the same application number shall be treated as multiple Bids and are liable to be rejected.

- (c) Bidders are requested to note the following procedures may be followed by the Registrar to the Issue to detect multiple Bids:
 - (i) All Bids may be checked for common PAN as per the records of the Depository. For Bidders other than Mutual Funds and FII sub-accounts, Bids bearing the same PAN may be treated as multiple Bids by a Bidder and may be rejected.
 - (ii) For Bids from Mutual Funds and FII sub-accounts, submitted under the same PAN, as well as Bids on behalf of the PAN Exempted Bidders, the Bid cum Application Forms may be checked for common DP ID and Client ID. Such Bids which have the same DP ID and Client ID may be treated as multiple Bids and are liable to be rejected.
- (d) The following Bids may not be treated as multiple Bids:
 - (i) Bids by Reserved Categories Bidding in their respective Reservation Category as well as bids made by them in the Net Issue Category in public category.
 - (ii) Separate Bids by Mutual Funds in respect of more than one scheme of the Mutual Fund provided that the Bids clearly indicate the scheme for which the Bid has been made.
 - (iii) Bids by Mutual Funds, and sub-accounts of FIIs (or FIIs and its sub-accounts) submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs.
 - (iv) Bids by Anchor Investors under the Anchor Investor Category and the QIB Category.

4.1.5 **FIELD NUMBER 5 : CATEGORY OF BIDDERS**

- (a) The categories of Bidders identified as per the SEBI ICDR Regulations, for the purpose of Bidding, allocation and Allotment in the Issue are RIBs, NIBs and QIBs.
- (b) Up to 60% of the QIB Category can be allocated by the Issuer, on a discretionary basis subject to the criteria of minimum and maximum number of Anchor Investors based on allocation size, to the Anchor Investors, in accordance with the SEBI ICDR Regulations, with one-third of the Anchor Investor Category reserved for domestic Mutual Funds subject to valid Bids being received at or above the Issue Price. For details regarding allocation to Anchor Investors, Bidders may refer to the RHP/ Prospectus.
- (c) An Issuer can make reservation for certain categories of Bidders as permitted under the SEBI ICDR Regulations. For details of any reservations made in the Issue, Bidders/ Applicants may refer to the RHP/ Prospectus.
- (d) The SEBI ICDR Regulations, specify the allocation or Allotment that may be made to various categories of Bidders in an Issue depending upon compliance with the eligibility conditions. Details pertaining to allocation are disclosed on reverse side of the Revision Form. For Issue specific details in relation to allocation Bidder may refer to the RHP/ Prospectus.

4.1.6 **FIELD NUMBER 6: INVESTOR STATUS**

- (a) Each Bidder should check whether it is eligible to apply under applicable law and ensure that any prospective Allotment to it in the Issue is in compliance with the investment restrictions under applicable law.
- (b) Certain categories of Bidders, such as NRIs, FIIs, FPIs and FVCIs may not be allowed to Bid in the Issue or hold Equity Shares exceeding certain limits specified under applicable law. Bidders are requested to refer to the RHP/ Prospectus for more details.
- (c) Bidders/ Applicants should check whether they are eligible to apply on non-repatriation basis or repatriation basis and should accordingly provide the investor status. Details regarding investor status are different in the Resident Bid cum Application Form and Non-Resident Bid cum Application Form.
- (d) Bidders should ensure that their investor status is updated in the Depository records.

4.1.7 FIELD NUMBER 7: PAYMENT DETAILS

- (a) The full Bid Amount (net of any Discount, as applicable) shall be blocked in the ASBA Account based on the authorisation provide in the ASBA Form. If the Discount is applicable in the Issue, the RIBs should indicate the full Bid Amount in the Bid cum Application Form and the funds shall be blocked for Bid Amount net of Discount. Only in cases where the RHP/ Prospectus indicates that part payment may be made, such an option can be exercised by the Bidder. In case of Bidders specifying more than one Bid Option in the Bid cum Application Form, the total Bid Amount may be calculated for the highest of three options at net price, i.e. Bid price less Discount issued, if any.
- (b) Bidders who Bid at Cut-off Price shall arrange to block the Bid Amount based on the Cap Price.
- (c) All Bidders (except Anchor Investors) have to participate in the Issue only through the ASBA mechanism.
- (d) Bid Amount cannot be paid in cash, cheques, or demand drafts, through money order or through postal order.

4.1.7.1 Additional Payment Instructions for NRIs

4.1.7.2 The Non-Resident Indians who intend to make payment through Non-Resident Ordinary (NRO) accounts shall use the form meant for Resident Indians (non-repatriation basis). In the case of Bids by NRIs applying on a repatriation basis, payment shall not be accepted out of NRO Account.

4.1.7.3 Instructions for Anchor Investors

- (a) Anchor Investors may submit their Bids through a Book Running Lead Manager.
- (b) Payments should be made either by RTGS, direct credit or NEFT.
- (c) The Escrow Collection Banks shall maintain the monies in the Escrow Accounts for and on behalf of the Anchor Investors until the Designated Date.

4.1.7.4 Payment Instructions for ASBA Bidders

- (a) Bidders, except Anchor Investors, may submit the ASBA Form either:
 - i. in electronic mode through the internet banking facility issued by an SCSB authorizing blocking of funds that are available in the ASBA account specified in the Bid cum Application Form, or
 - ii. in physical mode to any Designated Intermediary.
- (b) Bidders must specify the Bank Account number in the ASBA Form. The ASBA Form submitted by a Bidder and which is accompanied by cash, demand draft, cheque, money order, postal order or any mode of payment other than blocked amounts in the ASBA Account maintained with an SCSB, may not be accepted.
- (c) Bidders should ensure that the ASBA Form is also signed by the ASBA Account holder(s) if the Bidder is not the ASBA Account holder.
- (d) Bidders shall note that for the purpose of blocking funds under ASBA facility clearly demarcated funds shall be available in the account.
- (e) From one ASBA Account, a maximum of five Bids cum Application Forms can be submitted.
- (f) Bidders should submit the Bid cum Application Form only at the Bidding Centres, i.e. to the respective member of the Syndicate at the Specified Locations, the SCSBs, the Registered Broker at the Broker Centres, the RTA at the Designated RTA Locations or CDP at the Designated CDP Locations.

- (g) Bidders Bidding through a Designated Intermediary, other than an SCSB, should note that ASBA Forms submitted may not be accepted, if the SCSB where the ASBA Account, as specified in the ASBA Form, is maintained has not named at least one branch at that location for the Designated Intermediaries to deposit ASBA Forms.
- (h) Bidders Bidding directly through the SCSBs should ensure that the ASBA Form is submitted to a Designated SCSB Branch where the ASBA Account is maintained.
- (i) Upon receipt of the ASBA Form, the Designated SCSB Branch may verify if sufficient funds equal to the Bid Amount are available in the ASBA Account, as mentioned in the ASBA Form.
- (j) If sufficient funds are available in the ASBA Account, the SCSB may block an amount equivalent to the Bid Amount mentioned in the ASBA Form and for application directly submitted to SCSB by investor, may enter each Bid option into the electronic bidding system as a separate Bid.
- (k) If sufficient funds are not available in the ASBA Account, the Designated SCSB Branch may not accept such Bids and such bids are liable to be rejected.
- (l) Upon submission of a completed ASBA Form each Bidder may be deemed to have agreed to block the entire Bid Amount and authorized the Designated SCSB Branch to block the Bid Amount specified in the ASBA Form in the ASBA Account maintained with the SCSBs.
- (m) The Bid Amount may remain blocked in the aforesaid ASBA Account until finalisation of the Basis of Allotment and consequent transfer of the Bid Amount against the Allotted Equity Shares to the Public Issue Accounts, or until withdrawal or failure of the Issue, or until withdrawal or rejection of the Bid, as the case may be.
- (n) SCSBs Bidding in the Issue must apply through an Account maintained with any other SCSB; else their Bids are liable to be rejected.

4.1.7.2.1 Unblocking of ASBA Account

- (a) Once the Basis of Allotment is approved by NSE, the Registrar to the Issue may provide the following details to the controlling branches of each SCSB, along with instructions to unblock the relevant bank accounts and for successful applications transfer the requisite money to the Public Issue Accounts designated for this purpose, within the specified timelines: (i) the number of Equity Shares to be Allotted against each Bid, (ii) the amount to be transferred from the relevant bank account to the Public Issue Account, for each Bid, (iii) the date by which funds referred to in (iv) above may be transferred to the Public Issue Accounts, and (v) details of rejected Bids, if any, to enable the SCSBs to unblock the respective bank accounts.
- (b) On the basis of instructions from the Registrar to the Issue, the SCSBs may transfer the requisite amount against each successful Bidder other than Anchor Investors to the Public Issue Account and may unblock the excess amount, if any, in the ASBA Account.
- (c) In the event of withdrawal or rejection of the ASBA Form and for unsuccessful Bids, the Registrar to the Issue may give instructions to the SCSB to unblock the Bid Amount in the relevant ASBA Account within six Working Days of the Issue Closing Date.

4.1.7.5 Discount (if applicable)

- (a) The Discount is stated in absolute rupee terms.
- (b) Bidders applying under RIB Category, Retail Individual Shareholder and are only eligible for discount. For Discounts issued in the Issue, Bidders may refer to the RHP/ Prospectus.
- (c) The Bidders entitled to the applicable Discount in the Issue may block the Bid Amount less Discount.

- (d) Bidder may note that in case the net amount blocked (post Discount) is more than two lakh Rupees, the Bidding system automatically considers such applications for allocation under Non-Institutional Category. These applications are neither eligible for Discount nor fall under RIB category.

4.1.8 **FIELD NUMBER 8: SIGNATURES AND OTHER AUTHORISATIONS**

- (a) Only the First Bidder is required to sign the Bid cum Application Form. Bidders should ensure that signatures are in one of the languages specified in the Eighth Schedule to the Constitution of India.
- (b) If the ASBA Account is held by a person or persons other than the Bidder, then the signature of the ASBA Account holder(s) is also required.
- (c) The signature has to be correctly affixed in the authorization/ undertaking box in the ASBA Form, or an authorisation has to be provided to the SCSB via the electronic mode, for blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the ASBA Form.
- (d) Bidders/ Applicants must note that Bid cum Application Form without signature of Bidder/ Applicant and/ or ASBA Account holder is liable to be rejected.

4.1.9 **ACKNOWLEDGEMENT AND FUTURE COMMUNICATION**

- (a) Bidders should ensure that they receive the Acknowledgment Slip duly signed and stamped by the Designated Intermediary, as applicable, for submission of the ASBA Form.
- (b) All communications in connection with Bids/Applications made in the Issue may be addressed as under:
 - (i) In case of queries related to Allotment, non-receipt of Allotment Advice, credit of Allotted Equity Shares, refund intimations, the Bidders should contact the Registrar to the Issue.
 - (ii) In case of Bids submitted to the Designated Branches of the SCSBs, the Bidders should contact the relevant Designated SCSB Branch.
 - (iii) In case of queries relating to uploading of Bids by a Syndicate Member, the Bidders should contact the relevant Syndicate Member.
 - (iv) In case of queries relating to uploading of Bids by a Registered Broker, the Bidders should contact the relevant Registered Broker.
 - (v) In case of Bids submitted to the RTA, the Bidders should contact the relevant RTA.
 - (vi) In case of Bids submitted to the CDP, the Bidders should contact the relevant DP.
 - (vii) Bidder may contact the Company Secretary and Compliance Officer or the BRLM(s) in case of any other complaints in relation to the Issue.
- (c) The following details (as applicable) should be quoted while making any queries –
 - (i) full name of the sole or First Bidder, Bid cum Application Form number, Bidders' DP ID, Client ID, PAN, number of Equity Shares applied for , amount paid on application.
 - (ii) name and address of the Designated Intermediary, where the Bid was submitted;

the amount equivalent to the Bid Amount was blocked; or

- (iv) in case of Bids by Anchor Investor, details of direct credit and name of the issuing bank thereof.

For further details, Bidder may refer to the RHP/Prospectus and the Bid cum Application Form.

4.2 INSTRUCTIONS FOR FILLING THE REVISION FORM

- (a) During the Bid/Issue Period, any Bidder (other than QIBs and NIBs, who can only revise their bid upwards) who has registered his or her interest in the Equity Shares at a particular price level is free to revise his or her Bid within the Price Band using the Revision Form, which is a part of the Bid cum Application Form.
- (b) RIB may revise their bids or withdraw their Bids on or before the Bid/Issue Closing Date.
- (c) Revisions can be made in both the desired number of Equity Shares and the Bid Amount by using the Revision Form.
- (d) The Bidder can make this revision any number of times during the Issue Period. However, for any revision(s) in the Bid, the Bidders will have to use the services of the same Designated Intermediary through which such Bidder/ Applicant had placed the original Bid. Bidders are advised to retain copies of the blank Revision Form and the Bid(s) must be made only in such Revision Form or copies thereof.

Instructions to fill each field of the Revision Form can be found on the reverse side of the Revision Form. Other than instructions already highlighted at paragraph 4.1 above, point wise instructions regarding filling up various fields of the Revision Form are provided below:

4.2.1 FIELDS 1, 2 AND 3: NAME AND CONTACT DETAILS OF SOLE/ FIRST BIDDER, PAN OF

SOLE/ FIRST BIDDER & DEPOSITORY ACCOUNT DETAILS OF THE BIDDER

Bidders should refer to instructions contained in paragraphs 4.1.1, 4.1.2 and 4.1.3.

4.2.2 FIELD 4 & 5: BID OPTIONS REVISION 'FROM' AND 'TO'

- (a) Apart from mentioning the revised options in the Revision Form, the Bidder must also mention the details of all the bid options given in his or her Bid cum Application Form or earlier Revision Form. For example, if a Bidder has Bid for three options in the Bid cum Application Form and such Bidder is changing only one of the options in the Revision Form, the Bidder must still fill the details of the other two options that are not being revised, in the Revision Form. The Designated Intermediaries may not accept incomplete or inaccurate Revision Forms.
- (b) In case of revision, Bid options should be provided by Bidders in the same order as provided in the Bid cum Application Form.
- (c) In case of revision of Bids by RIBs and Retail Individual Shareholders, such Bidders should ensure that the Bid Amount, subsequent to revision, does not exceed ₹200,000. In case the Bid Amount exceeds ₹200,000 due to revision of the Bid or for any other reason, the Bid may be considered, subject to eligibility, for allocation under the Non-Institutional Category, not being eligible for Discount (if applicable) and such Bid may be rejected if it is at the Cut-off Price. The Cut-off Price option is given only to the RIBs and Retail Individual Shareholders indicating their agreement to Bid for and purchase the Equity Shares at the Issue Price as determined at the end of the Book Building Process.
- (d) In case the total amount (i.e., original Bid Amount plus additional payment) exceeds ₹200,000, the Bid will be considered for allocation under the Non-Institutional Category in terms of the RHP/ Prospectus. If, however, the RIB does not either revise the Bid or make additional payment and the Issue Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for shall be adjusted downwards for the purpose of allocation, such that no additional payment would be required from the RIB and the RIB is deemed to have approved such revised Bid at Cut-off Price.
- (e) In case of a downward revision in the Price Band, RIBs and Bids by under the Reservation Portion, who have bid at the Cut-off Price could either revise their Bid or the excess amount paid at the time of Bidding may be unblocked after the Allotment is finalised.

4.2.3 FIELD 6: PAYMENT DETAILS

- (a) All Bidders are required to authorise blocking of the full Bid Amount (less Discount (if applicable) along with the Bid Revision Form. In case of Bidders specifying more than one Bid Option in the Bid cum Application Form, the total Bid Amount may be calculated for the highest of three options at net price, i.e. Bid price less discount issued, if any.
- (b) Bidder may issue instructions to block the revised amount based on cap of the revised Price Band (adjusted for the Discount (if applicable) in the ASBA Account, to the same Designated Intermediary through whom such Bidder had placed the original Bid to enable the relevant SCSB to block the additional Bid Amount, if any.
- (c) In case the total amount (i.e., original Bid Amount less discount (if applicable) plus additional payment) exceeds ₹200,000, the Bid may be considered for allocation under the Non-Institutional Category in terms of the RHP/ Prospectus. If, however, the Bidder does not either revise the Bid or make additional payment and the Issue Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for may be adjusted downwards for the purpose of Allotment, such that additional amount is required to be blocked and the Bidder is deemed to have approved such revised Bid at the Cut-off Price.
- (d) In case of a downward revision in the Price Band, RIBs and Retail Individual Shareholders, who have bid at the Cut-off Price, could either revise their Bid or the excess amount paid at

the time of Bidding may be unblocked after the finalisation of the Basis of Allotment.

4.2.4 **FIELDS 7 : SIGNATURES AND ACKNOWLEDGEMENTS**

Bidders may refer to instructions contained at paragraphs 4.1.8 and 4.1.9 for this purpose.

4.3 **INSTRUCTIONS FOR FILING APPLICATION FORM IN ISSUES MADE OTHER THAN THROUGH THE BOOK BUILDING PROCESS (FIXED PRICE ISSUE)**

4.3.1 **FIELDS 1, 2, 3 NAME AND CONTACT DETAILS OF SOLE/ FIRST BIDDER, PAN OF SOLE/ FIRST BIDDER& DEPOSITORY ACCOUNT DETAILS OF THE BIDDER**

Applicants should refer to instructions contained in paragraphs 4.1.1, 4.1.2 and 4.1.3.

4.3.2 **FIELD 4: PRICE, APPLICATION QUANTITY & AMOUNT**

- (a) The Issuer may mention the Issue Price or Price Band in the draft Prospectus. However a prospectus registered with RoC contains one price or coupon rate (as applicable).
- (b) **Minimum Application Value and Bid Lot:** The Issuer in consultation with the Managers may decide the minimum number of Equity Shares for each Bid to ensure that the minimum application value is within the range of ₹10,000 to ₹15,000. The minimum Lot size is accordingly determined by an Issuer on basis of such minimum application value.
- (c) Applications by RIBs and Retail Individual Shareholders, must be for such number of shares so as to ensure that the application amount payable does not exceed ₹200,000.
- (d) Applications by other investors must be for such minimum number of shares such that the application amount exceeds ₹200,000 and in multiples of such number of Equity Shares thereafter, as may be disclosed in the application form and the Prospectus, or as advertised by the Issuer, as the case may be.
- (e) An application cannot be submitted for more than the Issue size.
- (f) The maximum application by any Applicant should not exceed the investment limits prescribed for them under the applicable laws.
- (g) **Multiple Applications:** An Applicant should submit only one Application Form. Submission of a second Application Form to either the same or other SCSB and duplicate copies of Application Forms bearing the same application number shall be treated as multiple applications and are liable to be rejected.
- (h) Applicants are requested to note the following procedures may be followed by the Registrar to the Issue to detect multiple applications:
 - i. All applications may be checked for common PAN as per the records of the Depository. For Applicants other than Mutual Funds and FII sub-accounts, Bids bearing the same PAN may be treated as multiple applications by a Bidder and may be rejected.
 - ii. For applications from Mutual Funds and FII sub-accounts, submitted under the same PAN, as well as Bids on behalf of the PAN Exempted Applicants, the Application Forms may be checked for common DP ID and Client ID. In any such applications which have the same DP ID and Client ID, these may be treated as multiple applications and may be rejected.
- (i) The following applications may not be treated as multiple Bids:
 - i. Applications by Reserved Categories in their respective reservation portion as well as that made by them in the Net Issue portion in public category.

- ii. Separate applications by Mutual Funds in respect of more than one scheme of the Mutual Fund provided that the Applications clearly indicate the scheme for which the Bid has been made.
- iii. Applications by Mutual Funds, and sub-accounts of FIIs (or FIIs and its sub-accounts) submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs.

4.3.3 FIELD NUMBER 5 : CATEGORY OF APPLICANTS

- (a) The categories of applicants identified as per the SEBI ICDR Regulations for the purpose of Bidding, allocation and Allotment in the Issue are RIBs, individual applicants other than RIB's and other investors (including corporate bodies or institutions, irrespective of the number of specified securities applied for).
- (b) An Issuer can make reservation for certain categories of Applicants permitted under the SEBI ICDR Regulations. For details of any reservations made in the Issue, applicants may refer to the Prospectus.
- (c) The SEBI ICDR Regulations specify the allocation or Allotment that may be made to various categories of applicants in an Issue depending upon compliance with the eligibility conditions. Details pertaining to allocation are disclosed on reverse side of the Revision Form. For Issue specific details in relation to allocation applicant may refer to the Prospectus.

4.3.4 FIELD NUMBER 6: INVESTOR STATUS

4.3.5 FIELD 7: PAYMENT DETAILS

- (a) All Bidders (other than Anchor Investors) are required to only make use of ASBA for applying in the Issue.
- (b) Bid Amount cannot be paid in cash, through money order, cheque, demand draft or through postal order or through stock invest.

4.3.5.5 Payment instructions for Applicants

Applicants should refer to instructions contained in paragraphs 4.1.7.2.

4.3.5.2 Unblocking of ASBA Account

Applicants should refer to instructions contained in paragraphs 4.1.7.2.1.

4.3.5.3 Discount (if applicable)

Applicants should refer to instructions contained in paragraphs 4.1.7.3.

4.3.6 FIELD NUMBER 8: SIGNATURES AND OTHER AUTHORISATIONS & ACKNOWLEDGEMENT AND FUTURE COMMUNICATION

Applicants should refer to instructions contained in paragraphs 4.1.8 & 4.1.9.

4.4.1 SUBMISSION OF BID CUM APPLICATION FORM/ REVISION FORM

Bidders may submit completed Bid-cum-application form/ Revision Form in the following manner:-

Mode of Application	Submission of Bid cum Application Form
Anchor Investor s Application Form	To the Managers of the Syndicate at the locations mentioned in the Anchor Investor Application Form
ASBA Form	(a) To the Syndicate in the Specified Locations or Registered Brokers at the Broker Centres or the RTA at the Designated RTA Location or the CDP at the designated CDP Location . (b) To the Designated SCSB Branches

- (a) Bidders should submit the Revision Form to the same Designated Intermediary through which such Bidder had placed the original Bid.
- (b) Upon submission of the Bid-cum-Application Form, the Bidder will be deemed to have authorized the Issuer to make the necessary changes in the RHP and the Bid cum Application Form as would be required for filing Prospectus with the RoC and as would be required by the RoC after such filing, without prior or subsequent notice of such changes to the relevant Bidder/ Applicant.
- (c) Upon determination of the Issue Price and filing of the Prospectus with the ROC the Bid-cum-Application Form will be considered as the application form.

SECTION 5: ISSUE PROCEDURE IN BOOK BUILT ISSUE

Book Building, in the context of the Issue, refers to the process of collection of Bids within the Price Band or above the Floor Price and determining the Issue Price based on the Bids received as detailed in Schedule XI of the SEBI ICDR Regulations. The Issue Price is finalised after the Bid/Issue Closing Date. Valid Bids received at or above the Issue Price are considered for allocation in the Issue, subject to applicable regulations and other terms and conditions.

5.1 SUBMISSION OF BIDS

- (a) During the Bid/Issue Period, Bidders may approach any of the Designated Intermediaries to register their Bids. Anchor Investors who are interested in subscribing for the Equity Shares should approach the Managers to register their Bid.
- (b) In case of Bidders (excluding NIBs and QIBs) Bidding at Cut-off Price the Bidders may instruct the SCSBs to block Bid Amount based on the Cap Price less discount (if applicable).
- (c) For Details of the timing on acceptance and upload of Bids in the Stock Exchanges Platform Bidders are requested to refer to the RHP.

5.2 ELECTRONIC REGISTRATION OF BIDS

- (a) The Designated Intermediary may register the Bids using the on-line facilities of the Stock Exchanges. The Designated Intermediaries can also set up facilities for off-line electronic registration of Bids, subject to the condition that they may subsequently upload the off-line data file into the on-line facilities for Book Building on a regular basis before the closure of the issue.
- (b) On the Bid/Issue Closing Date, Designated Intermediaries may upload the Bids till such time as may be permitted by the Stock Exchanges and as disclosed in the Red Herring Prospectus.
- (c) Only Bids that are uploaded on the Stock Exchanges Platform are considered for allocation/ Allotment. The Designated Intermediaries (i) are given till 1:00 pm on the next Working Day following the Bid/Issue Closing Date to modify select fields uploaded in the Stock Exchange Platform during the after which the Stock Exchange(s) send the bid information to the Registrar further processing. Bid/Issue Period with respect to the Bidders other than the Bids received from the Retail Individual Bidders and (ii) shall submit the Bid cum Application Form and modification (at periodic intervals) on a day to day basis during the Bid/Issue Period with respect to Bids received from Retail Individual Bidders after which the Stock

Exchange(s) send the bid information to the Registrar to the Issue for further processing.

5.3 BUILD UP OF THE BOOK

- (a) Bids received from various Bidders through the Designated Intermediaries may be electronically uploaded on the Bidding Platform of the Stock Exchanges' on a regular basis. The book gets built up at various price levels. This information may be available with the Managers at the end of the Bid/Issue Period.
- (b) Based on the aggregate demand and price for Bids registered on the Stock Exchanges Platform, a graphical representation of consolidated demand and price as available on the websites of the Stock Exchanges may be made available at the Bidding centres during the Bid/Issue Period.

5.4 WITHDRAWAL OF BIDS

- (a) RIBs can withdraw their Bids until Bid/Issue Closing Date. In case a RIB wishes to withdraw the Bid during the Bid/Issue Period, the same can be done by submitting a request for the same to the concerned Designated Intermediary, who shall do the requisite, including unblocking of the funds by the SCSB in the ASBA Account.
- (b) The Registrar to the Issue shall give instruction to the SCSB for unblocking the ASBA Account upon or after the finalisation of Basis of Allotment. QIBs and NIBs can neither withdraw nor lower the size of their Bids at any stage.

5.5 REJECTION & RESPONSIBILITY FOR UPLOAD OF BIDS

- (a) The Designated Intermediaries are individually responsible for the acts, mistakes or errors or omission in relation to:
 - (i) the Bids accepted by the Designated Intermediaries,
 - (ii) the Bids uploaded by the Designated Intermediaries, and
 - (iii) the Bid cum application forms accepted but not uploaded by the Designated Intermediaries.
- (b) The BRLMs and their affiliate Syndicate Members, as the case may be, may reject Bids if all the information required is not provided and the Bid cum Application Form is incomplete in any respect.
- (c) The SCSBs shall have no right to reject Bids, except in case of unavailability of adequate funds in the ASBA account or on technical grounds.
- (d) In case of QIB Bidders, only the (i) SCSBs (for Bids other than the Bids by Anchor Investors); and (ii) the BRLMs and their affiliate Syndicate Members (only in the Specified Locations) have the right to reject bids. However, such rejection shall be made at the time of receiving the Bid and only after assigning a reason for such rejection in writing.
- (e) All bids by QIBs, NIBs & RIBs Bids can be rejected on technical grounds listed herein.

5.5.1 GROUNDS FOR TECHNICAL REJECTIONS

Bid cum Application Forms can be rejected on the below mentioned technical grounds either at the time of their submission to any of the Managers Designated Intermediaries or at the time of finalisation of the Basis of Allotment. Bidders/ Applicants are advised to note that the Bids/ Applications are liable to be rejected, among other things, on the following grounds, which have been detailed at various places in this GID:

- (a) Bid by persons not competent to contract under the Indian Contract Act, 1872, as amended, (other than minors having valid Depository Account as per Demographic Details provided by Depositories);

- (b) Bids by OCBs;
- (c) In case of partnership firms, Bid for Equity Shares made in the name of the firm. However, a limited liability partnership can apply in its own name;
- (d) In case of Bids under power of attorney or by limited companies, corporate, trust etc., relevant documents are not being submitted along with the Bid cum application form/ Application Form;
- (e) Bids by persons prohibited from buying, selling or dealing in the shares directly or indirectly by SEBI or any other regulatory authority;
- (f) Bids by any person outside India if not in compliance with applicable foreign and Indian laws;
- (g) PAN not mentioned in the Bid cum Application Form except for Bids by or on behalf of the Central or State Government and officials appointed by the court and by the investors residing in the State of Sikkim, provided such claims have been verified by the Depository Participant;
- (h) In case no corresponding record is available with the Depositories that matches the DP ID, the Client ID and the PAN;
- (i) Bids for lower number of Equity Shares than the minimum specified for that category of investors;
- (j) Bids at a price less than the Floor Price & Bids/ Applications at a price more than the Cap Price;
- (k) Bids at Cut-off Price by NIBs and QIBs;
- (l) The amounts mentioned in the Bid cum Application Form do not tally with the amount payable for the value of the Equity Shares Bid for;
- (m) Bids for amounts greater than the maximum permissible amounts prescribed by the regulations;
- (n) Submission of more than five Bid cum Application Forms through a single ASBA Account;
- (o) Bids for number of Equity Shares which are not in multiples Equity Shares which are not in multiples as specified in the RHP;
- (p) Multiple Bids as defined in this GID and the RHP/ Prospectus;
- (q) Inadequate funds in the bank account to block the Bid Amount specified in the Bid cum Application Form at the time of blocking such Bid Amount in the bank account;
- (r) In case of Anchor Investors, Bids where sufficient funds are not available in Anchor Investor Escrow Accounts as per final certificate from the Escrow Collection Banks;
- (s) Where no confirmation is received from SCSB for blocking of funds;
- (t) Bids by Bidders (other than Anchor Investors) not submitted through ASBA process or Bids/Applications by QIBs (other than Anchor Investors) and Non-Institutional Bidders accompanied with cheque(s) or demand draft(s);
- (u) Bids submitted to a Designated Intermediary at locations other than the Bidding Centres or to the Escrow Collection Banks (assuming that such bank is not an SCSB where the ASBA Account is maintained), to the issuer or the Registrar to the Issue;
- (v) Bids not uploaded on the Stock Exchanges Bidding system; and;

- (w) Bids by SCSBs wherein a separate account in its own name held with any other SCSB is not mentioned as the ASBA Account in the Bid cum Application Form.

5.6 BASIS OF ALLOCATION

- (a) The SEBI ICDR Regulations specify the allocation or Allotment that may be made to various categories of Bidders in an Issue depending on compliance with the eligibility conditions. Certain details pertaining to the percentage of Issue size available for allocation to each category is disclosed overleaf of the Bid cum Application Form and in the RHP/ Prospectus. For details in relation to allocation, the Bidder may refer to the RHP/ Prospectus
- (b) Under-subscription in any category (except QIB Category) is allowed to be met with spill-over from any other category or combination of categories at the discretion of the Issuer and in consultation with the Managers and NSE and in accordance with the SEBI ICDR Regulations. Unsubscribed Category in QIB Category is not available for subscription to other categories.
- (c) In case of under subscription in the Net Issue, spill-over to the extent of such under-subscription may be permitted from the Reserved Category to the Net Issue. For allocation in the event of an under-subscription applicable to the Issuer, Bidders/ Applicants may refer to the RHP.
- (d) **Illustration of the Book Building and Price Discovery Process**

Bidders should note that this example is solely for illustrative purposes and is not specific to the Issue; it also excludes Bidding by Anchor Investors.

Bidders can bid at any price within the Price Band. For instance, assume a Price Band of ₹20 to ₹ 24 per share, Issue size of 3,000 Equity Shares and receipt of five Bids from Bidders, details of which are shown in the table below. The illustrative book given below shows the demand for the Equity Shares of the issuer at various prices and is collated from Bids received from various investors.

Bid Quantity	Bid Amount (₹)	Cumulative Quantity	Subscription
500	24	500	16.67%
1,000	23	1,500	50.00%
1,500	22	3,000	100.00%
2,000	21	5,000	166.67%
2,500	20	7,500	250.00%

The price discovery is a function of demand at various prices. The highest price at which the issuer is able to issue the desired number of equity shares is the price at which the book cuts off, i.e., 22.00 in the above example. The issuer, in consultation with the Managers, may finalise the issue price at or below such cut-off price, i.e., at or below 22.00. All Bids at or above this issue price and cut-off bids are valid Bids and are considered for allocation in the respective categories.

- (e) **Alternate Method of Book Building**

In case of FPOs, Issuers may opt for an alternate method of Book Building in which only the Floor Price is specified for the purposes of Bidding (“Alternate Book Building Process”).

The Issuer may specify the Floor Price in the RHP or advertise the Floor Price at least one Working Day prior to the Bid/Issue Opening Date. QIBs may Bid at a price higher than the Floor Price and the Allotment to the QIBs is made on a price priority basis. The Bidder with the highest Bid Amount is allotted the number of Equity Shares Bid for and then the second highest Bidder is Allotted Equity Shares and this process continues until all the Equity Shares have been allotted. RIBs, NIBs are Allotted Equity Shares at the Floor Price and Allotment to these categories of Bidders is made proportionately. If the number of Equity Shares Bid for at

a price is more than available quantity then the Allotment may be done on a proportionate basis. Further, the Issuer may place a cap either in terms of number of specified securities or percentage of issued capital of the Issuer that may be Allotted to a single Bidder, decide whether a Bidder be allowed to revise the bid upwards or downwards in terms of price and/ or quantity and also decide whether a Bidder be allowed single or multiple bids.

SECTION 6: ISSUE PROCEDURE IN FIXED PRICE ISSUE

Applicants may note that there is no Bid cum Application Form in a Fixed Price Issue. As the Issue Price is mentioned in the Fixed Price Issue therefore on filing of the Prospectus with the RoC, the Application so submitted is considered as the application form.

Applicants may only use the specified Application Form for the purpose of making an Application in terms of the Prospectus which may be submitted through the Designated Intermediary.

Applicants may submit an Application Form either in physical form to any of the Designated Intermediaries or in the electronic form to the SCSB or the Designated SCSB Branches of the SCSBs authorising blocking of funds that are available in the bank account specified in the Application Form only (“**ASBA Account**”). The Application Form is also made available on the websites of the Stock Exchanges at least one day prior to the Bid/Issue Opening Date.

In a fixed price Issue, allocation in the net issue to the public category is made as follows: minimum fifty per cent to Retail Individual Bidders; and remaining to (i) individual investors other than Retail Individual Bidders; and (ii) other Applicants including corporate bodies or institutions, irrespective of the number of specified securities applied for. The unsubscribed portion in either of the categories specified above may be allocated to the Applicants in the other category.

For details of instructions in relation to the Application Form, Bidders may refer to the relevant section of the GID.

SECTION 7: ALLOTMENT PROCEDURE AND BASIS OF ALLOTMENT

The Allotment of Equity Shares to Bidders other than Retail Individual Bidders and Anchor Investors may be on proportionate basis. For Basis of Allotment to Anchor Investors, Bidders may refer to RHP/ Prospectus. No Retail Individual Bidder will be Allotted less than the minimum Bid Lot subject to availability of shares in Retail Individual Bidder Category and the remaining available shares, if any will be Allotted on a proportionate basis. The Issuer is required to receive a minimum subscription of 90% of the Net Issue (excluding any Issue for Sale of specified securities). However, in case the Issue is in the nature of Issue for Sale only, then minimum subscription may not be applicable.

7.1 ALLOTMENT TO RIBs

Bids received from the RIBs at or above the Issue Price may be grouped together to determine the total demand under this category. If the aggregate demand in this category is less than or equal to the Retail Category at or above the Issue Price, full Allotment may be made to the RIBs to the extent of the valid Bids. If the aggregate demand in this category is greater than the allocation to in the Retail Category at or above the Issue Price, then the maximum number of RIBs who can be Allotted the minimum Bid Lot will be computed by dividing the total number of Equity Shares available for Allotment to RIBs by the minimum Bid Lot (“**Maximum RIB Allottees**”). The Allotment to the RIBs will then be made in the following manner:

- (a) In the event the number of RIBs who have submitted valid Bids in the Issue is equal to or less than Maximum RIB Allottees, (i) all such RIBs shall be Allotted the minimum Bid Lot; and (ii) the balance available Equity Shares, if any, remaining in the Retail Category shall be Allotted on a proportionate basis to the RIBs who have received Allotment as per (i) above for the balance demand of the Equity Shares Bid by them (i.e. who have Bid for more than the minimum Bid Lot).
- (b) In the event the number of RIBs who have submitted valid Bids in the Issue is more than Maximum RIB Allottees, the RIBs (in that category) who will then be Allotted minimum Bid

Lot shall be determined on the basis of draw of lots.

7.2 ALLOTMENT TO NIBs

Bids received from NIBs at or above the Issue Price may be grouped together to determine the total demand under this category. The Allotment to all successful NIBs may be made at or above the Issue Price. If the aggregate demand in this category is less than or equal to the Non-Institutional Category at or above the Issue Price, full Allotment may be made to NIBs to the extent of their demand. In case the aggregate demand in this category is greater than the Non-Institutional Category at or above the Issue Price, Allotment may be made on a proportionate basis up to a minimum of the Non-Institutional Portion.

7.3 ALLOTMENT TO QIBs

For the Basis of Allotment to Anchor Investors, Bidders may refer to the SEBI ICDR Regulations or RHP / Prospectus. Bids received from QIBs Bidding in the QIB Category (net of Anchor Portion) at or above the Issue Price may be grouped together to determine the total demand under this category. The QIB Category may be available for Allotment to QIBs who have Bid at a price that is equal to or greater than the Issue Price. Allotment may be undertaken in the following manner:

- (a) In the first instance allocation to Mutual Funds for up to 5% of the QIB Category may be determined as follows: (i) In the event that Bids by Mutual Fund exceeds 5% of the QIB Portion, allocation to Mutual Funds may be done on a proportionate basis for up to 5% of the QIB Portion; (ii) In the event that the aggregate demand from Mutual Funds is less than 5% of the QIB Category then all Mutual Funds may get full Allotment to the extent of valid Bids received above the Issue Price; and (iii) Equity Shares remaining unsubscribed, if any and not allocated to Mutual Funds may be available for Allotment to all QIBs as set out at paragraph 7.4(b) below;
- (b) In the second instance, Allotment to all QIBs may be determined as follows: (i) In the event of oversubscription in the QIB Category, all QIBs who have submitted Bids above the Issue Price may be Allotted Equity Shares on a proportionate basis for up to 95% of the QIB Category; (ii) Mutual Funds, who have received allocation as per (a) above, for less than the number of Equity Shares Bid for by them, are eligible to receive Equity Shares on a proportionate basis along with other QIBs; and (iii) Under-subscription below 5% of the QIB Category, if any, from Mutual Funds, may be included for allocation to the remaining QIBs on a proportionate basis.

7.4 ALLOTMENT TO ANCHOR INVESTOR (IF APPLICABLE)

- (a) Allocation of Equity Shares to Anchor Investors at the Anchor Investor Issue Price will be at the discretion of the Issuer and the Selling Shareholders in consultation with the Managers, subject to compliance with the following requirements:
 - i. not more than 60% of the QIB Category will be allocated to Anchor Investors;
 - ii. one-third of the Anchor Investor Category shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the price at which allocation is being done to other Anchor Investors; and
 - iii. allocation to Anchor Investors shall be on a discretionary basis and subject to:
 - a maximum number of two Anchor Investors for allocation up to ₹ 100 million;
 - a minimum number of two Anchor Investors and maximum number of 15 Anchor Investors for allocation of more than ₹ 100 million and up to ₹ 2,500 million subject to minimum Allotment of ₹ 50 million per such Anchor Investor; and
 - a minimum number of five Anchor Investors and maximum number of 15 Anchor Investors for allocation of more than ₹ 2,500 million and an additional 10 Anchor Investors for every additional ₹ 2,500 million or part

thereof, subject to minimum Allotment of ₹ 50 million per such Anchor Investor.

- (b) A physical book is prepared by the Registrar on the basis of the Anchor Investor Application Forms received from Anchor Investors. Based on the physical book and at the discretion of the issuer in consultation with the BRLMs, selected Anchor Investors will be sent a CAN and if required, a revised CAN.
- (c) **In the event that the Issue Price is higher than the Anchor Investor Issue Price:** Anchor Investors will be sent a revised CAN within one day of the Pricing Date indicating the number of Equity Shares allocated to such Anchor Investor and the pay-in date for payment of the balance amount. Anchor Investors are then required to pay any additional amounts, being the difference between the Issue Price and the Anchor Investor Issue Price, as indicated in the revised CAN within the pay-in date referred to in the revised CAN. Thereafter, the Allotment Advice will be issued to such Anchor Investors.
- (d) **In the event the Issue Price is lower than the Anchor Investor Issue Price:** Anchor Investors who have been Allotted Equity Shares will directly receive Allotment Advice.

7.5 BASIS OF ALLOTMENT FOR QIBs (OTHER THAN ANCHOR INVESTORS), NIBs AND RESERVED CATEGORY IN CASE OF OVER-SUBSCRIBED ISSUE

In the event of the Issue being over-subscribed, the Issuer may finalise the Basis of Allotment in consultation with NSE in accordance with the SEBI ICDR Regulations.

The allocation may be made in marketable lots, on a proportionate basis as explained below:

- (a) Bidders may be categorized according to the number of Equity Shares applied for;
- (b) The total number of Equity Shares to be Allotted to each category as a whole may be arrived at on a proportionate basis, which is the total number of Equity Shares applied for in that category (number of Bidders in the category multiplied by the number of Equity Shares applied for) multiplied by the inverse of the over-subscription ratio;
- (c) The number of Equity Shares to be Allotted to the successful Bidders may be arrived at on a proportionate basis, which is total number of Equity Shares applied for by each Bidder in that category multiplied by the inverse of the over-subscription ratio;
- (d) In all Bids where the proportionate Allotment is less than the minimum Bid Lot decided per Bidder, the Allotment may be made as follows: the successful Bidders out of the total Bidders for a category may be determined by a draw of lots in a manner such that the total number of Equity Shares Allotted in that category is equal to the number of Equity Shares calculated in accordance with (b) above; and each successful Bidder may be Allotted a minimum of such Equity Shares equal to the minimum Bid Lot finalised by the Issuer;
- (e) If the proportionate Allotment to a Bidder is a number that is more than the minimum Bid lot but is not a multiple of one (which is the marketable lot), the decimal may be rounded off to the higher whole number if that decimal is 0.5 or higher. If that number is lower than 0.5 it may be rounded off to the lower whole number. Allotment to all bidders in such categories may be arrived at after such rounding off; and
- (f) If the Equity Shares allocated on a proportionate basis to any category are more than the Equity Shares Allotted to the Bidders in that category, the remaining Equity Shares available for Allotment may be first adjusted against any other category, where the Allotted Equity Shares are not sufficient for proportionate Allotment to the successful Bidders in that category. The balance Equity Shares, if any, remaining after such adjustment may be added to the category comprising Bidders applying for minimum number of Equity Shares.

7.6 DESIGNATED DATE AND ALLOTMENT OF EQUITY SHARES

- (a) **Designated Date:** On the Designated Date, the Escrow Collection Banks shall transfer the funds represented by allocation of Equity Shares to Anchor Investors from the Escrow Accounts, as per the terms of the Escrow Agreement, into the Public Issue Accounts with the Bankers to the Issue. The balance amount after transfer to the Public Issue Account shall be transferred to the Refund Account. MAIN PROVISIONS OF OUR ARTICLES OF ASSOCIATION

Pursuant to the Companies Act and the ICDR Regulations the main provisions of our Articles relating to, inter alia, voting rights, dividend, lien, forfeiture, restrictions on transfer and transmission of Equity Shares or debentures and/or on their consolidation/splitting are detailed below. Please note that each provision herein below is numbered as per the corresponding article number in our Articles and capitalized/defined terms herein have the same meaning given to them in our Articles.

Share Capital	
<i>Authorised Capital</i>	
3	The Authorised Share Capital of the Company shall be as specified in Clause V (A) of the Memorandum of Association of the Company.
<i>Shares under control of the Board</i>	
4	Subject to the provisions of the Act and these Articles, the shares in the capital of the Company (including any shares forming part of any increased capital of the Company) shall be under the control of the Board of Directors who may issue, allot or otherwise dispose of the same or any of them to such persons in such proportions and on such terms and conditions and either at a premium or at par and at such times as they may from time to time think fit and proper and with sanction of the Company in the general meeting to give to any person or persons the option or right to call for any shares either at par or premium during such time and for such consideration, as the directors think fit.
<i>Allotment otherwise than for Cash</i>	
5	Subject to the provisions of the Act and these Articles, the Board may allot and issue shares in the capital of the Company otherwise than for cash including, without limitation, as payment or part payment for any property sold or goods transferred or machinery supplied or for services rendered to the Company or as sweat equity or otherwise and any shares which may be so allotted may be issued as fully paid-up or partly paid-up and if so issued shall be deemed to be fully paid-up shares or partly paid-up shares. Provided that option or right to call of shares shall not be given to any person or persons without the sanction of the Company in the General Meeting.
<i>Payment of Installments</i>	
6	If, by the conditions of allotment of any share, the whole or part of the amount or issue price thereof shall be payable by installments, every such installment shall, when due, be paid to the Company by the person who, for the time being and from time to time, shall be the registered holder of the share.
<i>Preference Shares</i>	
7	Subject to the provisions of the Act, preference shares may be issued by the Company on the term that they are, or at the option of the Company or the holder(s) of the concerned preference shares are liable, to be redeemed or converted on such terms and in such manner as the Board and the Company by special resolution may determine.
<i>Different Classes of Shares</i>	
8	If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to the provisions of the Act, and whether or not the Company is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of a special resolution passed at a separate meeting of the holders of the shares of that class.
9	To every such separate meeting, the provisions of these Articles relating to general meetings shall mutatis mutandis apply, but so that the necessary quorum shall be at least two persons at least holding, one-third of the issued shares of the class in question.
<i>Further Issue of Shares</i>	
10	The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking <i>pari passu</i> therewith.
11	Where at any time, it is proposed to increase the subscribed capital of the Company, by issue of further shares, such shares shall be offered: <ol style="list-style-type: none"> a) to persons who, at the date of the offer, are holders of the equity shares of the Company, in proportion, as nearly as circumstances admit, to the paid-up share capital on those shares by sending a letter of offer subject to the following conditions, namely:- <ol style="list-style-type: none"> i. the offer shall be made by a notice specifying the number of shares offered and limiting a time not being less than fifteen days and not exceeding thirty days from the date of the offer within which the offer, if not accepted, will be deemed to have been declined; ii. the offer aforesaid shall be deemed to include a right exercisable by the person concerned to renounce the shares offered to him or any of them in favour of any other person and the notice referred to in sub-clause (i) shall contain a statement of this right; iii. after the expiry of the time specified in the notice aforesaid, or on receipt of earlier Intimation from the person to whom such notice is given that he declines to accept the shares offered, the Board of Directors may dispose of them in such manner which is not dis-advantageous to the shareholders and

	<p>the Company.</p> <p>b) To employees under a scheme of employees' stock option, subject to special resolution passed by company and subject to such conditions as may be prescribed in the Act or the rules made thereunder.</p> <p>c) To any person, if the company is authorized by a special resolution, whether or not those person include the person referred to in clause (a) or clause (b), either for cash or for a consideration other than cash, if the price of such shares is determined by the valuation report of a registered valuer subject to such conditions as may be prescribed in the Act or Rules made thereunder.</p>
12	<p>Nothing in Articles 10, 11, shall apply to the increase of the subscribed capital of the Company caused by the exercise of an option as a term attached to the debentures issued or loan raised by the Company to convert such debentures or loans into shares in the Company.</p> <p>Provided that the terms of issue of such debentures or loan containing such an option have been approved before the issue of such debentures or the raising of loan by as special resolution passed by the Company in General Meeting.</p>
13	<p>Subject to the provisions of the Act and Rules made there under the company may issue Sweat equity if such issue is authorized by a special resolution passed by the Company in General Meeting or in such other manner as may be prescribed under the act.</p>
<i>Commission</i>	
14	<p>The Company may exercise the power of paying commissions conferred by the Act, to any person in connection with the subscription of securities, provided that the rate percent or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by the Act and rules made thereunder.</p>
15	<p>The rate or amount of the commission shall not exceed the rate or amount prescribed in the Act.</p>
16	<p>The commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in the one way and partly in the other.</p>
<i>Company not to Recognise Trust</i>	
17	<p>Except as required by law, no person shall be recognized by the company as holding any share upon any trust, and the company shall not be bound by, or be compelled in any way to recognize (even when having notice thereof) any equitable, contingent, future or partial interest in any share, or any interest in any fractional part of a share, or (except only as by these regulations or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.</p>
<i>Certificates</i>	
18	<p>Subject to the provisions of the Act, the Depositories Act, 1996 and the Rules and Regulations made thereunder, every person whose name is entered as a member in the Register of Members shall be entitled to receive within two months after allotment or within one month after the application for the registration of transfer or transmission sub-division, consolidation or renewal of shares, as the case may be (or within such other period as the conditions of issue shall provide):-</p> <p>a) one or more certificate, in marketable lots, for all his shares of each class or denomination without payment; or</p> <p>b) several certificates, each for one or more of his shares, upon payment of twenty rupees for every certificate after the first.</p> <p>For the purposes of this Article 18, the expression "transfer" means a transfer duly stamped and otherwise valid, and does not include any transfer which the Company is for any reason entitled to refuse to register and does not register.</p>
19	<p>Every certificate shall be under the Seal and shall specify the number and distinctive numbers of shares in respect of which it is issued and the amount paid-up thereon and shall be in such form as may be prescribed under the Act.</p>
20	<p>In respect of any share or shares held jointly by several persons, the Company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders.</p>
<i>Loss or Destruction of Certificates</i>	
21	<p>If any certificate be worn out, defaced, mutilated or torn or if there be no further space on the back thereof for endorsement of transfer, then upon production and surrender thereof to the Company, a new certificate may be issued in lieu thereof, and if any certificate lost or destroyed then upon proof thereof to the satisfaction of the Company and on execution of such indemnity as the Company deem adequate, being given, a new certificate in lieu thereof shall be given to the party entitled to such lost or destroyed certificate.</p> <p>Every certificate under the article shall be issued without payment of fees if the Board so decide, or on payment of twenty rupees for each certificate.</p> <p>Provided that no fees shall be charged for issue of new certificates in replacement of those which are old, defaced or worn out or where there is no further space on the back thereof for endorsement of transfer.</p>

	<p>Provided that notwithstanding what is stated above the Board shall comply with such Rules or Regulation or requirements of any Stock Exchange or the Rules made under the Act or Rules made under the SCRA or any other Act, or Rules applicable thereof in this behalf.</p> <p>The provision of this Article shall mutatis mutandis apply to debentures of the Company.</p>

First and Paramount Lien	
24	<p>The Company shall have a first and paramount lien upon on all shares/ debentures (not being fully-paid shares/ debentures) standing registered in the name of each member (whether solely or jointly with others) and upon the proceeds of sale thereof, for all moneys (whether presently payable or not) called or payable at a fixed time, in respect of such shares/ debentures.</p> <p>No equitable interest in any share shall be created except upon the footing and condition that this Article will have full effect and such lien shall extend to all dividends and bonuses from time to time declared in respect of such shares/ debentures.</p>
25	Unless otherwise agreed the registration of a transfer of shares/debentures shall operate as a waiver of the Company's lien if any on such shares/debentures.
26	The Board may at any time declare any shares/debentures wholly or in part to be exempt from the provisions of this clause.
Sale of Shares on which Company has a Lien	
27	<p>The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien:</p> <p>Provided that no sale shall be made:-</p> <ol style="list-style-type: none"> Unless a sum in respect of which the lien exists is presently payable, or Until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder (or, in case of joint holders, any registered holder) for the time being of the share or the person entitled thereto by reason of his death or insolvency.
Giving Effect to Sale	
28	To give effect to any such sale, the Board may authorise some person to transfer the shares sold to the purchaser thereof.
29	The purchaser shall be registered as the holder of the shares comprised in any such transfer.
30	The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
Proceeds of Sale	
31	The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable.
32	The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.
Calls on Shares	
Board may make Calls	
33	<p>The Board may, from time to time, make calls upon the Shareholders in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times;</p> <p>Provided that any call shall be of such amount and be payable at such time as the Board may determine.</p>
34	Each Shareholder shall, subject to receiving at least fourteen days' notice specifying the time or times and place of payment, pay to the Company, at the time or times and place so specified, the amount called on his shares.
35	A call may be revoked or postponed at the discretion of the Board.
Calls when made	
36	A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be required to be paid by installments.
Joint Holders	
37	The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
Interest	
38	If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person

	from whom the sum is due shall pay interest thereon from the day appointed for payment thereof to the time of actual payment at such rate, if any, as the Board may determine.
39	The Board shall be at liberty to waive payment of any such interest wholly or in part.
<i>Sum payable under terms of Issue deemed to be Call</i>	
40	Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these Articles, be deemed to be a call duly made and payable on the date on which by the terms of issue such sum becomes payable.
41	In case of non-payment of such sum, all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
<i>Payment in Advance</i>	
42	The Board:- <ul style="list-style-type: none"> a) may, if it thinks fit, receive from any Shareholder willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him beyond the sums actually called for; and b) upon all or any of the monies so, advanced may (until the same would, but for such advance, become presently payable) pay interest (if any) at such rate not exceeding, unless the company in general meeting shall otherwise direct, twelve percent per annum as may be agreed upon between the Board and the Shareholder paying the sum in advance.
43	The payment of money in advance of calls shall not confer a right to participate in profits or dividend or entitle such member any voting rights in respect of the moneys so paid until the same would but for such payment, become presently payable.
44	The Board may at any time repay the amount so advanced.
45	The provisions of these Articles shall mutatis mutandis apply to the calls on debentures of the Company.
<i>All calls to be paid</i>	
46	No Shareholder shall be entitled to receive any dividend or exercise any privilege as a Shareholder until he shall have paid all calls for the time being due and payable on every share held by him, whether alone or jointly with any person, together with interest and expenses, if any.
<i>Transfer of Shares</i>	
<i>Transfer of Shares in Physical Form</i>	
49	The instrument of transfer of any share in the Company shall be executed by or on behalf of both the transferor and transferee.
50	The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.
51	The instrument of transfer shall after registration be retained by the Company and shall remain in its custody. All the instruments of transfer which the Board may decline to register shall on demand be returned to the person depositing the same unless the Board otherwise determines. The Directors may cause to be destroyed all transfer deeds lying with the Company after such period as they may determine.
52	The Board may, subject to the right of appeal conferred by the act, decline to register:- <ul style="list-style-type: none"> a) the transfer of a share, not being a fully paid share, to a person of whom they do not approve; or b) any transfer of shares on which the company has a lien.
53	The Board may also decline to recognise any instrument of transfer unless:- <ul style="list-style-type: none"> a) the instrument of transfer is in the form as prescribed in the Act. b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and c) the instrument of transfer is in respect of only one class of shares.
54	No fee shall be charged for registration of transfer, transmission, probate, succession certificate, letters of administration, certificate of death or marriage, power of attorney or other similar document.
<i>Dematerialisation of Securities</i>	
55	All or any of the Company's shares and/or other securities may be dematerialized in accordance with the provisions of the Depositories Act, 1996 and the Rules and Regulations made thereunder. In such case, notwithstanding anything contained elsewhere in these Articles, the provisions of the Depositories Act, 1996 and the Rules and Regulations made thereunder shall apply to the dematerialized shares (including the issue, dematerialization, transfer, transmission and re-materialisation of the dematerialized shares) and the provisions of these Articles shall be construed accordingly.
<i>General Provisions for Transfer</i>	
56	Subject to the provisions of the Act, these Articles and other applicable provisions of the Act or any other law for the time being in force, the Board may refuse whether in pursuance of any power of the Company under these Articles or otherwise to Register the Transfer of, or the transmission by operation of law of the right to,

	<p>any shares or interest of a Member in or debentures of the Company.</p> <p>The Company shall within one month from the date on which the instrument of transfer, or the intimation of such transmission, as the case may be, was delivered to Company, send notice of the refusal to the transferee and the transferor or to the person giving intimation of such transmission; as the case may be, giving reasons for such refusal.</p> <p>Provided that the registration of a transfer shall not be refused on the ground of the transferor being either alone or jointly with any other person or persons indebted to the Company on any account whatsoever, except when the Company has a lien on the shares.</p>
57	<p>Subject to the provisions of the Act, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine:</p> <p>Provided that such registration shall not be suspended for more than thirty days at any one time or for more than forty-five days in the aggregate in any year.</p>
58	<p>a) Notwithstanding anything to the contrary contained in these Articles, the provisions of the SECC Regulations or any modification thereto, as the case may be, shall apply in respect of issue, acquisition and holding of equity shares of the Company.</p> <p>b) As provided in the foregoing Articles and without prejudice to the provisions of Articles 56, a member shall be at liberty to transfer the share:-</p> <p>Provided however that the Board of Directors may refuse the transfer if in its opinion:-</p> <ol style="list-style-type: none"> the transfer is being made otherwise than in accordance with relevant SEBI circulars and directives beside the provisions of the SECC Regulations or any modification thereto, as the case may be; or the transfer, if made, will not be in the interest of the Company.
Transmission of Shares	
59	On the death of a Shareholder, the survivor or survivors where the Shareholder was a joint holder, and his nominee or nominees or legal representatives where he was a sole holder, shall be the only persons recognised by the Company as having any title to his interest in the shares.
60	Nothing in Article 59 shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.
61	<p>Any person becoming entitled to a share in consequence of the death or insolvency of a Shareholder may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either:</p> <ol style="list-style-type: none"> to be registered himself as holder of the share; or to make such transfer of the share as the deceased or insolvent Shareholder could have made.
62	The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent Shareholder had transferred the share before his death or insolvency.
63	If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects.
64	If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share.
65	All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the Shareholder had not occurred and the notice or transfer were a transfer signed by that Shareholder.
66	<p>A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a Shareholder in respect of the share, be entitled in respect of it to exercise any right conferred by shareholding in relation to meetings of the Company:</p> <p>Provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have been complied with.</p>
67	The provisions of Articles 59 to 66 are without prejudice to, and in addition to, the provisions of the Act.
Forfeiture Of Shares	
Notice of Payment	
68	If a Shareholder fails to pay any call, or installment of a call, on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or installment remains unpaid, serve a notice on him requiring payment of so much of the call or installment as is unpaid, together with any interest which may have accrued.

Contents of the Notice	
69	The notice aforesaid shall:- a) name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and b) state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made will be liable to be forfeited.
Forfeiture	
70	If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.
Sale or Disposal of Forfeited Shares	
71	A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit.
72	At any time before a sale or disposal as aforesaid, the Board may cancel the forfeiture on such terms as it thinks fit.
Consequence of Forfeiture	
73	A person whose shares have been forfeited shall cease to be a Shareholder in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay to the Company all moneys which, at the date of forfeiture, were presently payable by him to the Company in respect of the shares.
74	The liability of such person shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares.
Declaration	
75	A duly verified declaration in writing that the declarant is a Director, the manager or the Secretary, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share.
76	The Company may receive the consideration, if any, given for the share on any sale or disposal thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of.
77	The transferee shall thereupon be registered as the holder of the share.
78	The transferee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.
Application of provisions	
79	The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.
Alteration Of Capital	
Increase in Capital	
87	The Company may, from time to time, by ordinary resolution increase the share capital by such sum, to be divided into shares of such amount, as may be specified in the resolution.
